## GENERAL PROVISIONS

### 260C.001 TITLE, INTENT, AND CONSTRUCTION.

Subdivision 1. **Citation.** Sections 260C.001 to 260C.451 may be cited as the child protection provisions of the Juvenile Court Act.

Subd. 2. **Child in need of protection services.** (a) The paramount consideration in all proceedings concerning a child alleged or found to be in need of protection or services is the health, safety, and best interests of the child. In proceedings involving an American Indian child, as defined in section 260.755, subdivision 8, the best interests of the child must be determined consistent with sections 260.751 to 260.835 and the Indian Child Welfare Act, United States Code, title 25, sections 1901 to 1923.

(b) The purpose of the laws relating to juvenile courts is:

(1) to secure for each child alleged or adjudicated in need of protection or services and under the jurisdiction of the court, the care and guidance, preferably in the child's own home, as will best serve the spiritual, emotional, mental, and physical welfare of the child;

(2) to provide judicial procedures which protect the welfare of the child;

(3) to preserve and strengthen the child's family ties whenever possible and in the child's best interests, removing the child from the custody of parents only when the child's welfare or safety cannot be adequately safeguarded without removal;

(4) to ensure that when removal from the child's own family is necessary and in the child's best interests, the responsible social services agency has legal responsibility for the child removal either:

(i) pursuant to a voluntary placement agreement between the child's parent or guardian and the responsible social services agency; or

(ii) by court order pursuant to section 260C.151, subdivision 6; 206C.178; or 260C.201;

(5) to ensure that, when placement is pursuant to court order, the court order removing the child or continuing the child in foster care contains an individualized determination that placement is in the best interests of the child that coincides with the actual removal of the child; and

(6) to ensure that when the child is removed, the child's care and discipline is, as nearly as possible, equivalent to that which should have been given by the parents and is either in:

(i) the home of a noncustodial parent pursuant to section 260C.178 or 260C.201, subdivision 1, paragraph (a), clause (1);

(ii) the home of a relative pursuant to emergency placement by the responsible social services agency under chapter 245A; or

(iii) a foster home licensed under chapter 245A.

Subd. 3. **Permanency and termination of parental rights.** The purpose of the laws relating to permanency and termination of parental rights is to ensure that:

(1) when required and appropriate, reasonable efforts have been made by the social services agency to reunite the child with the child's parents in a home that is safe and permanent; and

(2) if placement with the parents is not reasonably foreseeable, to secure for the child a safe and permanent placement, preferably with adoptive parents or a fit and willing relative through transfer of permanent legal and physical custody to that relative.

Nothing in this section requires reasonable efforts to prevent placement or to reunify the child with the parent or guardian to be made in circumstances where the court has determined that the child has been subjected to egregious harm, when the child is an abandoned infant, the parent has involuntarily lost custody of another child through a proceeding under section 260C.201, subdivision 11, or similar law of another state, the parental rights of the parent to a sibling have been involuntarily terminated, or the court has determined that reasonable efforts or further reasonable efforts to reunify the child with the parent or guardian would be futile.

The paramount consideration in all proceedings for permanent placement of the child under section 260C.201, subdivision 11, or the termination of parental rights is the best interests of the child. In proceedings involving an American Indian child, as defined in section 260.755, subdivision 8, the best interests of the child must be determined consistent with the Indian Child Welfare Act of 1978, United States Code, title 25, section 1901, et seq.

Subd. 4. **Construction.** The laws relating to the child protection provisions of the juvenile courts shall be liberally construed to carry out these purposes.

**History:** 1999 c 139 art 3 s 1; art 4 s 2; 1999 c 245 art 8 s 41; 2005 c 159 art 2 s 12; 2008 c 361 art 6 s 24

## 260C.007 DEFINITIONS.

Subdivision 1. **Scope.** As used in this chapter, the terms defined in this section have the same meanings given to them.

Subd. 2. **Agency.** "Agency" means the responsible social services agency or a licensed child-placing agency.

Subd. 3. **Case plan.** "Case plan" means any plan for the delivery of services to a child and parent or guardian, or, when reunification is not required, the child alone, that is developed according to the requirements of section 245.4871, subdivision 19 or 21; 245.492, subdivision 16; 256B.092; 260C.212, subdivision 1; or 626.556, subdivision 10.

Subd. 4. **Child.** "Child" means an individual under 18 years of age. For purposes of this chapter, child also includes individuals under age 21 who are in foster care pursuant to section 260C.451.

Subd. 5. **Child abuse.** "Child abuse" means an act that involves a minor victim that constitutes a violation of section 609.221, 609.222, 609.223, 609.224, 609.2242, 609.322, 609.324, 609.342, 609.343, 609.344, 609.345, 609.377, 609.378, 617.246, or that is physical or sexual abuse as defined in section 626.556, subdivision 2, or an act committed in another state that involves a minor victim and would constitute a violation of one of these sections if committed in this state.

Subd. 6. **Child in need of protection or services.** "Child in need of protection or services" means a child who is in need of protection or services because the child:

(1) is abandoned or without parent, guardian, or custodian;

(2)(i) has been a victim of physical or sexual abuse as defined in section 626.556, subdivision 2, (ii) resides with or has resided with a victim of child abuse as defined in subdivision 5 or domestic child abuse as defined in subdivision 13, (iii) resides with or would reside with a perpetrator of domestic child abuse as defined in subdivision 13 or child abuse as defined in subdivision 5 or 13, or (iv) is a victim of emotional maltreatment as defined in subdivision 15;

(3) is without necessary food, clothing, shelter, education, or other required care for the child's physical or mental health or morals because the child's parent, guardian, or custodian is unable or unwilling to provide that care;

(4) is without the special care made necessary by a physical, mental, or emotional condition because the child's parent, guardian, or custodian is unable or unwilling to provide that care;

(5) is medically neglected, which includes, but is not limited to, the withholding of medically indicated treatment from a disabled infant with a life-threatening condition. The term "withholding of medically indicated treatment" means the failure to respond to the infant's life-threatening conditions by providing treatment, including appropriate nutrition, hydration, and medication which, in the treating physician's or physicians' reasonable medical judgment, will be most likely to be effective in ameliorating or correcting all conditions, except that the term does not include the failure to provide treatment other than appropriate nutrition, hydration, or medication to an infant when, in the treating physician's or physicians' reasonable medical judgment:

(i) the infant is chronically and irreversibly comatose;

(ii) the provision of the treatment would merely prolong dying, not be effective in ameliorating or correcting all of the infant's life-threatening conditions, or otherwise be futile in terms of the survival of the infant; or

(iii) the provision of the treatment would be virtually futile in terms of the survival of the infant and the treatment itself under the circumstances would be inhumane;

(6) is one whose parent, guardian, or other custodian for good cause desires to be relieved of the child's care and custody, including a child who entered foster care under a voluntary placement agreement between the parent and the responsible social services agency under section 260C.212, subdivision 8;

(7) has been placed for adoption or care in violation of law;

(8) is without proper parental care because of the emotional, mental, or physical disability, or state of immaturity of the child's parent, guardian, or other custodian;

(9) is one whose behavior, condition, or environment is such as to be injurious or dangerous to the child or others. An injurious or dangerous environment may include, but is not limited to, the exposure of a child to criminal activity in the child's home;

(10) is experiencing growth delays, which may be referred to as failure to thrive, that have been diagnosed by a physician and are due to parental neglect;

(11) has engaged in prostitution as defined in section 609.321, subdivision 9;

(12) has committed a delinquent act or a juvenile petty offense before becoming ten years old;

(13) is a runaway;

(14) is a habitual truant;

(15) has been found incompetent to proceed or has been found not guilty by reason of mental illness or mental deficiency in connection with a delinquency proceeding, a certification under section 260B.125, an extended jurisdiction juvenile prosecution, or a proceeding involving a juvenile petty offense; or

(16) has a parent whose parental rights to one or more other children were involuntarily terminated or whose custodial rights to another child have been involuntarily transferred to a relative and there is a case plan prepared by the responsible social services agency documenting a compelling reason why filing the termination of parental rights petition under section 260C.301, subdivision 3, is not in the best interests of the child.

Subd. 7. **Child-placing agency.** "Child-placing agency" means anyone licensed under sections 245A.01 to 245A.16 and 252.28, subdivision 2.

Subd. 8. **Compelling reasons.** "Compelling reasons" means an individualized determination by the responsible social services agency, which is approved by the court, related to a request by the agency not to initiate proceedings to terminate parental rights or transfer permanent legal and physical custody of a child to the child's relative or former noncustodial parent under section 260C.301, subdivision 3.

Subd. 9. **Court.** "Court" means juvenile court unless otherwise specified in this section.

Subd. 10. **Custodian.** "Custodian" means any person who is under a legal obligation to provide care and support for a minor or who is in fact providing care and support for a minor. This subdivision does not impose upon persons who are not otherwise legally responsible for providing a child with necessary food, clothing, shelter, education, or medical care a duty to provide that care. For an Indian child, custodian means any Indian person who has legal custody of an Indian child under tribal law or custom or under state law or to whom temporary physical care, custody, and control has been transferred by the parent of the child, as provided in section 260.755, subdivision 10.

Subd. 11. **Delinquent child.** "Delinquent child" means a child:

(1) who has violated any state or local law, except as provided in section 260B.225, subdivision 1, and except for juvenile offenders as described in subdivisions 19 and 28; or

(2) who has violated a federal law or a law of another state and whose case has been referred to the juvenile court if the violation would be an act of delinquency if committed in this state or a crime or offense if committed by an adult.

Subd. 12. **Developmental disability.** "Developmental disability" means developmental disability as defined in United States Code, title 42, section 6001(8).

Subd. 13. **Domestic child abuse.** "Domestic child abuse" means:

(1) any physical injury to a minor family or household member inflicted by an adult family or household member other than by accidental means;

(2) subjection of a minor family or household member by an adult family or household member to any act which constitutes a violation of sections 609.321 to 609.324, 609.342, 609.343, 609.344, 609.345, or 617.246; or

(3) physical or sexual abuse as defined in section 626.556, subdivision 2.

Subd. 14. **Egregious harm.** "Egregious harm" means the infliction of bodily harm to a child or neglect of a child which demonstrates a grossly inadequate ability to provide minimally

adequate parental care. The egregious harm need not have occurred in the state or in the county where a termination of parental rights action is otherwise properly venued. Egregious harm includes, but is not limited to:

(1) conduct towards a child that constitutes a violation of sections 609.185 to 609.21, 609.222, subdivision 2, 609.223, or any other similar law of any other state;

(2) the infliction of "substantial bodily harm" to a child, as defined in section 609.02, subdivision 7a;

(3) conduct towards a child that constitutes felony malicious punishment of a child under section 609.377;

(4) conduct towards a child that constitutes felony unreasonable restraint of a child under section 609.255, subdivision 3;

(5) conduct towards a child that constitutes felony neglect or endangerment of a child under section 609.378;

(6) conduct towards a child that constitutes assault under section 609.221, 609.222, or 609.223;

(7) conduct towards a child that constitutes solicitation, inducement, or promotion of, or receiving profit derived from prostitution under section 609.322;

(8) conduct towards a child that constitutes murder or voluntary manslaughter as defined by United States Code, title 18, section 1111(a) or 1112(a);

(9) conduct towards a child that constitutes aiding or abetting, attempting, conspiring, or soliciting to commit a murder or voluntary manslaughter that constitutes a violation of United States Code, title 18, section 1111(a) or 1112(a); or

(10) conduct toward a child that constitutes criminal sexual conduct under sections 609.342 to 609.345.

Subd. 15. **Emotional maltreatment.** "Emotional maltreatment" means the consistent, deliberate infliction of mental harm on a child by a person responsible for the child's care, that has an observable, sustained, and adverse effect on the child's physical, mental, or emotional development. "Emotional maltreatment" does not include reasonable training or discipline administered by the person responsible for the child's care or the reasonable exercise of authority by that person.

Subd. 16. **Emotionally disturbed.** "Emotionally disturbed" means emotional disturbance as described in section 245.4871, subdivision 15.

Subd. 17. **Family or household members.** "Family or household members" means spouses, former spouses, parents and children, persons related by blood, and persons who are presently residing together or who have resided together in the past, and persons who have a child in common regardless of whether they have been married or have lived together at any time.

Subd. 18. **Foster care.** "Foster care" means 24 hour substitute care for children placed away from their parents or guardian and for whom a responsible social services agency has placement and care responsibility. "Foster care" includes, but is not limited to, placement in foster family homes, foster homes of relatives, group homes, emergency shelters, residential facilities not excluded in this subdivision, child care institutions, and preadoptive homes. A child is in foster care under this definition regardless of whether the facility is licensed and payments are made for

the cost of care. Nothing in this definition creates any authority to place a child in a home or facility that is required to be licensed which is not licensed. "Foster care" does not include placement in any of the following facilities: hospitals, inpatient chemical dependency treatment facilities, facilities that are primarily for delinquent children, any corrections facility or program within a particular correction's facility not meeting requirements for title IV-E facilities as determined by the commissioner, facilities to which a child is committed under the provision of chapter 253B, forestry camps, or jails. Foster care is intended to provide for a child's safety or to access treatment. Foster care must not be used as a punishment or consequence for a child's behavior.

Subd. 19. **Habitual truant.** "Habitual truant" means a child under the age of 16 years who is absent from attendance at school without lawful excuse for seven school days if the child is in elementary school or for one or more class periods on seven school days if the child is in middle school, junior high school, or high school, or a child who is 16 or 17 years of age who is absent from attendance at school without lawful excuse for one or more class periods on seven school days and who has not lawfully withdrawn from school under section 120A.22, subdivision 8.

Subd. 20. **Indian.** "Indian," consistent with section 260.755, subdivision 7, means a person who is a member of an Indian tribe or who is an Alaskan native and a member of a regional corporation as defined in section 7 of the Alaska Native Claims Settlement Act, United States Code, title 43, section 1606.

Subd. 21. **Indian child.** "Indian child," consistent with section 260.755, subdivision 8, means an unmarried person who is under age 18 and is:

- (2) eligible for membership in an Indian tribe.

Subd. 22. **Legal custody.** "Legal custody" means the right to the care, custody, and control of a child who has been taken from a parent by the court in accordance with the provisions of section 260C.201 or 260C.317. The expenses of legal custody are paid in accordance with the provisions of section 260C.331.

Subd. 23. **Minor.** "Minor" means an individual under 18 years of age.

Subd. 24. **Neglected and in foster care.** "Neglected and in foster care" means a child:

- (1) who has been placed in foster care by court order; and
- (2) whose parents' circumstances, condition, or conduct are such that the child cannot be returned to them; and
- (3) whose parents, despite the availability of needed rehabilitative services, have failed to make reasonable efforts to adjust their circumstances, condition or conduct, or have willfully failed to meet reasonable expectations with regard to visiting the child or providing financial support for the child.

Subd. 25. **Parent.** (a) "Parent" means a person who has a legal parent and child relationship with a child which confers or imposes on the person legal rights, privileges, duties, and obligations consistent with sections 257.51 to 257.74 or 257.75. It includes the mother and child relationship and the father and child relationship. For matters governed by the Indian Child Welfare Act, parent includes any Indian person who has adopted a child by tribal law or custom, as provided in section 260.755, subdivision 14, and does not include the unwed father where paternity has not been acknowledged or established.

(b) A legally recognized parent and child relationship is established for purposes of this chapter between:

(1) a child and a biological mother, by proof of her having given birth to the child, or under sections 257.51 to 257.74 or 257.75;

(2) a child and father when:

(i) there is a presumption of paternity under section 257.55, subdivision 1, paragraph (a), (b), or (c), and no action has been taken to declare the nonexistence of the father and child relationship;

(ii) there is a presumption of paternity under section 257.55, subdivision 1, paragraph (d), and there is an adjudication of paternity under sections 257.51 to 257.74, or the father and mother have signed a recognition of parentage having the effect of an adjudication under section 257.75;

(iii) there is a presumption of paternity under section 257.55, subdivision 1, paragraph (e), (f), (g), or (h), and there is an adjudication of paternity under sections 257.51 to 257.74;

(iv) there is no presumption of paternity under section 257.55, but the father has been adjudicated by court order under sections 257.51 to 257.74;

(v) there is no presumption of paternity under section 257.55, but the father and mother have signed a recognition of parentage having the effect of adjudication under section 257.75;

(vi) there is a positive test result under section 257.62, subdivision 5, and the father is adjudicated as the father of the child either by court order under sections 257.51 to 257.74, or because the father and the child's mother have signed a recognition of parentage having the effect of adjudication under section 257.75; or

(vii) the parent and child relationship is established under section 260.755, subdivision 14; or

(3) a child and an adoptive parent by proof of adoption.

Subd. 26. **Person.** "Person" includes any individual, association, corporation, partnership, and the state or any of its political subdivisions, departments, or agencies.

Subd. 27. **Relative.** "Relative" means a person related to the child by blood, marriage, or adoption, or an individual who is an important friend with whom the child has resided or had significant contact. For an Indian child, relative includes members of the extended family as defined by the law or custom of the Indian child's tribe or, in the absence of law or custom, nieces, nephews, or first or second cousins, as provided in the Indian Child Welfare Act of 1978, United States Code, title 25, section 1903.

Subd. 28. **Runaway.** "Runaway" means an unmarried child under the age of 18 years who is absent from the home of a parent or other lawful placement without the consent of the parent, guardian, or lawful custodian.

## 260C.121 VENUE.

Subdivision 1. **Venue.** When it is alleged that a child is in need of protection or services, venue may be in the county where the child is found, in the county of residence, or in the county where the alleged conditions causing the child's need for protection or services occurred.

Subd. 2. **Transfer.** The judge of the juvenile court may transfer any proceedings brought under section 260C.101, except adoptions, to the juvenile court of a county having venue as provided in subdivision 1, at any stage of the proceedings and in the following manner. When it appears that the best interests of the child, society, or the convenience of proceedings will be served by a transfer, the court may transfer the case to the juvenile court of the county of the child's residence. With the consent of the receiving court, the court may also transfer the case to the juvenile court of the county where the child is found. The court transfers the case by ordering a continuance and by forwarding to the court administrator of the appropriate juvenile court a certified copy of all papers filed, together with an order of transfer. The judge of the receiving court may accept the findings of the transferring court or may direct the filing of a new petition or notice under section 260C.143 and hear the case anew.

Subd. 3. **Resident of another state.** If it appears at any stage of the proceeding that a child before the court is a resident of another state, the court may invoke the provisions of the interstate compact on juveniles or, if it is in the best interests of the child or the public to do so, the court may place the child in the custody of the child's parent, guardian, or custodian, if the parent, guardian, or custodian agrees to accept custody of the child and return the child to their state.

## PROCEDURES

### 260C.141 PETITION.

Subdivision 1. **Who may file; required form.** (a) Any reputable person, including but not limited to any agent of the commissioner of human services, having knowledge of a child in this state or of a child who is a resident of this state, who appears to be in need of protection or services or neglected and in foster care, may petition the juvenile court in the manner provided

in this section.

(b) A petition for a child in need of protection filed by an individual who is not a county attorney or an agent of the commissioner of human services shall be filed on a form developed by the state court administrator and provided to court administrators. Copies of the form may be obtained from the court administrator in each county. The court administrator shall review the petition before it is filed to determine that it is completed. The court administrator may reject the petition if it does not indicate that the petitioner has contacted the responsible social services agency.

An individual may file a petition under this subdivision without seeking internal review of the responsible social services agency's decision. The court shall determine whether there is probable cause to believe that a need for protection or services exists before the matter is set for hearing. If the matter is set for hearing, the court administrator shall notify the responsible social services agency by sending notice to the county attorney.

The petition must contain:

(1) a statement of facts that would establish, if proven, that there is a need for protection or services for the child named in the petition;

(2) a statement that petitioner has reported the circumstances underlying the petition to the responsible social services agency, and protection or services were not provided to the child;

(3) a statement whether there are existing juvenile or family court custody orders or pending proceedings in juvenile or family court concerning the child; and

(4) a statement of the relationship of the petitioner to the child and any other parties.

The court may not allow a petition to proceed under this paragraph if it appears that the sole purpose of the petition is to modify custody between the parents.

**Subd. 2. Review of foster care status.** (a) When a child continues in voluntary foster care according to section 260C.212, subdivision 8, a petition shall be filed alleging the child to be in need of protection or services or seeking termination of parental rights or other permanent placement of the child away from the parent within 90 days of the date of the voluntary placement agreement. The petition shall state the reasons why the child is in foster care, the progress on the out-of-home placement plan required under section 260C.212, subdivision 1, and the statutory basis for the petition under section 260C.007, subdivision 6, 260C.201, subdivision 11, or 260C.301.

(b) In the case of a petition alleging the child to be in need of protection or services filed under this paragraph, if all parties agree and the court finds it is in the best interests of the child, the court may find the petition states a prima facie case that:

(1) the child's needs are being met;

(2) the placement of the child in foster care is in the best interests of the child;

(3) reasonable efforts to reunify the child and the parent or guardian are being made; and

(4) the child will be returned home in the next three months.

(c) If the court makes findings under paragraph (b), the court shall approve the voluntary arrangement and continue the matter for up to three more months to ensure the child returns to the parents' home. The responsible social services agency shall:

(1) report to the court when the child returns home and the progress made by the parent on the out-of-home placement plan required under section 260C.212, in which case the court shall dismiss jurisdiction;

(2) report to the court that the child has not returned home, in which case the matter shall be returned to the court for further proceedings under section 260C.163; or

(3) if any party does not agree to continue the matter under this paragraph and paragraph (b), the matter shall proceed under section 260C.163.

Subd. 2a. [Repealed, 2008 c 361 art 6 s 59]

Subd. 3. **Child in need of protection or services; habitual truant.** If there is a school attendance review board or county attorney mediation program operating in the child's school district, a petition alleging that a child is in need of protection or services as a habitual truant under section 260C.007, subdivision 6, clause (14), may not be filed until the applicable procedures under section 260A.06 or 260A.07 have been followed.

Subd. 4. **Verification of petition.** The petition shall be verified by the person having knowledge of the facts and may be on information and belief. Unless otherwise provided by this section or by rule or order of the court, the county attorney shall draft the petition upon the showing of reasonable grounds to support the petition.

Subd. 5. **Form of petition.** The petition and all subsequent court documents shall be entitled substantially as follows:

"Juvenile Court, County of .....

In the matter of the welfare of ....."

The petition shall set forth plainly:

- (1) the facts which bring the child within the jurisdiction of the court;
- (2) the name, date of birth, residence, and post office address of the child;
- (3) the names, residences, and post office addresses of the child's parents;
- (4) the name, residence, and post office address of the child's guardian if there is one, of the person having custody or control of the child, and of the nearest known relative if no parent or guardian can be found;
- (5) the spouse of the child, if there is one. If any of the facts required by the petition are not known or cannot be ascertained by the petitioner, the petition shall so state.

Subd. 6. **Concurrent jurisdiction.** When a petition is filed alleging that a child has engaged in prostitution as defined in section 609.321, subdivision 9, the county attorney shall determine whether concurrent jurisdiction is necessary to provide appropriate intervention and, if so, proceed to file a petition alleging the child to be both delinquent and in need of protection or services.

## **260C.143 PROCEDURE; HABITUAL TRUANTS, RUNAWAYS, OFFENDERS.**

Subdivision 1. **Notice.** When a peace officer, or attendance officer in the case of a habitual truant, has probable cause to believe that a child is in need of protection or services under section 260C.007, subdivision 6, clause (13) or (14), the officer may issue a notice to the child to appear

in juvenile court in the county in which the child is found or in the county of the child's residence. If there is a school attendance review board or county attorney mediation program operating in the child's school district, a notice to appear in juvenile court for a habitual truant may not be issued until the applicable procedures under section 260A.06 or 260A.07 have been followed. The officer shall file a copy of the notice to appear with the juvenile court of the appropriate county. If a child fails to appear in response to the notice, the court may issue a summons notifying the child of the nature of the offense alleged and the time and place set for the hearing. If the peace officer finds it necessary to take the child into custody, sections 260C.175 and 260C.176 shall apply.

