

122A.41 TEACHER TENURE ACT; CITIES OF THE FIRST CLASS; DEFINITIONS.

Subdivision 1. **Words, terms, and phrases.** Unless the language or context clearly indicates that a different meaning is intended, the following words, terms, and phrases, for the purposes of the following subdivisions in this section shall be defined as follows:

(a) **Teachers.** The term "teacher" includes every person regularly employed, as a principal, or to give instruction in a classroom, or to superintend or supervise classroom instruction, or as placement teacher and visiting teacher. Persons regularly employed as counselors and school librarians shall be covered by these sections as teachers if licensed as teachers or as school librarians.

(b) **School board.** The term "school board" includes a majority in membership of any and all boards or official bodies having the care, management, or control over public schools.

(c) **Demote.** The word "demote" means to reduce in rank or to transfer to a lower branch of the service or to a position carrying a lower salary or compensation.

(d) **Nonprovisional license.** For purposes of this section, "nonprovisional license" shall mean an entrance, continuing, or life license.

Subd. 2. **Probationary period; discharge or demotion.** (a) All teachers in the public schools in cities of the first class during the first three years of consecutive employment shall be deemed to be in a probationary period of employment during which period any annual contract with any teacher may, or may not, be renewed as the school board, after consulting with the peer review committee charged with evaluating the probationary teachers under subdivision 3, shall see fit. The school site management team or the school board if there is no school site management team, shall adopt a plan for a written evaluation of teachers during the probationary period according to subdivision 3. Evaluation by the peer review committee charged with evaluating probationary teachers under subdivision 3 shall occur at least three times each year for a teacher performing services on 120 or more school days, at least two times each year for a teacher performing services on 60 to 119 school days, and at least one time each year for a teacher performing services on fewer than 60 school days. Days devoted to parent-teacher conferences, teachers' workshops, and other staff development opportunities and days on which a teacher is absent from school shall not be included in determining the number of school days on which a teacher performs services. The school board may, during such probationary period, discharge or demote a teacher for any of the causes as specified in this code. A written statement of the cause of such discharge or demotion shall be given to the teacher by the school board at least 30 days before such removal or demotion shall become effective, and the teacher so notified shall have no right of appeal therefrom.

(b) A probationary teacher whose first three years of consecutive employment are interrupted for active military service and who promptly resumes teaching consistent with federal reemployment timelines for uniformed service personnel under United States Code, title 38, section 4312(e), is considered to have a consecutive teaching experience for purposes of paragraph (a).

(c) A probationary teacher must complete at least 60 days of teaching service each year during the probationary period. Days devoted to parent-teacher conferences, teachers' workshops, and other staff development opportunities and days on which a teacher is absent from school do not count as days of teaching service under this paragraph.

Subd. 3. **Mentoring for probationary teachers.** A board and an exclusive representative of the teachers in the district must develop a probationary teacher peer review process through joint agreement. The process may include having trained observers serve as mentors or coaches or having teachers participate in professional learning communities.

Subd. 4. **Period of service after probationary period; discharge or demotion.** (a) After the completion of such probationary period, without discharge, such teachers as are thereupon reemployed shall continue in service and hold their respective position during good behavior and efficient and competent service and must not be discharged or demoted except for cause after a hearing. The terms and conditions of a teacher's employment contract, including salary and salary increases, must be based either on the length of the school year or an extended school calendar under section 120A.415.

(b) A probationary teacher is deemed to have been reemployed for the ensuing school year, unless the school board in charge of such school gave such teacher notice in writing before July 1 of the termination of such employment.

(c) A teacher electing to have an employment contract based on the extended school calendar under section 120A.415 must participate in staff development training under subdivision 4a and shall receive an increased base salary.

Subd. 4a. **Additional staff development and salary.** (a) A teacher electing to have a continuing contract based on the extended school calendar under section 120A.415 must participate in a total number of staff development days where the total number of such days equals the difference between the total number of days of student instruction and 240 days. Staff development includes peer mentoring, peer gathering, continuing education, professional development, or other training. A school board may schedule such days throughout the calendar year. Staff development programs provided during such days shall enable teachers to achieve the staff development outcomes under section 122A.60, subdivision 3.

