

**124D.10 CHARTER SCHOOLS.**

Subdivision 1. **Purposes.** (a) The purpose of this section is to:

- (1) improve pupil learning and student achievement;
- (2) increase learning opportunities for pupils;
- (3) encourage the use of different and innovative teaching methods;
- (4) measure learning outcomes and create different and innovative forms of measuring outcomes;
- (5) establish new forms of accountability for schools; and
- (6) create new professional opportunities for teachers, including the opportunity to be responsible for the learning program at the school site.

(b) This section does not provide a means to keep open a school that a school board decides to close. However, a school board may endorse or authorize the establishing of a charter school to replace the school the board decided to close. Applicants seeking a charter under this circumstance must demonstrate to the authorizer that the charter sought is substantially different in purpose and program from the school the board closed and that the proposed charter satisfies the requirements of this subdivision. If the school board that closed the school authorizes the charter, it must document in its affidavit to the commissioner that the charter is substantially different in program and purpose from the school it closed.

An authorizer shall not approve an application submitted by a charter school developer under subdivision 4, paragraph (a), if the application does not comply with this subdivision. The commissioner shall not approve an affidavit submitted by an authorizer under subdivision 4, paragraph (b), if the affidavit does not comply with this subdivision.

Subd. 2. **Applicability.** This section applies only to charter schools formed and operated under this section.

Subd. 2a. [Repealed by amendment, 2009 c 96 art 2 s 41]

Subd. 3. **Authorizer.** (a) For purposes of this section, the terms defined in this subdivision have the meanings given them.

"Application" to receive approval as an authorizer means the proposal an eligible authorizer submits to the commissioner under paragraph (c) before that authorizer is able to submit any affidavit to charter to a school.

"Application" under subdivision 4 means the charter school business plan a school developer submits to an authorizer for approval to establish a charter school that documents the school developer's mission statement, school purposes, program design, financial plan, governance and management structure, and background and experience, plus any other information the authorizer requests. The application also shall include a "statement of assurances" of legal compliance prescribed by the commissioner.

"Affidavit" means a written statement the authorizer submits to the commissioner for approval to establish a charter school under subdivision 4 attesting to its review and approval process before chartering a school.

(b) The following organizations may authorize one or more charter schools:

(1) a school board; intermediate school district school board; education district organized under sections 123A.15 to 123A.19;

(2) a charitable organization under section 501(c)(3) of the Internal Revenue Code of 1986, excluding a nonpublic sectarian or religious institution, any person other than a natural person that directly or indirectly, through one or more intermediaries, controls, is controlled by, or is under common control with the nonpublic sectarian or religious institution, and any other charitable organization under this clause that in the federal IRS Form 1023, Part IV, describes activities indicating a religious purpose, that:

(i) is a member of the Minnesota Council of Nonprofits or the Minnesota Council on Foundations;

(ii) is registered with the attorney general's office; and

(iii) is incorporated in the state of Minnesota and has been operating continuously for at least five years but does not operate a charter school;

(3) a Minnesota private college, notwithstanding clause (2), that grants two- or four-year degrees and is registered with the Minnesota Office of Higher Education under chapter 136A; community college, state university, or technical college governed by the Board of Trustees of the Minnesota State Colleges and Universities; or the University of Minnesota;

(4) a nonprofit corporation subject to chapter 317A, described in section 317A.905, and exempt from federal income tax under section 501(c)(6) of the Internal Revenue Code of 1986, may authorize one or more charter schools if the charter school has operated for at least three years under a different authorizer and if the nonprofit corporation has existed for at least 25 years; or

(5) single-purpose authorizers that are charitable, nonsectarian organizations formed under section 501(c)(3) of the Internal Revenue Code of 1986 and incorporated in the state of Minnesota whose sole purpose is to charter schools. Eligible organizations interested in being approved as an authorizer under this paragraph must submit a proposal to the commissioner that includes the provisions of paragraph (c) and a five-year financial plan. Such authorizers shall consider and approve applications using the criteria provided in subdivision 4 and shall not limit the applications it solicits, considers, or approves to any single curriculum, learning program, or method.

(c) An eligible authorizer under this subdivision must apply to the commissioner for approval as an authorizer before submitting any affidavit to the commissioner to charter a school. The application for approval as a charter school authorizer must demonstrate the applicant's ability to implement the procedures and satisfy the criteria for chartering a school under this section. The commissioner must approve or disapprove an application within 45 business days of the application deadline. If the commissioner disapproves the application, the commissioner must notify the applicant of the specific deficiencies in writing and the applicant then has 20 business days to address the deficiencies to the commissioner's satisfaction. After the 20 business days expire, the commissioner has 15 business days to make a final decision to approve or disapprove the application. Failing to address the deficiencies to the commissioner's satisfaction makes an applicant ineligible to be an authorizer. The commissioner, in establishing criteria for approval, must consider the applicant's:

(1) capacity and infrastructure;

(2) application criteria and process;

- (3) contracting process;
- (4) ongoing oversight and evaluation processes; and
- (5) renewal criteria and processes.