Subd. 2. **Effect of notice.** Filing with the court a notice to appear containing the name and address of the child, specifying the offense alleged and the time and place it was committed, has the effect of a petition giving the juvenile court jurisdiction. In the case of running away, the place where the offense was committed may be stated in the notice as either the child's custodial parent's or guardian's residence or lawful placement or where the child was found by the officer. In the case of truancy, the place where the offense was committed may be stated as the school or the place where the child was found by the officer.

Subd. 3. **Notice to parent.** Whenever a notice to appear or petition is filed alleging that a child is in need of protection or services under section 260C.007, subdivision 6, clause (13) or (14), the court shall summon and notify the person or persons having custody or control of the child of the nature of the offense alleged and the time and place of hearing. This summons and notice shall be served in the time and manner provided in section 260C.151, subdivision 1.

Subd. 4. **Truant.** When a peace officer or probation officer has probable cause to believe that a child is absent from school without lawful excuse, consistent with section 120A.22, subdivisions 5 and 8, the officer may:

- (1) transport the child to the child's home and deliver the child to the custody of the child's parent or guardian;
- (2) transport the child to the child's school of enrollment and deliver the child to the custody of a school superintendent or teacher;
- (3) transport the child to a truancy service center under section 260A.04, subdivision 3; or
- (4) transport the child from the child's home to the child's school of enrollment or to a truancy service center.

## **260C.148 PROCEDURE; DOMESTIC CHILD ABUSE.**

Subdivision 1. **Petition.** The local welfare agency may bring an emergency petition on behalf of minor family or household members seeking relief from acts of domestic child abuse. The petition shall be brought according to section 260C.141 and shall allege the existence of or immediate and present danger of domestic child abuse. The court has jurisdiction over the parties to a domestic child abuse matter notwithstanding that there is a parent in the child's household who is willing to enforce the court's order and accept services on behalf of the family.

Subd. 2. **Temporary order.** (a) If it appears from the notarized petition that there are reasonable grounds to believe the child is in immediate and present danger of domestic child abuse, the court may grant an ex parte temporary order for protection, pending a hearing pursuant to section 260C.151, which must be held not later than 14 days after service of the ex parte order on the respondent. The court may grant relief as it deems proper, including an order:

- (1) restraining any party from committing acts of domestic child abuse; or
- (2) excluding the alleged abusing party from the dwelling which the family or household members share or from the residence of the child.

(b) No order excluding the alleged abusing party from the dwelling may be issued unless the court finds that:

- (1) the order is in the best interests of the child or children remaining in the dwelling; and
- (2) a parent remaining in the child's household is able to care adequately for the child or children in the absence of the excluded party and to seek appropriate assistance in enforcing the provisions of the order.

(c) Before the temporary order is issued, the local welfare agency shall advise the court and the other parties who are present that appropriate social services will be provided to the family or household members during the effective period of the order. The petition shall identify the parent remaining in the child's household under paragraph (b), clause (2).

An ex parte temporary order for protection shall be effective for a fixed period not to exceed 14 days.

The court may renew the temporary order for protection one time for a fixed period not to exceed 14 days if the court determines, upon informal review of the case file, that the renewal is appropriate. If the court determines that the petition states a prima facie case that there are reasonable grounds to believe that the child is in immediate danger of domestic child abuse or child abuse without the court's order, at the hearing pursuant to section 260C.151, the court may continue its order issued under this subdivision pending trial under section 260C.163.

Subd. 3. **Service and execution of order.** Any order issued under this section or section 260C.201, subdivision 3, shall be served personally upon the respondent. Where necessary, the court shall order the sheriff to assist in service or execution of the order.

Subd. 4. **Modification of order.** Upon application, notice to all parties, and hearing, the court may modify the terms of an existing order for protection issued under this section or section 260C.201, subdivision 3.

Subd. 5. **Right to apply for relief.** The local welfare agency's right to apply for relief on behalf of a child shall not be affected by the child's leaving the dwelling or household to avoid abuse.

Subd. 6. **Real estate.** Nothing in this section or section 260C.201, subdivision 3, shall affect the title to real estate.

Subd. 7. **Other remedies available.** Any relief ordered under this section or section 260C.201, subdivision 3, shall be in addition to other available civil or criminal remedies.

Subd. 8. **Copy to law enforcement agency.** An order for protection granted pursuant to this section or section 260C.201, subdivision 3, shall be forwarded by the court administrator within 24 hours to the local law enforcement agency with jurisdiction over the residence of the child.

Each appropriate law enforcement agency shall make available to other law enforcement officers through a system of verification, information as to the existence and status of any order for protection issued pursuant to this section or section 260C.201, subdivision 3.

**260C.150 DILIGENT EFFORTS TO IDENTIFY PARENTS OF A CHILD; PROCEDURES FOR REVIEW; REASONABLE EFFORTS.**

Subdivision 1. **Determining parentage.** A parent and child relationship may be established under this chapter according to the requirements of section 257.54 and the Minnesota Rules of Juvenile Protection Procedure.

Subd. 2. **Genetic test results; duty to cooperate.** (a) For purposes of proceedings under this chapter, a positive test result under section 257.62, subdivision 5, shall be used by the court to treat a person determined to be the biological father of a child by a positive test as if the individual were a presumed father under section 257.55, including giving the biological father the right to notice of proceedings and the right to be assessed and considered for day-to-day care of his child under section 260C.212, subdivision 4.

(b) Nothing in this subdivision relieves a person determined to be the biological father of the child by a positive test from the duty to cooperate with paternity establishment proceedings under section 260C.212, subdivision 4.

Subd. 3. **Identifying parents of child; diligent efforts; data.** (a) The responsible social services agency shall make diligent efforts to identify and locate both parents of any child who is the subject of proceedings under this chapter. Diligent efforts include:

(1) asking the custodial or known parent to identify any nonresident parent of the child and provide information that can be used to verify the nonresident parent's identity including the dates and locations of marriages and divorces; dates and locations of any legal proceedings regarding paternity; date and place of the child's birth; nonresident parent's full legal name; nonresident parent's date of birth, or if the nonresident parent's date of birth is unknown, an approximate age; the nonresident parent's Social Security number; the nonresident parent's whereabouts including last known whereabouts; and the whereabouts of relatives of the nonresident parent. For purposes of this subdivision, "nonresident parent" means a parent who does not reside in the same household as the child or did not reside in the same household as the child at the time the child was removed when the child is in foster care;

(2) obtaining information that will identify and locate the nonresident parent from the county and state of Minnesota child support enforcement information system;

(3) requesting a search of the Minnesota Fathers' Adoption Registry 30 days after the child's birth; and

(4) using any other reasonable means to identify and locate the nonresident parent.

(b) The agency may disclose data which is otherwise private under section 13.46 or 626.556 in order to carry out its duties under this subdivision.

(c) Upon the filing of a petition alleging the child to be in need of protection or services, the responsible social services agency may contact a putative father who registered with the Minnesota Fathers' Adoption Registry more than 30 days after the child's birth. The social service agency may consider a putative father for the day-to-day care of the child under section 260C.212, subdivision 4, if the putative father cooperates with genetic testing and there is a positive test result under section 257.62, subdivision 5. Nothing in this paragraph:

(1) relieves a putative father who registered with the Minnesota Fathers' Adoption Registry more than 30 days after the child's birth of the duty to cooperate with paternity establishment proceedings under section 260C.212, subdivision 4;

(2) gives a putative father who registered with the Minnesota Fathers' Adoption Registry more than 30 days after the child's birth the right to notice under section 260C.151 unless the putative father is entitled to notice under sections 259.24 and 259.49, subdivision 1, paragraph (a) or (b), clauses (1) to (7); or

(3) establishes a right to assert an interest in the child in a termination of parental rights proceeding contrary to section 259.52, subdivision 6, unless the putative father is entitled to notice under sections 259.24 and 259.49, subdivision 1, paragraph (a) or (b), clauses (1) to (7).

**Subd. 4. Court inquiry regarding identities of both parents.** At the first hearing regarding the petition and at any subsequent hearings, as appropriate, the court shall inquire of the parties whether the identities and whereabouts of both parents of the child are known and correctly reflected in the petition filed with the court. If either the identity or whereabouts of both parents is not known, the court shall make inquiry on the record of any party or participant present regarding the identity and whereabouts of the unknown parent of the child.

**Subd. 5. Sworn testimony from known parent.** When the county attorney requests, the court shall have the custodial or known parent of the child sworn for the purpose of answering questions relevant to the identity of a child's other parent in any proceeding under this chapter. The county attorney may request this information at any point in the proceedings if the custodial or known parent has not been cooperative in providing information to identify and locate the nonresident parent or information that may lead to identifying and locating the nonresident parent. If the child's custodial or known parent testifies that disclosure of identifying information regarding the identity of the nonresident parent would cause either the custodial or known parent, the child, or another family member to be endangered, the court may make a protective order regarding any information necessary to protect the custodial or known parent, the child, or family member. Consistent with section 260C.212, subdivision 4, paragraph (a), clause (4), if the child remains in the care of the known or custodial parent and the court finds it in the child's best interests, the court may waive notice to the nonresident parent of the child if such notice would endanger the known or custodial parent, the child, or another family member.

**Subd. 6. Court review of diligent efforts and service.** As soon as possible, but not later than the first review hearing required under the Minnesota Rules of Juvenile Protection Procedure, unless the responsible social services agency has identified and located both parents of the child, the agency shall include in its report to the court required under the Minnesota Rules of Juvenile Protection Procedure a description of its diligent efforts to locate any parent who remains unknown or who the agency has been unable to locate. The court shall determine whether (1) diligent efforts have been made by the agency to identify both parents of the child, (2) both parents have been located, and (3) both parents have been served with the summons or notice of the proceedings required by section 260C.151 or 260C.152 and the Minnesota Rules of Juvenile Protection Procedure. If the court determines the agency has not made diligent efforts to locate both parents of the child or if both parents of the child have not been served as required by the rules, the court shall order the agency to take further steps to identify and locate both parents of the child identifying what further specific efforts are appropriate. If the summons has not been served on the parent as required by section 260C.151, subdivision 1, the court shall order further efforts to complete service.

**Subd. 7. Reasonable efforts findings.** When the court finds the agency has made diligent efforts to identify and locate both parents of the child and one or both parents remain unknown or cannot be located, the court may find that the agency has made reasonable efforts under

sections 260.012, 260C.178, 260C.201, and 260C.301, subdivision 8, regarding any parent who remains unknown or cannot be located. The court may also find that further reasonable efforts for reunification with the parent who cannot be identified or located would be futile.

Subd. 8. **Safe place for newborns.** Neither the requirements of this subdivision nor the search requirements of section 259.52, subdivision 2, apply when the agency is proceeding under section 260C.217. When the agency is proceeding under section 260C.217, the agency has no duty to identify and locate either parent of the newborn and no notice or service of summons on either parent is required under section 260C.151 or 260C.152 or the Minnesota Rules of Juvenile Protection Procedure.

**History:** 2009 c 163 art 2 s 19; 2010 c 269 art 4 s 2

## **260C.151 SUMMONS; NOTICE.**

Subdivision 1. **Issuance of summons.** After a petition has been filed and unless the parties hereinafter named voluntarily appear, the court shall set a time for a hearing and shall issue a summons requiring the child's parents or legal guardian and any person who has legal custody of the child to appear before the court at a time and place stated. The summons shall have a copy of the petition attached, and shall advise the parties of the right to counsel and of the consequences of failure to obey the summons. The court shall give docket priority to any child in need of protection or services or neglected and in foster care, that contains allegations of child abuse over any other case. As used in this subdivision, "child abuse" has the meaning given it in section 630.36, subdivision 2.

Subd. 2. **Notice; child in need of protection or services.** After a petition has been filed alleging a child to be in need of protection or services and unless the persons named in clause (1) or (2) voluntarily appears, the court shall issue a notice to:

(1) a putative father of the child, including any putative father who has timely registered with the Minnesota Fathers' Adoption Registry under section 259.52; and

(2) a grandparent with the right to participate under section 260C.163, subdivision 2.

Subd. 2a. **Notice; termination of parental rights or permanency proceeding.** (a) After a petition for termination of parental rights or petition for permanent placement of a child away from a parent under section 260C.201, subdivision 11, has been filed, the court shall set a time for the admit or deny hearing as required under the Minnesota Rules of Juvenile Protection Procedure and shall issue a summons requiring the parents of the child to appear before the court at the time and place stated. The court shall issue a notice to:

(1) a putative father who has timely registered with the Minnesota Fathers' Adoption Registry and who is entitled to notice of an adoption proceeding under section 259.49, subdivision 1; and

(2) a grandparent with the right to participate under section 260C.163, subdivision 2.

(b) Neither summons nor notice under this section or section 260C.152 of a termination of parental rights matter or other permanent placement matter under section 260C.201, subdivision 11, is required to be given to a putative father who has failed to timely register with the Minnesota Fathers' Adoption Registry under section 259.52 unless that individual also meets the requirements of section 257.55 or is required to be given notice under section 259.49, subdivision 1. When a putative father is not entitled to notice under this paragraph and is therefore not given

notice, any order terminating the putative father's rights does not give rise to a presumption of parental unfitness under section 260C.301, subdivision 1, paragraph (b), clause (4).

Subd. 3. **Notice of pendency of case.** Notice means written notice as provided in the Minnesota Rules of Juvenile Protection Procedure. The court shall have notice of the pendency of the case and of the time and place of the hearing served as required by subdivision 2. For an Indian child, notice of all proceedings must comply with the Indian Child Welfare Act of 1978, United States Code, title 25, section 1901, et seq., and section 260.765.

Subd. 4. **Termination of parental rights.** If a petition alleging a child's need for protection or services, or a petition to terminate parental rights is initiated by a person other than a representative of the Department of Human Services or responsible social services agency, the court administrator shall notify the responsible social services agency of the pendency of the case and of the time and place appointed.

Subd. 5. **Issuance of subpoena.** The court may issue a subpoena requiring the appearance of any other person whose presence, in the opinion of the court, is necessary.

Subd. 6. **Immediate custody.** If the court makes individualized, explicit findings, based on the notarized petition or sworn affidavit, that there are reasonable grounds to believe the child is in surroundings or conditions which endanger the child's health, safety, or welfare that require that responsibility for the child's care and custody be immediately assumed by the responsible social services agency and that continuation of the child in the custody of the parent or guardian is contrary to the child's welfare, the court may order that the officer serving the summons take the child into immediate custody for placement of the child in foster care. In ordering that responsibility for the care, custody, and control of the child be assumed by the responsible social services agency, the court is ordering emergency protective care as that term is defined in the juvenile court rules.

## 260C.152 SERVICE OF SUMMONS, NOTICE.

Subdivision 1. **Notice in lieu of summons; personal service.** The service of a summons or a notice in lieu of summons shall be as provided in the Rules of Juvenile Procedure.

Subd. 2. **Service; fees.** Service of summons, notice, or subpoena required by sections 260C.151 to 260C.307 shall be made by any suitable person under the direction of the court, and upon request of the court shall be made by a probation officer or any peace officer. The fees and mileage of witnesses shall be paid by the county if the subpoena is issued by the court on its own motion or at the request of the county attorney. All other fees shall be paid by the party requesting the subpoena unless otherwise ordered by the court.

Subd. 3. **Notification.** In any proceeding regarding a child in need of protection or services in a state court, where the court knows or has reason to know that an Indian child is involved, the prosecuting authority seeking the foster care placement of, or termination of parental rights to an Indian child, shall notify the parent or Indian custodian and the Indian child's tribe of the pending proceedings and of their right of intervention. The notice must be provided by registered mail with return receipt requested unless personal service is accomplished. If the identity or location of the parent or Indian custodian and the tribe cannot be determined, the notice shall be given to the Secretary of the Interior of the United States in like manner, according to the Indian

Child Welfare Act of 1978, United States Code, title 25, section 1912. No foster care placement proceeding or termination of parental rights proceeding shall be held until at least ten days after receipt of notice by the parent or Indian custodian and the tribe or the Secretary. However, the parent or Indian custodian or the tribe shall, upon request, be granted up to 20 additional days to prepare for the proceeding.

Subd. 4. **Proof of service.** Proof of the service required by this section shall be made by the person having knowledge thereof.

Subd. 5. **Notice to foster parents and preadoptive parents and relatives.** The foster parents, if any, of a child and any preadoptive parent or relative providing care for the child must be provided notice of and a right to be heard in any review or hearing to be held with respect to the child. Any other relative may also request, and must be granted, a notice and the opportunity to be heard under this section. This subdivision does not require that a foster parent, preadoptive parent, or relative providing care for the child be made a party to a review or hearing solely on the basis of the notice and right to be heard.

**History:** 1999 c 139 art 3 s 10; 2007 c 147 art 1 s 16

#### **260C.154 FAILURE TO OBEY SUMMONS OR SUBPOENA; CONTEMPT, ARREST.**

If any person personally served with summons or subpoena fails, without reasonable cause, to appear or bring the child, or if the court has reason to believe the person is avoiding personal service, the person may be proceeded against for contempt of court or the court may issue a warrant for the person's arrest, or both. In any case when it appears to the court that the service will be ineffectual, or that the welfare of the child requires that the child be brought forthwith into the custody of the court, the court may issue a warrant for immediate custody of the child.

**History:** 1999 c 139 art 3 s 11

#### **260C.157 INVESTIGATION; PHYSICAL AND MENTAL EXAMINATION.**

Subdivision 1. **Investigation.** Upon request of the court the responsible social services agency or probation officer shall investigate the personal and family history and environment of any minor coming within the jurisdiction of the court under section 260C.101 and shall report its findings to the court. The court may order any minor coming within its jurisdiction to be examined by a duly qualified physician, psychiatrist, or psychologist appointed by the court.

Adoption investigations shall be conducted in accordance with the laws relating to adoptions. Any funds received under the provisions of this subdivision shall not cancel until the end of the fiscal year immediately following the fiscal year in which the funds were received. The funds are available for use by the commissioner of corrections during that period and are hereby appropriated annually to the commissioner of corrections as reimbursement of the costs of providing these services to the juvenile courts.

Subd. 2. **Petition requirement.** The court may proceed as described in subdivision 1 only after a petition has been filed.

Subd. 3. **Juvenile treatment screening team.** (a) The responsible social services agency shall establish a juvenile treatment screening team to conduct screenings and prepare case plans under this subdivision. The team, which may be the team constituted under section 245.4885 or 256B.092 or Minnesota Rules, parts 9530.6600 to 9530.6655, shall consist of social workers, juvenile justice professionals, and persons with expertise in the treatment of juveniles who are

emotionally disabled, chemically dependent, or have a developmental disability. The team shall involve parents or guardians in the screening process as appropriate. The team may be the same team as defined in section 260B.157, subdivision 3.

(b) The social services agency shall determine whether a child brought to its attention for the purposes described in this section is an Indian child, as defined in section 260C.007, subdivision 21, and shall determine the identity of the Indian child's tribe, as defined in section 260.755, subdivision 9. When a child to be evaluated is an Indian child, the team provided in paragraph (a) shall include a designated representative of the Indian child's tribe, unless the child's tribal authority declines to appoint a representative. The Indian child's tribe may delegate its authority to represent the child to any other federally recognized Indian tribe, as defined in section 260.755, subdivision 12.

(c) If the court, prior to, or as part of, a final disposition, proposes to place a child:

(1) for the primary purpose of treatment for an emotional disturbance, a developmental disability, or chemical dependency in a residential treatment facility out of state or in one which is within the state and licensed by the commissioner of human services under chapter 245A; or

(2) in any out-of-home setting potentially exceeding 30 days in duration, including a postdispositional placement in a facility licensed by the commissioner of corrections or human services, the court shall ascertain whether the child is an Indian child and shall notify the county welfare agency and, if the child is an Indian child, shall notify the Indian child's tribe. The county's juvenile treatment screening team must either: (i) screen and evaluate the child and file its recommendations with the court within 14 days of receipt of the notice; or (ii) elect not to screen a given case and notify the court of that decision within three working days.

(d) If the screening team has elected to screen and evaluate the child, the child may not be placed for the primary purpose of treatment for an emotional disturbance, a developmental disability, or chemical dependency, in a residential treatment facility out of state nor in a residential treatment facility within the state that is licensed under chapter 245A, unless one of the following conditions applies:

(1) a treatment professional certifies that an emergency requires the placement of the child in a facility within the state;

(2) the screening team has evaluated the child and recommended that a residential placement is necessary to meet the child's treatment needs and the safety needs of the community, that it is a cost-effective means of meeting the treatment needs, and that it will be of therapeutic value to the child; or

(3) the court, having reviewed a screening team recommendation against placement, determines to the contrary that a residential placement is necessary. The court shall state the reasons for its determination in writing, on the record, and shall respond specifically to the findings and recommendation of the screening team in explaining why the recommendation was rejected. The attorney representing the child and the prosecuting attorney shall be afforded an opportunity to be heard on the matter.

(e) When the county's juvenile treatment screening team has elected to screen and evaluate a child determined to be an Indian child, the team shall provide notice to the tribe or tribes that accept jurisdiction for the Indian child or that recognize the child as a member of the tribe or as a person eligible for membership in the tribe, and permit the tribe's representative to participate in the screening team.

(f) When the Indian child's tribe or tribal health care services provider or Indian Health Services provider proposes to place a child for the primary purpose of treatment for an emotional disturbance, a developmental disability, or co-occurring emotional disturbance and chemical dependency, the Indian child's tribe or the tribe delegated by the child's tribe shall submit necessary documentation to the county juvenile treatment screening team, which must invite the Indian child's tribe to designate a representative to the screening team.

### **260C.163 HEARING.**

Subdivision 1. **General.** (a) Except for hearings arising under section 260C.425, hearings on any matter shall be without a jury and may be conducted in an informal manner. In all adjudicatory proceedings involving a child alleged to be in need of protection or services, the court shall admit only evidence that would be admissible in a civil trial. To be proved at trial, allegations of a petition alleging a child to be in need of protection or services must be proved by clear and convincing evidence.

(b) Except for proceedings involving a child alleged to be in need of protection or services and petitions for the termination of parental rights, hearings may be continued or adjourned from time to time. In proceedings involving a child alleged to be in need of protection or services and petitions for the termination of parental rights, hearings may not be continued or adjourned for more than one week unless the court makes specific findings that the continuance or adjournment is in the best interests of the child. If a hearing is held on a petition involving physical or sexual abuse of a child who is alleged to be in need of protection or services or neglected and in foster care, the court shall file the decision with the court administrator as soon as possible but no later than 15 days after the matter is submitted to the court. When a continuance or adjournment is ordered in any proceeding, the court may make any interim orders as it deems in the best interests of the minor in accordance with the provisions of sections 260C.001 to 260C.421.

(c) Absent exceptional circumstances, hearings under this chapter are presumed to be accessible to the public, however the court may close any hearing and the records related to any matter as provided in the Minnesota Rules of Juvenile Protection Procedure.

(d) Adoption hearings shall be conducted in accordance with the provisions of laws relating to adoptions.

(e) In any permanency hearing, including the transition of a child from foster care to independent living, the court shall ensure that its consult with the child during the hearing is in an age-appropriate manner.

