Subd. 2. **Agency notice of potential out-of-home placement.** When a local social services agency or private child-placing agency determines that an Indian child is in a dependent or other condition that could lead to an out-of-home placement and requires the continued involvement of the agency with the child for a period in excess of 30 days, the agency shall send notice of the condition and of the initial steps taken to remedy it to the Indian child's tribal social services agency within seven days of the determination. At this and any subsequent stage of its involvement with an Indian child, the agency shall, upon request, give the tribal social services agency full cooperation including access to all files concerning the child. If the files contain confidential or private data, the agency may require execution of an agreement with the tribal social services agency that the tribal social services agency shall maintain the data according to statutory provisions applicable to the data. This subdivision applies whenever the court transfers legal custody of an Indian child under section 260B.198, subdivision 1, clause (3), item (i), (ii), or (iii), following an adjudication for a misdemeanor-level delinquent act.

Subd. 3. **Notice of potential preadoptive or adoptive placement.** In any voluntary adoptive or preadoptive placement proceeding in which a local social services agency, private child-placing agency, petitioner in the adoption, or any other party has reason to believe that a child who is the subject of an adoptive or preadoptive placement proceeding is or may be an "Indian child," as defined in section 260.755, subdivision 8, and United States Code, title 25, section 1903(4), the agency or person shall notify the Indian child's tribal social services agency by registered mail with return receipt requested of the pending proceeding and of the right of intervention under subdivision 6. No preadoptive or adoptive placement proceeding may be held until at least ten days after receipt of the notice by the tribe or secretary. Upon request, the tribe must be granted up to 20 additional days to prepare for the proceeding. The agency or notifying party shall include in the notice the identity of the birth parents and child absent written objection by the birth parents. The private child-placing agency shall inform the birth parents of the Indian child of any services available to the Indian child through the child's tribal social services agency, including child placement services, and shall additionally provide the birth parents of the Indian child with all information sent from the tribal social services agency in response to the notice.
