347.08 COUNTY BOARD MAY LICENSE.

Subdivision 1. **Establishment of licensing system.** The board of county commissioners of any county is hereby authorized to establish a system of licensing and regulating the running at large of dogs, except in cities of the first class, and create a livestock indemnity fund to be

handled and disbursed as hereinafter provided.

Before regulating and licensing, there must be filed with the county auditor a petition signed by at least 25 percent of the persons actually engaged in raising livestock, including poultry, in the county, as shown by the assessors' records, requesting the board to establish such system. When the petition has been filed the board of county commissioners shall establish such system; or the board of county commissioners may, by a majority vote, on their own motion and without petition, establish such system. The board of county commissioners shall exclude from the operation of sections 347.08 to 347.21, statutory cities, second, third, and fourth class cities if such city has in operation a satisfactory law regulating dogs running at large.

Subd. 2. Revocation of system. At any time after such system has been in effect for a period of two years from the date of its establishment, it may be revoked by a majority vote of the board of county commissioners, but provided that before such revocation the board shall hold a public hearing and give at least ten days' notice of such hearing by publication in at least one newspaper published or circulating in the county.

347.09 LICENSES.

In every county in which sections 347.08 to 347.21 shall become operative every dog more than six months of age must have a license. The owner of any dog (the word "owner," when used in sections 347.08 to 347.21, in relation to property in, or possession of, dogs shall include every person who owns, harbors, or keeps a dog) shall, on or before February 1 each year, obtain a license for the dog, and shall pay for such license the fee prescribed by the county commissioners, which shall not be less than 50 cents nor more than \$1 for a male dog and not less than \$1 nor more than \$2 for a female dog; such payments to be made to the town, or city clerk or deputy. The application for such license shall be in such written form as prescribed by the county auditor, and shall state the name, sex, breed, age, color and marking of the dog for which the license is sought.

The license year shall correspond to the calendar year. The sale or transfer of any licensed dog shall carry with it and transfer the license.

History: (7297-42) 1939 c 410 s 2; 1943 c 294 s 2; 1973 c 123 art 5 s 7; 1986 c 444

347.10 OWNERS OF DOGS AND KENNELS; LICENSES.

The term "kennel" shall mean any establishment where dogs are kept for the purpose of breeding, sale or sporting purposes. Any person who keeps or operates a kennel may, in lieu of the license for each dog required by sections 347.08 to 347.21, apply to the town or city treasurer for a kennel license for the keeping or operating of such kennel. For such a kennel license the person shall pay a fee of \$10 for the license year. With the kennel license the clerk shall issue a number of metal tags equal to the number of dogs kept in the kennel. The tags shall be made in a form so that they may be readily distinguishable from the individual license tags for the same year. The licensee of a kennel shall at all times keep one of such tags attached to the collar of each dog over six months old kept under a kennel license. The tags may be transferred from one dog to another within the kennel whenever any dog is removed from the kennel. The clerk may appoint a deputy or deputies to issue such licenses. The clerk shall receive ten cents for each license issued, to be paid by the town out of the revenue fund.

A license shall be issued by the clerk or the clerk's deputy upon application being made therefor and upon payments made as herein provided. The license shall be in the form prescribed

by the county auditor and shall be executed by the proper town, or city clerk or deputy. The license shall state the year for which it was issued, shall bear a serial number, the owner's name and address, and the name, sex, breed, and color of the dog licensed.

History: (7297-43) 1939 c 410 s 3; 1973 c 123 art 5 s 7; 1986 c 444; 1993 c 375 art 3 s 41

347.11 DOG COLLARS TO BE TAGGED.

Subdivision 1. **Metal tags and license blanks.** The clerk or the clerk's deputy issuing a license shall at the same time deliver to the licensee a metal tag, which shall bear the same serial number as the license. The tag shall also bear the name of the county in which issued and the license year. The county auditor shall contract for and have prepared and furnished, annually, a sufficient number of such metal tags, and a sufficient supply of suitable blank licenses to be bound in books of proper size and perforated so that a duplicate of each license may be kept upon the stub thereof. The cost of making, printing, and furnishing the tags and blank license receipts shall be paid out of the dog license fund.

