The warrant provided for in section 395.16 shall not be delivered until the applicant shall have signed a contract in duplicate, attested by the county auditor, to the effect that the applicant, for and in consideration of the seed and feed specified received from the county, promises to pay to the county the amount allowed for the same, on or before the first day of October following, with interest at the rate of six percent per annum, that such amount shall be a first lien upon the crop raised from the seed and, in addition thereto, shall be taxable against the real property of the applicant for which seed and feed was furnished. The contract shall also contain a true description of the land upon which the applicant intends to and will sow and plant such seed, in due season next following, and shall specify that the written application shall be a part of this contract.
