

245B.01 RULE CONSOLIDATION.

This chapter establishes new methods to ensure the quality of services to persons with developmental disabilities, and streamlines and simplifies regulation of services and supports for persons with developmental disabilities. Sections 245B.02 to 245B.07 establish new standards that eliminate duplication and overlap of regulatory requirements by consolidating and replacing rule parts from four program rules. Section 245B.08 authorizes the commissioner of human services to develop and use new regulatory strategies to maintain compliance with the streamlined requirements.
