

122A.40 EMPLOYMENT; CONTRACTS; TERMINATION.

Subdivision 1. **Teacher defined.** A principal, supervisor, and classroom teacher and any other professional employee required to hold a license from the state department shall be deemed to be a "teacher" within the meaning of this section. A superintendent is a "teacher" only for purposes of subdivisions 3 and 19.

Subd. 2. **Nonprovisional license defined.** For purposes of this section, "nonprovisional license" means an entrance, continuing, or life license.

Subd. 3. **Hiring, dismissing.** School boards must hire or dismiss teachers at duly called meetings. Where a husband and wife, brother and sister, or two brothers or sisters, constitute a quorum, no contract employing a teacher shall be made or authorized except upon the unanimous vote of the full board. A teacher related by blood or marriage, within the fourth degree, computed by the civil law, to a board member shall not be employed except by a unanimous vote of the full board. The initial employment of the teacher in the district must be by written contract, signed by the teacher and by the chair and clerk. All subsequent employment of the teacher in the district must be by written contract, signed by the teacher and by the chair and clerk, except where there is a master agreement covering the employment of the teacher. Contracts for teaching or supervision of teaching can be made only with qualified teachers. A teacher shall not be required to reside within the employing district as a condition to teaching employment or continued teaching employment.

Subd. 4. **Employment in supervisory positions.** Notwithstanding other law, a teacher, as defined in section 179A.03, does not have a right to employment in a district as an assistant superintendent, as a principal defined in section 179A.03, as a confidential or supervisory employee defined in section 179A.03, or in a position that is a promotion from the position currently held, based on seniority, seniority date, or order of employment by the district. This provision shall not alter the reinstatement rights of an individual who is placed on leave from an assistant superintendent, principal or assistant principal, or supervisory or confidential employee position pursuant to this chapter.

Subd. 5. **Probationary period.** (a) The first three consecutive years of a teacher's first teaching experience in Minnesota in a single district is deemed to be a probationary period of employment, and, the probationary period in each district in which the teacher is thereafter employed shall be one year. The school board must adopt a plan for written evaluation of teachers during the probationary period that is consistent with subdivision 8. Evaluation must occur at least three times periodically throughout each school year for a teacher performing services during that school year; the first evaluation must occur within the first 90 days of teaching service. Days devoted to parent-teacher conferences, teachers' workshops, and other staff development opportunities and days on which a teacher is absent from school must not be included in determining the number of school days on which a teacher performs services. Except as otherwise provided in paragraph (b), during the probationary period any annual contract with any teacher may or may not be renewed as the school board shall see fit. However, the board must give any such teacher whose contract it declines to renew for the following school year written notice to that effect before June 1. If the teacher requests reasons for any nonrenewal of a teaching contract, the board must give the teacher its reason in writing, including a statement that appropriate supervision was furnished describing the nature and the extent of such supervision furnished the teacher during the employment by the board, within ten days after receiving such

request. The school board may, after a hearing held upon due notice, discharge a teacher during the probationary period for cause, effective immediately, under section 122A.44.

(b) A board must discharge a probationary teacher, effective immediately, upon receipt of notice under section 122A.20, subdivision 1, paragraph (b), that the teacher's license has been revoked due to a conviction for child abuse or sexual abuse.

(c) A probationary teacher whose first three years of consecutive employment are interrupted for active military service and who promptly resumes teaching consistent with federal reemployment timelines for uniformed service personnel under United States Code, title 38, section 4312(e), is considered to have a consecutive teaching experience for purposes of paragraph (a).

(d) A probationary teacher must complete at least 120 days of teaching service each year during the probationary period. Days devoted to parent-teacher conferences, teachers' workshops, and other staff development opportunities and days on which a teacher is absent from school do not count as days of teaching service under this paragraph.

[See Note.]