Subd. 2. **Right to participate in proceedings.** A child who is the subject of a petition, and the parents, guardian, or legal custodian of the child have the right to participate in all proceedings on a petition, including the opportunity to personally attend all hearings. Official tribal representatives have the right to participate in any proceeding that is subject to the Indian Child Welfare Act of 1978, United States Code, title 25, sections 1901 to 1963.

A parent with a legally recognized parent and child relationship must be provided the right to be heard in any review or hearing held with respect to the child, which includes the right to be heard on the disposition order under section 260C.201, subdivision 1, parental visitation under section 260C.178, and the out-of-home placement plan under section 260C.212, subdivision 1.

The right to be heard does not automatically confer party status. Party status is governed by the Minnesota Rules of Juvenile Protection Procedure.

Any grandparent of the child has a right to participate in the proceedings to the same extent as a parent, if the child has lived with the grandparent within the two years preceding the filing of the petition. At the first hearing following the filing of a petition, the court shall ask whether the child has lived with a grandparent within the last two years, except that the court need not make this inquiry if the petition states that the child did not live with a grandparent during this time period. Failure to notify a grandparent of the proceedings is not a jurisdictional defect.

If, in a permanency proceeding involving a child in need of protection or services, any party files a petition for transfer of permanent legal and physical custody to a named relative, the relative has a right to participate in the permanency proceeding as a party on the issues of the relative's suitability to be a legal and physical custodian for the child, whether the transfer is in the child's best interests, and the needs of the child. Thereafter the named relative shall receive notice of any hearing in the proceedings.

Subd. 3. **Appointment of counsel.** (a) The child, parent, guardian or custodian has the right to effective assistance of counsel in connection with a proceeding in juvenile court.

(b) Except in proceedings where the sole basis for the petition is habitual truancy, if the child, parent, guardian, or custodian desires counsel but is unable to employ it, the court shall appoint counsel to represent the child who is ten years of age or older or the parents or guardian in any case in which it feels that such an appointment is appropriate.

(c) In any proceeding where the sole basis for the petition is habitual truancy, the child, parent, guardian, and custodian do not have the right to appointment of a public defender or other counsel at public expense. However, before any out-of-home placement, including foster care or inpatient treatment, can be ordered, the court must appoint a public defender or other counsel at public expense in accordance with paragraph (b).

(d) Counsel for the child shall not also act as the child's guardian ad litem.

(e) In any proceeding where the subject of a petition for a child in need of protection or services is not represented by an attorney, the court shall determine the child's preferences regarding the proceedings, if the child is of suitable age to express a preference.

Subd. 4. **County attorney.** Except in adoption proceedings, the county attorney shall present the evidence upon request of the court. In representing the agency, the county attorney shall also have the responsibility for advancing the public interest in the welfare of the child.

Subd. 5. **Guardian ad litem.** (a) The court shall appoint a guardian ad litem to protect the interests of the minor when it appears, at any stage of the proceedings, that the minor is without a parent or guardian, or that the minor's parent is a minor or incompetent, or that the parent or guardian is indifferent or hostile to the minor's interests, and in every proceeding alleging a child's need for protection or services under section 260C.007, subdivision 6, except proceedings where the sole allegation is that the child is a runaway or habitual truant. In any other case the court may appoint a guardian ad litem to protect the interests of the minor when the court feels that such an appointment is desirable. The court shall appoint the guardian ad litem on its own motion or in the manner provided for the appointment of a guardian ad litem in the district court. The court may appoint separate counsel for the guardian ad litem if necessary.

(b) A guardian ad litem shall carry out the following responsibilities:

(1) conduct an independent investigation to determine the facts relevant to the situation of the child and the family, which must include, unless specifically excluded by the court, reviewing relevant documents; meeting with and observing the child in the home setting and considering the child's wishes, as appropriate; and interviewing parents, caregivers, and others with knowledge relevant to the case;

(2) advocate for the child's best interests by participating in appropriate aspects of the case and advocating for appropriate community services when necessary;

(3) maintain the confidentiality of information related to a case, with the exception of sharing information as permitted by law to promote cooperative solutions that are in the best interests of the child;

(4) monitor the child's best interests throughout the judicial proceeding; and

(5) present written reports on the child's best interests that include conclusions and recommendations and the facts upon which they are based.

(c) Except in cases where the child is alleged to have been abused or neglected, the court may waive the appointment of a guardian ad litem pursuant to paragraph (a), whenever counsel has been appointed pursuant to subdivision 2 or is retained otherwise, and the court is satisfied that the interests of the minor are protected.

(d) In appointing a guardian ad litem pursuant to paragraph (a), the court shall not appoint the party, or any agent or employee thereof, filing a petition pursuant to section 260C.141.

(e) The following factors shall be considered when appointing a guardian ad litem in a case involving an Indian or minority child:

(1) whether a person is available who is the same racial or ethnic heritage as the child or, if that is not possible;

(2) whether a person is available who knows and appreciates the child's racial or ethnic heritage.

(f) The court shall require a background study for each guardian ad litem as provided under section 518.165. The court shall have access to data collected pursuant to section 245C.32 for purposes of the background study.

**Subd. 6. Examination of child.** In any child in need of protection or services proceeding, neglected and in foster care, or termination of parental rights proceeding the court may, on its own motion or the motion of any party, take the testimony of a child witness informally when it is in the child's best interests to do so. Informal procedures that may be used by the court include taking the testimony of a child witness outside the courtroom. The court may also require counsel for any party to the proceeding to submit questions to the court before the child's testimony is taken, and to submit additional questions to the court for the witness after questioning has been completed. The court may excuse the presence of the child's parent, guardian, or custodian from the room where the child is questioned in accordance with subdivision 7.

**Subd. 7. Waiving presence of child, parent.** The court may waive the presence of the minor in court at any stage of the proceedings when it is in the best interests of the minor to do so. In any proceeding, the court may temporarily excuse the presence of the parent or guardian of a minor from the hearing when it is in the best interests of the minor to do so. The attorney or guardian ad litem, if any, has the right to continue to participate in proceedings during the absence of the minor, parent, or guardian.

Subd. 8. **Rights of parties at hearing.** The minor and the minor's parent, guardian, or custodian are entitled to be heard, to present evidence material to the case, and to cross-examine witnesses appearing at the hearing.

Subd. 9. **Factors in determining neglect.** In determining whether a child is neglected and in foster care, the court shall consider, among other factors, the following:

(1) the length of time the child has been in foster care;

(2) the effort the parent has made to adjust circumstances, conduct, or conditions that necessitates the removal of the child to make it in the child's best interest to be returned to the parent's home in the foreseeable future, including the use of rehabilitative services offered to the parent;

(3) whether the parent has visited the child within the three months preceding the filing of the petition, unless extreme financial or physical hardship or treatment for mental disability or chemical dependency or other good cause prevented the parent from visiting the child or it was not in the best interests of the child to be visited by the parent;

(4) the maintenance of regular contact or communication with the agency or person temporarily responsible for the child;

(5) the appropriateness and adequacy of services provided or offered to the parent to facilitate a reunion;

(6) whether additional services would be likely to bring about lasting parental adjustment enabling a return of the child to the parent within an ascertainable period of time, whether the services have been offered to the parent, or, if services were not offered, the reasons they were not offered; and

(7) the nature of the efforts made by the responsible social services agency to rehabilitate and reunite the family and whether the efforts were reasonable.

Subd. 10. **Waiver.** (a) Waiver of any right which a child has under this chapter must be an express waiver voluntarily and intelligently made by the child after the child has been fully and effectively informed of the right being waived.

(b) Waiver of a child's right to be represented by counsel provided under the juvenile court rules must be an express waiver voluntarily and intelligently made by the child after the child has been fully and effectively informed of the right being waived. In determining whether a child has voluntarily and intelligently waived the right to counsel, the court shall look to the totality of the circumstances which includes but is not limited to the child's age, maturity, intelligence, education, experience, and ability to comprehend, and the presence and competence of the child's parents, guardian, or guardian ad litem. If the court accepts the child's waiver, it shall state on the record the findings and conclusions that form the basis for its decision to accept the waiver.

Subd. 11. **Presumptions regarding truancy or educational neglect.** (a) A child's absence from school is presumed to be due to the parent's, guardian's, or custodian's failure to comply with compulsory instruction laws if the child is under 12 years old and the school has made appropriate efforts to resolve the child's attendance problems; this presumption may be rebutted based on a showing by clear and convincing evidence that the child is habitually truant. A child's absence from school without lawful excuse, when the child is 12 years old or older, is presumed to be due to the child's intent to be absent from school; this presumption may be rebutted based on a showing by clear and convincing evidence that the child's absence is due to the failure of

the child's parent, guardian, or custodian to comply with compulsory instruction laws, sections 120A.22 and 120A.24.

(b) Consistent with section 125A.091, subdivision 5, a parent's refusal to provide the parent's child with sympathomimetic medications does not constitute educational neglect.

Subd. 12. **Alternative dispute resolution authorized; family group decision making, parallel protection process and mediation.** The court may authorize parties and participants in any child in need of protection or services, permanency, or termination of parental rights petition to participate in any appropriate form of alternative dispute resolution including family group decision making, parallel protection process, and mediation when such alternative dispute resolution is in the best interests of the child. The court may order that a child be included in the alternative dispute resolution process, as appropriate and in the best interests of the child. An alternative dispute resolution process, including family group decision making, parallel protection process, and mediation, may be used to resolve part or all of a matter before the court at any point in the proceedings subject to approval by the court that the resolution is in the best interests of the child.

- (1) the statement was made by a child under the age of ten years or by a child ten years of age or older who is mentally impaired, as defined in section 609.341, subdivision 6;
- (2) the statement alleges, explains, denies, or describes:
  - (i) any act of sexual penetration or contact performed with or on the child;

  - (iv) any act of physical abuse or neglect of another child observed by the child making the statement;
- (3) the court finds that the time, content, and circumstances of the statement and the reliability of the person to whom the statement is made provide sufficient indicia of reliability; and
- (4) the proponent of the statement notifies other parties of an intent to offer the statement and the particulars of the statement sufficiently in advance of the proceeding at which the proponent intends to offer the statement into evidence, to provide the parties with a fair opportunity to meet the statement.

**RECORDS****260C.171 RECORDS.**

Subdivision 1. **Records required to be kept.** The juvenile court judge shall keep such minutes and in such manner as the court deems necessary and proper. The juvenile court shall provide, upon the request of any other juvenile court, copies of the records concerning adjudications involving the particular child.

The court shall also keep an index in which files pertaining to juvenile matters shall be indexed under the name of the child. After the name of each file shall be shown the file number and, if ordered by the court, the book and page of the register in which the documents pertaining to such file are listed. The court shall also keep a register properly indexed in which shall be listed under the name of the child all documents filed pertaining to the child and in the order filed. The list shall show the name of the document and the date of filing thereof. The juvenile court legal records shall be deposited in files and shall include the petition, summons, notice, findings, orders, decrees, judgments, and motions and such other matters as the court deems necessary and proper. Unless otherwise provided by law, all court records shall be open at all reasonable times to the inspection of any child to whom the records relate, and to the child's parent and guardian.

Subd. 2. **Public inspection of records.** (a) The records from proceedings or portions of proceedings involving a child in need of protection or services, permanency, or termination of parental rights are accessible to the public as authorized by the Minnesota Rules of Juvenile Protection Procedure.

(b) None of the records relating to an appeal from a nonpublic juvenile court proceeding, except the written appellate opinion, shall be open to public inspection or their contents disclosed except by order of a court.

(c) The records of juvenile probation officers are records of the court for the purposes of this subdivision. This subdivision applies to all proceedings under this chapter, including appeals from orders of the juvenile court. The court shall maintain the confidentiality of adoption files and records in accordance with the provisions of laws relating to adoptions. In juvenile court proceedings any report or social history furnished to the court shall be open to inspection by the attorneys of record and the guardian ad litem a reasonable time before it is used in connection with any proceeding before the court.

Subd. 3. **Attorney access to records.** An attorney representing a child, parent, or guardian ad litem in a proceeding under this chapter shall be given access to records, responsible social services agency files, and reports which form the basis of any recommendation made to the court. An attorney does not have access under this subdivision to the identity of a person who made a report under section 626.556. The court may issue protective orders to prohibit an attorney from sharing a specified record or portion of a record with a client other than a guardian ad litem.

Subd. 4. **County attorney referral of child in need of protection or services.** In a county in which the county attorney refers children who are in need of protection or services to

community programs, the county attorney may provide a community program with data on a child who is a participant or being considered for participation in the program.

Subd. 5. **Further release of records.** A person who receives access to juvenile court or peace officer records of children that are not accessible to the public may not release or disclose the records to any other person except as authorized by law. This subdivision does not apply to the child who is the subject of the records or the child's parent or guardian.

## DETENTION

### 260C.175 TAKING CHILD INTO CUSTODY.

Subdivision 1. **Immediate custody.** No child may be taken into immediate custody except:

(1) with an order issued by the court in accordance with the provisions of section 260C.151, subdivision 6, or Laws 1997, chapter 239, article 10, section 10, paragraph (a), clause (3), or 12, paragraph (a), clause (3), or by a warrant issued in accordance with the provisions of section 260C.154;

(2) by a peace officer:

(i) when a child has run away from a parent, guardian, or custodian, or when the peace officer reasonably believes the child has run away from a parent, guardian, or custodian, but only for the purpose of transporting the child home, to the home of a relative, or to another safe place, which may include a shelter care facility; or

(ii) when a child is found in surroundings or conditions which endanger the child's health or welfare or which such peace officer reasonably believes will endanger the child's health or welfare. If an Indian child is a resident of a reservation or is domiciled on a reservation but temporarily located off the reservation, the taking of the child into custody under this clause shall be consistent with the Indian Child Welfare Act of 1978, United States Code, title 25, section 1922;

(3) by a peace officer or probation or parole officer when it is reasonably believed that the child has violated the terms of probation, parole, or other field supervision; or

(4) by a peace officer or probation officer under section 260C.143, subdivision 1 or 4.

Subd. 2. **Notice to parent or custodian.** Whenever a peace officer takes a child into custody for shelter care or relative placement pursuant to subdivision 1, section 260C.151, subdivision 5, or section 260C.154, the officer shall notify the parent or custodian that under section 260C.181,

subdivision 2, the parent or custodian may request that the child be placed with a relative or a designated caregiver under chapter 257A instead of in a shelter care facility. The officer also shall give the parent or custodian of the child a list of names, addresses, and telephone numbers of social services agencies that offer child welfare services. If the parent or custodian was not present when the child was removed from the residence, the list shall be left with an adult on the premises or left in a conspicuous place on the premises if no adult is present. If the officer has reason to believe the parent or custodian is not able to read and understand English, the officer must provide a list that is written in the language of the parent or custodian. The list shall be prepared by the commissioner of human services. The commissioner shall prepare lists for each county and provide each county with copies of the list without charge. The list shall be reviewed annually by the commissioner and updated if it is no longer accurate. Neither the commissioner nor any peace officer or the officer's employer shall be liable to any person for mistakes or omissions in the list. The list does not constitute a promise that any agency listed will in fact assist the parent or custodian.

Subd. 3. **Protective pat-down search of child authorized.** (a) A peace officer who takes a child of any age or gender into custody under the provisions of this section is authorized to perform a protective pat-down search of the child in order to protect the officer's safety.

(b) A peace officer also may perform a protective pat-down search of a child in order to protect the officer's safety in circumstances where the officer does not intend to take the child into custody, if this section authorizes the officer to take the child into custody.

(c) Evidence discovered in the course of a lawful search under this section is admissible.

**History:** 1999 c 139 art 3 s 17; 2003 c 2 art 1 s 27; 2009 c 163 art 2 s 25; 2010 c 281 s 3

## **260C.176 RELEASE OR DETENTION.**

Subdivision 1. **Notice; release.** If a child is taken into custody as provided in section 260C.175, the parent, guardian, or custodian of the child shall be notified as soon as possible. Unless there is reason to believe that the child would endanger self or others or not return for a court hearing, or that the child's health or welfare would be immediately endangered, the child shall be released to the custody of a parent, guardian, or other suitable relative. When a child is taken into custody by a peace officer under section 260C.175, subdivision 1, clause (2), item (ii), release from detention may be authorized by the detaining officer, the detaining officer's supervisor, the county attorney, or the social services agency, provided that the agency has conducted an assessment and with the family has developed and implemented a safety plan for the child, if needed. The person to whom the child is released shall promise to bring the child to the court, if necessary, at the time the court may direct. If the person taking the child into custody believes it desirable, that person may request the parent, guardian, custodian, or other person designated by the court to sign a written promise to bring the child to court as provided above. The intentional violation of such a promise, whether given orally or in writing, shall be punishable as contempt of court.

The court may require the parent, guardian, custodian, or other person to whom the child is released, to post any reasonable bail or bond required by the court which shall be forfeited to the court if the child does not appear as directed. The court may also release the child on the child's own promise to appear in juvenile court.

Subd. 2. **Reasons for detention.** (a) If the child is not released as provided in subdivision 1, the person taking the child into custody shall notify the court as soon as possible of the detention of the child and the reasons for detention.

(b) No child taken into custody and placed in a shelter care facility or relative's home by a peace officer pursuant to section 260C.175, subdivision 1, clause (1) or (2), item (ii), may be held in custody longer than 72 hours, excluding Saturdays, Sundays and holidays, unless a petition has been filed and the judge or referee determines pursuant to section 260C.178 that the child shall remain in custody or unless the court has made a finding of domestic abuse perpetrated by a minor after a hearing under Laws 1997, chapter 239, article 10, sections 2 to 26, in which case the court may extend the period of detention for an additional seven days, within which time the social services agency shall conduct an assessment and shall provide recommendations to the court regarding voluntary services or file a child in need of protection or services petition.

Subd. 3. **Advisement if detained.** If the person who has taken the child into custody determines that the child should be placed in a secure detention facility or a shelter care facility, that person shall advise the child and as soon as is possible, the child's parent, guardian, or custodian:

(1) of the reasons why the child has been taken into custody and why the child is being placed in a juvenile secure detention facility or a shelter care facility;

(2) of the location of the juvenile secure detention facility or a shelter care facility. If there is reason to believe that disclosure of the location of the shelter care facility would place the child's health and welfare in immediate endangerment, disclosure of the location of the shelter care facility shall not be made;

(3) that the child's parent, guardian, or custodian and attorney or guardian ad litem may make an initial visit to the juvenile secure detention facility or shelter care facility at any time. Subsequent visits by a parent, guardian, or custodian may be made on a reasonable basis during visiting hours and by the child's attorney or guardian ad litem at reasonable hours;

(4) that the child may telephone parents and an attorney or guardian ad litem from the juvenile secure detention facility or shelter care facility immediately after being admitted to the facility and thereafter on a reasonable basis to be determined by the director of the facility;

(5) that the child may not be detained pursuant to section 260C.175, subdivision 1, clause (1) or (2), item (ii), at a shelter care facility longer than 72 hours, excluding Saturdays, Sundays, and holidays, unless a petition has been filed within that time and the court orders the child's continued detention, pursuant to section 260C.178;

(6) of the date, time, and place of the detention hearing, if this information is available to the person who has taken the child into custody; and

(7) that the child and the child's parent, guardian, or custodian have the right to be present and to be represented by counsel at the detention hearing, and that if they cannot afford counsel, counsel will be appointed at public expense for the child, or for any party, if it is a child in need of protection or services, neglected and in foster care, or termination of parental rights matter.

Subd. 4. **Transportation.** If a child is to be detained in a secure detention facility or a shelter care facility, the child shall be promptly transported to the facility in a manner approved by the facility or by securing a written transportation order from the court authorizing transportation by the sheriff or other qualified person. The person who has determined that the child should be detained shall deliver to the court and the supervisor of the secure detention facility or shelter care facility where the child is placed, a signed report, setting forth:

(1) the time the child was taken into custody;

- (2) the time the child was delivered for transportation to the secure detention facility or shelter care facility;
- (3) the reasons why the child was taken into custody;
- (4) the reasons why the child has been placed in detention;
- (5) a statement that the child and the child's parent have received the notification required by subdivision 3 or the reasons why they have not been so notified; and
- (6) any instructions required by subdivision 5.

Subd. 5. **Shelter care; notice to parent.** When a child is to be placed in a shelter care facility, the person taking the child into custody or the court shall determine whether or not there is reason to believe that disclosure of the shelter care facility's location to the child's parent, guardian, or custodian would immediately endanger the health and welfare of the child. If there is reason to believe that the child's health and welfare would be immediately endangered, disclosure of the location shall not be made. This determination shall be included in the report required by subdivision 4, along with instructions to the shelter care facility to notify or withhold notification.

Subd. 6. **Report.** (a) When a child has been delivered to a secure detention facility, the supervisor of the facility shall deliver to the court a signed report acknowledging receipt of the child stating the time of the child's arrival. The supervisor of the facility shall ascertain from the report of the person who has taken the child into custody whether the child and a parent, guardian, or custodian has received the notification required by subdivision 3. If the child or a parent, guardian, or custodian, or both, have not been so notified, the supervisor of the facility shall immediately make the notification and shall include in the report to the court a statement that notification has been received or the reasons why it has not.

(b) When a child has been delivered to a shelter care facility, the supervisor of the facility shall deliver to the court a signed report acknowledging receipt of the child stating the time of the child's arrival. The supervisor of the facility shall ascertain from the report of the person who has taken the child into custody whether the child's parent, guardian or custodian has been notified of the placement of the child at the shelter care facility and its location, and the supervisor shall follow any instructions concerning notification contained in that report.

## **260C.178 EMERGENCY REMOVAL HEARING.**

Subdivision 1. **Hearing and release requirements.** (a) If a child was taken into custody under section 260C.175, subdivision 1, clause (1) or (2), item (ii), the court shall hold a hearing within 72 hours of the time the child was taken into custody, excluding Saturdays, Sundays, and holidays, to determine whether the child should continue in custody.

(b) Unless there is reason to believe that the child would endanger self or others or not return for a court hearing, or that the child's health or welfare would be immediately endangered, the child shall be released to the custody of a parent, guardian, custodian, or other suitable person, subject to reasonable conditions of release including, but not limited to, a requirement that the child undergo a chemical use assessment as provided in section 260C.157, subdivision 1.

(c) If the court determines there is reason to believe that the child would endanger self or others or not return for a court hearing, or that the child's health or welfare would be immediately endangered if returned to the care of the parent or guardian who has custody and from whom the child was removed, the court shall order the child into foster care under the legal responsibility

of the responsible social services agency or responsible probation or corrections agency for the purposes of protective care as that term is used in the juvenile court rules or into the home of a noncustodial parent and order the noncustodial parent to comply with any conditions the court determines to be appropriate to the safety and care of the child, including cooperating with paternity establishment proceedings in the case of a man who has not been adjudicated the child's father. The court shall not give the responsible social services legal custody and order a trial home visit at any time prior to adjudication and disposition under section 260C.201, subdivision 1, paragraph (a), clause (3), but may order the child returned to the care of the parent or guardian who has custody and from whom the child was removed and order the parent or guardian to comply with any conditions the court determines to be appropriate to meet the safety, health, and welfare of the child.

(d) In determining whether the child's health or welfare would be immediately endangered, the court shall consider whether the child would reside with a perpetrator of domestic child abuse.

(e) The court, before determining whether a child should be placed in or continue in foster care under the protective care of the responsible agency, shall also make a determination, consistent with section 260.012 as to whether reasonable efforts were made to prevent placement or whether reasonable efforts to prevent placement are not required. In the case of an Indian child, the court shall determine whether active efforts, according to the Indian Child Welfare Act of 1978, United States Code, title 25, section 1912(d), were made to prevent placement. The court shall enter a finding that the responsible social services agency has made reasonable efforts to prevent placement when the agency establishes either:

(1) that it has actually provided services or made efforts in an attempt to prevent the child's removal but that such services or efforts have not proven sufficient to permit the child to safely remain in the home; or

(2) that there are no services or other efforts that could be made at the time of the hearing that could safely permit the child to remain home or to return home. When reasonable efforts to prevent placement are required and there are services or other efforts that could be ordered which would permit the child to safely return home, the court shall order the child returned to the care of the parent or guardian and the services or efforts put in place to ensure the child's safety. When the court makes a prima facie determination that one of the circumstances under paragraph (g) exists, the court shall determine that reasonable efforts to prevent placement and to return the child to the care of the parent or guardian are not required.

