Subd. 7. **MERF division account contributions.** (a) After June 30, 2010, the member and employer contributions to the MERF division account are governed by this subdivision.

(b) An active member covered by the MERF division must make an employee contribution of 9.75 percent of the total salary of the member as defined in section 353.01, subdivision 10. The employee contribution must be made by payroll deduction by the member's employing unit under section 353.27, subdivision 4, and is subject to the provisions of section 353.27, subdivisions 7, 7a, 7b, 12, 12a, and 12b.

(c) The employer regular contribution to the MERF division account with respect to an active MERF division member is 9.75 percent of the total salary of the member as defined in section 353.01, subdivision 10.

(d) The employer additional contribution to the MERF division account with respect to an active member of the MERF division is 2.68 percent of the total salary of the member as defined in section 353.01, subdivision 10, plus the employing unit's share of \$3,900,000 that the employing unit paid or is payable to the former Minneapolis Employees Retirement Fund under Minnesota Statutes 2008, section 422A.101, subdivision 1a, 2, or 2a, during calendar year 2009, as was certified by the former executive director of the former Minneapolis Employees Retirement Fund.

(e) Annually after June 30, 2012, the employer supplemental contribution to the MERF division account by the city of Minneapolis, Special School District No. 1, Minneapolis, a Minneapolis-owned public utility, improvement, or municipal activity, Hennepin county, the Metropolitan Council, the Metropolitan Airports Commission, and the Minnesota State Colleges and Universities system is the larger of the following:

(1) the amount by which the total actuarial required contribution determined under section 356.215 by the approved actuary retained by the Public Employees Retirement Association in the most recent actuarial valuation of the MERF division and based on a June 30, 2031, amortization date, after subtracting the contributions under paragraphs (b), (c), and (d), exceeds \$22,750,000 or \$24,000,000, whichever applies; or

(2) the amount of \$27,000,000, but the total supplemental contribution amount plus the contributions under paragraphs (c) and (d) may not exceed \$34,000,000. Each employing unit's

share of the total employer supplemental contribution amount is equal to the applicable portion specified in paragraph (g). The initial total actuarial required contribution after June 30, 2012, must be calculated using the mortality assumption change recommended on September 30, 2009, for the Minneapolis Employees Retirement Fund by the approved consulting actuary retained by the Minneapolis Employees Retirement Fund board.

(f) Notwithstanding any provision of paragraph (c), (d), or (e) to the contrary, as of August 1 annually, if the amount of the retirement annuities and benefits paid from the MERF division account during the preceding fiscal year, multiplied by the factor of 1.035, exceeds the market value of the assets of the MERF division account on the preceding June 30, plus state aid of \$9,000,000, \$22,750,000, or \$24,000,000, whichever applies, plus the amounts payable under paragraphs (b), (c), (d), and (e) during the preceding fiscal year, multiplied by the factor of 1.035, the balance calculated is a special additional employer contribution. The special additional employer contribution under this paragraph is payable in addition to any employer contribution required under paragraphs (c), (d), and (e), and is payable on or before the following June 30. The special additional employer contribution under this paragraph must be allocated as specified in paragraph (g).

(g) The employer supplemental contribution under paragraph (e) or the special additional employer contribution under paragraph (f) must be allocated between the city of Minneapolis, Special School District No. 1, Minneapolis, any Minneapolis-owned public utility, improvement, or municipal activity, the Minnesota State Colleges and Universities system, Hennepin County, the Metropolitan Council, and the Metropolitan Airports Commission in proportion to their share of the actuarial accrued liability of the former Minneapolis Employees Retirement Fund as of July 1, 2009, as calculated by the approved actuary retained under section 356.214 as part of the actuarial valuation prepared as of July 1, 2009, under section 356.215 and the Standards for Actuarial Work adopted by the Legislative Commission on Pensions and Retirement.

(h) The employer contributions under paragraphs (c), (d), and (e) must be paid as provided in section 353.28.

(i) Contributions under this subdivision are subject to the provisions of section 353.27, subdivisions 4, 7, 7a, 7b, 11, 12, 12a, 12b, 13, and 14.

Subd. 8. Minneapolis Municipal Retirement Association dues. If authorized by an annuitant or retirement benefit recipient in writing on a form prescribed by the executive director of the Public Employees Retirement Association, the executive director shall deduct the dues for the Minneapolis Municipal Retirement Association from the person's annuity or retirement benefit. This dues deduction authority expires upon the eventual full consolidation of the MERF account under subdivision 9.

Subd. 9. Eventual full consolidation. (a) Once the fiscal year end market value of assets of the MERF division account equals or exceeds 80 percent of the actuarial accrued liability of the MERF division as calculated by the approved actuary retained by the Public Employees Retirement Association under section 356.215 and the Standards for Actuarial Work adopted by the Legislative Commission on Pensions and Retirement, the MERF division must be merged with the general employees retirement plan of the Public Employees Retirement Association and the MERF division account ceases as a separate account within the general employees retirement fund of the Public Employees Retirement Association.

(b) If the market value of the MERF division account is less than 100 percent of the actuarial accrued liability of the MERF division under paragraph (a), the total employer contribution of employing units referenced in subdivision 7, paragraph (e), for the period after the full consolidation and June 30, 2031, to amortize on a level annual dollar payment the remaining unfunded actuarial accrued liability of the former MERF division account on the full consolidation date by June 30, 2031, shall be calculated by the consulting actuary retained under section 356.214 using the applicable postretirement interest rate actuarial assumption for the general employees retirement plan under section 356.215. The actuarial accrued liability of the MERF division must be calculated using the healthy retired life mortality assumption applicable to the general employees retirement plan.

(c) The merger shall occur as of the first day of the first month after the date on which the triggering actuarial valuation report is filed with the executive director of the Legislative Commission on Pensions and Retirement.

(d) The executive director of the Public Employees Retirement Association shall prepare proposed legislation fully implementing the merger and updating the applicable provisions of chapters 353 and 356 and transmit the proposed legislation to the executive director of the Legislative Commission on Pensions and Retirement by the following February 15.

Subd. 10. **Merger of former MERF membership groups into PERA-general.** If provided for in an agreement between the board of trustees of the Public Employees Retirement Association and the governing board of an employing unit formerly with retirement coverage provided for its employees by the former Minneapolis Employees Retirement Fund, an employing unit may transfer sufficient assets to the general employees retirement fund to cover the anticipated actuarial accrued liability for its current or former employees that is in excess of MERF division account assets attributable to those employees, have those employees be considered full members of the general employees retirement plan, and be relieved of any further contribution obligation to the general employees retirement plan for those employees under this section. Any agreement under this subdivision and any actuarial valuation report related to a merger under this subdivision must be submitted to the executive director of the Legislative Commission on Pensions and Retirement for comment prior to the final execution.