(d) An applicant must include in its application to the commissioner to be an approved authorizer at least the following:

- (1) how chartering schools is a way for the organization to carry out its mission;
- (2) a description of the capacity of the organization to serve as an authorizer, including the personnel who will perform the authorizing duties, their qualifications, the amount of time they will be assigned to this responsibility, and the financial resources allocated by the organization to this responsibility;
- (3) a description of the application and review process the authorizer will use to make decisions regarding the granting of charters;
- (4) a description of the type of contract it will arrange with the schools it charters that meets the provisions of subdivision 6;
- (5) the process to be used for providing ongoing oversight of the school consistent with the contract expectations specified in clause (4) that assures that the schools chartered are complying with both the provisions of applicable law and rules, and with the contract;
- (6) a description of the criteria and process the authorizer will use to grant expanded applications under subdivision 4, paragraph (j);
- (7) the process for making decisions regarding the renewal or termination of the school's charter based on evidence that demonstrates the academic, organizational, and financial competency of the school, including its success in increasing student achievement and meeting the goals of the charter school agreement; and
- (8) an assurance specifying that the organization is committed to serving as an authorizer for the full five-year term.

(e) A disapproved applicant under this section may resubmit an application during a future application period.

(f) If the governing board of an approved authorizer that has chartered multiple schools votes to withdraw as an approved authorizer for a reason unrelated to any cause under subdivision 23, the authorizer must notify all its chartered schools and the commissioner in writing by July 15 of its intent to withdraw as an authorizer on June 30 in the next calendar year. The commissioner may approve the transfer of a charter school to a new authorizer under this paragraph after the new authorizer submits an affidavit to the commissioner.

(g) The authorizer must participate in department-approved training.

(h) An authorizer that chartered a school before August 1, 2009, must apply by June 30, 2012, to the commissioner for approval, under paragraph (c), to continue as an authorizer under this section. For purposes of this paragraph, an authorizer that fails to submit a timely application is ineligible to charter a school.

(i) The commissioner shall review an authorizer's performance every five years in a manner and form determined by the commissioner and may review an authorizer's performance more

frequently at the commissioner's own initiative or at the request of a charter school operator, charter school board member, or other interested party. The commissioner, after completing the review, shall transmit a report with findings to the authorizer. If, consistent with this section, the commissioner finds that an authorizer has not fulfilled the requirements of this section, the commissioner may subject the authorizer to corrective action, which may include terminating the contract with the charter school board of directors of a school it chartered. The commissioner must notify the authorizer in writing of any findings that may subject the authorizer to corrective action and the authorizer then has 15 business days to request an informal hearing before the commissioner takes corrective action. If the commissioner terminates a contract between an authorizer and a charter school under this paragraph, the commissioner may assist the charter school in acquiring a new authorizer.

(j) The commissioner may at any time take corrective action against an authorizer, including terminating an authorizer's ability to charter a school for:

(1) failing to demonstrate the criteria under paragraph (c) under which the commissioner approved the authorizer;

(2) violating a term of the chartering contract between the authorizer and the charter school board of directors;

(3) unsatisfactory performance as an approved authorizer; or

(4) any good cause shown that provides the commissioner a legally sufficient reason to take corrective action against an authorizer.

*[See Note.]*

**Subd. 4. Formation of school.** (a) An authorizer, after receiving an application from a school developer, may charter a licensed teacher under section 122A.18, subdivision 1, or a group of individuals that includes one or more licensed teachers under section 122A.18, subdivision 1, to operate a school subject to the commissioner's approval of the authorizer's affidavit under paragraph (b). The school must be organized and operated as a nonprofit corporation under chapter 317A and the provisions under the applicable chapter shall apply to the school except as provided in this section.

Notwithstanding sections 465.717 and 465.719, a school district, subject to this section and section 124D.11, may create a corporation for the purpose of establishing a charter school.

(b) Before the operators may establish and operate a school, the authorizer must file an affidavit with the commissioner stating its intent to charter a school. An authorizer must file a separate affidavit for each school it intends to charter. The affidavit must state the terms and conditions under which the authorizer would charter a school and how the authorizer intends to oversee the fiscal and student performance of the charter school and to comply with the terms of the written contract between the authorizer and the charter school board of directors under subdivision 6. The commissioner must approve or disapprove the authorizer's affidavit within 60 business days of receipt of the affidavit. If the commissioner disapproves the affidavit, the commissioner shall notify the authorizer of the deficiencies in the affidavit and the authorizer then has 20 business days to address the deficiencies. If the authorizer does not address deficiencies to the commissioner's satisfaction, the commissioner's disapproval is final. Failure to obtain

commissioner approval precludes an authorizer from chartering the school that is the subject of this affidavit.