If the court finds the social services agency's preventive or reunification efforts have not been reasonable but further preventive or reunification efforts could not permit the child to safely remain at home, the court may nevertheless authorize or continue the removal of the child.

(f) The court may not order or continue the foster care placement of the child unless the court makes explicit, individualized findings that continued custody of the child by the parent or guardian would be contrary to the welfare of the child and that placement is in the best interest of the child.

(g) At the emergency removal hearing, or at any time during the course of the proceeding, and upon notice and request of the county attorney, the court shall determine whether a petition has been filed stating a prima facie case that:

(1) the parent has subjected a child to egregious harm as defined in section 260C.007, subdivision 14;

(2) the parental rights of the parent to another child have been involuntarily terminated;

(3) the child is an abandoned infant under section 260C.301, subdivision 2, paragraph (a), clause (2);

(4) the parents' custodial rights to another child have been involuntarily transferred to a relative under section 260C.201, subdivision 11, paragraph (e), clause (1), or a similar law of another jurisdiction; or

(5) the provision of services or further services for the purpose of reunification is futile and therefore unreasonable.

(h) When a petition to terminate parental rights is required under section 260C.301, subdivision 3 or 4, but the county attorney has determined not to proceed with a termination of parental rights petition, and has instead filed a petition to transfer permanent legal and physical custody to a relative under section 260C.201, subdivision 11, the court shall schedule a permanency hearing within 30 days of the filing of the petition.

(i) If the county attorney has filed a petition under section 260C.307, the court shall schedule a trial under section 260C.163 within 90 days of the filing of the petition except when the county attorney determines that the criminal case shall proceed to trial first under section 260C.201, subdivision 3.

(j) If the court determines the child should be ordered into foster care and the child's parent refuses to give information to the responsible social services agency regarding the child's father or relatives of the child, the court may order the parent to disclose the names, addresses, telephone numbers, and other identifying information to the responsible social services agency for the purpose of complying with the requirements of sections 260C.151, 260C.212, and 260C.215.

(k) If a child ordered into foster care has siblings, whether full, half, or step, who are also ordered into foster care, the court shall inquire of the responsible social services agency of the efforts to place the children together as required by section 260C.212, subdivision 2, paragraph (d), if placement together is in each child's best interests, unless a child is in placement for treatment or a child is placed with a previously noncustodial parent who is not parent to all siblings. If the children are not placed together at the time of the hearing, the court shall inquire at each subsequent hearing of the agency's reasonable efforts to place the siblings together, as required under section 260.012. If any sibling is not placed with another sibling or siblings, the agency must develop a plan to facilitate visitation or ongoing contact among the siblings as required under section 260C.212, subdivision 1, unless it is contrary to the safety or well-being of any of the siblings to do so.

Subd. 2. [Repealed by amendment, 2005 c 159 art 2 s 15]

Subd. 3. **Parental visitation.** (a) If a child has been taken into custody under section 260C.151, subdivision 5, or 260C.175, subdivision 1, clause (2), item (ii), and the court determines that the child should continue in foster care, the court shall include in its order notice that the responsible social services agency has a duty to develop and implement a plan for parental visitation of and contact with the child that promotes the parent and child relationship unless the court finds that visitation would endanger the child's physical or emotional well-being.

(b) Unless the court finds that visitation would endanger the child's physical or emotional well-being or unless paragraph (c) or (d) apply, the plan for parental visitation required under section 260C.212, subdivision 1, paragraph (c), clause (5), must be developed and implemented

by the agency and the child's parents as soon as possible after the court's order for the child to continue in foster care.

(c) When a parent has had no or only limited visitation or contact with the child prior to the court order for the child to continue in foster care, the court may order a visitation plan developed and implemented while the agency conducts the assessment of the parent's ability to provide day-to-day care for the child required under section 260C.212, subdivision 4.

(d) When it is in the best interests of the child, the agency may ask the court to defer its duty to develop a visitation plan between a putative father and the child until the paternity status of the child's father is adjudicated or until there is a positive test result under section 257.62, subdivision 5.

(e) The visitation plan developed under this subdivision is the same visitation plan required under section 260C.212, subdivision 1, paragraph (c), clause (5).

**Subd. 4. Mental health treatment.** (a) Except as provided in paragraph (b), a child who is ordered placed in foster care as an alleged victim of child abuse as defined in section 630.36, subdivision 2, may not be given mental health treatment specifically for the effects of the alleged abuse until the court finds that there is a prima facie basis to believe the abuse has occurred.

(b) A child described in paragraph (a) may be given mental health treatment prior to a prima facie finding of child abuse if the treatment is either agreed to by the child's parent or guardian in writing, or ordered by the court according to the standard contained in section 260C.201, subdivision 1.

**Subd. 5. Copies of order.** Copies of the court's order shall be served upon the parties, including the placement facility, which shall release the child or continue to hold the child as the court orders.

When the court's order is served upon these parties, notice shall also be given to the parties of the subsequent reviews provided by subdivision 6.

**Subd. 6. Review.** When a child is placed in foster care, the child's placement shall be periodically reviewed as required under the juvenile court rules including notice to the parties required to be served with a copy of the order under subdivision 4.

A hearing shall be held at the request of any one of the parties notified pursuant to subdivision 5, if that party notifies the court of a wish to present to the court new evidence concerning whether the child should be continued in detention or notifies the court of a wish to present an alternate placement arrangement to provide for the safety and protection of the child.

In addition, if a child was taken into custody under section 260C.151, subdivision 5, or 260C.175, subdivision 1, clause (2), item (ii), and is placed in foster care or placed in another facility under a court order issued under subdivision 2, the court shall schedule and hold an adjudicatory hearing on the petition within 60 days of the emergency removal hearing upon the request of any party to the proceeding. However, if good cause is shown by a party to the proceeding why the hearing should not be held within that time period, the hearing shall be held within 90 days, unless the parties agree otherwise and the court so orders.

**Subd. 7. Out-of-home placement plan.** (a) An out-of-home placement plan required under section 260C.212 shall be filed with the court within 30 days of the filing of a petition alleging the child to be in need of protection or services under section 260C.141, subdivision 1, or filed with the petition if the petition is a review of a voluntary placement under section 260C.141, subdivision 2.

(b) Upon the filing of the out-of-home placement plan which has been developed jointly with the parent and in consultation with others as required under section 260C.212, subdivision 1, the court may approve implementation of the plan by the responsible social services agency based on the allegations contained in the petition. The court shall send written notice of the approval of the out-of-home placement plan to all parties and the county attorney or may state such approval on the record at a hearing. A parent may agree to comply with the terms of the plan filed with the court.

(c) The responsible social services agency shall make reasonable attempts to engage a parent in case planning. If the parent refuses to cooperate in the development of the out-of-home placement plan or disagrees with the services recommended by the responsible social service agency, the agency shall note such refusal or disagreement for the court in the out-of-home placement plan filed with the court. The agency shall notify the court of the services it will provide or efforts it will attempt under the plan notwithstanding the parent's refusal to cooperate or disagreement with the services. The parent may ask the court to modify the plan to require different or additional services requested by the parent, but which the agency refused to provide. The court may approve the plan as presented by the agency or may modify the plan to require services requested by the parent. The court's approval shall be based on the content of the petition.

(d) Unless the parent agrees to comply with the terms of the out-of-home placement plan, the court may not order a parent to comply with the provisions of the plan until the court finds the child is in need of protection or services and orders disposition under section 260C.201, subdivision 1. However, the court may find that the responsible social services agency has made reasonable efforts for reunification if the agency makes efforts to implement the terms of an out-of-home placement plan approved under this section.

## **260C.181 PLACE OF TEMPORARY CUSTODY; SHELTER CARE FACILITY.**

Subdivision 1. **Temporary custody.** A child taken into custody pursuant to section 260C.175 may be detained for up to 24 hours in a shelter care facility, secure detention facility, or, if there is no secure detention facility available for use by the county having jurisdiction over the child, in a jail or other facility for the confinement of adults who have been charged with or convicted of a crime in quarters separate from any adult confined in the facility which has been approved for the detention of juveniles by the commissioner of corrections. At the end of the 24-hour detention any child requiring further detention may be detained only as provided in this section.

Subd. 2. **Least restrictive setting.** Notwithstanding the provisions of subdivision 1, if the child had been taken into custody pursuant to section 260C.175, subdivision 1, clause (1) or (2), item (ii), and is not alleged to be delinquent, the child shall be detained in the least restrictive setting consistent with the child's health and welfare and in closest proximity to the child's family as possible. Placement may be with a child's relative, a designated caregiver under chapter 257A, or in a shelter care facility. The placing officer shall comply with this section and shall document why a less restrictive setting will or will not be in the best interests of the child for placement purposes.

Subd. 3. **Placement.** If the child had been taken into custody and detained as one who is

alleged to be in need of protection or services under section 260C.007, subdivision 6, clause (13) or (14), by reason of having been adjudicated, in need of protection or services under section 260C.007, subdivision 6, clause (13) or (14), or conditionally released by the juvenile court without adjudication, has violated probation, parole, or other field supervision under which the child had been placed as a result of behavior described in this subdivision, the child may be placed only in a shelter care facility.

## **260C.188 CHILDREN IN CUSTODY; RESPONSIBILITY FOR MEDICAL CARE.**

Subdivision 1. **Medical aid.** If a child is taken into custody as provided in section 260C.175 and detained in a local juvenile secure detention facility or a shelter care facility, the child's county of residence shall pay the costs of medical services provided to the child during the period of time the child is residing in the facility. The county of residence is entitled to reimbursement from the child or the child's family for payment of medical bills to the extent that the child or the child's family has the ability to pay for the medical services. If there is a disagreement between the county and the child or the child's family concerning the ability to pay or whether the medical services were necessary, the court with jurisdiction over the child shall determine the extent, if any, of the child's or the family's ability to pay for the medical services or whether the services are necessary. If the child is covered by health or medical insurance or a health plan when medical services are provided, the county paying the costs of medical services has a right of subrogation to be reimbursed by the insurance carrier or health plan for all amounts spent by it for medical services to the child that are covered by the insurance policy or health plan, in accordance with the benefits, limitations, exclusions, provider restrictions, and other provisions of the policy or health plan. The county may maintain an action to enforce this subrogation right. The county does not have a right of subrogation against the medical assistance program, the MinnesotaCare program, or the general assistance medical care program.

Subd. 2. **Intake procedure; health coverage.** As part of its intake procedure for children, the official having custody over the child shall ask the child or the child's family, as appropriate, whether the child has health coverage. If the child has coverage under a policy of accident and health insurance regulated under chapter 62A, a health maintenance contract regulated under chapter 62D, a group subscriber contract regulated under chapter 62C, a health benefit certificate regulated under chapter 64B, a self-insured plan, or other health coverage, the child or the child's family, as appropriate, shall provide to the official having custody over the child the name of the carrier or administrator and other information and authorizations necessary for the official having custody over the child to obtain specific information about coverage.

Subd. 3. **Obtaining health care in compliance with coverage.** A county board may authorize the officials having custody over children to fulfill the county board's obligation to provide the medical aid required by subdivision 1 in accordance with the terms of the health plan covering the child, where possible, subject to any rules and exceptions provided by the county board. The official having custody over a child has no obligation to the child or to the child's family to obtain the child's health care in accordance with the child's health coverage.

Subd. 4. **Scope.** Subdivisions 1, 2, and 3 apply to any medical aid, including dental care, provided to children held in custody by the county as described in subdivision 1.

**History:** 1999 c 139 art 3 s 21

## DISPOSITION

### 260C.193 DISPOSITIONS; GENERAL PROVISIONS.

Subdivision 1. **Dismissal of petition.** Whenever the court finds that the minor is not within the jurisdiction of the court or that the facts alleged in the petition have not been proved, it shall dismiss the petition.

Subd. 2. **Consideration of reports.** Before making a disposition in a case, terminating parental rights, or appointing a guardian for a child, the court may consider any report or recommendation made by the responsible social services agency, probation officer, licensed child-placing agency, foster parent, guardian ad litem, tribal representative, the child's health or mental health care provider, or other authorized advocate for the child or child's family, a school district concerning the effect on student transportation of placing a child in a school district in which the child is not a resident, or any other information deemed material by the court.

Subd. 3. **Best interest of the child in foster care or residential care.** (a) The policy of the state is to ensure that the best interests of children in foster or residential care are met by requiring individualized determinations under section 260C.212, subdivision 2, paragraph (b), of the needs of the child and of how the selected placement will serve the needs of the child in foster care placements.

(b) The court shall review whether the responsible social services agency made efforts as required under section 260C.212, subdivision 5, and made an individualized determination as required under section 260C.212, subdivision 2. If the court finds the agency has not made efforts as required under section 260C.212, subdivision 5, and there is a relative who qualifies to be licensed to provide family foster care under chapter 245A, the court may order the child placed with the relative consistent with the child's best interests.

(c) If the child's birth parent or parents explicitly request that a relative or important friend not be considered, the court shall honor that request if it is consistent with the best interests of the child. If the child's birth parent or parents express a preference for placing the child in a foster or adoptive home of the same or a similar religious background to that of the birth parent or parents, the court shall order placement of the child with an individual who meets the birth parent's religious preference.

(d) Placement of a child cannot be delayed or denied based on race, color, or national origin of the foster parent or the child.

(e) Whenever possible, siblings should be placed together unless it is determined not to be in the best interests of a sibling. If siblings are not placed together according to section 260C.212, subdivision 2, paragraph (d), the responsible social services agency shall report to the court the efforts made to place the siblings together and why the efforts were not successful. If the court is not satisfied with the agency's efforts to place siblings together, the court may order the agency to make further efforts. If siblings are not placed together the court shall review the responsible social services agency's plan for visitation among siblings required as part of the out-of-home placement plan under section 260C.212.

(f) This subdivision does not affect the Indian Child Welfare Act, United States Code, title 25, sections 1901 to 1923, and the Minnesota Indian Family Preservation Act, sections 260.751 to 260.835.

Subd. 4. **Reports; juveniles placed out of state.** Whenever a child is placed in a residential

program located outside of this state pursuant to a disposition order issued under section 260C.201, the juvenile court administrator shall report the following information to the state court administrator:

- (1) the fact that the placement is out of state;
- (2) the type of placement; and
- (3) the reason for the placement.

Subd. 5. **Intended outcomes.** When the court orders an out-of-home placement disposition for a child, the court shall state in its disposition order the intended outcome of the placement.

Subd. 6. **Jurisdiction to review foster care to age 21, termination of jurisdiction, jurisdiction to age 18.** (a) Jurisdiction over a child in foster care pursuant to section 260C.451 may continue to age 21 for the purpose of conducting the reviews required under section 260C.201, subdivision 11, paragraph (d), 260C.212, subdivision 7, or 260C.317, subdivision 3. Jurisdiction over a child in foster care pursuant to section 260C.451 shall not be terminated without giving the child notice of any motion or proposed order to dismiss jurisdiction and an opportunity to be heard on the appropriateness of the dismissal. When a child in foster care pursuant to section 260C.451 asks to leave foster care or actually leaves foster care, the court may terminate its jurisdiction.

(b) Except when a court order is necessary for a child to be in foster care or when continued review under (1) section 260C.212, subdivision 7, paragraph (d), or 260C.201, subdivision 11, paragraph (d), and (2) section 260C.317, subdivision 3, is required for a child in foster care under section 260C.451, the court may terminate jurisdiction on its own motion or the motion of any interested party upon a determination that jurisdiction is no longer necessary to protect the child's best interests.

(c) Unless terminated by the court, and except as otherwise provided in this subdivision, the jurisdiction of the court shall continue until the child becomes 18 years of age.

**History:** 1999 c 139 art 3 s 22; art 4 s 2; 1999 c 164 s 1; 1999 c 216 art 6 s 10; 2001 c 178 art 1 s 15,44; 2005 c 165 art 2 s 2; 2007 c 54 art 5 s 5; 2010 c 269 art 3 s 4; 2010 c 301 art 3 s 6

## **260C.201 DISPOSITIONS; CHILDREN IN NEED OF PROTECTION OR SERVICES OR NEGLECTED AND IN FOSTER CARE.**

Subdivision 1. **Dispositions.** (a) If the court finds that the child is in need of protection or services or neglected and in foster care, it shall enter an order making any of the following dispositions of the case:

(1) place the child under the protective supervision of the responsible social services agency or child-placing agency in the home of a parent of the child under conditions prescribed by the court directed to the correction of the child's need for protection or services:

(i) the court may order the child into the home of a parent who does not otherwise have legal custody of the child, however, an order under this section does not confer legal custody on that parent;

(ii) if the court orders the child into the home of a father who is not adjudicated, the father must cooperate with paternity establishment proceedings regarding the child in the appropriate jurisdiction as one of the conditions prescribed by the court for the child to continue in the father's home; and

(iii) the court may order the child into the home of a noncustodial parent with conditions and may also order both the noncustodial and the custodial parent to comply with the requirements of a case plan under subdivision 2; or

(2) transfer legal custody to one of the following:

(i) a child-placing agency; or

(ii) the responsible social services agency. In making a foster care placement for a child whose custody has been transferred under this subdivision, the agency shall make an individualized determination of how the placement is in the child's best interests using the consideration for relatives and the best interest factors in section 260C.212, subdivision 2, paragraph (b); or

(3) order a trial home visit without modifying the transfer of legal custody to the responsible social services agency under clause (2). Trial home visit means the child is returned to the care of the parent or guardian from whom the child was removed for a period not to exceed six months. During the period of the trial home visit, the responsible social services agency:

(i) shall continue to have legal custody of the child, which means the agency may see the child in the parent's home, at school, in a child care facility, or other setting as the agency deems necessary and appropriate;

(ii) shall continue to have the ability to access information under section 260C.208;

(iii) shall continue to provide appropriate services to both the parent and the child during the period of the trial home visit;

(iv) without previous court order or authorization, may terminate the trial home visit in order to protect the child's health, safety, or welfare and may remove the child to foster care;

(v) shall advise the court and parties within three days of the termination of the trial home visit when a visit is terminated by the responsible social services agency without a court order; and

(vi) shall prepare a report for the court when the trial home visit is terminated whether by the agency or court order which describes the child's circumstances during the trial home visit and recommends appropriate orders, if any, for the court to enter to provide for the child's safety and stability. In the event a trial home visit is terminated by the agency by removing the child to foster care without prior court order or authorization, the court shall conduct a hearing within ten days of receiving notice of the termination of the trial home visit by the agency and shall order disposition under this subdivision or conduct a permanency hearing under subdivision 11 or 11a. The time period for the hearing may be extended by the court for good cause shown and if it is in the best interests of the child as long as the total time the child spends in foster care without a permanency hearing does not exceed 12 months;

(4) if the child has been adjudicated as a child in need of protection or services because the child is in need of special services or care to treat or ameliorate a physical or mental disability or emotional disturbance as defined in section 245.4871, subdivision 15, the court may order the child's parent, guardian, or custodian to provide it. The court may order the child's health plan company to provide mental health services to the child. Section 62Q.535 applies to an order for mental health services directed to the child's health plan company. If the health plan, parent, guardian, or custodian fails or is unable to provide this treatment or care, the court may order it provided. Absent specific written findings by the court that the child's disability is the result of abuse or neglect by the child's parent or guardian, the court shall not transfer legal custody of the child for the purpose of obtaining special treatment or care solely because the parent is unable

to provide the treatment or care. If the court's order for mental health treatment is based on a diagnosis made by a treatment professional, the court may order that the diagnosing professional not provide the treatment to the child if it finds that such an order is in the child's best interests; or

(5) if the court believes that the child has sufficient maturity and judgment and that it is in the best interests of the child, the court may order a child 16 years old or older to be allowed to live independently, either alone or with others as approved by the court under supervision the court considers appropriate, if the county board, after consultation with the court, has specifically authorized this dispositional alternative for a child.

(b) If the child was adjudicated in need of protection or services because the child is a runaway or habitual truant, the court may order any of the following dispositions in addition to or as alternatives to the dispositions authorized under paragraph (a):

(1) counsel the child or the child's parents, guardian, or custodian;

(2) place the child under the supervision of a probation officer or other suitable person in the child's own home under conditions prescribed by the court, including reasonable rules for the child's conduct and the conduct of the parents, guardian, or custodian, designed for the physical, mental, and moral well-being and behavior of the child;

(3) subject to the court's supervision, transfer legal custody of the child to one of the following:

(i) a reputable person of good moral character. No person may receive custody of two or more unrelated children unless licensed to operate a residential program under sections 245A.01 to 245A.16; or

(ii) a county probation officer for placement in a group foster home established under the direction of the juvenile court and licensed pursuant to section 241.021;

(4) require the child to pay a fine of up to \$100. The court shall order payment of the fine in a manner that will not impose undue financial hardship upon the child;

(5) require the child to participate in a community service project;

(6) order the child to undergo a chemical dependency evaluation and, if warranted by the evaluation, order participation by the child in a drug awareness program or an inpatient or outpatient chemical dependency treatment program;

(7) if the court believes that it is in the best interests of the child or of public safety that the child's driver's license or instruction permit be canceled, the court may order the commissioner of public safety to cancel the child's license or permit for any period up to the child's 18th birthday. If the child does not have a driver's license or permit, the court may order a denial of driving privileges for any period up to the child's 18th birthday. The court shall forward an order issued under this clause to the commissioner, who shall cancel the license or permit or deny driving privileges without a hearing for the period specified by the court. At any time before the expiration of the period of cancellation or denial, the court may, for good cause, order the commissioner of public safety to allow the child to apply for a license or permit, and the commissioner shall so authorize;

(8) order that the child's parent or legal guardian deliver the child to school at the beginning of each school day for a period of time specified by the court; or

(9) require the child to perform any other activities or participate in any other treatment programs deemed appropriate by the court.

To the extent practicable, the court shall enter a disposition order the same day it makes a finding that a child is in need of protection or services or neglected and in foster care, but in no event more than 15 days after the finding unless the court finds that the best interests of the child will be served by granting a delay. If the child was under eight years of age at the time the petition was filed, the disposition order must be entered within ten days of the finding and the court may not grant a delay unless good cause is shown and the court finds the best interests of the child will be served by the delay.

(c) If a child who is 14 years of age or older is adjudicated in need of protection or services because the child is a habitual truant and truancy procedures involving the child were previously dealt with by a school attendance review board or county attorney mediation program under section 260A.06 or 260A.07, the court shall order a cancellation or denial of driving privileges under paragraph (b), clause (7), for any period up to the child's 18th birthday.

(d) In the case of a child adjudicated in need of protection or services because the child has committed domestic abuse and been ordered excluded from the child's parent's home, the court shall dismiss jurisdiction if the court, at any time, finds the parent is able or willing to provide an alternative safe living arrangement for the child, as defined in Laws 1997, chapter 239, article 10, section 2.

(e) When a parent has complied with a case plan ordered under subdivision 6 and the child is in the care of the parent, the court may order the responsible social services agency to monitor the parent's continued ability to maintain the child safely in the home under such terms and conditions as the court determines appropriate under the circumstances.