Subd. 6. Mentoring for probationary teachers. A school board and an exclusive representative of the teachers in the district must develop a probationary teacher peer review process through joint agreement that is consistent with subdivision 8. The process may include having trained observers serve as mentors or coaches or having teachers participate in professional learning communities.

[See Note.]

Subd. 7. Termination of contract after probationary period. (a) A teacher who has completed a probationary period in any district, and who has not been discharged or advised of a refusal to renew the teacher's contract under subdivision 5, shall elect to have a continuing contract with such district where contract terms and conditions, including salary and salary increases, are established based either on the length of the school calendar or an extended school calendar under section 120A.415. Thereafter, the teacher's contract must remain in full force and effect, except as modified by mutual consent of the board and the teacher, until terminated by a majority roll call vote of the full membership of the board prior to April 1 upon one of the grounds specified in subdivision 9 or July 1 upon one of the grounds specified in subdivision 10 or 11, or until the teacher is discharged pursuant to subdivision 13, or by the written resignation of the teacher submitted prior to April 1. If an agreement as to the terms and conditions of employment for the succeeding school year has not been adopted pursuant to the provisions of sections 179A.01 to 179A.25 prior to March 1, the teacher's right of resignation is extended to the 30th calendar day following the adoption of said contract in compliance with section 179A.20, subdivision 5. Such written resignation by the teacher is effective as of June 30 if submitted prior to that date and the teachers' right of resignation for the school year then beginning shall cease on July 15. Before a teacher's contract is terminated by the board, the board must notify the teacher in writing and state its ground for the proposed termination in reasonable detail together with a statement that the teacher may make a written request for a hearing before the board within 14 days after receipt of such notification. If the grounds are those specified in subdivision 9 or 13, the notice must also state a teacher may request arbitration under subdivision 15. Within 14 days after receipt of this

notification the teacher may make a written request for a hearing before the board or an arbitrator and it shall be granted upon reasonable notice to the teacher of the date set for hearing, before final action is taken. If no hearing is requested within such period, it shall be deemed acquiescence by the teacher to the board's action. Such termination shall take effect at the close of the school year in which the contract is terminated in the manner aforesaid. Such contract may be terminated at any time by mutual consent of the board and the teacher and this section does not affect the powers of a board to suspend, discharge, or demote a teacher under and pursuant to other provisions of law.

(b) A teacher electing to have a continuing contract based on the extended school calendar under section 120A.415 must participate in staff development training under subdivision 7a and shall receive an increased base salary.

Subd. 7a. Additional staff development and salary. (a) A teacher electing to have a continuing contract based on the extended school calendar under section 120A.415 must participate in a total number of staff development days where the total number of such days equals the difference between the total number of days of student instruction and 240 days. Staff development includes peer mentoring, peer gathering, continuing education, professional development, or other training. A school board may schedule such days throughout the calendar year. Staff development programs provided during such days shall enable teachers to achieve the staff development outcomes under section 122A.60, subdivision 3.

(b) A public employer and the exclusive representative of the teachers must include terms in the collective bargaining agreement for all teachers who participate in additional staff development days under paragraph (a) that increase base salaries.

Subd. 8. Development, evaluation, and peer coaching for continuing contract teachers. (a) To improve student learning and success, a school board and an exclusive representative of the teachers in the district, consistent with paragraph (b), may develop a teacher evaluation and peer review process for probationary and continuing contract teachers through joint agreement. If a school board and the exclusive representative of the teachers do not agree to an annual teacher evaluation and peer review process, then the school board and the exclusive representative of the teachers must implement the plan for evaluation and review under paragraph (c). The process must include having trained observers serve as peer coaches or having teachers participate in professional learning communities, consistent with paragraph (b).