(c) The authorizer may prevent an approved charter school from opening for operation if, among other grounds, the charter school violates this section or does not meet the ready-to-open standards that are part of the authorizer's oversight and evaluation process or are stipulated in the charter school contract.

(d) The operators authorized to organize and operate a school, before entering into a contract or other agreement for professional or other services, goods, or facilities, must incorporate as a nonprofit corporation under chapter 317A and must establish a board of directors composed of at least five members who are not related parties until a timely election for members of the ongoing charter school board of directors is held according to the school's articles and bylaws under paragraph (f). A charter school board of directors must be composed of at least five members who are not related parties. Staff members employed at the school, including teachers providing instruction under a contract with a cooperative, and all parents or legal guardians of children enrolled in the school are the voters eligible to elect the members of the school's board of directors. A charter school must notify eligible voters of the school board election dates at least 30 days before the election. Board of director meetings must comply with chapter 13D.

(e) Upon the request of an individual, the charter school must make available in a timely fashion the minutes of meetings of the board of directors, and of members and committees having any board-delegated authority; financial statements showing all operations and transactions affecting income, surplus, and deficit during the school's last annual accounting period; and a balance sheet summarizing assets and liabilities on the closing date of the accounting period. A charter school also must post on its official Web site information identifying its authorizer and indicate how to contact that authorizer and include that same information about its authorizer in other school materials that it makes available to the public.

(f) Every charter school board member shall attend department-approved ongoing training throughout the member's term on board governance, including training on the board's role and responsibilities, employment policies and practices, and financial management. A board member who does not begin the required initial training within six months after being seated and complete that training within 12 months of being seated on the board is ineligible to continue to serve as a board member.

(g) The ongoing board must be elected before the school completes its third year of operation. Board elections must be held during the school year but may not be conducted on days when the school is closed for holidays or vacations. The charter school board of directors shall be composed of at least five nonrelated members and include: (i) at least one licensed teacher employed at the school or a licensed teacher providing instruction under contract between the charter school and a cooperative; (ii) the parent or legal guardian of a student enrolled in the charter school who is not an employee of the charter school; and (iii) an interested community member who is not employed by the charter school and does not have a child enrolled in the school. The board may be a teacher majority board composed of teachers described in this paragraph. The chief financial officer and the chief administrator may only serve as ex-officio nonvoting board members and may not serve as a voting member of the board. Charter school employees shall not serve on the board unless item (i) applies. Contractors providing facilities, goods, or services to a charter school shall not serve on the board of directors of the charter school. Board bylaws shall outline

the process and procedures for changing the board's governance model, consistent with chapter 317A. A board may change its governance model only:

(1) by a majority vote of the board of directors and the licensed teachers employed by the school, including licensed teachers providing instruction under a contract between the school and a cooperative; and

(2) with the authorizer's approval.

Any change in board governance must conform with the board structure established under this paragraph.

(h) The granting or renewal of a charter by an authorizer must not be conditioned upon the bargaining unit status of the employees of the school.

(i) The granting or renewal of a charter school by an authorizer must not be contingent on the charter school being required to contract, lease, or purchase services from the authorizer. Any potential contract, lease, or purchase of service from an authorizer must be disclosed to the commissioner, accepted through an open bidding process, and be a separate contract from the charter contract. The school must document the open bidding process. An authorizer must not enter into a contract to provide management and financial services for a school that it authorizes, unless the school documents that it received at least two competitive bids.

(j) An authorizer may permit the board of directors of a charter school to expand the operation of the charter school to additional sites or to add additional grades at the school beyond those described in the authorizer's original affidavit as approved by the commissioner only after submitting a supplemental affidavit for approval to the commissioner in a form and manner prescribed by the commissioner. The supplemental affidavit must document that:

(1) the proposed expansion plan demonstrates need and projected enrollment;

(2) the expansion is warranted, at a minimum, by longitudinal data demonstrating students' improved academic performance and growth on statewide assessments under chapter 120B;

(3) the charter school is financially sound and the financing it needs to implement the proposed expansion exists; and

(4) the charter school has the governance structure and management capacity to carry out its expansion.

(k) The commissioner shall have 30 business days to review and comment on the supplemental affidavit. The commissioner shall notify the authorizer of any deficiencies in the supplemental affidavit and the authorizer then has 20 business days to address, to the commissioner's satisfaction, any deficiencies in the supplemental affidavit. The school may not expand grades or add sites until the commissioner has approved the supplemental affidavit. The commissioner's approval or disapproval of a supplemental affidavit is final.

**Subd. 4a. Conflict of interest.** (a) An individual is prohibited from serving as a member of the charter school board of directors if the individual, an immediate family member, or the individual's partner is an owner, employee or agent of, or a contractor with a for-profit or nonprofit entity or individual with whom the charter school contracts, directly or indirectly, for professional services, goods, or facilities. A violation of this prohibition renders a contract voidable at the option of the commissioner or the charter school board of directors. A member of a charter school

board of directors who violates this prohibition is individually liable to the charter school for any damage caused by the violation.