Subd. 2. **Written findings.** (a) Any order for a disposition authorized under this section shall contain written findings of fact to support the disposition and case plan ordered and shall also set forth in writing the following information:

(1) Why the best interests and safety of the child are served by the disposition and case plan ordered;

(2) What alternative dispositions or services under the case plan were considered by the court and why such dispositions or services were not appropriate in the instant case;

(3) When legal custody of the child is transferred, the appropriateness of the particular placement made or to be made by the placing agency using the factors in section 260C.212, subdivision 2, paragraph (b);

(4) Whether reasonable efforts consistent with section 260.012 were made to prevent or eliminate the necessity of the child's removal and to reunify the family after removal. The court's findings must include a brief description of what preventive and reunification efforts were made and why further efforts could not have prevented or eliminated the necessity of removal or that reasonable efforts were not required under section 260.012 or 260C.178, subdivision 1; and

(5) If the child has been adjudicated as a child in need of protection or services because the child is in need of special services or care to treat or ameliorate a mental disability or emotional disturbance as defined in section 245.4871, subdivision 15, the written findings shall also set forth:

(i) whether the child has mental health needs that must be addressed by the case plan;

(ii) what consideration was given to the diagnostic and functional assessments performed by the child's mental health professional and to health and mental health care professionals' treatment recommendations;

(iii) what consideration was given to the requests or preferences of the child's parent or guardian with regard to the child's interventions, services, or treatment; and

(iv) what consideration was given to the cultural appropriateness of the child's treatment or services.

(b) If the court finds that the social services agency's preventive or reunification efforts have not been reasonable but that further preventive or reunification efforts could not permit the child to safely remain at home, the court may nevertheless authorize or continue the removal of the child.

(c) If the child has been identified by the responsible social services agency as the subject of concurrent permanency planning, the court shall review the reasonable efforts of the agency to recruit, identify, and make a placement in a home where the foster parent or relative that has committed to being the legally permanent home for the child in the event reunification efforts are not successful.

**Subd. 3. Domestic child abuse.** (a) If the court finds that the child is a victim of domestic child abuse, as defined in section 260C.007, subdivision 13, it may order any of the following dispositions of the case in addition to or as alternatives to the dispositions authorized under subdivision 1:

(1) restrain any party from committing acts of domestic child abuse;

(2) exclude the abusing party from the dwelling which the family or household members share or from the residence of the child;

(3) on the same basis as is provided in chapter 518, establish temporary visitation with regard to minor children of the adult family or household members;

(4) on the same basis as is provided in chapter 518 or 518A, establish temporary support or maintenance for a period of 30 days for minor children or a spouse;

(5) provide counseling or other social services for the family or household members; or

(6) order the abusing party to participate in treatment or counseling services.

Any relief granted by the order for protection shall be for a fixed period not to exceed one year.

(b) No order excluding the abusing party from the dwelling may be issued unless the court finds that:

(1) the order is in the best interests of the child or children remaining in the dwelling;

(2) a remaining adult family or household member is able to care adequately for the child or children in the absence of the excluded party; and

(3) the local welfare agency has developed a plan to provide appropriate social services to the remaining family or household members.

(c) Upon a finding that the remaining parent is able to care adequately for the child and enforce an order excluding the abusing party from the home and that the provision of supportive services by the responsible social services agency is no longer necessary, the responsible social services agency may be dismissed as a party to the proceedings. Orders entered regarding the abusing party remain in full force and effect and may be renewed by the remaining parent as necessary for the continued protection of the child for specified periods of time, not to exceed one year.

**Subd. 4. Support orders.** If the court issues an order for protection pursuant to section

260C.201, subdivision 3, excluding an abusing party from the dwelling who is the parent of a minor family or household member, it shall transfer the case file to the court which has jurisdiction over proceedings under chapter 518 or 518A for the purpose of establishing support or maintenance for minor children or a spouse, as provided in chapter 518 or 518A, during the effective period of the order for protection. The court to which the case file is transferred shall schedule and hold a hearing on the establishment of support or maintenance within 30 days of the issuance of the order for protection. After an order for support or maintenance has been granted or denied, the case file shall be returned to the juvenile court, and the order for support or maintenance, if any, shall be incorporated into the order for protection.

Subd. 5. **Visitation.** If the court orders the child into foster care, the court shall review and either modify or approve the agency's plan for supervised or unsupervised visitation that contributes to the objectives of the court-ordered case plan and the maintenance of the familial relationship, and that meets the requirements of section 260C.212, subdivision 1, paragraph (c), clause (5). No parent may be denied visitation unless the court finds at the disposition hearing that the visitation would endanger the child's physical or emotional well-being, is not in the child's best interests, or is not required under section 260C.178, subdivision 3, paragraph (c) or (d). The court shall review and either modify or approve the agency plan for visitation for any relatives as defined in section 260C.007, subdivision 27, and with siblings of the child, if visitation is consistent with the best interests of the child.

Subd. 6. **Case plan.** (a) For each disposition ordered where the child is placed away from a parent or guardian, the court shall order the responsible social services agency to prepare a written out-of-home placement plan according to the requirements of section 260C.212, subdivision 1.

(b) In cases where the child is not placed out of the home or is ordered into the home of a noncustodial parent, the responsible social services agency shall prepare a plan for delivery of social services to the child and custodial parent under section 626.556, subdivision 10, or any other case plan required to meet the needs of the child. The plan shall be designed to safely maintain the child in the home or to reunite the child with the custodial parent.

(c) The court may approve the case plan as presented or modify it after hearing from the parties. Once the plan is approved, the court shall order all parties to comply with it. A copy of the approved case plan shall be attached to the court's order and incorporated into it by reference.

(d) A party has a right to request a court review of the reasonableness of the case plan upon a showing of a substantial change of circumstances.

Subd. 7. **Order duration.** Subject to subdivisions 10 and 11, all orders under this section shall be for a specified length of time set by the court not to exceed one year. However, before the order has expired and upon its own motion or that of any interested party, the court shall, after notice to the parties and a hearing, renew the order for another year or make some other disposition of the case, until the individual is no longer a minor. Any responsible social services agency receiving legal custody of a child shall report to the court at such periods as the court may direct and as required under juvenile court rules.

Subd. 8. **Service of order.** Any person who provides services to a child under a disposition order, or who is subject to the conditions of a disposition order, shall be served with a copy of the order in the manner provided in the rules for juvenile courts.

Subd. 9. **Transfer of legal custody orders.** When the court transfers legal custody of a child to any licensed child-placing agency or the responsible social services agency, it shall

transmit with the order transferring legal custody a copy of its findings and a summary of its information concerning the child.

**Subd. 10. Court review of foster care.** (a) If the court orders a child placed in foster care, the court shall review the out-of-home placement at least every 90 days as required in juvenile court rules to determine whether continued out-of-home placement is necessary and appropriate or whether the child should be returned home. This review is not required if the court has returned the child home, ordered the child permanently placed away from the parent under subdivision 11, or terminated rights under section 260C.301. Court review for a child permanently placed away from a parent, including where the child is under guardianship and legal custody of the commissioner, shall be governed by subdivision 11 or section 260C.317, subdivision 3, whichever is applicable.

(b) No later than six months after the child's placement in foster care, the court shall review agency efforts pursuant to section 260C.212, subdivision 2, and order that the efforts continue if the agency has failed to perform the duties under that section.

(c) The court shall review the out-of-home placement plan and may modify the plan as provided under subdivisions 6 and 7.

(d) When the court orders transfer of custody to a responsible social services agency resulting in foster care or protective supervision with a noncustodial parent under subdivision 1, the court shall notify the parents of the provisions of subdivisions 11 and 11a as required under juvenile court rules.

(e) When a child remains in foster care pursuant to section 260C.451 and the court has jurisdiction pursuant to section 260C.193, subdivision 6, paragraph (c), the court shall annually conduct the review required under subdivision 11, paragraph (d), or sections 260C.212, subdivision 7, and 260C.317, subdivision 3.

**Subd. 11. Review of court-ordered placements; permanent placement determination.**

(a) This subdivision and subdivision 11a do not apply to cases where the child is in foster care for treatment of the child's developmental disability or emotional disturbance under chapter 260D. Foster care placements of children for treatment are governed by chapter 260D. In all other cases where the child is in foster care or in the care of a noncustodial parent under subdivision 1, the court shall commence proceedings to determine the permanent status of a child not later than 12 months after the child is placed in foster care or in the care of a noncustodial parent. At the admit-deny hearing commencing such proceedings, the court shall determine whether there is a prima facie basis for finding that the agency made reasonable efforts, or in the case of an Indian child active efforts, required under section 260.012 and proceed according to the rules of juvenile court.

For purposes of this subdivision, the date of the child's placement in foster care is the earlier of the first court-ordered placement or 60 days after the date on which the child has been voluntarily placed in foster care by the child's parent or guardian. For purposes of this subdivision, time spent by a child under the protective supervision of the responsible social services agency in the home of a noncustodial parent pursuant to an order under subdivision 1 counts towards the requirement of a permanency hearing under this subdivision or subdivision 11a. Time spent on a trial home visit counts towards the requirement of a permanency hearing under this subdivision and a permanency review for a child under eight years of age under subdivision 11a.

For purposes of this subdivision, 12 months is calculated as follows:

(1) during the pendency of a petition alleging that a child is in need of protection or services, all time periods when a child is placed in foster care or in the home of a noncustodial parent are cumulated;

(2) if a child has been placed in foster care within the previous five years under one or more previous petitions, the lengths of all prior time periods when the child was placed in foster care within the previous five years are cumulated. If a child under this clause has been in foster care for 12 months or more, the court, if it is in the best interests of the child and for compelling reasons, may extend the total time the child may continue out of the home under the current petition up to an additional six months before making a permanency determination.

(b) Unless the responsible social services agency recommends return of the child to the custodial parent or parents, not later than 30 days prior to the admit-deny hearing required under paragraph (a) and the rules of juvenile court, the responsible social services agency shall file pleadings in juvenile court to establish the basis for the juvenile court to order permanent placement of the child, including a termination of parental rights petition, according to paragraph (d). Notice of the hearing and copies of the pleadings must be provided pursuant to section 260C.152.

(c) The permanency proceedings shall be conducted in a timely fashion including that any trial required under section 260C.163 shall be commenced within 60 days of the admit-deny hearing required under paragraph (a). At the conclusion of the permanency proceedings, the court shall:

(1) order the child returned to the care of the parent or guardian from whom the child was removed; or

(2) order a permanent placement or termination of parental rights if permanent placement or termination of parental rights is in the child's best interests. The "best interests of the child" means all relevant factors to be considered and evaluated. Transfer of permanent legal and physical custody, termination of parental rights, or guardianship and legal custody to the commissioner through a consent to adopt are preferred permanency options for a child who cannot return home.

(d) If the child is not returned to the home, the court must order one of the following dispositions:

(1) permanent legal and physical custody to a relative in the best interests of the child according to the following conditions:

(i) an order for transfer of permanent legal and physical custody to a relative shall only be made after the court has reviewed the suitability of the prospective legal and physical custodian;

(ii) in transferring permanent legal and physical custody to a relative, the juvenile court shall follow the standards applicable under this chapter and chapter 260, and the procedures set out in the juvenile court rules;

(iii) an order establishing permanent legal and physical custody under this subdivision must be filed with the family court;

(iv) a transfer of legal and physical custody includes responsibility for the protection, education, care, and control of the child and decision making on behalf of the child;

(v) the social services agency may bring a petition or motion naming a fit and willing relative as a proposed permanent legal and physical custodian. The commissioner of human services shall annually prepare for counties information that must be given to proposed custodians

about their legal rights and obligations as custodians together with information on financial and medical benefits for which the child is eligible; and

(vi) the juvenile court may maintain jurisdiction over the responsible social services agency, the parents or guardian of the child, the child, and the permanent legal and physical custodian for purposes of ensuring appropriate services are delivered to the child and permanent legal custodian or for the purpose of ensuring conditions ordered by the court related to the care and custody of the child are met;

(2) termination of parental rights when the requirements of sections 260C.301 to 260C.328 are met or according to the following conditions:

(i) order the social services agency to file a petition for termination of parental rights in which case all the requirements of sections 260C.301 to 260C.328 remain applicable; and

(ii) an adoption completed subsequent to a determination under this subdivision may include an agreement for communication or contact under section 259.58;

(3) long-term foster care according to the following conditions:

(i) the court may order a child into long-term foster care only if it approves the responsible social service agency's compelling reasons that neither an award of permanent legal and physical custody to a relative, nor termination of parental rights is in the child's best interests;

(ii) further, the court may only order long-term foster care for the child under this section if it finds the following:

(A) the child has reached age 12 and the responsible social services agency has made reasonable efforts to locate and place the child with an adoptive family or with a fit and willing relative who will agree to a transfer of permanent legal and physical custody of the child, but such efforts have not proven successful; or

(B) the child is a sibling of a child described in subitem (A) and the siblings have a significant positive relationship and are ordered into the same long-term foster care home; and

(iii) at least annually, the responsible social services agency reconsiders its provision of services to the child and the child's placement in long-term foster care to ensure that:

(A) long-term foster care continues to be the most appropriate legal arrangement for meeting the child's need for permanency and stability, including whether there is another permanent placement option under this chapter that would better serve the child's needs and best interests;

(B) whenever possible, there is an identified long-term foster care family that is committed to being the foster family for the child as long as the child is a minor or under the jurisdiction of the court;

(C) the child is receiving appropriate services or assistance to maintain or build connections with the child's family and community;

(D) the child's physical and mental health needs are being appropriately provided for; and

(E) the child's educational needs are being met;

(4) foster care for a specified period of time according to the following conditions:

(i) foster care for a specified period of time may be ordered only if:

(A) the sole basis for an adjudication that the child is in need of protection or services is the child's behavior;

(B) the court finds that foster care for a specified period of time is in the best interests of the child; and

(C) the court approves the responsible social services agency's compelling reasons that neither an award of permanent legal and physical custody to a relative, nor termination of parental rights is in the child's best interests;

(ii) the order does not specify that the child continue in foster care for any period exceeding one year; or

(5) guardianship and legal custody to the commissioner of human services under the following procedures and conditions:

(i) there is an identified prospective adoptive home agreed to by the responsible social services agency having legal custody of the child pursuant to court order under this section that has agreed to adopt the child and the court accepts the parent's voluntary consent to adopt under section 259.24, except that such consent executed by a parent under this item, following proper notice that consent given under this provision is irrevocable upon acceptance by the court, shall be irrevocable unless fraud is established and an order issues permitting revocation as stated in item (vii);

(ii) if the court accepts a consent to adopt in lieu of ordering one of the other enumerated permanency dispositions, the court must review the matter at least every 90 days. The review will address the reasonable efforts of the agency to achieve a finalized adoption;

(iii) a consent to adopt under this clause vests all legal authority regarding the child, including guardianship and legal custody of the child, with the commissioner of human services as if the child were a state ward after termination of parental rights;

(iv) the court must forward a copy of the consent to adopt, together with a certified copy of the order transferring guardianship and legal custody to the commissioner, to the commissioner;

(v) if an adoption is not finalized by the identified prospective adoptive parent within 12 months of the execution of the consent to adopt under this clause, the commissioner of human services or the commissioner's delegate shall pursue adoptive placement in another home unless the commissioner certifies that the failure to finalize is not due to either an action or a failure to act by the prospective adoptive parent;

(vi) notwithstanding item (v), the commissioner of human services or the commissioner's designee must pursue adoptive placement in another home as soon as the commissioner or commissioner's designee determines that finalization of the adoption with the identified prospective adoptive parent is not possible, that the identified prospective adoptive parent is not willing to adopt the child, that the identified prospective adoptive parent is not cooperative in completing the steps necessary to finalize the adoption, or upon the commissioner's determination to withhold consent to the adoption.

(vii) unless otherwise required by the Indian Child Welfare Act, United States Code, title 25, section 1913, a consent to adopt executed under this section, following proper notice that consent given under this provision is irrevocable upon acceptance by the court, shall be irrevocable upon acceptance by the court except upon order permitting revocation issued by the same court after written findings that consent was obtained by fraud.

(e) In ordering a permanent placement of a child, the court must be governed by the best interests of the child, including a review of the relationship between the child and relatives and the child and other important persons with whom the child has resided or had significant contact.

When the court has determined that permanent placement of the child away from the parent is necessary, the court shall consider permanent alternative homes that are available both inside and outside the state.

(f) Once a permanent placement determination has been made and permanent placement has been established, further court reviews are necessary if:

- (1) the placement is long-term foster care or foster care for a specified period of time;
- (2) the court orders further hearings because it has retained jurisdiction of a transfer of permanent legal and physical custody matter;
- (3) an adoption has not yet been finalized; or
- (4) there is a disruption of the permanent or long-term placement.

(g) Court reviews of an order for long-term foster care, whether under this section or section 260C.317, subdivision 3, paragraph (d), must be conducted at least yearly at an in-court appearance hearing and must review the child's out-of-home placement plan and the reasonable efforts of the agency to finalize the permanent plan for the child including the agency's efforts to:

(1) ensure that long-term foster care continues to be the most appropriate legal arrangement for meeting the child's need for permanency and stability or, if not, to identify and attempt to finalize another permanent placement option under this chapter that would better serve the child's needs and best interests;

(2) identify a specific long-term foster home for the child, if one has not already been identified;

(3) support continued placement of the child in the identified home, if one has been identified;

(4) ensure appropriate services are provided to address the physical health, mental health, and educational needs of the child during the period of long-term foster care and also ensure appropriate services or assistance to maintain relationships with appropriate family members and the child's community; and

(5) plan for the child's independence upon the child's leaving long-term foster care living as required under section 260C.212, subdivision 1.

(h) In the event it is necessary for a child that has been ordered into foster care for a specified period of time to be in foster care longer than one year after the permanency hearing held under this section, not later than 12 months after the time the child was ordered into foster care for a specified period of time, the matter must be returned to court for a review of the appropriateness of continuing the child in foster care and of the responsible social services agency's reasonable efforts to finalize a permanent plan for the child; if it is in the child's best interests to continue the order for foster care for a specified period of time past a total of 12 months, the court shall set objectives for the child's continuation in foster care, specify any further amount of time the child may be in foster care, and review the plan for the safe return of the child to the parent.

(i) An order permanently placing a child out of the home of the parent or guardian must include the following detailed findings:

- (1) how the child's best interests are served by the order;
- (2) the nature and extent of the responsible social service agency's reasonable efforts, or, in the case of an Indian child, active efforts to reunify the child with the parent or guardian where reasonable efforts are required;

(3) the parent's or parents' efforts and ability to use services to correct the conditions which led to the out-of-home placement; and

(4) that the conditions which led to the out-of-home placement have not been corrected so that the child can safely return home.

(j) An order for permanent legal and physical custody of a child may be modified under sections 518.18 and 518.185. The social services agency is a party to the proceeding and must receive notice. A parent may only seek modification of an order for long-term foster care upon motion and a showing by the parent of a substantial change in the parent's circumstances such that the parent could provide appropriate care for the child and that removal of the child from the child's permanent placement and the return to the parent's care would be in the best interest of the child. The responsible social services agency may ask the court to vacate an order for long-term foster care upon a prima facie showing that there is a factual basis for the court to order another permanency option under this chapter and that such an option is in the child's best interests. Upon a hearing where the court determines that there is a factual basis for vacating the order for long-term foster care and that another permanent order regarding the placement of the child is in the child's best interests, the court may vacate the order for long-term foster care and enter a different order for permanent placement that is in the child's best interests. The court shall not require further reasonable efforts to reunify the child with the parent or guardian as a basis for vacating the order for long-term foster care and ordering a different permanent placement in the child's best interests. The county attorney must file pleadings and give notice as required under the rules of juvenile court in order to modify an order for long-term foster care under this paragraph.

(k) The court shall issue an order required under this section within 15 days of the close of the proceedings. The court may extend issuing the order an additional 15 days when necessary in the interests of justice and the best interests of the child.

(l) This paragraph applies to proceedings required under this subdivision when the child is on a trial home visit:

(1) if the child is on a trial home visit 12 months after the child was placed in foster care or in the care of a noncustodial parent as calculated in this subdivision, the responsible social services agency may file a report with the court regarding the child's and parent's progress on the trial home visit and its reasonable efforts to finalize the child's safe and permanent return to the care of the parent in lieu of filing the pleadings required under paragraph (b). The court shall make findings regarding reasonableness of the responsible social services efforts to finalize the child's return home as the permanent order in the best interests of the child. The court may continue the trial home visit to a total time not to exceed six months as provided in subdivision 1. If the court finds the responsible social services agency has not made reasonable efforts to finalize the child's return home as the permanent order in the best interests of the child, the court may order other or additional efforts to support the child remaining in the care of the parent; and

(2) if a trial home visit ordered or continued at proceedings under this subdivision terminates, the court shall recommence proceedings under this subdivision to determine the permanent status of the child not later than 30 days after the child is returned to foster care.

Subd. 11a. **Permanency review for children under eight.** (a) If the child was under eight years of age at the time the petition was filed alleging the child was in need of protection or services, and the child continues in placement out of the home of the parent or guardian from whom the child was removed, no later than six months after the child's placement the court shall conduct a permanency hearing to review the progress of the case, the parent's progress on the

out-of-home placement plan, and the provision of services.

(b) Based on its assessment of the parent's or guardian's progress on the out-of-home placement plan, the responsible social services agency must ask the county attorney to file a petition for termination of parental rights, a petition for transfer of permanent legal and physical custody to a relative, or the report required under juvenile court rules.

(c)(1) If the parent or guardian has maintained contact with the child and is complying with the court-ordered out-of-home placement plan, and if the child would benefit from reunification with the parent, the court may either:

(i) return the child home, if the conditions which led to the out-of-home placement have been sufficiently mitigated that it is safe and in the child's best interests to return home; or

(ii) continue the matter up to a total of six additional months. If the child has not returned home by the end of the additional six months, the court must conduct a hearing according to subdivision 11.

(2) If the court determines that the parent or guardian is not complying with the out-of-home placement plan or is not maintaining regular contact with the child as outlined in the visitation plan required as part of the out-of-home placement plan under section 260C.212, the court may order the responsible social services agency to develop a plan for permanent placement of the child away from the parent and to file a petition to support an order for the permanent placement plan.

(d) Following the review under paragraphs (b) and (c):

(1) if the court has either returned the child home or continued the matter up to a total of six additional months, the agency shall continue to provide services to support the child's return home or to make reasonable efforts to achieve reunification of the child and the parent as ordered by the court under an approved case plan;

(2) if the court orders the agency to develop a plan for the transfer of permanent legal and physical custody of the child to a relative, a petition supporting the plan shall be filed in juvenile court within 30 days of the hearing required under this subdivision and a trial on the petition held within 30 days of the filing of the pleadings; or

(3) if the court orders the agency to file a termination of parental rights, unless the county attorney can show cause why a termination of parental rights petition should not be filed, a petition for termination of parental rights shall be filed in juvenile court within 30 days of the hearing required under this subdivision and a trial on the petition held within 90 days of the filing of the petition.

**Subd. 12. Continuance of case.** If it is in the best interests of the child to do so and if the allegations contained in the petition have been admitted, or when a hearing has been held as provided in section 260C.163 and the allegations contained in the petition have been duly proven, before the entry of a finding of need for protection or services or a finding that a child is neglected and in foster care, the court may continue the case for a period not to exceed 90 days on any one order. Following the 90-day continuance:

(1) if both the parent and child have complied with the terms of the continuance, the case must be dismissed without an adjudication that the child is in need of protection or services or that the child is neglected and in foster care; or

(2) if either the parent or child has not complied with the terms of the continuance, the court shall adjudicate the child in need of protection or services or neglected and in foster care.

