

147A.06 CANCELLATION OF LICENSE FOR NONRENEWAL.

The board shall not renew, reissue, reinstate, or restore a license that has lapsed on or after July 1, 1996, and has not been renewed within two annual renewal cycles starting July 1, 1997. A licensee whose license is canceled for nonrenewal must obtain a new license by applying for licensure and fulfilling all requirements then in existence for an initial license to practice as a physician assistant.