(b) No member of the board of directors, employee, officer, or agent of a charter school shall participate in selecting, awarding, or administering a contract if a conflict of interest exists. A conflict exists when:

- (1) the board member, employee, officer, or agent;
- (2) the immediate family of the board member, employee, officer, or agent;
- (3) the partner of the board member, employee, officer, or agent; or
- (4) an organization that employs, or is about to employ any individual in clauses (1) to (3),

has a financial or other interest in the entity with which the charter school is contracting. A violation of this prohibition renders the contract void.

(c) Any employee, agent, or board member of the authorizer who participates in the initial review, approval, ongoing oversight, evaluation, or the charter renewal or nonrenewal process or decision is ineligible to serve on the board of directors of a school chartered by that authorizer.

(d) An individual may serve as a member of the board of directors if no conflict of interest under paragraph (a) exists.

(e) The conflict of interest provisions under this subdivision do not apply to compensation paid to a teacher employed by the charter school who also serves as a member of the board of directors.

(f) The conflict of interest provisions under this subdivision do not apply to a teacher who provides services to a charter school through a cooperative formed under chapter 308A when the teacher also serves on the charter school board of directors.

**Subd. 5. Conversion of existing schools.** A board of an independent or special school district may convert one or more of its existing schools to charter schools under this section if 60 percent of the full-time teachers at the school sign a petition seeking conversion. The conversion must occur at the beginning of an academic year.

**Subd. 6. Charter contract.** The authorization for a charter school must be in the form of a written contract signed by the authorizer and the board of directors of the charter school. The contract must be completed within 45 business days of the commissioner's approval of the authorizer's affidavit. The authorizer shall submit to the commissioner a copy of the signed charter contract within ten business days of its execution. The contract for a charter school must be in writing and contain at least the following:

- (1) a declaration of the purposes in subdivision 1 that the school intends to carry out and how the school will report its implementation of those purposes;
- (2) a description of the school program and the specific academic and nonacademic outcomes that pupils must achieve;
- (3) a statement of admission policies and procedures;
- (4) a governance, management, and administration plan for the school;

(5) signed agreements from charter school board members to comply with all federal and state laws governing organizational, programmatic, and financial requirements applicable to charter schools;

(6) the criteria, processes, and procedures that the authorizer will use for ongoing oversight of operational, financial, and academic performance;

(7) the performance evaluation that is a prerequisite for reviewing a charter contract under subdivision 15;

(8) types and amounts of insurance liability coverage to be obtained by the charter school;

(9) consistent with subdivision 25, paragraph (d), a provision to indemnify and hold harmless the authorizer and its officers, agents, and employees from any suit, claim, or liability arising from any operation of the charter school, and the commissioner and department officers, agents, and employees notwithstanding section 3.736;

(10) the term of the initial contract, which may be up to three years plus an additional preoperational planning year, and up to five years for a renewed contract or a contract with a new authorizer after a transfer of authorizers, if warranted by the school's academic, financial, and operational performance;

(11) how the board of directors or the operators of the charter school will provide special instruction and services for children with a disability under sections 125A.03 to 125A.24, and 125A.65, a description of the financial parameters within which the charter school will operate to provide the special instruction and services to children with a disability;

(12) the process and criteria the authorizer intends to use to monitor and evaluate the fiscal and student performance of the charter school, consistent with subdivision 15; and

(13) the plan for an orderly closing of the school under chapter 317A, if the closure is a termination for cause, a voluntary termination, or a nonrenewal of the contract, and that includes establishing the responsibilities of the school board of directors and the authorizer and notifying the commissioner, authorizer, school district in which the charter school is located, and parents of enrolled students about the closure, the transfer of student records to students' resident districts, and procedures for closing financial operations.

Subd. 6a. **Audit report.** (a) The charter school must submit an audit report to the commissioner and its authorizer by December 31 each year.

(b) The charter school, with the assistance of the auditor conducting the audit, must include with the report a copy of all charter school agreements for corporate management services. If the entity that provides the professional services to the charter school is exempt from taxation under section 501 of the Internal Revenue Code of 1986, that entity must file with the commissioner by February 15 a copy of the annual return required under section 6033 of the Internal Revenue Code of 1986.

(c) If the audit report finds that a material weakness exists in the financial reporting systems of a charter school, the charter school must submit a written report to the commissioner explaining how the material weakness will be resolved. An auditor, as a condition of providing financial services to a charter school, must agree to make available information about a charter school's financial audit to the commissioner and authorizer upon request.

Subd. 7. **Public status; exemption from statutes and rules.** A charter school is a public school and is part of the state's system of public education. A charter school is exempt from all statutes and rules applicable to a school, school board, or school district unless a statute or rule is made specifically applicable to a charter school or is included in this section.

