(a) A qualified business is exempt from taxation under section 290.02, the alternative minimum tax under section 290.0921, and the minimum fee under section 290.0922, on the portion of its income attributable to operations of a qualified business within the biotechnology and health sciences industry zone. This exemption is determined as follows:

(1) for purposes of the tax imposed under section 290.02, by multiplying its taxable net income by its zone percentage and subtracting the result in determining taxable income;

(3) for purposes of the minimum fee under section 290.0922, by excluding zone property and payroll from the computations of the fee. The qualified business is exempt from the minimum fee if all of its property is located in the zone and all of its payroll is zone payroll.

(b) No subtraction is allowed under this section in excess of 20 percent of the sum of the corporation's biotechnology and health sciences industry zone payroll and the adjusted basis of the property at the time that the property is first used in the biotechnology and health sciences industry zone by the corporation.