Subd. 2. **Distribution.** The several county auditors shall distribute these tags and license blanks to the several town and city treasurers in proper amounts, together with blank license receipts. The licensee shall securely attach the tag to a collar and this collar, with the tag attached, shall at all times be kept on the dog for which the license is issued. A new tag, with a new number, shall be furnished to the licensee by the town or city clerk, or deputy, in place of the original tag, upon presentation of the license and proof of the loss of the original tag. The town clerk or deputy shall then endorse the new tag number on the license and shall enter it upon the register. The clerk shall receive for services rendered in issuing the new tag the sum of ten cents, to be paid by the person obtaining the new tag.

Subd. 3. **Duplicates to be kept; accounting.** Every town or city clerk, or clerk's deputy, shall, at the time of issuing a license and before delivering it, make a complete duplicate thereof upon the stub portion of the license blank. The clerk shall, annually, during the month of January, return to the county auditor all unused tags of the preceding year, together with license books therefor and all duplicate licenses of the preceding year, and the county auditor shall carefully check the returned tags, duplicate licenses, and license blanks to ascertain whether all tags and license blanks which were furnished by the county auditor have been accounted for; and to enable the county auditor to do that, the county auditor shall charge each town or city clerk with all tags and blank licenses furnished or delivered to the clerk and credit the clerk with those returned. In case of discrepancy, the county auditor shall notify the county attorney, who shall investigate and take steps to enforce the law.

347.12 FEES PAID TO COUNTY TREASURER MONTHLY.

Every town, or city clerk, or clerk's deputy, shall at the end of each month pay all license fees received and not before paid, to the county treasurer and, at the same time, report, in writing, to the county auditor the licenses issued during the month and for which the license fees so deposited with the county treasurer were paid. The report shall be in the form prescribed and furnished by the several county auditors.

347.13 FEES, DOG LICENSE FUND; DISBURSAL; ACCOUNTING.

The license fees so paid to the county treasurer shall be kept in a separate account, which shall be known as the dog license fund and shall be appropriated and disbursed for the purposes and in the manner herein set forth.

Expenses necessarily incurred by the county in purchasing and providing books, forms, and other supplies required in the administering of the dog license law shall be paid out of the dog license fund. The amount remaining thereafter in the fund shall be available for and may be used as necessary for paying claims allowed by the county to the owners of domestic animals on account of damages done by dogs during the license year for which the fees were paid. Any surplus in excess of \$1,000 which may remain from the license fees of any license year shall, on March 1 of the succeeding year, belong and be credited to and paid by the county treasurer to the towns and cities of the county for their use in the proportion in which the towns and cities shall have contributed and paid to the fund out of which the surplus arises. It shall be used as the governing body of the town or city shall determine. When any county operating under the provisions of sections 347.08 to 347.21 shall discontinue its dog licenses and livestock indemnity fund, any money remaining shall be distributed among the various towns in proportion to license money paid in.

History: (7297-46) 1939 c 410 s 6; 1973 c 123 art 5 s 7

347.14 UNLICENSED DOGS.

Subdivision 1. **Seizure; impoundment; presumption.** Any person may seize, impound, or restrain any unlicensed dog which the person may find running at large. The fact that a dog is without a license attached to a collar shall be presumptive evidence that the dog is unlicensed. The sheriff and sheriff's deputies or other police officer shall seize, impound or restrain any dog for which no license has been issued and for which one is required. Any officer who shall seize, restrain, impound, or kill any dog found in any place without a license, as required under sections 347.09 to 347.20, upon delivery of such dog or carcass and the proper disposal of the carcass and after making a report to the town or city treasurer of the town or city in which the dog was seized or killed, showing that the dog did not have a license, shall receive therefor a payment of \$2, the same to be made from any funds in the town or city treasury not otherwise appropriated.

The county auditor shall reimburse the town for any expense incurred under section 347.10 and shall charge such expense to the dog license fund.

Subd. 2. **Prohibition; enforcement.** It is unlawful for a person to harbor or permit to remain about the person's premises a dog for which no license exists and for which one is required. Any person who has seized or impounded a dog with or without license under this section shall deliver the dog to the humane officer of the town or city, if a humane officer exists; or, if there is not a humane officer, to the town or city peace officer. The officer to whom the dog is delivered shall, without delay, notify the owner, personally or through the United States mail, if the owner is known to the officer or can be ascertained with reasonable effort. If, after five regular business days of the impounding agency, the owner does not claim the dog, the officer may dispose of the dog in a proper and humane manner. For the purpose of this section, "regular business day" means a day during which the establishment having custody of the dog is open to the public at least four consecutive hours between 8:00 a.m. and 7:00 p.m.