(b) To develop, improve, and support qualified teachers and effective teaching practices and improve student learning and success, the annual evaluation process for teachers:

(1) must, for probationary teachers, provide for all evaluations required under subdivision 5;

(2) must establish a three-year professional review cycle for each teacher that includes an individual growth and development plan, a peer review process, the opportunity to participate in a professional learning community under paragraph (a), and at least one summative evaluation performed by a qualified and trained evaluator such as a school administrator. For the years when a tenured teacher is not evaluated by a qualified and trained evaluator, the teacher must be evaluated by a peer review;

(3) must be based on professional teaching standards established in rule;

(4) must coordinate staff development activities under sections 122A.60 and 122A.61 with this evaluation process and teachers' evaluation outcomes;

(5) may provide time during the school day and school year for peer coaching and teacher collaboration;

(6) may include mentoring and induction programs;

(7) must include an option for teachers to develop and present a portfolio demonstrating evidence of reflection and professional growth, consistent with section 122A.18, subdivision 4, paragraph (b), and include teachers' own performance assessment based on student work samples and examples of teachers' work, which may include video among other activities for the summative evaluation;

(8) must use an agreed upon teacher value-added assessment model for the grade levels and subject areas for which value-added data are available and establish state or local measures of student growth for the grade levels and subject areas for which value-added data are not available as a basis for 35 percent of teacher evaluation results;

(9) must use longitudinal data on student engagement and connection, and other student outcome measures explicitly aligned with the elements of curriculum for which teachers are responsible;

(10) must require qualified and trained evaluators such as school administrators to perform summative evaluations;

(11) must give teachers not meeting professional teaching standards under clauses (3) through (10) support to improve through a teacher improvement process that includes established goals and timelines; and

(12) must discipline a teacher for not making adequate progress in the teacher improvement process under clause (11) that may include a last chance warning, termination, discharge, nonrenewal, transfer to a different position, a leave of absence, or other discipline a school administrator determines is appropriate.

Data on individual teachers generated under this subdivision are personnel data under section 13.43.

(c) The department, in consultation with parents who may represent parent organizations and teacher and administrator representatives appointed by their respective organizations, representing the Board of Teaching, the Minnesota Association of School Administrators, the Minnesota School Boards Association, the Minnesota Elementary and Secondary Principals Associations, Education Minnesota, and representatives of the Minnesota Assessment Group, the Minnesota Business Partnership, the Minnesota Chamber of Commerce, and Minnesota postsecondary institutions with research expertise in teacher evaluation, must create and publish a teacher evaluation process that complies with the requirements in paragraph (b) and applies to all teachers under this section and section 122A.41 for whom no agreement exists under paragraph (a) for an annual teacher evaluation and peer review process. The teacher evaluation process created under this subdivision does not create additional due process rights for probationary teachers under subdivision 5.

[See Note.]

Subd. 9. Grounds for termination. A continuing contract may be terminated, effective at the close of the school year, upon any of the following grounds:

- (1) inefficiency in teaching or in the management of a school, consistent with subdivision 8, paragraph (b);
- (2) neglect of duty, or persistent violation of school laws, rules, regulations, or directives;
- (3) conduct unbecoming a teacher which materially impairs the teacher's educational effectiveness; or
- (4) other good and sufficient grounds rendering the teacher unfit to perform the teacher's duties.

A contract must not be terminated upon one of the grounds specified in clause (1), (2), (3), or (4), unless the teacher fails to correct the deficiency after being given written notice of the specific items of complaint and reasonable time within which to remedy them.

[See Note.]

Subd. 10. **Negotiated unrequested leave of absence.** The school board and the exclusive bargaining representative of the teachers may negotiate a plan providing for unrequested leave of absence without pay or fringe benefits for as many teachers as may be necessary because of discontinuance of position, lack of pupils, financial limitations, or merger of classes caused by consolidation of districts. Failing to successfully negotiate such a plan, the provisions of subdivision 11 shall apply. The negotiated plan must not include provisions which would result in the exercise of seniority by a teacher holding a provisional license, other than a vocational education license, contrary to the provisions of subdivision 11, clause (c), or the reinstatement of a teacher holding a provisional license, other than a vocational education license, contrary to the provisions of subdivision 11, clause (e). The provisions of section 179A.16 do not apply for the purposes of this subdivision.