Subd. 8. **Federal, state, and local requirements.** (a) A charter school shall meet all federal, state, and local health and safety requirements applicable to school districts.

(b) A school must comply with statewide accountability requirements governing standards and assessments in chapter 120B.

(c) A school authorized by a school board may be located in any district, unless the school board of the district of the proposed location disapproves by written resolution.

(d) A charter school must be nonsectarian in its programs, admission policies, employment practices, and all other operations. An authorizer may not authorize a charter school or program that is affiliated with a nonpublic sectarian school or a religious institution. A charter school student must be released for religious instruction, consistent with section 120A.22, subdivision 12, clause (3).

(e) Charter schools must not be used as a method of providing education or generating revenue for students who are being home-schooled.

(f) The primary focus of a charter school must be to provide a comprehensive program of instruction for at least one grade or age group from five through 18 years of age. Instruction may be provided to people younger than five years and older than 18 years of age.

(g) A charter school may not charge tuition.

(h) A charter school is subject to and must comply with chapter 363A and section 121A.04.

(i) A charter school is subject to and must comply with the Pupil Fair Dismissal Act, sections 121A.40 to 121A.56, and the Minnesota Public School Fee Law, sections 123B.34 to 123B.39.

(j) A charter school is subject to the same financial audits, audit procedures, and audit requirements as a district. Audits must be conducted in compliance with generally accepted governmental auditing standards, the federal Single Audit Act, if applicable, and section 6.65. A charter school is subject to and must comply with sections 15.054; 118A.01; 118A.02; 118A.03; 118A.04; 118A.05; 118A.06; 471.38; 471.391; 471.392; and 471.425. The audit must comply with the requirements of sections 123B.75 to 123B.83, except to the extent deviations are necessary because of the program at the school. Deviations must be approved by the commissioner and authorizer. The Department of Education, state auditor, legislative auditor, or authorizer may conduct financial, program, or compliance audits. A charter school determined to be in statutory operating debt under sections 123B.81 to 123B.83 must submit a plan under section 123B.81, subdivision 4.

(k) A charter school is a district for the purposes of tort liability under chapter 466.

(l) A charter school must comply with chapters 13 and 13D; and sections 120A.22, subdivision 7; 121A.75; and 260B.171, subdivisions 3 and 5.

(r) A charter school that provides school-sponsored youth athletic activities must comply with section 121A.38.

Subd. 8a. **Aid reduction.** The commissioner may reduce a charter school's state aid under section 127A.42 or 127A.43 if the charter school board fails to correct a violation under this section.

Subd. 8b. **Aid reduction for violations.** The commissioner may reduce a charter school's state aid by an amount not to exceed 60 percent of the charter school's basic revenue for the period of time that a violation of law occurs.

Subd. 9. **Admission requirements.** A charter school may limit admission to:

(1) pupils within an age group or grade level;

(2) pupils who are eligible to participate in the graduation incentives program under section 124D.68; or

(3) residents of a specific geographic area in which the school is located when the majority of students served by the school are members of underserved populations.

A charter school shall enroll an eligible pupil who submits a timely application, unless the number of applications exceeds the capacity of a program, class, grade level, or building. In this case, pupils must be accepted by lot. The charter school must develop and publish a lottery policy and process that it must use when accepting pupils by lot.

A charter school shall give enrollment preference to a sibling of an enrolled pupil and to a foster child of that pupil's parents and may give preference for enrolling children of the school's staff before accepting other pupils by lot.

A charter school may not limit admission to pupils on the basis of intellectual ability, measures of achievement or aptitude, or athletic ability and may not establish any criteria or requirements for admission that are inconsistent with this subdivision.

The charter school shall not distribute any services or goods of value to students, parents, or guardians as an inducement, term, or condition of enrolling a student in a charter school.

Subd. 10. **Pupil performance.** A charter school must design its programs to at least meet the outcomes adopted by the commissioner for public school students. In the absence of the commissioner's requirements, the school must meet the outcomes contained in the contract with the authorizer. The achievement levels of the outcomes contained in the contract may exceed the achievement levels of any outcomes adopted by the commissioner for public school students.

Subd. 11. **Employment and other operating matters.** (a) A charter school must employ or contract with necessary teachers, as defined by section 122A.15, subdivision 1, who hold valid licenses to perform the particular service for which they are employed in the school. The charter

school's state aid may be reduced under section 127A.43 if the school employs a teacher who is not appropriately licensed or approved by the board of teaching. The school may employ necessary employees who are not required to hold teaching licenses to perform duties other than teaching and may contract for other services. The school may discharge teachers and nonlicensed employees. The charter school board is subject to section 181.932. When offering employment to a prospective employee, a charter school must give that employee a written description of the terms and conditions of employment and the school's personnel policies.