(b) A public employer and the exclusive representative of the teachers must include terms in the collective bargaining agreement for all teachers who participate in additional staff development days under paragraph (a) that increase base salaries.

Subd. 5. **Peer coaching for continuing contract teachers.** A school board and an exclusive representative of the teachers in the district must develop a peer review process for nonprobationary teachers through joint agreement. The process may include having trained observers serve as peer coaches or having teachers participate in professional learning communities.

Subd. 5a. **Probationary period for principals hired internally.** A board and the exclusive representative of the school principals in the district may negotiate a plan for a probationary period of up to two school years for licensed teachers employed by the board who are subsequently employed by the board as a licensed school principal or assistant principal and an additional probationary period of up to two years for licensed assistant principals employed by the board who are subsequently employed by the board as a licensed school principal.

Subd. 6. **Grounds for discharge or demotion.** (a) Except as otherwise provided in paragraph (b), causes for the discharge or demotion of a teacher either during or after the probationary period must be:

- (1) immoral character, conduct unbecoming a teacher, or insubordination;

(2) failure without justifiable cause to teach without first securing the written release of the school board having the care, management, or control of the school in which the teacher is employed;

(3) inefficiency in teaching or in the management of a school;

(4) affliction with active tuberculosis or other communicable disease must be considered as cause for removal or suspension while the teacher is suffering from such disability; or

(5) discontinuance of position or lack of pupils.

For purposes of this paragraph, conduct unbecoming a teacher includes an unfair discriminatory practice described in section 363A.13.

(b) A probationary or continuing-contract teacher must be discharged immediately upon receipt of notice under section 122A.20, subdivision 1, paragraph (b), that the teacher's license has been revoked due to a conviction for child abuse or sexual abuse.

Subd. 7. Hearing of charges against teacher. The charges against a teacher must be in writing and signed by the person making the same and then filed with the secretary or clerk of the school board having charge of the school in which the teacher is employed. Before the school board discharges or demotes a teacher, the board must notify the teacher in writing and state in reasonable detail its grounds for the proposed discharge or demotion, together with a statement that the teacher may request in writing within ten days after receiving the notice a hearing before the board. The board may have the notice served personally or may send it by certified mail addressed to the teacher at the teacher's last known post office address. The teacher, under subdivision 13, also may elect a hearing before an arbitrator instead of the school board. Within ten days after receiving the notice the teacher may request in writing a hearing before the board or an arbitrator and it shall be granted. The teacher must be given reasonable notice of the time and place of the hearing before final action is taken. A teacher who fails to request a hearing within ten days is considered to acquiesce in the board's action. If the charge is made by a person not connected with the school system the charge may be disregarded by the school board. If the grounds are those specified in subdivision 6, clause (1), (2), (3), or (4), the notice must also state a teacher may request arbitration under subdivision 13. At the hearing, the school board or arbitrator shall hear all evidence that may be adduced in support of the charges and for the teacher's defense to the charges. Either party has the right to have a written record of the hearing at the expense of the board and to have witnesses subpoenaed and all witnesses so subpoenaed must be examined under oath. Any member of the school board conducting such a hearing has authority to issue subpoenas and to administer oaths to witnesses.

Subd. 8. Counsel; examination of witnesses. Each party appearing before the school board has the right to be represented by counsel, and such counsel may examine and cross-examine witnesses and present arguments.

Subd. 9. Hearings. All hearings before the school board must be private or may be public at the decision of the teacher against whom such charges have been filed.

Subd. 10. Decision, when rendered. The hearing must be concluded and a decision in writing, stating the grounds on which it is based, rendered within 25 days after giving of such notice. Where the hearing is before a school board the teacher may be discharged or demoted upon the affirmative vote of a majority of the members of the board. If the charges, or any of such, are found to be true, the board conducting the hearing must discharge, demote, or suspend the teacher,

as seems to be for the best interest of the school. A teacher must not be discharged for either of the causes specified in subdivision 6, clause (3), except during the school year, and then only upon charges filed at least four months before the close of the school sessions of such school year.

Subd. 11. **Charges expunged from records.** In all cases where the final decision is in favor of the teacher the charge or charges must be physically expunged from the records.