Subd. 11. **Unrequested leave of absence.** The board may place on unrequested leave of absence, without pay or fringe benefits, as many teachers as may be necessary because of discontinuance of position, lack of pupils, financial limitations, or merger of classes caused by consolidation of districts. The unrequested leave is effective at the close of the school year. In placing teachers on unrequested leave, the board is governed by the following provisions:

(a) The board may place probationary teachers on unrequested leave first in the inverse order of their employment. A teacher who has acquired continuing contract rights must not be placed on unrequested leave of absence while probationary teachers are retained in positions for which the teacher who has acquired continuing contract rights is licensed;

(b) Teachers who have acquired continuing contract rights shall be placed on unrequested leave of absence in fields in which they are licensed in the inverse order in which they were employed by the school district. In the case of equal seniority, the order in which teachers who have acquired continuing contract rights shall be placed on unrequested leave of absence in fields in which they are licensed is negotiable;

(c) Notwithstanding the provisions of clause (b), a teacher is not entitled to exercise any seniority when that exercise results in that teacher being retained by the district in a field for which the teacher holds only a provisional license, as defined by the board of teaching, unless that exercise of seniority results in the placement on unrequested leave of absence of another teacher who also holds a provisional license in the same field. The provisions of this clause do not apply to vocational education licenses;

(d) Notwithstanding clauses (a), (b) and (c), if the placing of a probationary teacher on unrequested leave before a teacher who has acquired continuing rights, the placing of a teacher who has acquired continuing contract rights on unrequested leave before another teacher who has acquired continuing contract rights but who has greater seniority, or the restriction imposed by the provisions of clause (c) would place the district in violation of its affirmative action program, the district may retain the probationary teacher, the teacher with less seniority, or the provisionally licensed teacher;

(e) Teachers placed on unrequested leave of absence must be reinstated to the positions from which they have been given leaves of absence or, if not available, to other available positions in the school district in fields in which they are licensed. Reinstatement must be in the inverse order of placement on leave of absence. A teacher must not be reinstated to a position in a field in which the teacher holds only a provisional license, other than a vocational education license, while another teacher who holds a nonprovisional license in the same field remains on unrequested leave. The order of reinstatement of teachers who have equal seniority and who are placed on unrequested leave in the same school year is negotiable;

(f) Appointment of a new teacher must not be made while there is available, on unrequested leave, a teacher who is properly licensed to fill such vacancy, unless the teacher fails to advise the school board within 30 days of the date of notification that a position is available to that teacher who may return to employment and assume the duties of the position to which appointed on a future date determined by the board;

(g) A teacher placed on unrequested leave of absence may engage in teaching or any other occupation during the period of this leave;

(h) The unrequested leave of absence must not impair the continuing contract rights of a teacher or result in a loss of credit for previous years of service;

(i) The unrequested leave of absence of a teacher who is placed on unrequested leave of absence and who is not reinstated shall continue for a period of five years, after which the right to reinstatement shall terminate. The teacher's right to reinstatement shall also terminate if the teacher fails to file with the board by April 1 of any year a written statement requesting reinstatement;

(j) The same provisions applicable to terminations of probationary or continuing contracts in subdivisions 5 and 7 must apply to placement on unrequested leave of absence;

(k) Nothing in this subdivision shall be construed to impair the rights of teachers placed on unrequested leave of absence to receive unemployment benefits if otherwise eligible.