Subd. 3. **Penalties.** Any person who shall violate any of the provisions of sections 347.08 to

347.21 shall be liable to a penalty of not less than \$5 nor more than \$50 for such violation.

History: (7297-47) 1939 c 410 s 7; 1943 c 294 s 3; 1973 c 123 art 5 s 7; 1986 c 444; 2005 c 10 art 2 s 4; 2006 c 223 s 1

347.15 PERSONS DAMAGED, CLAIMS FILED.

Subdivision 1. **Presentation and investigation.** The owner of any domestic animals, including poultry and game birds, attacked, chased, worried, injured, or killed by a dog or dogs may, within ten days after the owner shall have knowledge or notice thereof, file a written claim for damages with the clerk of the town or city in which the damage occurred. The form of such claim may be prescribed by the county auditor. Upon presentation of such claim the supervisors of the town, the board of trustees of the statutory city, or the council of the city, or a committee appointed for that purpose by the supervisors, the board of trustees or the council, shall promptly investigate the claim and may subpoena witnesses, administer oaths, and take testimony relative thereto and shall, within 30 days after the filing of the claim, make, certify, and return to the county auditor the claim, a report of the investigation, the testimony taken, and the amount of damages, if any, suffered by the owner of the animals.

Subd. 2. **Form; proof; allowances; appeal.** The form of the report and certification shall be prescribed by the county auditor and shall be subscribed by the supervisors, board, or committee making the same. The county auditor shall lay before the county board, at its first meeting following the receipt of the claim, all claims so filed and reported and the same shall be acted upon and determined by the county board as other claims are determined and acted upon, and the county board shall equalize the values and claims between and within the various towns of the county. The amount of damages filed and reported to the county auditor shall be prima facie proof of the actual damages sustained, but evidence may be taken before the county board relative to the claims as in other cases, and appeals from the action of the county board shall lie as in other cases. On appeal from the action of the county board, the trial shall be by the court without a jury.

Subd. 3. **Payment.** Such claims shall be solely against the dog license fund and shall create no other liability on the part of the county.

Subd. 4. **Limitation of amount.** The amount allowed by the county board upon any such claim shall in no case exceed \$100 for each horse, mule, or bovine; \$15 for each sheep or goat; \$30 for each swine; or \$3 for each fowl. When the claimant shall furnish conclusive evidence as to the ownership of the dog or dogs doing the damage the claimant shall be paid the full amount of the claim submitted.

Subd. 5. **Distribution.** Distribution of the dog license fund among claimants for loss of animals by dogs within the license year shall be made at the close of the license year.

347.38 REVOCATION OF LICENSE.

The Board of Animal Health may as hereinafter set forth revoke or suspend the license of any person, firm, or corporation, for violation of sections 346.55 and 347.31 to 347.40 or the rules issued pursuant to sections 347.31 to 347.40.

Upon written complaint made to the board by any person, firm, or corporation alleging any violation of sections 347.31 to 347.40 or any rules pursuant thereto by any licensee, the board may cause an investigation to be made upon matters related in said complaint.

Thereupon the board shall in its discretion either dismiss the complaint or require the kennel or dealer against whom the complaint is made to correct the conditions or violations complained of within ten days after receipt of written notice of the same. If upon termination of the ten-day period the licensee has failed to correct or to remedy the violation or violations of sections 346.55 or 347.31 to 347.40 or any rules pursuant thereto, or if the board considers it appropriate under the circumstances the board shall, upon a minimum of 30 days' notice to the licensee, conduct a hearing for the purpose of determining whether the license to operate a kennel or as a dealer should be revoked or temporarily suspended. If after notice and hearing the board finds that any provision of sections 346.55 or 347.31 to 347.40 has been violated by the licensee or any rule issued by the board has been violated by the licensee, the board may revoke and suspend the license. The possession or transfer of a dog or cat by a dealer to an institution, without the permission of the owner, failure of a dealer or kennel to keep accurate data as required in section 347.35, or failure of a dealer or kennel to permit access to its premises as required in section 347.37, is grounds for license revocation. The licensee whose license is revoked or suspended may within 20 days after the board's decision appeal to the district court. The district court shall upon 20 days' notice to the board hear the appeal within 45 days after the filing of the appeal. On the hearing of the appeal the court shall review the decision of the board in a manner as though reviewed by certiorari, except that new or additional evidence may be taken, if in the opinion of the court additional evidence is necessary or proper to the disposition of the case.

