

60A.9577 DISCLOSURE TO VIATOR.

Subdivision 1. **Application disclosures by provider and broker.** With an application for a viatical settlement, a viatical settlement provider or viatical settlement broker shall provide the viator with at least the following disclosures no later than the time the application for the viatical settlement contract is signed by all parties. The disclosures shall be provided in a separate document that is signed by the viator and the viatical settlement provider or viatical settlement broker, and shall provide the following information:

(1) that a viatical settlement broker represents exclusively the viator, and not the insurer or the viatical settlement provider, and owes a fiduciary duty to the viator, including a duty to act according to the viator's instructions and in the best interests of the viator;

(2) some or all of the proceeds of the viatical settlement may be taxable under federal income tax and state franchise and income taxes, and assistance should be sought from a professional tax advisor;

(3) proceeds of the viatical settlement could be subject to the claims of creditors;

(4) receipt of the proceeds of a viatical settlement may adversely affect the viator's eligibility for Medicaid or other government benefits or entitlements, and advice should be obtained from the appropriate government agencies;

(5) the viator has the right to rescind a viatical settlement contract before the earlier of 30 calendar days after the date upon which the viatical settlement contract is executed by all parties or 15 calendar days after the viatical settlement proceeds have been paid to the viator, as provided in section 60A.9579, subdivision 3. Rescission, if exercised by the viator, is effective only if both notice of the rescission is given, and the viator repays all proceeds and any premiums, loans, and loan interest paid on account of the viatical settlement within the rescission period. If the insured dies during the rescission period, the viatical settlement contract shall be deemed to have been rescinded, subject to repayment by the viator or the viator's estate of all viatical settlement proceeds and any premiums, loans, and loan interest to the viatical settlement within 60 days of the insured's death;

(6) funds will be sent to the viator within three business days after the viatical settlement provider has received the insurer or group administrator's written acknowledgment that ownership of the policy or interest in the certificate has been transferred and the beneficiary has been designated;

(7) entering into a viatical settlement contract may cause other rights or benefits, including conversion rights and waiver of premium benefits that may exist under the policy or certificate, to be forfeited by the viator. Assistance should be sought from a financial adviser;

(8) the disclosure document shall contain the following language: "All medical, financial, or personal information solicited or obtained by a viatical settlement provider or viatical settlement broker about an insured, including the insured's identity or the identity of family members, a spouse, or a significant other may be disclosed as necessary to effect the viatical settlement between the viator and the viatical settlement provider. If you are asked to provide this information, you will be asked to consent to the disclosure. The information may be provided to someone who buys the policy or provides funds for the purchase. You may be asked to renew your permission to share information every two years."; and

(9) following execution of a viatical contract, the insured may be contacted for the purpose of determining the insured's health status and to confirm the insured's residential or business street address and telephone number, or as otherwise provided in sections 60A.957 to 60A.9585. This contact shall be limited to once every three months if the insured has a life expectancy of more than one year, and no more than once per month if the insured has a life expectancy of one year or less. Contacts shall be made only by a viatical settlement provider licensed in the state in which the viator resided at the time of the viatical settlement, or by the authorized representative of a duly licensed viatical settlement provider.

Disclosure to a viator under this subdivision includes distribution of a brochure describing the process of viatical settlements. The National Association of Insurance Commissioners form for the brochure shall be used unless another form is developed or approved by the commissioner.

Subd. 2. Contract disclosures by provider. A viatical settlement provider shall provide the viator with at least the following disclosures no later than the date the viatical settlement contract is signed by all parties. The disclosures shall be conspicuously displayed in the viatical settlement contract or in a separate document signed by the viator and provide the following information:

(1) the affiliation, if any, between the viatical settlement provider and the issuer of the insurance policy to be viaticated;

(2) the document includes the name, business address, and telephone number of the viatical settlement provider;

(3) any affiliations or contractual arrangements between the viatical settlement provider and the viatical settlement broker;

(4) if an insurance policy to be viaticated has been issued as a joint policy or involves family riders or any coverage of a life other than the insured under the policy to be viaticated, the viator shall be informed of the possible loss of coverage on the other lives under the policy and shall be advised to consult with the viator's insurance producer or the insurer issuing the policy for advice on the proposed viatical settlement;

(5) state the dollar amount of the current death benefit payable to the viatical settlement provider under the policy or certificate. If known, the viatical settlement provider shall also disclose the availability of any additional guaranteed insurance benefits, the dollar amount of any accidental death and dismemberment benefits under the policy or certificate, and the extent to which the viator's interest in those benefits will be transferred as a result of the viatical settlement contract; and

(6) state whether the funds will be escrowed with an independent third party during the transfer process, and if so, provide the name, business address, and telephone number of the independent third-party escrow agent, and the fact that the viator or owner may inspect or receive copies of the relevant escrow or trust agreements or documents.

Subd. 3. Contract disclosures by broker. A viatical settlement broker shall provide the viator with at least the following disclosures no later than the date the viatical settlement contract is signed by all parties. The disclosures shall be conspicuously displayed in the viatical settlement contract or in a separate document signed by the viator and provide the following information:

(1) the name, business address, and telephone number of the viatical settlement broker;

(2) a full, complete, and accurate description of all offers, counteroffers, acceptances, and rejections relating to the proposed viatical settlement contract;

(3) a written disclosure of any affiliations or contractual arrangements between the viatical settlement broker and any person making an offer in connection with the proposed viatical settlement contracts;

(4) the name of each broker who receives compensation and the amount of compensation received by that broker, which compensation includes anything of value paid or given to the broker in connection with the life settlement contract; and

(5) where any portion of the viatical settlement broker's compensation, as defined in clause (4), is taken from a proposed viatical settlement offer, the broker shall also disclose the total amount of the viatical settlement offer and the percentage of the viatical settlement offer comprised by the viatical settlement broker's compensation.