Subd. 12. Suspension and leave of absence for health reasons. Affliction with active tuberculosis or other communicable disease, mental illness, drug or alcoholic addiction, or other serious incapacity shall be grounds for temporary suspension and leave of absence while the teacher is suffering from such disability. Unless the teacher consents, such action must be taken only upon evidence that suspension is required from a physician who has examined the teacher. The physician must be competent in the field involved and must be selected by the teacher from a list of three provided by the school board, and the examination must be at the expense of the school district. A copy of the report of the physician shall be furnished the teacher upon request. If the teacher fails to submit to the examination within the prescribed time, the board may discharge the teacher, effective immediately. In the event of mental illness, if the teacher submits to such an examination and the examining physician's or psychiatrist's statement is unacceptable to the

teacher or the board, a panel of three physicians or psychiatrists must be selected to examine the teacher at the board's expense. The board and the teacher shall each select a member of this panel, and these two members shall select a third member. The panel must examine the teacher and submit a statement of its findings and conclusions to the board. Upon receipt and consideration of the statement from the panel the board may suspend the teacher. The board must notify the teacher in writing of such suspension and the reasons therefor. During the leave of absence, the district must pay the teacher sick leave benefits up to the amount of unused accumulated sick leave, and after it is exhausted, the district may in its discretion pay additional benefits. The teacher must be reinstated to the teacher's position upon evidence from such a physician of sufficient recovery to be capable of resuming performance of duties in a proper manner. In the event that the teacher does not qualify for reinstatement within 12 months after the date of suspension, the continuing disability may be a ground for discharge under subdivision 13.

Subd. 13. **Immediate discharge.** (a) Except as otherwise provided in paragraph (b), a board may discharge a continuing-contract teacher, effective immediately, upon any of the following grounds:

- (1) immoral conduct, insubordination, or conviction of a felony;
- (2) conduct unbecoming a teacher which requires the immediate removal of the teacher from classroom or other duties;
- (3) failure without justifiable cause to teach without first securing the written release of the school board;
- (4) gross inefficiency which the teacher has failed to correct after reasonable written notice;
- (5) willful neglect of duty; or
- (6) continuing physical or mental disability subsequent to a 12 months leave of absence and inability to qualify for reinstatement in accordance with subdivision 12.

For purposes of this paragraph, conduct unbecoming a teacher includes an unfair discriminatory practice described in section 363A.13.

Prior to discharging a teacher under this paragraph, the board must notify the teacher in writing and state its ground for the proposed discharge in reasonable detail. Within ten days after receipt of this notification the teacher may make a written request for a hearing before the board and it shall be granted before final action is taken. The board may, however, suspend a teacher with pay pending the conclusion of such hearing and determination of the issues raised in the hearing after charges have been filed which constitute ground for discharge.

(b) A board must discharge a continuing-contract teacher, effective immediately, upon receipt of notice under section 122A.20, subdivision 1, paragraph (b), that the teacher's license has been revoked due to a conviction for child abuse or sexual abuse.

Subd. 14. **Hearing procedures.** Any hearing held pursuant to this section must be held upon appropriate and timely notice to the teacher, and any hearing held pursuant to subdivision 9 or 13 must be private or public at the discretion of the teacher. A hearing held pursuant to subdivision 11 must be public and may be consolidated by the school board. At the hearing, the board and the teacher may each be represented by counsel at each party's own expense, and such counsel may examine and cross-examine witnesses and present arguments. The board must first present evidence to sustain the grounds for termination or discharge and then receive evidence presented

by the teacher. Each party may then present rebuttal evidence. Dismissal of the teacher must be based upon substantial and competent evidence in the record. All witnesses shall be sworn upon oath administered by the presiding officer of the board. The clerk of the board shall issue subpoenas for witnesses or the production of records pertinent to the grounds upon the request of either the board or the teacher. The board must employ a court reporter to record the proceedings at the hearing, and either party may obtain a transcript of the hearing at its own expense.

Subd. 15. Hearing and determination by arbitrator. A teacher whose termination is proposed under subdivision 7 on grounds specified in subdivision 9, or whose discharge is proposed under subdivision 13, may elect a hearing before an arbitrator instead of the school board. The hearing is governed by this subdivision.

