

122A.29 TEACHERS OF BLIND AND VISUALLY IMPAIRED STUDENTS; LICENSURE REQUIREMENTS.

Teachers licensed in the education of blind and visually impaired students must demonstrate competence in reading and writing Braille. The Board of Teaching, at such time as a valid and reliable test is available, shall adopt a rule to assess these competencies that is consistent with the standards of the National Library Services for the Blind and Physically Handicapped.

History: 1996 c 412 art 9 s 9; 1998 c 397 art 8 s 101
