

120B.14 ADVANCED ACADEMIC CREDIT.

A district must grant academic credit to a pupil attending an accelerated or advanced academic course offered by a higher education institution or a nonprofit public agency other than the district, if the pupil successfully completes the course attended and passes an examination approved by the district. If no comparable course is offered by the district, the commissioner shall determine the number of credits which shall be granted to a pupil who successfully completes and passes the course. If a comparable course is offered by the district, the board must grant a comparable number of credits to the pupil. If there is a dispute between the district and the pupil regarding the number of credits granted for a particular course, the pupil may appeal the school board's decision to the commissioner. The commissioner's decision regarding the number of credits shall be final.

The credits granted to a pupil shall be counted toward the graduation requirements and subject area requirements of the district. Evidence of successful completion of each class and credits granted shall be included in the pupil's secondary school record.