A proper enclosure does not include a porch, patio, or any part of a house, garage, or other structure that would allow the dog to exit of its own volition, or any house or structure in which windows are open or in which door or window screens are the only obstacles that prevent the dog from exiting.

347.51 DANGEROUS DOGS; REGISTRATION.

Subdivision 1. **Requirement.** No person may own a dangerous dog in this state unless the dog is registered as provided in this section.

Subd. 2. **Registration.** An animal control authority shall issue a certificate of registration to the owner of a dangerous dog if the owner presents sufficient evidence that:

(1) a proper enclosure exists for the dangerous dog and a posting on the premises with a clearly visible warning sign that there is a dangerous dog on the property, including a warning symbol to inform children;

(2) a surety bond issued by a surety company authorized to conduct business in this state in a form acceptable to the animal control authority in the sum of at least \$300,000, payable to any person injured by the dangerous dog, or a policy of liability insurance issued by an insurance company authorized to conduct business in this state in the amount of at least \$300,000, insuring the owner for any personal injuries inflicted by the dangerous dog;

(3) the owner has paid an annual fee of not more than \$500, in addition to any regular dog licensing fees, to obtain a certificate of registration for a dangerous dog under this section; and

(4) the owner has had microchip identification implanted in the dangerous dog as required under section 347.515.

Subd. 2a. **Warning symbol.** If an animal control authority issues a certificate of registration to the owner of a dangerous dog pursuant to subdivision 2, the animal control authority must provide, for posting on the owner's property, a copy of a warning symbol to inform children that there is a dangerous dog on the property. The warning symbol must be the uniform symbol provided by the commissioner of public safety. The commissioner shall provide the number of copies of the warning symbol requested by the animal control authority and shall charge the animal control authority the actual cost of the warning symbols received. The animal control authority may charge the registrant a reasonable fee to cover its administrative costs and the cost of the warning symbol.

Subd. 3. **Fee.** The animal control authority may charge the owner an annual fee, in addition to any regular dog licensing fees, to obtain a certificate of registration for a dangerous dog under this section.

Subd. 3a. **Dangerous dog designation review.** Beginning six months after a dog is declared a dangerous dog, an owner may request annually that the animal control authority review the

designation. The owner must provide evidence that the dog's behavior has changed due to the dog's age, neutering, environment, completion of obedience training that includes modification of aggressive behavior, or other factors. If the animal control authority finds sufficient evidence that the dog's behavior has changed, the authority may rescind the dangerous dog designation.

Subd. 4. **Law enforcement; exemption.** The provisions of this section do not apply to dangerous dogs used by law enforcement officials for police work.

Subd. 5. **Exemption.** Dogs may not be declared dangerous if the threat, injury, or damage was sustained by a person:

(1) who was committing, at the time, a willful trespass or other tort upon the premises occupied by the owner of the dog;

(2) who was provoking, tormenting, abusing, or assaulting the dog or who can be shown to have repeatedly, in the past, provoked, tormented, abused, or assaulted the dog; or

Subd. 8. **Local ordinances.** A statutory or home rule charter city, or a county, may not adopt an ordinance regulating dangerous or potentially dangerous dogs based solely on the specific breed of the dog. Ordinances inconsistent with this subdivision are void.

Subd. 9. **Contracted services.** An animal control authority may contract with another political subdivision or other person to provide the services required under sections 347.50 to 347.565. Notwithstanding any contract entered into under this subdivision, all fees collected under sections 347.50 to 347.54 shall be paid to the animal control authority and all certificates of registration must be issued in the name of the animal control authority.

If the dog is outside the proper enclosure, the dog must be muzzled and restrained by a substantial chain or leash and under the physical restraint of a responsible person. The muzzle must be made in a manner that will prevent the dog from biting any person or animal but that will not cause injury to the dog or interfere with its vision or respiration.

(b) An owner of a dangerous dog must renew the registration of the dog annually until the dog is deceased. If the dog is removed from the jurisdiction, it must be registered as a dangerous dog in its new jurisdiction.