Subd. 4. Ownership and beneficiary changes. If the viatical settlement provider transfers ownership or changes the beneficiary of the insurance policy, the provider shall communicate in writing the change in ownership or beneficiary to the insured within 20 days after the change.

Subd. 5. Contract disclosures by provider or agent. A viatical settlement provider or its viatical settlement investment agent shall provide the viatical settlement purchaser with at least the following disclosures prior to the date the viatical settlement purchase agreement is signed by all parties. The disclosures shall be conspicuously displayed in any viatical purchase contract or in a separate document signed by the viatical settlement purchaser and viatical settlement provider or viatical settlement investment agent, and shall make the following disclosures to the viatical settlement purchaser:

(1) the purchaser will receive no returns, for example, dividends and interest, until the insured dies and a death claim payment is made;

(2) the actual annual rate of return on a viatical settlement contract is dependent upon an accurate projection of the insured's life expectancy, and the actual date of the insured's death. An annual guaranteed rate of return is not determinable;

(3) the viaticated life insurance contract should not be considered a liquid purchase since it is impossible to predict the exact timing of its maturity and the funds are probably not available until the death of the insured. There is no established secondary market for resale of these products by the purchaser;

(4) the purchaser may lose all benefits or may receive substantially reduced benefits if the insurer goes out of business during the term of the viatical investment;

(5) the purchaser is responsible for payment of the insurance premium or other costs related to the policy, if required by the terms of the viatical purchase agreement. These payments may reduce the purchaser's return. If a party other than the purchaser is responsible for the payment, the name and address of that party shall also be disclosed;

(6) the purchaser is responsible for payment of the insurance premiums or other costs related to the policy if the insured returns to health. Disclose the amount of the premiums, if applicable;

(7) the name, business address, and telephone number of the independent third party providing escrow services and the relationship to the broker;

(8) the amount of any trust fees or other expenses to be charged to the viatical settlement purchaser shall be disclosed;

(9) whether the purchaser is entitled to a refund of all or part of the purchaser's investment under the settlement contract if the policy is later determined to be null and void;

(10) that group policies may contain limitations or caps in the conversion rights, additional premiums may have to be paid if the policy is converted, name the party responsible for the payment of the additional premiums and, if a group policy is terminated and replaced by another group policy, state that there may be no right to convert the original coverage;

(11) the risks associated with policy contestability including, but not limited to, the risk that the purchaser will have no claim or only a partial claim to death benefits should the insurer rescind the policy within the contestability period;

(12) whether the purchaser will be the owner of the policy in addition to being the beneficiary, and if the purchaser is the beneficiary only and not also the owner, the special risks associated with that status, including, but not limited to, the risk that the beneficiary may be changed or the premium may not be paid; and

(13) the experience and qualifications of the person who determines the life expectancy of the insured, for example, in-house staff, independent physicians, and specialty firms that weigh medical and actuarial data; the information this projection is based on; and the relationship of the projection maker to the viatical settlement provider, if any.

Disclosure to a viatical settlement purchaser under this subdivision includes the distribution of a brochure describing the process of investment in viatical settlements. The National Association of Insurance Commissioners form for the brochure shall be used unless one is developed by the commissioner.

Subd. 6. Transfer or sale disclosures by provider or agent. A viatical settlement provider or its viatical settlement investment agent shall provide the viatical settlement purchaser with at least the following disclosures no later than at the time of the assignment, transfer, or sale of all or a portion of an insurance policy. The disclosures shall be contained in a document signed by the viatical settlement purchaser and viatical settlement provider or viatical settlement investment agent, and shall make the following disclosures to the viatical settlement purchaser:

(1) disclose all the life expectancy certifications obtained by the provider in the process of determining the price paid to the viator;

(2) state whether premium payments or other costs related to the policy have been escrowed. If escrowed, state the date upon which the escrowed funds will be depleted and whether the purchaser will be responsible for payment of premiums thereafter and, if so, the amount of the premiums;

(3) state whether premium payments or other costs related to the policy have been waived. If waived, disclose whether the investor will be responsible for payment of the premiums if the insurer that wrote the policy terminates the waiver after purchase and the amount of those premiums;

(4) disclose the type of policy offered or sold, for example, whole life, term life, universal life, or a group policy certificate; any additional benefits contained in the policy; and the current status of the policy;

(5) if the policy is term insurance, disclose the special risks associated with term insurance including, but not limited to, the purchaser's responsibility for additional premiums if the viator continues the term policy at the end of the current term;

(6) state whether the policy is contestable;

(7) state whether the insurer that wrote the policy has any additional rights that could negatively affect or extinguish the purchaser's rights under the viatical settlement contract, what these rights are, and under what conditions these rights are activated; and

(8) state the name and address of the person responsible for monitoring the insured's condition. Describe how often the monitoring of the insured's condition is done, how the date of death is determined, and how and when this information will be transmitted to the purchaser.

Subd. 7. **Agreement voidable.** The viatical settlement purchase agreement is voidable by the purchaser at any time within three days after the disclosures mandated by subdivisions 4 and 5 are received by the purchaser.