(b) A person, without holding a valid administrator's license, may perform administrative, supervisory, or instructional leadership duties. The board of directors shall establish qualifications for persons that hold administrative, supervisory, or instructional leadership roles. The qualifications shall include at least the following areas: instruction and assessment; human resource and personnel management; financial management; legal and compliance management; effective communication; and board, authorizer, and community relationships. The board of directors shall use those qualifications as the basis for job descriptions, hiring, and performance evaluations of those who hold administrative, supervisory, or instructional leadership roles. The board of directors and an individual who does not hold a valid administrative license and who serves in an administrative, supervisory, or instructional leadership position shall develop a professional development plan. Documentation of the implementation of the professional development plan of these persons shall be included in the school's annual report.

(c) The board of directors also shall decide matters related to the operation of the school, including budgeting, curriculum and operating procedures.

**Subd. 12. Pupils with a disability.** A charter school must comply with sections 125A.02, 125A.03 to 125A.24, and 125A.65 and rules relating to the education of pupils with a disability as though it were a district.

**Subd. 13. Length of school year.** A charter school must provide instruction each year for at least the number of days required by section 120A.41. It may provide instruction throughout the year according to sections 124D.12 to 124D.127 or 124D.128.

**Subd. 14. Annual public reports.** A charter school must publish an annual report approved by the board of directors. The annual report must at least include information on school enrollment, student attrition, governance and management, staffing, finances, academic performance, operational performance, innovative practices and implementation, and future plans. A charter school must distribute the annual report by publication, mail, or electronic means to the commissioner, authorizer, school employees, and parents and legal guardians of students enrolled in the charter school and must also post the report on the charter school's official Web site. The reports are public data under chapter 13.

**Subd. 15. Review and comment.** (a) The authorizer shall provide a formal written evaluation of the school's performance before the authorizer renews the charter contract. The department must review and comment on the authorizer's evaluation process at the time the authorizer submits its application for approval and each time the authorizer undergoes its five-year review under subdivision 3, paragraph (e).

(b) An authorizer shall monitor and evaluate the fiscal, operational, and student performance of the school, and may for this purpose annually assess a charter school a fee according to paragraph (c). The agreed-upon fee structure must be stated in the charter school contract.

(c) The fee that each charter school pays to an authorizer each year is the greater of:

(1) the basic formula allowance for that year; or

(2) the lesser of:

(i) the maximum fee factor times the basic formula allowance for that year; or

(ii) the fee factor times the basic formula allowance for that year times the charter school's adjusted marginal cost pupil units for that year. The fee factor equals .005 in fiscal year 2010, .01 in fiscal year 2011, .013 in fiscal year 2012, and .015 in fiscal years 2013 and later. The maximum fee factor equals 1.5 in fiscal year 2010, 2.0 in fiscal year 2011, 3.0 in fiscal year 2012, and 4.0 in fiscal years 2013 and later.

(d) The department and any charter school it charters must not assess or pay a fee under paragraphs (b) and (c).

(e) For the preoperational planning period, the authorizer may assess a charter school a fee equal to the basic formula allowance.

(f) By September 30 of each year, an authorizer shall submit to the commissioner a statement of expenditures related to chartering activities during the previous school year ending June 30. A copy of the statement shall be given to all schools chartered by the authorizer.

**Subd. 16. Transportation.** (a) A charter school after its first fiscal year of operation by March 1 of each fiscal year and a charter school by July 1 of its first fiscal year of operation must notify the district in which the school is located and the Department of Education if it will provide its own transportation or use the transportation services of the district in which it is located for the fiscal year.

(b) If a charter school elects to provide transportation for pupils, the transportation must be provided by the charter school within the district in which the charter school is located. The state must pay transportation aid to the charter school according to section 124D.11, subdivision 2.

For pupils who reside outside the district in which the charter school is located, the charter school is not required to provide or pay for transportation between the pupil's residence and the border of the district in which the charter school is located. A parent may be reimbursed by the charter school for costs of transportation from the pupil's residence to the border of the district in which the charter school is located if the pupil is from a family whose income is at or below the poverty level, as determined by the federal government. The reimbursement may not exceed the pupil's actual cost of transportation or 15 cents per mile traveled, whichever is less. Reimbursement may not be paid for more than 250 miles per week.

At the time a pupil enrolls in a charter school, the charter school must provide the parent or guardian with information regarding the transportation.

(c) If a charter school does not elect to provide transportation, transportation for pupils enrolled at the school must be provided by the district in which the school is located, according to sections 123B.88, subdivision 6, and 124D.03, subdivision 8, for a pupil residing in the same district in which the charter school is located. Transportation may be provided by the district in which the school is located, according to sections 123B.88, subdivision 6, and 124D.03, subdivision 8, for a pupil residing in a different district. If the district provides the transportation, the scheduling of routes, manner and method of transportation, control and discipline of the

pupils, and any other matter relating to the transportation of pupils under this paragraph shall be within the sole discretion, control, and management of the district.