#### **260C.205 DISPOSITIONS; VOLUNTARY FOSTER CARE FOR TREATMENT.**

Upon a petition by a parent or guardian under section 260C.141, subdivision 1, regarding a child in voluntary foster care for treatment under chapter 260D, the court may find that the child's needs are not being met, in which case the court shall order the social services agency or the parents to take whatever action is necessary and feasible to meet the child's needs, including, when appropriate, the provision by the social services agency of services to the parents which would enable the child to live at home.

#### **260C.206 COUNTY RESPONSIBILITY FOR TRANSITIONAL SERVICES PLANS.**

When a child is subject to a court dispositional order resulting in an out-of-home placement potentially exceeding 30 days in a residential program under this chapter, the county in which the court is located is responsible for monitoring the implementation of a transitional service plan upon the child's discharge from the program. The county's responsibility under this section extends to juveniles committed to the commissioner of corrections who have completed the 90-day residential after-care component of the program. The county's responsibility includes monitoring and coordinating after-care services to the child.

#### **260C.208 INFORMATION FOR CHILD PLACEMENT.**

Subdivision 1. **Agency with placement authority.** An agency with legal responsibility for the placement of a child may request and shall receive all information pertaining to the child that it considers necessary to appropriately carry out its duties. That information must include educational, medical, psychological, psychiatric, and social or family history data retained in any form by any individual or entity. The agency may gather appropriate data regarding the child's parents in order to develop and implement a case plan required by section 260C.212. Upon request of the court responsible for overseeing the provision of services to the child and family and for implementing orders that are in the best interest of the child, the responsible social services agency or tribal social services agency shall provide appropriate written or oral reports from any individual or entity that has provided services to the child or family. The reports must include the nature of the services being provided the child or family; the reason for the services; the nature, extent, and quality of the child's or parent's participation in the services, where appropriate; and recommendations for continued services, where appropriate. The individual or entity shall report all observations and information upon which it bases its report as well as its conclusions. If necessary to facilitate the receipt of the reports, the court may issue appropriate orders.

Subd. 2. **Access to specific data.** A social services agency responsible for the residential placement of a child under this section and the residential facility in which the child is placed shall have access to the following data on the child:

- (1) medical data under section 13.384;
- (2) corrections and detention data under section 13.85;
- (3) juvenile court data under section 260C.171; and
- (4) health records under sections 144.291 to 144.298.

**History:** 1999 c 139 art 3 s 25; 1999 c 227 s 22; 2001 c 178 art 1 s 44; 2007 c 147 art 10 s 15

## **260C.209 BACKGROUND CHECKS.**

Subdivision 1. **Subjects.** The responsible social services agency may have access to the criminal history and history of child and adult maltreatment on the following individuals:

(1) a noncustodial parent or nonadjudicated parent who is being assessed for purposes of providing day-to-day care of a child temporarily or permanently under section 260C.212, subdivision 4, and any member of the parent's household who is over the age of 13 when there is a reasonable cause to believe that the parent or household member over age 13 has a criminal history or a history of maltreatment of a child or vulnerable adult which would endanger the child's health, safety, or welfare;

(2) an individual whose suitability for relative placement under section 260C.212, subdivision 5, is being determined and any member of the relative's household who is over the age of 13 when:

- (i) the relative must be licensed for foster care; or
- (ii) the background study is required under section 259.53, subdivision 2; or
- (iii) the agency or the commissioner has reasonable cause to believe the relative or household member over the age of 13 has a criminal history which would not make transfer of permanent legal and physical custody to the relative under section 260C.201, subdivision 11, in the child's best interest; and

(3) a parent, following an out-of-home placement, when the responsible social services agency has reasonable cause to believe that the parent has been convicted of a crime directly related to the parent's capacity to maintain the child's health, safety, or welfare or the parent is the subject of an open investigation of, or has been the subject of a substantiated allegation of, child or vulnerable-adult maltreatment within the past ten years.

"Reasonable cause" means that the agency has received information or a report from the subject or a third person that creates an articulable suspicion that the individual has a history that may pose a risk to the health, safety, or welfare of the child. The information or report must be specific to the potential subject of the background check and shall not be based on the race, religion, ethnic background, age, class, or lifestyle of the potential subject.

Subd. 2. **General procedures.** (a) When accessing information under subdivision 1, the agency shall require the individual being assessed to provide sufficient information to ensure an accurate assessment under this section, including:

- (1) the individual's first, middle, and last name and all other names by which the individual has been known;

- (2) home address, zip code, city, county, and state of residence for the past five years;
- (3) sex;
- (4) date of birth; and
- (5) driver's license number or state identification number.

(b) When notified by the responsible social services agency that it is accessing information under subdivision 1, the Bureau of Criminal Apprehension, commissioners of health and human services, law enforcement, and county agencies must provide the responsible social services agency or county attorney with the following information on the individual being assessed: criminal history data, local law enforcement data about the household, reports about the maltreatment of adults substantiated under section 626.557, and reports of maltreatment of minors substantiated under section 626.556.

Subd. 3. **Multistate information.** In cases involving the emergency relative placement of children under section 245A.035, the social services agency or county attorney may request a name-based check of the National Criminal Records Repository. In those cases, fingerprints of the individual being checked must be forwarded to the Bureau of Criminal Apprehension for submission to the Federal Bureau of Investigation within 15 calendar days of the name-based check. If the subject of the name-based check does not provide fingerprints upon request, the child or children must be removed from the home.

Subd. 4. [Repealed, 2009 c 163 art 1 s 9]

Subd. 5. **Assessment for emergency relative placement.** The responsible social services agency may obtain household members' criminal history and the history of maltreatment of a child or adult and use the history to assess whether putting the child in the household would endanger the child's health, safety, or welfare and to assess the suitability of a relative prior to an emergency placement. This assessment does not substitute for the background study required under chapter 245C and does not supersede requirements related to emergency placement under section 245A.035.

Subdivision 1. **Out-of-home placement; plan.** (a) An out-of-home placement plan shall be prepared within 30 days after any child is placed in foster care by court order or a voluntary placement agreement between the responsible social services agency and the child's parent pursuant to subdivision 8 or chapter 260D.

(b) An out-of-home placement plan means a written document which is prepared by the responsible social services agency jointly with the parent or parents or guardian of the child and in consultation with the child's guardian ad litem, the child's tribe, if the child is an Indian child, the child's foster parent or representative of the residential facility, and, where appropriate, the child. For a child in voluntary foster care for treatment under chapter 260D, preparation of the out-of-home placement plan shall additionally include the child's mental health treatment provider. As appropriate, the plan shall be:

- (1) submitted to the court for approval under section 260C.178, subdivision 7;

(2) ordered by the court, either as presented or modified after hearing, under section 260C.178, subdivision 7, or 260C.201, subdivision 6; and

(3) signed by the parent or parents or guardian of the child, the child's guardian ad litem, a representative of the child's tribe, the responsible social services agency, and, if possible, the child.

(c) The out-of-home placement plan shall be explained to all persons involved in its implementation, including the child who has signed the plan, and shall set forth:

(1) a description of the residential facility including how the out-of-home placement plan is designed to achieve a safe placement for the child in the least restrictive, most family-like, setting available which is in close proximity to the home of the parent or parents or guardian of the child when the case plan goal is reunification, and how the placement is consistent with the best interests and special needs of the child according to the factors under subdivision 2, paragraph (b);

(2) the specific reasons for the placement of the child in a residential facility, and when reunification is the plan, a description of the problems or conditions in the home of the parent or parents which necessitated removal of the child from home and the changes the parent or parents must make in order for the child to safely return home;

(3) a description of the services offered and provided to prevent removal of the child from the home and to reunify the family including:

(i) the specific actions to be taken by the parent or parents of the child to eliminate or correct the problems or conditions identified in clause (2), and the time period during which the actions are to be taken; and

(ii) the reasonable efforts, or in the case of an Indian child, active efforts to be made to achieve a safe and stable home for the child including social and other supportive services to be provided or offered to the parent or parents or guardian of the child, the child, and the residential facility during the period the child is in the residential facility;

(4) a description of any services or resources that were requested by the child or the child's parent, guardian, foster parent, or custodian since the date of the child's placement in the residential facility, and whether those services or resources were provided and if not, the basis for the denial of the services or resources;

(5) the visitation plan for the parent or parents or guardian, other relatives as defined in section 260C.007, subdivision 27, and siblings of the child if the siblings are not placed together in foster care, and whether visitation is consistent with the best interest of the child, during the period the child is in foster care;

(6) documentation of steps to finalize the adoption or legal guardianship of the child if the court has issued an order terminating the rights of both parents of the child or of the only known, living parent of the child. At a minimum, the documentation must include child-specific recruitment efforts such as relative search and the use of state, regional, and national adoption exchanges to facilitate orderly and timely placements in and outside of the state. A copy of this documentation shall be provided to the court in the review required under section 260C.317, subdivision 3, paragraph (b);

(7) efforts to ensure the child's educational stability while in foster care, including:

(i) efforts to ensure that the child in placement remains in the same school in which the child was enrolled prior to placement, including efforts to work with the local education authorities to ensure the child's educational stability; or

(ii) if it is not in the child's best interest to remain in the same school that the child was enrolled in prior to placement, efforts to ensure immediate and appropriate enrollment for the child in a new school;

(8) the educational records of the child including the most recent information available regarding:

(i) the names and addresses of the child's educational providers;

(ii) the child's grade level performance;

(iii) the child's school record;

(iv) a statement about how the child's placement in foster care takes into account proximity to the school in which the child is enrolled at the time of placement; and

(v) any other relevant educational information;

(9) the efforts by the local agency to ensure the oversight and continuity of health care services for the foster child, including:

(i) the plan to schedule the child's initial health screens;

(ii) how the child's known medical problems and identified needs from the screens, including any known communicable diseases, as defined in section 144.4172, subdivision 2, will be monitored and treated while the child is in foster care;

(iii) how the child's medical information will be updated and shared, including the child's immunizations;

(iv) who is responsible to coordinate and respond to the child's health care needs, including the role of the parent, the agency, and the foster parent;

(v) who is responsible for oversight of the child's prescription medications;

(vi) how physicians or other appropriate medical and nonmedical professionals will be consulted and involved in assessing the health and well-being of the child and determine the appropriate medical treatment for the child; and

(10) the health records of the child including information available regarding:

(i) the names and addresses of the child's health care and dental care providers;

(ii) a record of the child's immunizations;

(iii) the child's known medical problems, including any known communicable diseases as defined in section 144.4172, subdivision 2;

(iv) the child's medications; and

(v) any other relevant health care information such as the child's eligibility for medical insurance or medical assistance;

(11) an independent living plan for a child age 16 or older who is in placement as a result of a permanency disposition. The plan should include, but not be limited to, the following objectives:

(i) educational, vocational, or employment planning;

(ii) health care planning and medical coverage;

(iii) transportation including, where appropriate, assisting the child in obtaining a driver's license;

(iv) money management;

(v) planning for housing;

(vi) social and recreational skills; and

(vii) establishing and maintaining connections with the child's family and community; and

(12) for a child in voluntary foster care for treatment under chapter 260D, diagnostic and assessment information, specific services relating to meeting the mental health care needs of the child, and treatment outcomes.

(d) The parent or parents or guardian and the child each shall have the right to legal counsel in the preparation of the case plan and shall be informed of the right at the time of placement of the child. The child shall also have the right to a guardian ad litem. If unable to employ counsel from their own resources, the court shall appoint counsel upon the request of the parent or parents or the child or the child's legal guardian. The parent or parents may also receive assistance from any person or social services agency in preparation of the case plan.

After the plan has been agreed upon by the parties involved or approved or ordered by the court, the foster parents shall be fully informed of the provisions of the case plan and shall be provided a copy of the plan.

Upon discharge from foster care, the parent, adoptive parent, or permanent legal and physical custodian, as appropriate, and the child, if appropriate, must be provided with a current copy of the child's health and education record.

**Subd. 2. Placement decisions based on best interest of the child.** (a) The policy of the state of Minnesota is to ensure that the child's best interests are met by requiring an individualized determination of the needs of the child and of how the selected placement will serve the needs of the child being placed. The authorized child-placing agency shall place a child, released by court order or by voluntary release by the parent or parents, in a family foster home selected by considering placement with relatives and important friends in the following order:

(1) with an individual who is related to the child by blood, marriage, or adoption; or

(2) with an individual who is an important friend with whom the child has resided or had significant contact.

(b) Among the factors the agency shall consider in determining the needs of the child are the following:

(1) the child's current functioning and behaviors;

(2) the medical, educational, and developmental needs of the child;

(3) the child's history and past experience;

(4) the child's religious and cultural needs;

(5) the child's connection with a community, school, and faith community;

(6) the child's interests and talents;

(7) the child's relationship to current caretakers, parents, siblings, and relatives; and

(8) the reasonable preference of the child, if the court, or the child-placing agency in the case of a voluntary placement, deems the child to be of sufficient age to express preferences.

(c) Placement of a child cannot be delayed or denied based on race, color, or national origin of the foster parent or the child.

(d) Siblings should be placed together for foster care and adoption at the earliest possible time unless it is documented that a joint placement would be contrary to the safety or well-being of any of the siblings or unless it is not possible after reasonable efforts by the responsible social services agency. In cases where siblings cannot be placed together, the agency is required to provide frequent visitation or other ongoing interaction between siblings unless the agency documents that the interaction would be contrary to the safety or well-being of any of the siblings.

(e) Except for emergency placement as provided for in section 245A.035, a completed background study is required under section 245C.08 before the approval of a foster placement in a related or unrelated home.

**Subd. 3. Limit on multiple placements.** If a child has been placed in a residential facility pursuant to a court order under section 260C.178 or 260C.201, the social services agency responsible for the residential facility placement for the child may not change the child's placement unless the agency specifically documents that the current placement is unsuitable or another placement is in the best interests of the child. This subdivision does not apply if the new placement is in an adoptive home or other permanent placement.

**Subd. 4. Agency responsibilities for parents and children in placement.** (a) When a child is in foster care, the responsible social services agency shall make diligent efforts to identify, locate, and, where appropriate, offer services to both parents of the child.

(1) The responsible social services agency shall assess whether a noncustodial or nonadjudicated parent is willing and capable of providing for the day-to-day care of the child temporarily or permanently. An assessment under this clause may include, but is not limited to, obtaining information under section 260C.209. If after assessment, the responsible social services agency determines that a noncustodial or nonadjudicated parent is willing and capable of providing day-to-day care of the child, the responsible social services agency may seek authority from the custodial parent or the court to have that parent assume day-to-day care of the child. If a parent is not an adjudicated parent, the responsible social services agency shall require the nonadjudicated parent to cooperate with paternity establishment procedures as part of the case plan.

(2) If, after assessment, the responsible social services agency determines that the child cannot be in the day-to-day care of either parent, the agency shall:

(i) prepare an out-of-home placement plan addressing the conditions that each parent must meet before the child can be in that parent's day-to-day care; and

(ii) provide a parent who is the subject of a background study under section 260C.209 15 days' notice that it intends to use the study to recommend against putting the child with that parent, and the court shall afford the parent an opportunity to be heard concerning the study.

The results of a background study of a noncustodial parent shall not be used by the agency to determine that the parent is incapable of providing day-to-day care of the child unless the agency reasonably believes that placement of the child into the home of that parent would endanger the child's health, safety, or welfare.

(3) If, after the provision of services following an out-of-home placement plan under this section, the child cannot return to the care of the parent from whom the child was removed or who had legal custody at the time the child was placed in foster care, the agency may petition on behalf of a noncustodial parent to establish legal custody with that parent under section 260C.201,

subdivision 11. If paternity has not already been established, it may be established in the same proceeding in the manner provided for under chapter 257.

(4) The responsible social services agency may be relieved of the requirement to locate and offer services to both parents by the juvenile court upon a finding of good cause after the filing of a petition under section 260C.141.

(b) The responsible social services agency shall give notice to the parent or guardian of each child in foster care, other than a child in voluntary foster care for treatment under chapter 260D, of the following information:

(1) that the child's placement in foster care may result in termination of parental rights or an order permanently placing the child out of the custody of the parent, but only after notice and a hearing as required under chapter 260C and the juvenile court rules;

(2) time limits on the length of placement and of reunification services, including the date on which the child is expected to be returned to and safely maintained in the home of the parent or parents or placed for adoption or otherwise permanently removed from the care of the parent by court order;

(3) the nature of the services available to the parent;

(4) the consequences to the parent and the child if the parent fails or is unable to use services to correct the circumstances that led to the child's placement;

(5) the first consideration for placement with relatives;

(6) the benefit to the child in getting the child out of foster care as soon as possible, preferably by returning the child home, but if that is not possible, through a permanent legal placement of the child away from the parent;

(7) when safe for the child, the benefits to the child and the parent of maintaining visitation with the child as soon as possible in the course of the case and, in any event, according to the visitation plan under this section; and

(8) the financial responsibilities and obligations, if any, of the parent or parents for the support of the child during the period the child is in foster care.

(c) The responsible social services agency shall inform a parent considering voluntary placement of a child under subdivision 8, of the following information:

(1) the parent and the child each has a right to separate legal counsel before signing a voluntary placement agreement, but not to counsel appointed at public expense;

(2) the parent is not required to agree to the voluntary placement, and a parent who enters a voluntary placement agreement may at any time request that the agency return the child. If the parent so requests, the child must be returned within 24 hours of the receipt of the request;

(3) evidence gathered during the time the child is voluntarily placed may be used at a later time as the basis for a petition alleging that the child is in need of protection or services or as the basis for a petition seeking termination of parental rights or other permanent placement of the child away from the parent;

(4) if the responsible social services agency files a petition alleging that the child is in need of protection or services or a petition seeking the termination of parental rights or other permanent placement of the child away from the parent, the parent would have the right to appointment of separate legal counsel and the child would have a right to the appointment of counsel and a

guardian ad litem as provided by law, and that counsel will be appointed at public expense if they are unable to afford counsel; and

(5) the timelines and procedures for review of voluntary placements under subdivision 3, and the effect the time spent in voluntary placement on the scheduling of a permanent placement determination hearing under section 260C.201, subdivision 11.

(d) When an agency accepts a child for placement, the agency shall determine whether the child has had a physical examination by or under the direction of a licensed physician within the 12 months immediately preceding the date when the child came into the agency's care. If there is documentation that the child has had an examination within the last 12 months, the agency is responsible for seeing that the child has another physical examination within one year of the documented examination and annually in subsequent years. If the agency determines that the child has not had a physical examination within the 12 months immediately preceding placement, the agency shall ensure that the child has an examination within 30 days of coming into the agency's care and once a year in subsequent years.

(e) Whether under state guardianship or not, if a child leaves foster care by reason of having attained the age of majority under state law, the child must be given at no cost a copy of the child's social and medical history, as defined in section 259.43, and education report.

Subd. 4a. **Monthly caseworker visits.** (a) Every child in foster care or on a trial home visit shall be visited by the child's caseworker or another person who has responsibility for visitation of the child on a monthly basis, with the majority of visits occurring in the child's residence. For the purposes of this section, the following definitions apply:

(1) "visit" is defined as a face-to-face contact between a child and the child's caseworker;

(2) "visited on a monthly basis" is defined as at least one visit per calendar month;

(3) "the child's caseworker" is defined as the person who has responsibility for managing the child's foster care placement case as assigned by the responsible social service agency; and

(4) "the child's residence" is defined as the home where the child is residing, and can include the foster home, child care institution, or the home from which the child was removed if the child is on a trial home visit.

(b) Caseworker visits shall be of sufficient substance and duration to address issues pertinent to case planning and service delivery to ensure the safety, permanency, and well-being of the child, including whether the child is enrolled and attending school as required by law.

Subd. 5. **Relative search.** (a) The responsible social services agency shall exercise due diligence to identify and notify adult relatives prior to placement or within 30 days after the child's removal from the parent. The county agency shall consider placement with a relative under subdivision 2 without delay. The relative search required by this section shall be reasonable and comprehensive in scope and may last up to six months or until a fit and willing relative is identified. The relative search required by this section shall include both maternal relatives of the child and paternal relatives of the child, if paternity is adjudicated. The relatives must be notified:

(1) of the need for a foster home for the child, the option to become a placement resource for the child, and the possibility of the need for a permanent placement for the child;

(2) of their responsibility to keep the responsible social services agency informed of their current address in order to receive notice in the event that a permanent placement is sought for the child. A relative who fails to provide a current address to the responsible social services agency

forfeits the right to notice of the possibility of permanent placement. A decision by a relative not to be a placement resource at the beginning of the case shall not affect whether the relative is considered for placement of the child with that relative later;

(3) that the relative may participate in the care and planning for the child, including that the opportunity for such participation may be lost by failing to respond to the notice; and

(4) of the family foster care licensing requirements, including how to complete an application and how to request a variance from licensing standards that do not present a safety or health risk to the child in the home under section 245A.04 and supports that are available for relatives and children who reside in a family foster home.

(b) A responsible social services agency may disclose private or confidential data, as defined in section 13.02, to relatives of the child for the purpose of locating a suitable placement. The agency shall disclose only data that is necessary to facilitate possible placement with relatives. If the child's parent refuses to give the responsible social services agency information sufficient to identify the maternal and paternal relatives of the child, the agency shall ask the juvenile court to order the parent to provide the necessary information. If a parent makes an explicit request that relatives or a specific relative not be contacted or considered for placement, the agency shall bring the parent's request to the attention of the court to determine whether the parent's request is consistent with the best interests of the child and the agency shall not contact relatives or a specific relative unless authorized to do so by the juvenile court.

(c) When the placing agency determines that a permanent placement hearing is necessary because there is a likelihood that the child will not return to a parent's care, the agency may send the notice provided in paragraph (d), may ask the court to modify the requirements of the agency under this paragraph, or may ask the court to completely relieve the agency of the requirements of this paragraph. The relative notification requirements of this paragraph do not apply when the child is placed with an appropriate relative or a foster home that has committed to being the permanent legal placement for the child and the agency approves of that foster home for permanent placement of the child. The actions ordered by the court under this section must be consistent with the best interests, safety, and welfare of the child.

(d) Unless required under the Indian Child Welfare Act or relieved of this duty by the court under paragraph (c), when the agency determines that it is necessary to prepare for the permanent placement determination hearing, or in anticipation of filing a termination of parental rights petition, the agency shall send notice to the relatives, any adult with whom the child is currently residing, any adult with whom the child has resided for one year or longer in the past, and any adults who have maintained a relationship or exercised visitation with the child as identified in the agency case plan. The notice must state that a permanent home is sought for the child and that the individuals receiving the notice may indicate to the agency their interest in providing a permanent home. The notice must state that within 30 days of receipt of the notice an individual receiving the notice must indicate to the agency the individual's interest in providing a permanent home for the child or that the individual may lose the opportunity to be considered for a permanent placement.

(e) The Department of Human Services shall develop a best practices guide and specialized staff training to assist the responsible social services agency in performing and complying with the relative search requirements under this subdivision.

**Subd. 6. Change in placement.** If a child is removed from a permanent placement disposition authorized under section 260C.201, subdivision 11, within one year after the placement was made:

(1) the child must be returned to the residential facility where the child was placed immediately preceding the permanent placement; or

(2) the court shall hold a hearing within ten days after the child is removed from the permanent placement to determine where the child is to be placed. A guardian ad litem must be appointed for the child for this hearing.

**Subd. 7. Administrative or court review of placements.** (a) There shall be an administrative review of the out-of-home placement plan of each child placed in foster care no later than 180 days after the initial placement of the child in foster care and at least every six months thereafter if the child is not returned to the home of the parent or parents within that time. The out-of-home placement plan must be monitored and updated at each administrative review. The administrative review shall be conducted by the responsible social services agency using a panel of appropriate persons at least one of whom is not responsible for the case management of, or the delivery of services to, either the child or the parents who are the subject of the review. The administrative review shall be open to participation by the parent or guardian of the child and the child, as appropriate.