(c) An owner of a dangerous dog must notify the animal control authority in writing of the death of the dog or its transfer to a new location where the dog will reside within 30 days of the death or transfer, and must, if requested by the animal control authority, execute an affidavit under oath setting forth either the circumstances of the dog's death and disposition or the complete name, address, and telephone number of the person to whom the dog has been transferred or the address where the dog has been relocated.

(d) An animal control authority shall require a dangerous dog to be sterilized at the owner's expense. If the owner does not have the animal sterilized within 30 days, the animal control authority shall seize the dog and have it sterilized at the owner's expense.

(e) A person who owns a dangerous dog and who rents property from another where the dog will reside must disclose to the property owner prior to entering the lease agreement and at the time of any lease renewal that the person owns a dangerous dog that will reside at the property.

(f) A person who transfers ownership of a dangerous dog must notify the new owner that the animal control authority has identified the dog as dangerous. Subd. 2. **Reclaimed.** A dangerous dog seized under subdivision 1 may be reclaimed by the owner of the dog upon payment of impounding and boarding fees, and presenting proof to the appropriate animal control authority that the requirements of sections 347.51 and 347.52 will be met. A dog not reclaimed under this subdivision within seven days may be disposed of as provided under section 35.71, subdivision 3, and the owner is liable to the animal control authority for costs incurred in confining and disposing of the dog.

Subd. 3. **Subsequent offenses; seizure.** If a person has been convicted of a misdemeanor for violating a provision of section 347.51, 347.515, or 347.52, and the person is charged with a subsequent violation relating to the same dog, the dog must be seized by the animal control authority having jurisdiction. If the owner is convicted of the crime for which the dog was seized, the court shall order that the dog be destroyed in a proper and humane manner and the owner pay the cost of confining and destroying the animal. Subdivision 1. **Hearing.** The owner of any dog declared dangerous has the right to a hearing by an impartial hearing officer.

Subd. 2. **Security.** A person claiming an interest in a seized dog may prevent disposition of the dog by posting security in an amount sufficient to provide for the dog's actual cost of care and keeping. The security must be posted within seven days of the seizure inclusive of the date of the seizure.

Subd. 3. **Notice.** The authority declaring the dog dangerous shall give notice of this section by delivering or mailing it to the owner of the dog, or by posting a copy of it at the place where the dog is kept, or by delivering it to a person residing on the property, and telephoning, if possible. The notice must include:

(1) a description of the seized dog; the authority for and purpose of the dangerous dog declaration and seizure; the time, place, and circumstances under which the dog was declared dangerous; and the telephone number and contact person where the dog is kept;

(2) a statement that the owner of the dog may request a hearing concerning the dangerous dog declaration and, if applicable, prior potentially dangerous dog declarations for the dog, and that failure to do so within 14 days of the date of the notice will terminate the owner's right to a hearing under this section;

(4) a statement that if the hearing officer affirms the dangerous dog declaration, the owner will have 14 days from receipt of that decision to comply with all other requirements of sections 347.51, 347.515, and 347.52;

(5) a form to request a hearing under this subdivision; and

(6) a statement that all actual costs of the care, keeping, and disposition of the dog are the responsibility of the person claiming an interest in the dog, except to the extent that a court or hearing officer finds that the seizure or impoundment was not substantially justified by law.

Subd. 4. **Right to hearing.** Any hearing must be held within 14 days of the request to determine the validity of the dangerous dog declaration. The hearing officer must be an impartial employee of the local government or an impartial person retained by the local government to conduct the hearing. In the event that the dangerous dog declaration is upheld by the hearing officer, actual expenses of the hearing up to a maximum of \$1,000 will be the responsibility of the dog's owner. The hearing officer shall issue a decision on the matter within ten days after the hearing. The decision must be delivered to the dog's owner by hand delivery or registered mail as soon as practical and a copy must be provided to the animal control authority.

The animal control authority may consider such facts as the seriousness of the violation or violations that led to the prohibition, any criminal convictions, or other facts that the animal control authority deems appropriate. The animal control authority may rescind the prohibition entirely or rescind it with limitations. The animal control authority also may establish conditions a person must meet before the prohibition is rescinded, including, but not limited to, successfully completing dog training or dog handling courses. If the animal control authority rescinds a person's prohibition and the person subsequently fails to comply with any limitations imposed by the animal control authority or the person is convicted of any animal violation involving unprovoked bites or dog attacks, the animal control authority may permanently prohibit the person from owning a dog in this state.