Subd. 12. **Suspension pending hearing; salary.** After charges are filed against a teacher, the school board may suspend the teacher from regular duty. If the teacher is suspended or removed after the final decision, the board may in its discretion determine the teacher's salary or compensation as of the time of filing the charges. If the final decision is favorable to the teacher, the board must not abate the teacher's salary or compensation.

Subd. 13. **Hearing and determination by arbitrator.** A teacher against whom charges have been filed alleging any cause for discharge or demotion specified in subdivision 6, clause (1), (2), (3), or (4), may elect a hearing before an arbitrator instead of the school board. The hearing is governed by this subdivision.

(a) The teacher must make a written request for a hearing before an arbitrator within ten days after receiving a written notice of the filing of charges required by subdivision 7. Failure to request a hearing before an arbitrator during this period is considered acquiescence to the board's action.

(b) If the teacher and the school board are unable to mutually agree on an arbitrator, the board must request from the Bureau of Mediation Services a list of five persons to serve as an arbitrator. If the teacher and the school board are unable to mutually agree on an arbitrator from the list provided, the parties shall alternately strike names from the list until the name of one arbitrator remains. The person remaining after the striking procedure must be the arbitrator. If the parties are unable to agree on who shall strike the first name, the question must be decided by a flip of a coin. The teacher and the board must share equally the costs and fees of the arbitrator.

(c) The arbitrator shall determine, by a preponderance of the evidence, whether the causes specified in subdivision 6, clause (1), (2), (3), or (4), exist to support the proposed discharge or demotion. A lesser penalty than discharge or demotion may be imposed by the arbitrator only to the extent that either party proposes such lesser penalty in the proceeding. In making the determination, the arbitration proceeding is governed by sections 572B.15 to 572B.28 and by the collective bargaining agreement applicable to the teacher.

(d) An arbitration hearing conducted under this subdivision is a meeting for preliminary consideration of allegations or charges within the meaning of section 13D.05, subdivision 3, paragraph (a), and must be closed, unless the teacher requests it to be open.

(e) The arbitrator's decision is final and binding on the parties, subject to sections 572B.18 to 572B.28.

[See Note.]

Subd. 14. **Services terminated by discontinuance or lack of pupils; preference given.**

(a) A teacher whose services are terminated on account of discontinuance of position or lack of pupils must receive first consideration for other positions in the district for which that teacher is qualified. In the event it becomes necessary to discontinue one or more positions, in making such discontinuance, teachers must be discontinued in any department in the inverse order in

which they were employed, unless a board and the exclusive representative of teachers in the district negotiate a plan providing otherwise.

(b) Notwithstanding the provisions of clause (a), a teacher is not entitled to exercise any seniority when that exercise results in that teacher being retained by the district in a field for which the teacher holds only a provisional license, as defined by the Board of Teaching, unless that exercise of seniority results in the termination of services, on account of discontinuance of position or lack of pupils, of another teacher who also holds a provisional license in the same field. The provisions of this clause do not apply to vocational education licenses.

(c) Notwithstanding the provisions of clause (a), a teacher must not be reinstated to a position in a field in which the teacher holds only a provisional license, other than a vocational education license, while another teacher who holds a nonprovisional license in the same field is available for reinstatement.

Subd. 15. Records relating to individual teacher; access; expungement. All evaluations and files generated within a district relating to each individual teacher must be available to each individual teacher upon the teacher's written request. Effective January 1, 1976, all evaluations and files, wherever generated, relating to each individual teacher must be available to each individual teacher upon the teacher's written request. The teacher has the right to reproduce any of the contents of the files at the teacher's expense and to submit for inclusion in the file written information in response to any material contained therein.

A district may destroy the files as provided by law and must expunge from the teacher's file any material found to be false or substantially inaccurate through the grievance procedure required pursuant to section 179A.20, subdivision 4. The grievance procedure promulgated by the director of the Bureau of Mediation Services, pursuant to section 179A.04, subdivision 3, clause (h), applies to those principals and supervisory employees not included in an appropriate unit as defined in section 179A.03. Expungement proceedings must be commenced within the time period provided in the collective bargaining agreement for the commencement of a grievance. If no time period is provided in the bargaining agreement, the expungement proceedings must commence within 15 days after the teacher has knowledge of the inclusion in the teacher's file of the material the teacher seeks to have expunged.