Subd. 17. **Leased space.** A charter school may lease space from an independent or special school board eligible to be an authorizer, other public organization, private, nonprofit nonsectarian organization, private property owner, or a sectarian organization if the leased space is constructed as a school facility. The department must review and approve or disapprove leases in a timely manner.

Subd. 17a. **Affiliated nonprofit building corporation.** (a) Before a charter school may organize an affiliated nonprofit building corporation (i) to renovate or purchase an existing facility to serve as a school or (ii) to construct a new school facility, an authorizer must submit an affidavit to the commissioner for approval in the form and manner the commissioner prescribes, and consistent with paragraphs (b) and (c) or (d).

(b) An affiliated nonprofit building corporation under this subdivision must:

(1) be incorporated under section 317A and comply with applicable Internal Revenue Service regulations;

(2) submit to the commissioner each fiscal year a list of current board members and a copy of its annual audit; and

(3) comply with government data practices law under chapter 13.

An affiliated nonprofit building corporation must not serve as the leasing agent for property or facilities it does not own. A charter school that leases a facility from an affiliated nonprofit building corporation that does not own the leased facility is ineligible to receive charter school lease aid. The state is immune from liability resulting from a contract between a charter school and an affiliated nonprofit building corporation.

(c) A charter school may organize an affiliated nonprofit building corporation to renovate or purchase an existing facility to serve as a school if the charter school:

(1) has been operating for at least five consecutive school years;

(2) has had a net positive unreserved general fund balance as of June 30 in the preceding five fiscal years;

(3) has a long-range strategic and financial plan;

(4) completes a feasibility study of available buildings; and

(5) documents enrollment projections and the need to use an affiliated building corporation to renovate or purchase an existing facility to serve as a school.

(d) A charter school may organize an affiliated nonprofit building corporation to construct a new school facility if the charter school:

(1) demonstrates the lack of facilities available to serve as a school;

(2) has been operating for at least eight consecutive school years;

(3) has had a net positive unreserved general fund balance as of June 30 in the preceding eight fiscal years;

(4) completes a feasibility study of facility options;

(5) has a long-range strategic and financial plan that includes enrollment projections and demonstrates the need for constructing a new school facility; and

(6) has a positive review and comment from the commissioner under section 123B.71.

Subd. 18. [Repealed by amendment, 2009 c 96 art 2 s 41]

Subd. 19. **Disseminate information.** (a) The authorizer, the operators, and the department must disseminate information to the public on how to form and operate a charter school. Charter schools must disseminate information about how to use the offerings of a charter school. Targeted groups include low-income families and communities, students of color, and students who are at risk of academic failure.

(b) Authorizers, operators, and the department also may disseminate information about the successful best practices in teaching and learning demonstrated by charter schools.

Subd. 20. **Leave to teach in a charter school.** If a teacher employed by a district makes a written request for an extended leave of absence to teach at a charter school, the district must grant the leave. The district must grant a leave not to exceed a total of five years. Any request to extend the leave shall be granted only at the discretion of the school board. The district may require that the request for a leave or extension of leave be made before February 1 in the school year preceding the school year in which the teacher intends to leave, or February 1 of the calendar year in which the teacher's leave is scheduled to terminate. Except as otherwise provided in this subdivision and except for section 122A.46, subdivision 7, the leave is governed by section 122A.46, including, but not limited to, reinstatement, notice of intention to return, seniority, salary, and insurance.

During a leave, the teacher may continue to aggregate benefits and credits in the Teachers' Retirement Association account under chapters 354 and 354A, consistent with subdivision 22.

Subd. 21. **Collective bargaining.** Employees of the board of directors of a charter school may, if otherwise eligible, organize under chapter 179A and comply with its provisions. The board of directors of a charter school is a public employer, for the purposes of chapter 179A, upon formation of one or more bargaining units at the school. Bargaining units at the school must be separate from any other units within an authorizing district, except that bargaining units may remain part of the appropriate unit within an authorizing district, if the employees of the school, the board of directors of the school, the exclusive representative of the appropriate unit in the authorizing district, and the board of the authorizing district agree to include the employees in the appropriate unit of the authorizing district.

Subd. 22. **Teacher and other employee retirement.** (a) Teachers in a charter school must be public school teachers for the purposes of chapters 354 and 354a.

(b) Except for teachers under paragraph (a), employees in a charter school must be public employees for the purposes of chapter 353.

Subd. 23. **Causes for nonrenewal or termination of charter school contract.** (a) The duration of the contract with an authorizer must be for the term contained in the contract according to subdivision 6. The authorizer may or may not renew a contract at the end of the term for any ground listed in paragraph (b). An authorizer may unilaterally terminate a contract during the term of the contract for any ground listed in paragraph (b). At least 60 business days before not renewing or terminating a contract, the authorizer shall notify the board of directors of the charter school of the proposed action in writing. The notice shall state the grounds for the

proposed action in reasonable detail and that the charter school's board of directors may request in writing an informal hearing before the authorizer within 15 business days of receiving notice of nonrenewal or termination of the contract. Failure by the board of directors to make a written request for an informal hearing within the 15-business-day period shall be treated as acquiescence to the proposed action. Upon receiving a timely written request for a hearing, the authorizer shall give ten business days' notice to the charter school's board of directors of the hearing date. The authorizer shall conduct an informal hearing before taking final action. The authorizer shall take final action to renew or not renew a contract no later than 20 business days before the proposed date for terminating the contract or the end date of the contract.

