

127A.50 AID ADJUSTMENTS DUE TO CHANGES IN EMPLOYER RETIREMENT CONTRIBUTION RATES.

Subdivision 1. **Aid adjustment.** Beginning in fiscal year 1998 and each year thereafter, the commissioner of education shall adjust state aid payments to school operating funds for Independent School District No. 625 and Independent School District No. 709 by the net amount of clauses (1) and (2), for Special School District No. 1 by the net amount of clauses (1), (2), and (4), and for all other districts, including charter schools, but excluding any education organizations that are prohibited from receiving direct state aids under section 123A.26 or 125A.75, subdivision 7, by the net amount of clauses (1), (2), (3), and (4):

(1) a decrease equal to each district's share of the fiscal year 1997 adjustment effected under Minnesota Statutes 1996, section 124.2139;

(2) an increase equal to one percent of the salaries paid to members of the general plan of the Public Employees Retirement Association in fiscal year 1997, multiplied by 0.35 for fiscal year 1998 and 0.70 each year thereafter;

(3) a decrease equal to 2.34 percent of the salaries paid to members of the Teachers Retirement Association in fiscal year 1997; and

(4) an increase equal to 0.5 percent of the salaries paid to members of the Teachers Retirement Association in fiscal year 2007.

Subd. 2. **Appropriation.** The amounts necessary to pay any positive net adjustments under this section to any school district are appropriated annually from the general fund to the commissioner of education.

Subd. 3. **Limits on adjustments and potential reductions.** Increases to any school districts under subdivision 1, clause (2), and decreases under subdivision 1, clauses (1) and (3), are limited to the fiscal year 1999 amounts. The commissioner of education may permanently reduce the adjustments to school districts under subdivision 1, clauses (1) and (2), in the same manner as prescribed for nonschool jurisdictions under section 273.1385, subdivision 2. The commissioner may, from time to time, require that the most recent fiscal year payroll information be certified by the executive director of the Teachers Retirement Association. For any school district where the newly certified Teachers Retirement Association payroll is significantly lower than the fiscal 1997 amount as determined by the commissioner, the commissioner shall recalculate the lower reduction under subdivision 1, clause (3), and shall permanently reduce the adjustment amount in subsequent years.

Subd. 4. **Effect of reorganizations.** The commissioner of education shall reapportion the aid adjustments to school districts under this section to account for significant changes in boundaries or consolidations, as determined by the commissioner. If a school district is dissolved, or a school district function thereof is assumed by either the state or a nonpublic organization, adjustments for all or the appropriate fraction of the total payroll under this section must terminate.

Subd. 5. **Adjustment termination.** All adjustments under this section terminate on June 30, 2020.