(a) The teacher must make a written request for a hearing before an arbitrator within 14 days after receiving notification of proposed termination on grounds specified in subdivision 9 or within ten days of receiving notification of proposed discharge under subdivision 13. If a request for a hearing does not specify that the hearing be before an arbitrator, it is considered to be a request for a hearing before the school board.

(b) If the teacher and the school board are unable to mutually agree on an arbitrator, the board must request from the bureau of mediation services a list of five persons to serve as an arbitrator. If the matter to be heard is a proposed termination on grounds specified in subdivision 9, arbitrators on the list must be available to hear the matter and make a decision within a time frame that will allow the board to comply with all statutory timelines relating to termination. If the teacher and the board are unable to mutually agree on an arbitrator from the list provided, the parties shall alternately strike names from the list until the name of one arbitrator remains. The person remaining after the striking procedure must be the arbitrator. If the parties are unable to agree on who shall strike the first name, the question must be decided by a flip of a coin. The teacher and the school board must share equally the costs and fees of the arbitrator.

(c) The arbitrator shall determine, by a preponderance of the evidence, whether the grounds for termination or discharge specified in subdivision 9 or 13 exist to support the proposed termination or discharge. A lesser penalty than termination or discharge may be imposed by the arbitrator only to the extent that either party proposes such lesser penalty in the proceeding. In making the determination, the arbitration proceeding is governed by sections 572B.15 to 572B.28 and by the collective bargaining agreement applicable to the teacher.

(d) An arbitration hearing conducted under this subdivision is a meeting for preliminary consideration of allegations or charges within the meaning of section 13D.05, subdivision 3, paragraph (a), and must be closed, unless the teacher requests it to be open.

(e) The arbitrator's award is final and binding on the parties, subject to sections 572B.18 to 572B.28.

Subd. 16. Decision. After the hearing, the board must issue a written decision and order. If the board orders termination of a continuing contract or discharge of a teacher, its decision must include findings of fact based upon competent evidence in the record and must be served on the teacher, accompanied by an order of termination or discharge, prior to April 1 in the case of a contract termination for grounds specified in subdivision 9, prior to July 1 for grounds specified in subdivision 10 or 11, or within ten days after conclusion of the hearing in the case of a discharge. If the decision of the board or of a reviewing court is favorable to the teacher, the proceedings

must be dismissed and the decision entered in the board minutes, and all references to such proceedings must be excluded from the teacher's record file.

Subd. 17. **Judicial review.** The pendency of judicial proceedings must not be ground for postponement of the effective date of the board's order, but if judicial review eventuates in reinstatement of the teacher, the board must pay the teacher all compensation withheld as a result of the termination or dismissal order.

Subd. 18. **Exception.** This section does not apply to any district in a city of the first class.

Subd. 19. **Records relating to individual teacher; access; expungement.** All evaluations and files generated within a school district relating to each individual teacher must be available to each individual teacher upon written request. Effective January 1, 1976, all evaluations and files, wherever generated, relating to each individual teacher must be available to each individual teacher upon written request. The teacher shall have the right to reproduce any of the contents of the files at the teacher's expense and to submit for inclusion in the file written information in response to any material contained therein.

A district may destroy the files as provided by law and must expunge from the teacher's file any material found to be false or inaccurate through the grievance procedure required pursuant to section 179A.20, subdivision 4. The grievance procedure promulgated by the director of the bureau of mediation services, pursuant to section 179A.04, subdivision 3, clause (h), applies to those principals and supervisory employees not included in an appropriate unit as defined in section 179A.03. Expungement proceedings must be commenced within the time period provided in the collective bargaining agreement for the commencement of a grievance. If no time period is provided in the bargaining agreement, the expungement proceedings must commence within 15 days after the teacher has knowledge of the inclusion in the teacher's file of the material the teacher seeks to have expunged.