(b) As an alternative to the administrative review required in paragraph (a), the court may, as part of any hearing required under the Minnesota Rules of Juvenile Protection Procedure, conduct a hearing to monitor and update the out-of-home placement plan pursuant to the procedure and standard in section 260C.201, subdivision 6, paragraph (d). The party requesting review of the out-of-home placement plan shall give parties to the proceeding notice of the request to review and update the out-of-home placement plan. A court review conducted pursuant to section 260C.193; 260C.201, subdivision 1 or 11; 260C.141, subdivision 2; 260C.317; or 260D.06 shall satisfy the requirement for the review so long as the other requirements of this section are met.

(c) As appropriate to the stage of the proceedings and relevant court orders, the responsible social services agency or the court shall review:

- (1) the safety, permanency needs, and well-being of the child;
- (2) the continuing necessity for and appropriateness of the placement;
- (3) the extent of compliance with the out-of-home placement plan;
- (4) the extent of progress which has been made toward alleviating or mitigating the causes necessitating placement in foster care;
- (5) the projected date by which the child may be returned to and safely maintained in the home or placed permanently away from the care of the parent or parents or guardian; and
- (6) the appropriateness of the services provided to the child.

(d) When a child is age 16 or older, in addition to any administrative review conducted by the agency, at the in-court review required under section 260C.201, subdivision 11, or 260C.317, subdivision 3, clause (3), the court shall review the independent living plan required under subdivision 1, paragraph (c), clause (11), and the provision of services to the child related to the well-being of the child as the child prepares to leave foster care. The review shall include the actual plans related to each item in the plan necessary to the child's future safety and well-being when the child is no longer in foster care.

(1) At the court review, the responsible social services agency shall establish that it has given the notice required under section 260C.456 or Minnesota Rules, part 9560.0660, regarding the right to continued access to services for certain children in foster care past age 18 and of

the right to appeal a denial of social services under section 256.045. If the agency is unable to establish that the notice, including the right to appeal a denial of social services, has been given, the court shall require the agency to give it.

(2) Consistent with the requirements of the independent living plan, the court shall review progress toward or accomplishment of the following goals:

- (i) the child has obtained a high school diploma or its equivalent;
- (ii) the child has completed a driver's education course or has demonstrated the ability to use public transportation in the child's community;
- (iii) the child is employed or enrolled in postsecondary education;
- (iv) the child has applied for and obtained postsecondary education financial aid for which the child is eligible;
- (v) the child has health care coverage and health care providers to meet the child's physical and mental health needs;
- (vi) the child has applied for and obtained disability income assistance for which the child is eligible;
- (vii) the child has obtained affordable housing with necessary supports, which does not include a homeless shelter;
- (viii) the child has saved sufficient funds to pay for the first month's rent and a damage deposit;
- (ix) the child has an alternative affordable housing plan, which does not include a homeless shelter, if the original housing plan is unworkable;
- (x) the child, if male, has registered for the Selective Service; and
- (xi) the child has a permanent connection to a caring adult.

(3) The court shall ensure that the responsible agency in conjunction with the placement provider assists the child in obtaining the following documents prior to the child's leaving foster care: a Social Security card; the child's birth certificate; a state identification card or driver's license, green card, or school visa; the child's school, medical, and dental records; a contact list of the child's medical, dental, and mental health providers; and contact information for the child's siblings, if the siblings are in foster care.

(e) When a child is age 17 or older, during the 90-day period immediately prior to the date the child is expected to be discharged from foster care, the responsible social services agency is required to provide the child with assistance and support in developing a transition plan that is personalized at the direction of the child. The transition plan must be as detailed as the child may elect and include specific options on housing, health insurance, education, local opportunities for mentors and continuing support services, and work force supports and employment services. The county shall also provide the individual with appropriate contact information if the individual needs more information or needs help dealing with a crisis situation through age 21.

**Subd. 8. Voluntary foster care; required court review.** When the responsible social services agency and the child's parent or guardian agree that the child's safety, health, and best interests require that the child be in foster care, the agency and the parent or guardian may enter into a voluntary agreement for the placement of the child in foster care. The voluntary agreement must be in writing and in a form approved by the commissioner. When the child has been placed

in foster care pursuant to a voluntary foster care agreement between the agency and the parent, under this subdivision and the child is not returned home within 90 days after initial placement in foster care, the agency responsible for the child's placement in foster care shall:

- (1) return the child to the home of the parent or parents; or
- (2) file a petition according to section 260C.141, subdivision 1 or 2, which may:
  - (i) ask the court to review the child's placement in foster care and approve it as continued voluntary foster care for up to an additional 90 days;
  - (ii) ask the court to order continued foster care according to sections 260C.178 and 260C.201; or
  - (iii) ask the court to terminate parental rights under section 260C.301.

The out-of-home placement plan must be updated and filed along with the petition.

If the court approves continuing the child in foster care for up to 90 more days on a voluntary basis, at the end of the court-approved 90-day period, the child must be returned to the parent's home. If the child is not returned home, the responsible social services agency must proceed on the petition filed alleging the child in need of protection or services or the petition for termination of parental rights or other permanent placement of the child away from the parent. The court must find a statutory basis to order the placement of the child under section 260C.178; 260C.201; or 260C.317.

Subd. 9. [Repealed, 2008 c 361 art 6 s 59]

Subd. 10. **Rules; children in residential facilities.** The commissioner of human services shall promulgate all rules necessary to carry out the provisions of Public Law 96-272 as regards the establishment of a state goal for the reduction of the number of children in residential facilities beyond 24 months.

Subd. 11. **Rules; family and group foster care.** The commissioner shall:

- (1) require that, as a condition of licensure, foster care providers attend training on understanding and validating the cultural heritage of all children in their care, and on the importance of the Indian Child Welfare Act, United States Code, title 25, sections 1901 to 1923, and the Minnesota Indian Family Preservation Act, sections 260.751 to 260.835;
- (2) review and, where necessary, revise foster care rules to reflect sensitivity to cultural diversity and differing lifestyles. Specifically, the commissioner shall examine whether space and other requirements discriminate against single-parent, minority, or low-income families who may be able to provide quality foster care reflecting the values of their own respective cultures; and
- (3) relieve relative foster care providers of the requirements promulgated as a result of clauses (1) and (2) when the safety of the child is not jeopardized and as allowed under federal law.

Subd. 12. **Fair hearing review.** Any person whose claim for foster care payment pursuant to the placement of a child resulting from a child protection assessment under section 626.556 is denied or not acted upon with reasonable promptness may appeal the decision under section 256.045, subdivision 3.

## **260C.213 CONCURRENT PERMANENCY PLANNING.**

Subdivision 1. **Program; goals.** (a) The commissioner of human services shall establish a program for concurrent permanency planning for child protection services.

(b) Concurrent permanency planning involves a planning process for children who are placed out of the home of their parents pursuant to a court order, or who have been voluntarily placed out of the home by the parents for 60 days or more and who are not developmentally disabled or emotionally disabled under section 260C.212, subdivision 9. The responsible social services agency shall develop an alternative permanency plan while making reasonable efforts for reunification of the child with the family, if required by section 260.012. The goals of concurrent permanency planning are to:

- (1) achieve early permanency for children;
- (2) decrease children's length of stay in foster care and reduce the number of moves children experience in foster care; and
- (3) develop a group of families who will work towards reunification and also serve as permanent families for children.

Subd. 2. **Development of guidelines and protocols.** The commissioner shall establish guidelines and protocols for social services agencies involved in concurrent permanency planning, including criteria for conducting concurrent permanency planning based on relevant factors such as:

- (1) age of the child and duration of out-of-home placement;
- (2) prognosis for successful reunification with parents;
- (3) availability of relatives and other concerned individuals to provide support or a permanent placement for the child; and
- (4) special needs of the child and other factors affecting the child's best interests.

In developing the guidelines and protocols, the commissioner shall consult with interest groups within the child protection system, including child protection workers, child protection advocates, county attorneys, law enforcement, community service organizations, the councils of color, and the ombudsperson for families.

Subd. 3. **Parental involvement and disclosure.** Concurrent permanency planning programs must include involvement of parents and full disclosure of their rights and responsibilities; goals of concurrent permanency planning; support services that are available for families; permanency options; and the consequences of not complying with case plans.

Subd. 4. **Technical assistance.** The commissioner of human services shall provide ongoing technical assistance, support, and training for responsible social services agencies and other individuals and agencies involved in concurrent permanency planning.

Subd. 5. **Availability of funding.** The requirements of this section relating to concurrent permanency planning are effective only for state fiscal years when aid is distributed for concurrent

permanency planning.

## **260C.215 WELFARE OF CHILDREN.**

Subdivision 1. **Recruitment of foster families.** Each authorized child-placing agency shall make special efforts to recruit a foster family from among the child's relatives, except as authorized in section 260C.193, subdivision 3. In recruiting placements for each child, the agency must focus on that child's particular needs and the capacities of the particular prospective foster parents to meet those needs. Each agency shall provide for diligent recruitment of potential foster families that reflect the ethnic and racial diversity of the children in the state for whom foster homes are needed. Special efforts include contacting and working with community organizations and religious organizations and may include contracting with these organizations, utilizing local media and other local resources, conducting outreach activities, and increasing the number of minority recruitment staff employed by the agency. The requirement of special efforts to locate relatives in this section is satisfied on the earlier of the following occasions:

(1) when the child is placed with a relative who is interested in providing a permanent placement for the child; or

(2) when the responsible child-placing agency has made special efforts for six months following the child's placement in a residential facility and the court approves the agency's efforts pursuant to section 260C.201, subdivision 10. The agency may accept any gifts, grants, offers of services, and other contributions to use in making special recruitment efforts.

Subd. 2. **Duties of commissioner.** The commissioner of human services shall:

(1) in cooperation with child-placing agencies, develop a cost-effective campaign using radio and television to recruit adoptive and foster families that reflect the ethnic and racial diversity of children in the state for whom adoptive and foster homes are needed; and

(2) require that agency staff people who work in the area of adoption and foster family recruitment participate in cultural competency training.

Subd. 3. **Recruitment specialist.** The commissioner shall designate a permanent professional staff position for recruitment of foster and adoptive families. The recruitment specialist shall provide services to child-placing agencies seeking to recruit adoptive and foster care families and qualified professional staff. The recruitment specialist shall:

(1) develop materials for use by the agencies in training staff;

(2) conduct in-service workshops for agency personnel;

(3) provide consultation, technical assistance, and other appropriate services to agencies to strengthen and improve service delivery to diverse populations; and

(4) conduct workshops for foster care and adoption recruiters to evaluate the effectiveness of techniques for recruiting foster and adoptive families; and

(5) perform other duties as assigned by the commissioner to implement the Minnesota Indian Family Preservation Act, sections 260.751 to 260.835.

The commissioner may contract for portions of these services.

Subd. 4. **Consultation with representatives.** The commissioner of human services, after

seeking and considering advice from representatives reflecting diverse populations from the councils established under sections 3.922, 3.9223, 3.9225, and 3.9226, and other state, local, and community organizations shall:

- (1) review and, where necessary, revise the Department of Human Services Social Service Manual and Practice Guide to reflect federal and state policy direction on placement of children;
- (2) develop criteria for determining whether a prospective adoptive or foster family has the ability to understand and validate the child's cultural background;
- (3) develop a standardized training curriculum for adoption and foster care workers, family-based providers, and administrators who work with children. Training must address the following objectives:
  - (a) developing and maintaining sensitivity to all cultures;
  - (b) assessing values and their cultural implications; and
  - (c) making individualized decisions that advance the best interests of a particular child under section 260C.212, subdivision 2;
- (4) develop a training curriculum for family and extended family members of adoptive and foster children. The curriculum must address issues relating to cross-cultural placements as well as issues that arise after a foster or adoptive placement is made; and
- (5) develop and provide to agencies an assessment tool to be used in combination with group interviews and other preplacement activities to evaluate prospective adoptive and foster families. The tool must assess problem-solving skills; identify parenting skills; and evaluate the degree to which the prospective family has the ability to understand and validate the child's cultural background.

Subd. 5. **Placement reports.** Beginning December 1, 1996, the commissioner shall provide to the Indian Affairs Council, the Council on Affairs of Chicano/Latino People, the Council on Black Minnesotans, and the Council on Asian-Pacific Minnesotans the annual report required under section 257.0725.

Subd. 6. **Duties of child-placing agencies.** (a) Each authorized child-placing agency must:

- (1) develop and follow procedures for implementing the requirements of section 260C.193, subdivision 3, and the Indian Child Welfare Act, United States Code, title 25, sections 1901 to 1923;
- (2) have a written plan for recruiting adoptive and foster families that reflect the ethnic and racial diversity of children who are in need of foster and adoptive homes. The plan must include (i) strategies for using existing resources in diverse communities, (ii) use of diverse outreach staff wherever possible, (iii) use of diverse foster homes for placements after birth and before adoption, and (iv) other techniques as appropriate;
- (3) have a written plan for training adoptive and foster families;
- (4) have a written plan for employing staff in adoption and foster care who have the capacity to assess the foster and adoptive parents' ability to understand and validate a child's cultural needs, and to advance the best interests of the child. The plan must include staffing goals and objectives;
- (5) ensure that adoption and foster care workers attend training offered or approved by the Department of Human Services regarding cultural diversity and the needs of special needs children; and

(6) develop and implement procedures for implementing the requirements of the Indian Child Welfare Act and the Minnesota Indian Family Preservation Act.

(b) In determining the suitability of a proposed placement of an Indian child, the standards to be applied must be the prevailing social and cultural standards of the Indian child's community, and the agency shall defer to tribal judgment as to suitability of a particular home when the tribe has intervened pursuant to the Indian Child Welfare Act.

Subd. 7. **Reporting requirements.** Each authorized child-placing agency shall provide to the commissioner of human services all data needed by the commissioner for the report required by section 257.0725. The agency shall provide the data within 15 days of the end of the period for which the data is applicable.

Subd. 8. **Rules.** The commissioner of human services shall adopt rules to establish standards for conducting relative searches, recruiting foster and adoptive families, evaluating the role of relative status in the reconsideration of disqualifications under chapter 245C and granting variances of licensing requirements under section 245A.04, subdivision 9, in licensing or approving an individual related to a child.

## NEWBORN SAFE PLACES

### 260C.217 SAFE PLACE FOR NEWBORNS.

Subdivision 1. **Duty to attempt reunification, duty to search for relatives, and preferences not applicable.** A local social service agency taking custody of a child after discharge from a hospital that received a child under section 145.902 is not required to attempt to reunify the child with the child's parents. Additionally, the agency is not required to search for relatives of the child as a placement or permanency option under section 260C.212, subdivision 5, or to implement other placement requirements that give a preference to relatives if the agency does not have information as to the identity of the child, the child's mother, or the child's father.

Subd. 2. **Status of child.** For purposes of proceedings under this chapter and adoption proceedings, a newborn left at a hospital under section 145.902 is considered an abandoned child.

**History:** 2000 c 421 s 2

## TERMINATION OF PARENTAL RIGHTS

### 260C.301 TERMINATION OF PARENTAL RIGHTS.

Subdivision 1. **Voluntary and involuntary.** The juvenile court may upon petition, terminate all rights of a parent to a child:

(a) with the written consent of a parent who for good cause desires to terminate parental rights; or

(b) if it finds that one or more of the following conditions exist:

(1) that the parent has abandoned the child;

(2) that the parent has substantially, continuously, or repeatedly refused or neglected to comply with the duties imposed upon that parent by the parent and child relationship, including but not limited to providing the child with necessary food, clothing, shelter, education, and other

care and control necessary for the child's physical, mental, or emotional health and development, if the parent is physically and financially able, and either reasonable efforts by the social services agency have failed to correct the conditions that formed the basis of the petition or reasonable efforts would be futile and therefore unreasonable;

(3) that a parent has been ordered to contribute to the support of the child or financially aid in the child's birth and has continuously failed to do so without good cause. This clause shall not be construed to state a grounds for termination of parental rights of a noncustodial parent if that parent has not been ordered to or cannot financially contribute to the support of the child or aid in the child's birth;

(4) that a parent is palpably unfit to be a party to the parent and child relationship because of a consistent pattern of specific conduct before the child or of specific conditions directly relating to the parent and child relationship either of which are determined by the court to be of a duration or nature that renders the parent unable, for the reasonably foreseeable future, to care appropriately for the ongoing physical, mental, or emotional needs of the child. It is presumed that a parent is palpably unfit to be a party to the parent and child relationship upon a showing that the parent's parental rights to one or more other children were involuntarily terminated or that the parent's custodial rights to another child have been involuntarily transferred to a relative under section 260C.201, subdivision 11, paragraph (e), clause (1), or a similar law of another jurisdiction;

(5) that following the child's placement out of the home, reasonable efforts, under the direction of the court, have failed to correct the conditions leading to the child's placement. It is presumed that reasonable efforts under this clause have failed upon a showing that:

(i) a child has resided out of the parental home under court order for a cumulative period of 12 months within the preceding 22 months. In the case of a child under age eight at the time the petition was filed alleging the child to be in need of protection or services, the presumption arises when the child has resided out of the parental home under court order for six months unless the parent has maintained regular contact with the child and the parent is complying with the out-of-home placement plan;

(ii) the court has approved the out-of-home placement plan required under section 260C.212 and filed with the court under section 260C.178;

(iii) conditions leading to the out-of-home placement have not been corrected. It is presumed that conditions leading to a child's out-of-home placement have not been corrected upon a showing that the parent or parents have not substantially complied with the court's orders and a reasonable case plan; and

(iv) reasonable efforts have been made by the social services agency to rehabilitate the parent and reunite the family.

This clause does not prohibit the termination of parental rights prior to one year, or in the case of a child under age eight, prior to six months after a child has been placed out of the home.

It is also presumed that reasonable efforts have failed under this clause upon a showing that:

(A) the parent has been diagnosed as chemically dependent by a professional certified to make the diagnosis;

(B) the parent has been required by a case plan to participate in a chemical dependency treatment program;

(C) the treatment programs offered to the parent were culturally, linguistically, and clinically appropriate;

(D) the parent has either failed two or more times to successfully complete a treatment program or has refused at two or more separate meetings with a caseworker to participate in a treatment program; and

(E) the parent continues to abuse chemicals.

(6) that a child has experienced egregious harm in the parent's care which is of a nature, duration, or chronicity that indicates a lack of regard for the child's well-being, such that a reasonable person would believe it contrary to the best interest of the child or of any child to be in the parent's care;

(7) that in the case of a child born to a mother who was not married to the child's father when the child was conceived nor when the child was born the person is not entitled to notice of an adoption hearing under section 259.49 and the person has not registered with the fathers' adoption registry under section 259.52;

(8) that the child is neglected and in foster care; or

(9) that the parent has been convicted of a crime listed in section 260.012, paragraph (g), clauses (1) to (3).

In an action involving an American Indian child, sections 260.751 to 260.835 and the Indian Child Welfare Act, United States Code, title 25, sections 1901 to 1923, control to the extent that the provisions of this section are inconsistent with those laws.

Subd. 2. **Evidence of abandonment.** For purposes of subdivision 1, clause (b), item (1):

(a) Abandonment is presumed when:

(1) the parent has had no contact with the child on a regular basis and not demonstrated consistent interest in the child's well-being for six months and the social services agency has made reasonable efforts to facilitate contact, unless the parent establishes that an extreme financial or physical hardship or treatment for mental disability or chemical dependency or other good cause prevented the parent from making contact with the child. This presumption does not apply to children whose custody has been determined under chapter 257 or 518; or

(2) the child is an infant under two years of age and has been deserted by the parent under circumstances that show an intent not to return to care for the child.

The court is not prohibited from finding abandonment in the absence of the presumptions in clauses (1) and (2).

(b) The following are prima facie evidence of abandonment where there has been a showing that the person was not entitled to notice of an adoption proceeding under section 259.49:

(1) failure to register with the fathers' adoption registry under section 259.52; or

(2) if the person registered with the fathers' adoption registry under section 259.52:

(i) filing a denial of paternity within 30 days of receipt of notice under section 259.52, subdivision 8;

(ii) failing to timely file an intent to claim parental rights with entry of appearance form within 30 days of receipt of notice under section 259.52, subdivision 10; or

(iii) timely filing an intent to claim parental rights with entry of appearance form within 30 days of receipt of notice under section 259.52, subdivision 10, but failing to initiate a paternity

action within 30 days of receiving the fathers' adoption registry notice where there has been no showing of good cause for the delay.

**Subd. 3. Required termination of parental rights.** (a) The county attorney shall file a termination of parental rights petition within 30 days of the responsible social services agency determining that a child has been subjected to egregious harm as defined in section 260C.007, subdivision 14, is determined to be the sibling of another child of the parent who was subjected to egregious harm, or is an abandoned infant as defined in subdivision 2, paragraph (a), clause (2), or the parent has lost parental rights to another child through an order involuntarily terminating the parent's rights, or another child of the parent is the subject of an order involuntarily transferring permanent legal and physical custody of the child to a relative under section 260C.201, subdivision 11, paragraph (e), clause (1), or a similar law of another jurisdiction. The responsible social services agency shall concurrently identify, recruit, process, and approve an adoptive family for the child. If a termination of parental rights petition has been filed by another party, the responsible social services agency shall be joined as a party to the petition. If criminal charges have been filed against a parent arising out of the conduct alleged to constitute egregious harm, the county attorney shall determine which matter should proceed to trial first, consistent with the best interests of the child and subject to the defendant's right to a speedy trial.

(b) This requirement does not apply if the county attorney determines and files with the court:

(1) a petition for transfer of permanent legal and physical custody to a relative under section 260C.201, subdivision 11, including a determination that the transfer is in the best interests of the child; or

(2) a petition alleging the child, and where appropriate, the child's siblings, to be in need of protection or services accompanied by a case plan prepared by the responsible social services agency documenting a compelling reason why filing a termination of parental rights petition would not be in the best interests of the child.

**Subd. 4. Current foster care children.** Except for cases where the child is in placement due solely to the child's developmental disability or emotional disturbance, where custody has not been transferred to the responsible social services agency, and where the court finds compelling reasons to continue placement, the county attorney shall file a termination of parental rights petition or a petition to transfer permanent legal and physical custody to a relative under section 260C.201, subdivision 11, for all children who have been in out-of-home care for 15 of the most recent 22 months. This requirement does not apply if there is a compelling reason approved by the court for determining that filing a termination of parental rights petition or other permanency petition would not be in the best interests of the child or if the responsible social services agency has not provided reasonable efforts necessary for the safe return of the child, if reasonable efforts are required.

**Subd. 5. Adoptive parent.** For purposes of subdivision 1, clause (a), an adoptive parent may not terminate parental rights to an adopted child for a reason that would not apply to a birth parent seeking termination of parental rights to a child under subdivision 1, clause (a).

**Subd. 6. When prior finding required.** For purposes of subdivision 1, clause (b), no prior judicial finding of need for protection or services, or neglected and in foster care is required, except as provided in subdivision 1, clause (b), item (5).

**Subd. 7. Best interests of child paramount.** In any proceeding under this section, the best interests of the child must be the paramount consideration, provided that the conditions in

subdivision 1, clause (a), or at least one condition in subdivision 1, clause (b), are found by the court. In proceedings involving an American Indian child, as defined in section 260.755, subdivision 8, the best interests of the child must be determined consistent with the Indian Child Welfare Act of 1978, United States Code, title 25, section 1901, et seq. Where the interests of parent and child conflict, the interests of the child are paramount.

