(b) The following deliveries are not subject to the bundling limitation in this subdivision:

(1) delivery of contributions collected by a member of the candidate's principal campaign committee, such as a block worker or a volunteer who hosts a fund-raising event, to the committee's treasurer; and

(2) a delivery made by an individual on behalf of the individual's spouse.

Subd. 8. **Excess loans prohibited.** A candidate must not permit the candidate's principal campaign committee to accept a loan from other than a financial institution for an amount in excess of the contribution limits imposed by this section. A candidate must not permit the candidate's principal campaign committee to accept a loan from a financial institution for which the financial institution may hold an endorser of the loan liable to pay an amount in excess of the amount that the endorser may contribute to that candidate.

Subd. 9. **Contributions to and from other candidates.** (a) A candidate or the treasurer of a candidate's principal campaign committee must not accept a contribution from another candidate's principal campaign committee or from any other committee bearing the contributing candidate's name or title or otherwise authorized by the contributing candidate, unless the contributing candidate's principal campaign committee is being dissolved. A candidate's principal campaign committee must not make a contribution to another candidate's principal campaign committee, except when the contributing committee is being dissolved.

(b) A principal campaign committee that makes a contribution to another principal campaign committee must provide with the contribution a written statement of the committee's intent to dissolve and terminate its registration within 12 months after the contribution was made. If the committee fails to dissolve and terminate its registration by that time, the board may levy a civil penalty up to four times the size of the contribution against the contributing committee. A contribution from a terminating principal campaign committee that is not accepted by another principal campaign committee must be forwarded to the board for deposit in the general account of the state elections campaign fund.

(c) A candidate's principal campaign committee must not accept a contribution from, or make a contribution to, a committee associated with a person who seeks nomination or election to the office of president, senator, or representative in Congress of the United States.

(d) A candidate or the treasurer of a candidate's principal campaign committee must not accept a contribution from a candidate for political subdivision office in any state, unless the contribution is from the personal funds of the candidate for political subdivision office. A candidate or the treasurer of a candidate's principal campaign committee must not make a contribution from the principal campaign committee to a candidate for political subdivision office in any state.

Subd. 10. **Limited personal contributions.** A candidate who accepts a public subsidy may not contribute to the candidate's own campaign during a year more than ten times the candidate's election year contribution limit under subdivision 1.

Subd. 11. **Contributions from certain types of contributors.** A candidate must not permit the candidate's principal campaign committee to accept a contribution from a political committee, political fund, lobbyist, or large contributor, if the contribution will cause the aggregate contributions from those types of contributors to exceed an amount equal to 20 percent of the expenditure limits for the office sought by the candidate, provided that the 20 percent limit must be rounded to the nearest \$100. For purposes of this subdivision, "large contributor" means an individual, other than the candidate, who contributes an amount that is more than \$100 and more than one-half the amount an individual may contribute.

Subd. 12. [Repealed by amendment, 1999 c 220 s 34]

Subd. 13. **Unregistered association limit; statement; penalty.** (a) The treasurer of a political committee, political fund, principal campaign committee, or party unit must not accept a contribution of more than \$100 from an association not registered under this chapter unless the contribution is accompanied by a written statement that meets the disclosure and reporting period requirements imposed by section 10A.20. This statement must be certified as true and correct by an officer of the contributing association. The committee, fund, or party unit that accepts the contribution must include a copy of the statement with the report that discloses the contribution

to the board. This subdivision does not apply when a national political party contributes money to its affiliate in this state.

(b) An unregistered association may provide the written statement required by this subdivision to no more than three committees, funds, or party units in a calendar year. Each statement must cover at least the 30 days immediately preceding and including the date on which the contribution was made. An unregistered association or an officer of it is subject to a civil penalty imposed by the board of up to \$1,000, if the association or its officer:

- (1) fails to provide a written statement as required by this subdivision; or
- (2) fails to register after giving the written statement required by this subdivision to more than three committees, funds, or party units in a calendar year.

(c) The treasurer of a political committee, political fund, principal campaign committee, or party unit who accepts a contribution in excess of \$100 from an unregistered association without the required written disclosure statement is subject to a civil penalty up to four times the amount in excess of \$100.

Subd. 14. **Contributions of business revenue.** An association may, if not prohibited by other law, contribute revenue from the operation of a business to an independent expenditure political committee or an independent expenditure political fund without complying with subdivision 13.

Subd. 15. **Contributions of dues or contribution revenue.** (a) An association may, if not prohibited by other law, contribute revenue from membership dues or fees, or from contributions received by the association to an independent expenditure political committee or an independent expenditure political fund without complying with subdivision 13. Before the day when the recipient committee or fund's next report must be filed with the board under section 10A.20, subdivision 2 or 5, an association that has contributed \$5,000 or more in aggregate to independent expenditure political committees or funds during the calendar year must provide in writing to the recipient's treasurer a statement that includes the name, address, and amount attributable to each individual or association that paid the association dues or fees, or made contributions to the association that, in total, aggregate \$1,000 or more of the contribution from the association to the independent expenditure political committee or fund. The statement must also include the total amount of the contribution from individuals or associations not subject to itemization under this section. The statement must be certified as true and correct by an officer of the donor association.

(b) To determine the membership dues or fees, or contributions made by an individual or association that exceed \$1,000 of the contribution made by the donor association to the independent expenditure political committee or fund, the donor association must:

- (1) apply a pro rata calculation to all unrestricted dues, fees, and contributions received by the donor association in the calendar year; or
- (2) as provided in paragraph (c), identify the specific individuals or associations whose dues, fees, or contributions are included in the contribution to the independent expenditure political committee or fund.

(c) Dues, fees, or contributions from an individual or association must be identified in a contribution to an independent expenditure political committee or fund under paragraph (b), clause (2), if:

(1) the individual or association has specifically authorized the donor association to use the individual's or association's dues, fees, or contributions for this purpose; or

(2) the individual's or association's dues, fees, or contributions to the donor association are unrestricted and the donor association designates them as the source of the subject contribution to the independent expenditure political committee or fund. After a portion of an individual's or association's dues, fees, or contributions to the donor association have been designated as the source of a contribution to an independent expenditure political committee or fund, that portion of the individual's or association's dues, fees, or contributions to the donor association may not be designated as the source of any other contribution to an independent expenditure political committee or fund.

(d) For the purposes of this section, "donor association" means the association contributing to an independent expenditure political committee or fund that is required to provide a statement under paragraph (a).

Subd. 16. **Treasurer to submit disclosure statements.** The treasurer of a political committee or political fund receiving a statement required under subdivision 15 must file a copy of the statement before the deadline for the committee or fund's next report filed with the board under section 10A.20, subdivision 2 or 5, after receiving the statement.

Subd. 17. **Penalty.** (a) An association that makes a contribution under subdivision 15 and fails to provide the required statement within the time specified is subject to a civil penalty of up to four times the amount of the contribution, but not to exceed \$25,000, except when the violation was intentional.

(b) An independent expenditure political committee or an independent expenditure political fund that files a report without including the statement required under subdivision 15 is subject to a civil penalty of up to four times the amount of the contribution for which disclosure was not filed, but not to exceed \$25,000, except when the violation was intentional.

(c) No other penalty provided in law may be imposed for conduct that is subject to a civil penalty under this section.