(b) A contract may be terminated or not renewed upon any of the following grounds:

- (1) failure to meet the requirements for pupil performance contained in the contract;
- (2) failure to meet generally accepted standards of fiscal management;
- (3) violations of law; or
- (4) other good cause shown.

If a contract is terminated or not renewed under this paragraph, the school must be dissolved according to the applicable provisions of chapter 317A.

(c) If the authorizer and the charter school board of directors mutually agree to terminate or not renew the contract, a change in authorizers is allowed if the commissioner approves the change to a different eligible authorizer to authorize the charter school. Both parties must jointly submit their intent in writing to the commissioner to mutually terminate the contract. The authorizer that is a party to the existing contract must inform the proposed authorizer about the fiscal and operational status and student performance of the school. Before the commissioner determines whether to approve a change in authorizer, the proposed authorizer must identify any outstanding issues in the proposed charter contract that were unresolved in the previous charter contract and have the charter school agree to resolve those issues. If no change in authorizer is approved, the school must be dissolved according to applicable law and the terms of the contract.

(d) The commissioner, after providing reasonable notice to the board of directors of a charter school and the existing authorizer, and after providing an opportunity for a public hearing, may terminate the existing contract between the authorizer and the charter school board if the charter school has a history of:

- (1) failure to meet pupil performance requirements consistent with state law;
- (2) financial mismanagement or failure to meet generally accepted standards of fiscal management; or
- (3) repeated or major violations of the law.

Subd. 23a. **Related party lease costs.** (a) A charter school is prohibited from entering a lease of real property with a related party unless the lessor is a nonprofit corporation under chapter 317A or a cooperative under chapter 308A, and the lease cost is reasonable under section 124D.11, subdivision 4, clause (1).

(b) For purposes of this section and section 124D.11:

(1) "related party" means an affiliate or immediate relative of the other party in question, an affiliate of an immediate relative, or an immediate relative of an affiliate;

(2) "affiliate" means a person that directly or indirectly, through one or more intermediaries, controls, is controlled by, or is under common control with another person;

(3) "immediate family" means an individual whose relationship by blood, marriage, adoption, or partnering is no more remote than first cousin;

(4) "person" means an individual or entity of any kind; and

(5) "control" means the ability to affect the management, operations, or policy actions or decisions of a person, whether through ownership of voting securities, by contract, or otherwise.

(c) A lease of real property to be used for a charter school, not excluded in paragraph (a), must contain the following statement: "This lease is subject to Minnesota Statutes, section 124D.10, subdivision 23a."

(d) If a charter school enters into as lessee a lease with a related party and the charter school subsequently closes, the commissioner has the right to recover from the lessor any lease payments in excess of those that are reasonable under section 124D.11, subdivision 4, clause (1).

**Subd. 24. Pupil enrollment upon nonrenewal or termination of charter school contract.** If a contract is not renewed or is terminated according to subdivision 23, a pupil who attended the school, siblings of the pupil, or another pupil who resides in the same place as the pupil may enroll in the resident district or may submit an application to a nonresident district according to section 124D.03 at any time. Applications and notices required by section 124D.03 must be processed and provided in a prompt manner. The application and notice deadlines in section 124D.03 do not apply under these circumstances. The closed charter school must transfer the student's educational records within ten business days of closure to the student's school district of residence where the records must be retained or transferred under section 120A.22, subdivision 7.

**Subd. 25. Extent of specific legal authority.** (a) The board of directors of a charter school may sue and be sued.

(b) The board may not levy taxes or issue bonds.

(c) The commissioner, an authorizer, members of the board of an authorizer in their official capacity, and employees of an authorizer are immune from civil or criminal liability with respect to all activities related to a charter school they approve or authorize. The board of directors shall obtain at least the amount of and types of insurance up to the applicable tort liability limits under chapter 466. The charter school board must submit a copy of the insurance policy to its authorizer and the commissioner before starting operations. The charter school board must submit changes in its insurance carrier or policy to its authorizer and the commissioner within 20 business days of the change.

(d) Notwithstanding section 3.736, the charter school shall assume full liability for its activities and indemnify and hold harmless the authorizer and its officers, agents, and employees from any suit, claim, or liability arising from any operation of the charter school and the commissioner and department officers, agents, and employees. A charter school is not required to indemnify or hold harmless a state employee if the state would not be required to indemnify and hold the employee harmless under section 3.736, subdivision 9.