Subd. 8. **Findings regarding reasonable efforts.** In any proceeding under this section, the court shall make specific findings:

(1) that reasonable efforts to prevent the placement and to reunify the child and the parent were made including individualized and explicit findings regarding the nature and extent of efforts made by the social services agency to rehabilitate the parent and reunite the family; or

(2) that reasonable efforts at reunification are not required as provided under section 260.012.

### **260C.303 VENUE.**

Venue for proceedings for the termination of parental rights is either the county where the child resides or is found. However, if a court has made an order under the provisions of section 260C.201, and the order is in force at the time a petition for termination of parental rights is filed, the court making the order shall hear the termination of parental rights proceeding unless it transfers the proceeding in the manner provided in section 260C.121, subdivision 2.

**History:** 1999 c 139 art 3 s 30

### **260C.307 PROCEDURES IN TERMINATING PARENTAL RIGHTS.**

Subdivision 1. **Who may petition.** Any reputable person, including but not limited to any agent of the commissioner of human services, having knowledge of circumstances which indicate that the rights of a parent to a child should be terminated, may petition the juvenile court in the manner provided in section 260C.141, subdivisions 4 and 5.

Subd. 2. **Hearing requirement.** The termination of parental rights under the provisions of section 260C.301, shall be made only after a hearing before the court, in the manner provided in section 260C.163.

Subd. 3. **Notice.** The court shall have notice of the time, place, and purpose of the hearing served on the parents, as defined in sections 257.51 to 257.74 or 259.49, subdivision 1, clause (2), and upon the child's grandparent if the child has lived with the grandparent within the two years immediately preceding the filing of the petition. Notice must be served in the manner provided in sections 260C.151 and 260C.152, except that personal service shall be made at least ten days before the day of the hearing. Published notice shall be made for three weeks, the last publication to be at least ten days before the day of the hearing; and notice sent by certified mail shall be mailed at least 20 days before the day of the hearing. A parent who consents to the termination of parental rights under the provisions of section 260C.301, subdivision 2, clause (a), may waive in writing the notice required by this subdivision; however, if the parent is a minor or incompetent the waiver shall be effective only if the parent's guardian ad litem concurs in writing.

Subd. 4. **Consent.** No parental rights of a minor or incompetent parent may be terminated on consent of the parents under the provisions of section 260C.301, subdivision 2, clause

(a), unless the guardian ad litem, in writing, joins in the written consent of the parent to the termination of parental rights.

**History:** 1999 c 139 art 3 s 31

### **260C.312 DISPOSITION; PARENTAL RIGHTS NOT TERMINATED.**

(a) If, after a hearing, the court does not terminate parental rights but determines that the child is in need of protection or services, or that the child is neglected and in foster care, the court may find the child is in need of protection or services or neglected and in foster care and may enter an order in accordance with the provisions of section 260C.201.

(b) When a child has been in placement 15 of the last 22 months after a trial on a termination of parental rights petition, if the court finds that the petition is not proven or that termination of parental rights is not in the child's best interests, the court must order the child returned to the care of the parent unless the court approves the responsible social services agency's determination of compelling reasons why the child should remain out of the care of the parent. If the court orders the child returned to the care of the parent, the court may order a trial home visit, protective supervision, or monitoring under section 260C.201.

**History:** 1999 c 139 art 3 s 32; 2001 c 178 art 1 s 37; 2005 c 159 art 2 s 19

### **260C.317 TERMINATION OF PARENTAL RIGHTS; EFFECT.**

Subdivision 1. **Termination.** If, after a hearing, the court finds by clear and convincing evidence that one or more of the conditions set out in section 260C.301 exist, it may terminate parental rights. Upon the termination of parental rights all rights, powers, privileges, immunities, duties, and obligations, including any rights to custody, control, visitation, or support existing between the child and parent shall be severed and terminated and the parent shall have no standing to appear at any further legal proceeding concerning the child. Provided, however, that a parent whose parental rights are terminated:

(1) shall remain liable for the unpaid balance of any support obligation owed under a court order upon the effective date of the order terminating parental rights; and

(2) may be a party to a communication or contact agreement under section 259.58.

Subd. 2. **Order; terminating relationship.** An order terminating the parent and child relationship shall not disentitle a child to any benefit due the child from any third person, agency, state, or the United States, nor shall any action under this section be deemed to affect any rights and benefits that a child derives from the child's descent from a member of a federally recognized Indian tribe.

Subd. 3. **Order; retention of jurisdiction.** (a) A certified copy of the findings and the order terminating parental rights, and a summary of the court's information concerning the child shall be furnished by the court to the commissioner or the agency to which guardianship is transferred. The orders shall be on a document separate from the findings. The court shall furnish the individual to whom guardianship is transferred a copy of the order terminating parental rights.

(b) The court shall retain jurisdiction in a case where adoption is the intended permanent placement disposition until the child's adoption is finalized, the child is 18 years of age, or, for children in foster care beyond age 18 pursuant to section 260C.451, until the individual becomes 21 years of age according to the provisions set forth in sections 260C.193, subdivision 6, and 260C.451. The guardian ad litem and counsel for the child shall continue on the case until an

adoption decree is entered. An in-court appearance hearing must be held every 90 days following termination of parental rights for the court to review progress toward an adoptive placement and the specific recruitment efforts the agency has taken to find an adoptive family or other placement living arrangement for the child and to finalize the adoption or other permanency plan.

(c) The responsible social services agency may make a determination of compelling reasons for a child to be in long-term foster care when the agency has made exhaustive efforts to recruit, identify, and place the child in an adoptive home, and the child continues in foster care for at least 24 months after the court has issued the order terminating parental rights. A child of any age who is under the guardianship of the commissioner of the Department of Human Services and is legally available for adoption may not refuse or waive the commissioner's agent's exhaustive efforts to recruit, identify, and place the child in an adoptive home required under paragraph (b) or sign a document relieving county social services agencies of all recruitment efforts on the child's behalf. Upon approving the agency's determination of compelling reasons, the court may order the child placed in long-term foster care. At least every 12 months thereafter as long as the child continues in out-of-home placement, the court shall conduct an in-court permanency review hearing to determine the future status of the child using the review requirements of section 260C.201, subdivision 11, paragraph (g).

(d) The court shall retain jurisdiction through the child's minority in a case where long-term foster care is the permanent disposition whether under paragraph (c) or section 260C.201, subdivision 11, or, for children in foster care age 18 or older under section 260C.451, until the individual becomes 21 years of age according to the provisions in sections 260C.193, subdivision 6, and 260C.451.

**Subd. 4. Rights of terminated parent.** Upon entry of an order terminating the parental rights of any person who is identified as a parent on the original birth record of the child as to whom the parental rights are terminated, the court shall cause written notice to be made to that person setting forth:

(1) the right of the person to file at any time with the state registrar of vital statistics a consent to disclosure, as defined in section 144.212, subdivision 11;

(2) the right of the person to file at any time with the state registrar of vital statistics an affidavit stating that the information on the original birth record shall not be disclosed as provided in section 144.2252; and

(3) the effect of a failure to file either a consent to disclosure, as defined in section 144.212, subdivision 11, or an affidavit stating that the information on the original birth record shall not be disclosed.

## **260C.325 GUARDIAN.**

Subdivision 1. **Transfer of custody.** (a) If the court terminates parental rights of both parents or of the only known living parent, the court shall order the guardianship and the legal custody of the child transferred to:

(1) the commissioner of human services;

(2) a licensed child-placing agency; or

(3) an individual who is willing and capable of assuming the appropriate duties and responsibilities to the child.

(b) The court shall order transfer of guardianship and legal custody of a child to the commissioner of human services only when the responsible county social services agency had legal responsibility for planning for the permanent placement of the child and the child was in foster care under the legal responsibility of the responsible county social services agency at the time the court orders guardianship and legal custody transferred to the commissioner.

Subd. 2. [Repealed, 2001 c 178 art 1 s 43]

Subd. 3. **Both parents deceased.** (a) If upon petition to the juvenile court by a reputable person, including but not limited to an agent of the commissioner of human services, and upon hearing in the manner provided in section 260C.163, the court finds that both parents or the only known legal parent are or is deceased and no appointment has been made or petition for appointment filed pursuant to sections 524.5-201 to 524.5-317, the court shall order the guardianship and legal custody of the child transferred to:

(1) the commissioner of human services;

(2) a licensed child-placing agency; or

(3) an individual who is willing and capable of assuming the appropriate duties and responsibilities to the child.

(b) The court shall order transfer of guardianship and legal custody of a child to the commissioner of human services only if there is no individual who is willing and capable of assuming the appropriate duties and responsibilities to the child.

Subd. 4. **Guardian's responsibilities.** (a) A guardian appointed under the provisions of this section has legal custody of a ward unless the court which appoints the guardian gives legal custody to some other person. If the court awards custody to a person other than the guardian, the guardian nonetheless has the right and responsibility of reasonable visitation, except as limited by court order.

(b) The guardian may make major decisions affecting the person of the ward, including but not limited to giving consent (when consent is legally required) to the marriage, enlistment in the armed forces, medical, surgical, or psychiatric treatment, or adoption of the ward. When, pursuant to this section, the commissioner of human services is appointed guardian, the commissioner may delegate to the responsible social services agency of the county in which, after the appointment, the ward resides, the authority to act for the commissioner in decisions affecting the person of the ward, including but not limited to giving consent to the marriage, enlistment in the armed forces, medical, surgical, or psychiatric treatment of the ward.

(c) A guardianship created under the provisions of this section shall not of itself include the guardianship of the estate of the ward.

**History:** 1999 c 139 art 3 s 34; 2001 c 178 art 1 s 39; 2004 c 146 art 3 s 31; 2008 c 361 art 6 s 42,43

## **260C.328 CHANGE OF GUARDIAN; TERMINATION OF GUARDIANSHIP.**

Upon its own motion or upon petition of an interested party, the juvenile court having jurisdiction of the child may, after notice to the parties and a hearing, remove the guardian appointed by the juvenile court and appoint a new guardian in accordance with the provisions

of section 260C.325, subdivision 1, clause (a), (b), or (c). Upon a showing that the child is emancipated, the court may discharge the guardianship. Any child 14 years of age or older who is not adopted but who is placed in a satisfactory foster home, may, with the consent of the foster parents, join with the guardian appointed by the juvenile court in a petition to the court having jurisdiction of the child to discharge the existing guardian and appoint the foster parents as guardians of the child. The authority of a guardian appointed by the juvenile court terminates when the individual under guardianship is no longer a minor or when guardianship is otherwise discharged.

**History:** 1999 c 139 art 3 s 35

## COSTS AND EXPENSES

### 260C.331 COSTS OF CARE.

Subdivision 1. **Care, examination, or treatment.** (a) Except where parental rights are terminated,

(1) whenever legal custody of a child is transferred by the court to a responsible social services agency,

(2) whenever legal custody is transferred to a person other than the responsible social services agency, but under the supervision of the responsible social services agency, or

(3) whenever a child is given physical or mental examinations or treatment under order of the court, and no provision is otherwise made by law for payment for the care, examination, or treatment of the child, these costs are a charge upon the welfare funds of the county in which proceedings are held upon certification of the judge of juvenile court.

(b) The court shall order, and the responsible social services agency shall require, the parents or custodian of a child, while the child is under the age of 18, to use the total income and resources attributable to the child for the period of care, examination, or treatment, except for clothing and personal needs allowance as provided in section 256B.35, to reimburse the county for the cost of care, examination, or treatment. Income and resources attributable to the child include, but are not limited to, Social Security benefits, supplemental security income (SSI), veterans benefits, railroad retirement benefits and child support. When the child is over the age of 18, and continues to receive care, examination, or treatment, the court shall order, and the responsible social services agency shall require, reimbursement from the child for the cost of care, examination, or treatment from the income and resources attributable to the child less the clothing and personal needs allowance. Income does not include earnings from a child over the age of 18 who is working as part of a plan under section 260C.212, subdivision 1, paragraph (c), clause (11), to transition from foster care, or the income and resources from sources other than supplemental security income and child support that are needed to complete the requirements listed in section 260C.212, subdivision 7, paragraph (d), clause (2).

(c) If the income and resources attributable to the child are not enough to reimburse the county for the full cost of the care, examination, or treatment, the court shall inquire into the ability of the parents to support the child and, after giving the parents a reasonable opportunity to be heard, the court shall order, and the responsible social services agency shall require, the parents to contribute to the cost of care, examination, or treatment of the child. When determining the amount to be contributed by the parents, the court shall use a fee schedule based upon ability to pay that is established by the responsible social services agency and approved by the

commissioner of human services. The income of a stepparent who has not adopted a child shall be excluded in calculating the parental contribution under this section.

(d) The court shall order the amount of reimbursement attributable to the parents or custodian, or attributable to the child, or attributable to both sources, withheld under chapter 518A from the income of the parents or the custodian of the child. A parent or custodian who fails to pay without good reason may be proceeded against for contempt, or the court may inform the county attorney, who shall proceed to collect the unpaid sums, or both procedures may be used.

(e) If the court orders a physical or mental examination for a child, the examination is a medically necessary service for purposes of determining whether the service is covered by a health insurance policy, health maintenance contract, or other health coverage plan. Court-ordered treatment shall be subject to policy, contract, or plan requirements for medical necessity. Nothing in this paragraph changes or eliminates benefit limits, conditions of coverage, co-payments or deductibles, provider restrictions, or other requirements in the policy, contract, or plan that relate to coverage of other medically necessary services.

(f) Notwithstanding paragraph (b), (c), or (d), a parent, custodian, or guardian of the child is not required to use income and resources attributable to the child to reimburse the county for costs of care and is not required to contribute to the cost of care of the child during any period of time when the child is returned to the home of that parent, custodian, or guardian pursuant to a trial home visit under section 260C.201, subdivision 1, paragraph (a).

**Subd. 2. Cost of group foster care.** Whenever a child is placed in a group foster care facility as provided in section 260C.201, subdivision 1, paragraph (b), clause (2) or (3), the cost of providing the care shall, upon certification by the juvenile court, be paid from the welfare fund of the county in which the proceedings were held. To reimburse the counties for the costs of promoting the establishment of suitable group foster homes, the state shall quarterly, from funds appropriated for that purpose, reimburse counties 50 percent of the costs not paid by federal and other available state aids and grants. Reimbursement shall be prorated if the appropriation is insufficient.

The commissioner of corrections shall establish procedures for reimbursement and certify to the commissioner of management and budget each county entitled to receive state aid under the provisions of this subdivision. Upon receipt of a certificate the commissioner of management and budget shall issue a state warrant to the county treasurer for the amount due, together with a copy of the certificate prepared by the commissioner of corrections.

**Subd. 3. Court expenses.** The following expenses are a charge upon the county in which proceedings are held upon certification of the judge of juvenile court or upon such other authorization provided by law:

(1) the fees and mileage of witnesses, and the expenses and mileage of officers serving notices and subpoenas ordered by the court, as prescribed by law;

(2) the expense of transporting a child to a place designated by a child-placing agency for the care of the child if the court transfers legal custody to a child-placing agency;

(3) the expense of transporting a minor to a place designated by the court;

(4) reasonable compensation for an attorney appointed by the court to serve as counsel.

The State Guardian Ad Litem Board shall pay for guardian ad litem expenses and reasonable compensation for an attorney to serve as counsel for a guardian ad litem, if necessary.

Subd. 4. **Legal settlement.** The county charged with the costs and expenses under subdivisions 1 and 3 may recover these costs and expenses from the county where the minor has legal settlement for general assistance purposes by filing verified claims which shall be payable as are other claims against the county. A detailed statement of the facts upon which the claim is based shall accompany the claim. If a dispute relating to general assistance settlement arises, the responsible social services agency of the county denying legal settlement shall send a detailed statement of the facts upon which the claim is denied together with a copy of the detailed statement of the facts upon which the claim is based to the commissioner of human services. The commissioner shall immediately investigate and determine the question of general assistance settlement and shall certify findings to the responsible social services agency of each county. The decision of the commissioner is final and shall be complied with unless, within 30 days thereafter, action is taken in district court as provided in section 256.045.

Subd. 5. **Attorneys fees.** In proceedings in which the court has appointed counsel pursuant to section 260C.163, subdivision 3, for a minor unable to employ counsel, the court may inquire into the ability of the parents to pay for such counsel's services and, after giving the parents a reasonable opportunity to be heard, may order the parents to pay attorneys fees.

Subd. 6. **Guardian ad litem fees.** (a) In proceedings in which the court appoints a guardian ad litem pursuant to section 260C.163, subdivision 5, clause (a), the court may inquire into the ability of the parents to pay for the guardian ad litem's services and, after giving the parents a reasonable opportunity to be heard, may order the parents to pay guardian fees.

(b) In each fiscal year, the commissioner of management and budget shall deposit guardian ad litem reimbursements in the special revenue fund and credit them to a separate account with the State Guardian Ad Litem Board. The balance of this account is appropriated to the State Guardian Ad Litem Board and does not cancel but is available until expended. Revenue from this account must be spent in the judicial district in which the reimbursement is collected.

## MISCELLANEOUS

### 260C.335 CIVIL JURISDICTION OVER PERSONS CONTRIBUTING TO NEED FOR PROTECTION OR SERVICES; COURT ORDERS.

Subdivision 1. **Jurisdiction.** The juvenile court has civil jurisdiction over persons contributing to the need for protection or services of a child under the provisions of this section.

Subd. 2. **Petition; order to show cause.** A request for jurisdiction over a person described in subdivision 1 shall be initiated by the filing of a verified petition by the county attorney having jurisdiction over the place where the child is found, resides, or where the alleged act of contributing occurred. A prior or pending petition alleging that the child is in need of protection or services is not a prerequisite to a petition under this section. The petition shall allege the factual basis for the claim that the person is contributing to the child's need for protection or services. If the court determines, upon review of the verified petition, that probable cause exists to believe that the person has contributed to the child's need for protection or services, the court shall issue an order to show cause why the person should not be subject to the jurisdiction of the court. The order to show cause and a copy of the verified petition shall be served personally upon the person

and shall set forth the time and place of the hearing to be conducted under subdivision 3.

Subd. 3. **Hearing.** (a) The court shall conduct a hearing on the petition in accordance with the procedures contained in paragraph (b).

(b) Hearings under this subdivision shall be without a jury. The rules of evidence promulgated pursuant to section 480.0591 and the provisions under section 260C.165 shall apply. In all proceedings under this section, the court shall admit only evidence that would be admissible in a civil trial. When the respondent is an adult, hearings under this subdivision shall be open to the public. Hearings shall be conducted within five days of personal service of the order to show cause and may be continued for a reasonable period of time if a continuance is in the best interest of the child or in the interests of justice.

(c) At the conclusion of the hearing, if the court finds by a fair preponderance of the evidence that the person has contributed to the child's need for protection or services, as defined in section 260C.425, the court may make any of the following orders:

- (1) restrain the person from any further act or omission in violation of section 260C.425;
- (2) prohibit the person from associating or communicating in any manner with the child;
- (3) require the person to participate in evaluation or services determined necessary by the court to correct the conditions that contributed to the child's need for protection or services;

(4) require the person to provide supervision, treatment, or other necessary care;

(5) require the person to pay restitution to a victim for pecuniary damages arising from an act of the child relating to the child's need for protection or services;

(6) require the person to pay the cost of services provided to the child or for the child's protection; or

(7) require the person to provide for the child's maintenance or care if the person is responsible for the maintenance or care, and direct when, how, and where money for the maintenance or care shall be paid. If the person is receiving public assistance for the child's maintenance or care, the court shall authorize the public agency responsible for administering the public assistance funds to make payments directly to vendors for the cost of food, shelter, medical care, utilities, and other necessary expenses.

(d) An order issued under this section shall be for a fixed period of time, not to exceed one year. The order may be renewed or modified prior to expiration upon notice and motion when there has not been compliance with the court's order or the order continues to be necessary to eliminate the contributing behavior or to mitigate its effect on the child.

Subd. 4. **Criminal proceedings.** The county attorney may bring both a criminal proceeding under section 260C.425 and a civil action under this section.

**History:** 1999 c 139 art 3 s 37; art 4 s 2

**260C.401** [Repealed, 2000 c 260 s 97]

## **260C.405 VIOLATION OF AN ORDER FOR PROTECTION.**

Subdivision 1. **Violation; penalty.** Whenever an order for protection is granted pursuant to section 260C.148 or 260C.201, subdivision 3, restraining the person or excluding the person from the residence, and the respondent or person to be restrained knows of the order, violation of the order for protection is a misdemeanor.

Subd. 2. **Arrest.** A peace officer shall arrest without a warrant and take into custody a person whom the peace officer has probable cause to believe has violated an order granted pursuant to section 260C.148 or 260C.201, subdivision 3, restraining the person or excluding the person from the residence, if the existence of the order can be verified by the officer.

Subd. 3. **Contempt.** A violation of an order for protection shall also constitute contempt of court and the person violating the order shall be subject to the penalties for contempt.

Subd. 4. **Order to show cause.** Upon the filing of an affidavit by the agency or any peace officer, alleging that the respondent has violated an order for protection granted pursuant to section 260C.148 or 260C.201, subdivision 3, the court may issue an order to the respondent, requiring the respondent to appear and show cause within 14 days why the respondent should not be found in contempt of court. The hearing may be held by the court in any county in which the child or respondent temporarily or permanently resides at the time of the alleged violation.

A peace officer is not liable under section 609.43, clause (1), for failure to perform a duty required by subdivision 2.

**History:** 1999 c 139 art 3 s 39

#### **260C.411 NEW EVIDENCE.**

A child whose status has been adjudicated by a juvenile court, or the child's parent, guardian, custodian or spouse may, at any time within 15 days of the filing of the court's order, petition the court for a rehearing on the ground that new evidence has been discovered affecting the advisability of the court's original adjudication or disposition. Upon a showing that such evidence does exist the court shall order that a new hearing be held within 30 days, unless the court extends this time period for good cause shown within the 30-day period, and shall make such disposition of the case as the facts and the best interests of the child warrant.

**History:** 1999 c 139 art 3 s 40

#### **260C.415 APPEAL.**

Subdivision 1. **Persons entitled to appeal; procedure.** An appeal may be taken by the aggrieved person from a final order of the juvenile court affecting a substantial right of the aggrieved person, including but not limited to an order adjudging a child to be in need of protection or services, neglected and in foster care. The appeal shall be taken within 30 days of the filing of the appealable order. The court administrator shall notify the person having legal custody of the minor of the appeal. Failure to notify the person having legal custody of the minor shall not affect the jurisdiction of the appellate court. The order of the juvenile court shall stand, pending the determination of the appeal, but the reviewing court may in its discretion and upon application stay the order.

Subd. 2. **Appeal.** The appeal from a juvenile court is taken to the court of appeals as in civil cases, except as provided in subdivision 1.

**History:** 1999 c 139 art 3 s 41

#### **260C.421 CONTEMPT.**

Any person knowingly interfering with an order of the juvenile court is in contempt of court. However, a child who is under the continuing jurisdiction of the court for reasons other than having committed a delinquent act or a juvenile petty offense may not be adjudicated as a

delinquent solely on the basis of having knowingly interfered with or disobeyed an order of the court.

**History:** 1999 c 139 art 3 s 42

#### **260C.425 CRIMINAL JURISDICTION FOR CONTRIBUTING TO NEED FOR PROTECTION OR SERVICES.**

Subdivision 1. **Crimes.** (a) Any person who by act, word, or omission encourages, causes, or contributes to the need for protection or services is guilty of a gross misdemeanor.

(b) This section does not apply to licensed social services agencies and outreach workers who, while acting within the scope of their professional duties, provide services to runaway children.

Subd. 2. **Complaint; venue.** A complaint under this section may be filed by the county attorney having jurisdiction where the child is found, resides, or where the alleged act of contributing occurred. The complaint may be filed in either the juvenile or criminal divisions of the district court.
