If any officer whose signature or a facsimile thereof appears on any bonds shall cease to be an officer before the delivery of the bonds, the signature or facsimile shall nevertheless be valid and sufficient for all purposes the same as if the officer had remained in office until such delivery.

(c) The authority may sell such bonds at either public or private sale upon terms as the commissioner shall determine are not inconsistent with this section and the bonds may be sold at any price or percentage of par value. Any bid received may be rejected by the authority. The proceeds of the bonds shall be disbursed for the purposes for which the bonds were issued under the restrictions as the sale agreement and the resolution authorizing the issuance of the bonds or the related trust indenture may provide. The bonds shall be issued upon approval of the authority and without any other approvals, filings, proceedings, or the happening of any other conditions or things other than the approvals, findings, proceedings, conditions, and things that are specified and required by this section.

(d) Any pledge made by the authority shall be valid and binding at the time the pledge is made. The assets, property, revenues, reserves, or earnings so pledged shall immediately be subject to the lien of the pledge without any physical delivery thereof or further act, and the lien of any pledge shall be valid and binding as against all parties having claims of any kind in tort, contract, or otherwise against the authority, irrespective of whether such parties have notice thereof. Notwithstanding any other provision of law to the contrary, neither the resolution nor any indenture or other instrument by which a pledge is created or by which the authority's interest in pledged assets, property, revenues, reserves, or earnings is assigned need be filed, perfected, or recorded in any public records in order to protect the pledge or perfect the lien as against third parties, except that a copy shall be filed in the records of the authority.

(e) Whether or not the bonds of the authority are of such form and character as to be negotiable instruments under the terms of the Uniform Commercial Code, the bonds are hereby made negotiable instruments for all purposes, subject only to the provisions of the bonds for registration.

(f) At the sole discretion of the authority, any bonds issued by the authority and any related bond facility made under the provisions of this section shall be secured by a resolution or trust indenture by and between the authority and the indenture trustee, which may be any trust company or bank having the powers of a trust company, whether located within or outside the state. The trust indenture or resolution providing for the issuance of the bonds shall, without limitation:

settlement revenues; (4) contain provisions respecting the custody, safeguarding, and application of all moneys and securities; (5) contain provisions for protecting and enforcing against the authority or the state the rights and remedies pursuant thereto and to the sale agreement of the owners of the bonds and any provider of a related bond facility as may be reasonable and proper and not in violation of law; and (6) contain other provisions as the authority may deem reasonable and proper for priorities and subordination among the owners of the bonds and providers of related bond facilities. Any reference in this section to a resolution of the authority shall include any trust indenture authorized thereby.

(g) The net proceeds of any sale, conveyance, or transfer by the state of tobacco settlement revenues shall be deposited into the authority's general tobacco subaccount. The authority shall transfer all moneys in the general tobacco subaccount to the commissioner for deposit in the tobacco settlement bond proceeds fund. Any residual amount in tobacco settlement revenues shall be deposited in the tobacco settlement residual subaccount. The balance in the tobacco residual subaccount shall be transferred to the commissioner for deposit in the general fund, as provided in subdivision 12, paragraph (b).

(h) The authority may enter into, amend, or terminate, as it determines to be necessary or appropriate, any related bond facility (1) to facilitate the issuance, sale, resale, purchase, repurchase, or payment of bonds, interest rate savings or market diversification, or the making or performance of swap contracts, including without limitation bond insurance, letters of credit and liquidity facilities, or (2) to attempt to manage or hedge risk or achieve a desirable effective interest rate or cash flow. Such facility shall be made upon the terms and conditions established by the authority, including without limitation provisions as to security, default, termination, payment, remedy, jurisdiction, and consent to service of process.

(i) The authority may enter into, amend, or terminate, as it deems to be necessary or appropriate, any related bond facility to place the obligations or investments of the authority, as represented by the bonds or the investment of reserves securing the bonds or related bond facilities or other tobacco settlement revenues or its other assets, in whole or in part, on the interest rate, cash flow, or other basis approved by the authority, which facility may include without limitation contracts commonly known as interest rate swap agreements, forward purchase contracts, or guaranteed investment contracts and futures or contracts providing for payments based on levels of, or changes in, interest rates. These contracts or arrangements may be entered into by the authority in connection with, or incidental to, entering into, or maintaining any (1) agreement that secures bonds of the authority or (2) investment or contract providing for investment of reserves or similar facility guaranteeing an investment rate for a period of years not to exceed the underlying term of the bonds. The determination by the authority that a related bond facility or the amendment or termination thereof is necessary or appropriate as aforesaid shall be conclusive. Any related bond facility may contain such provisions as to security, default, termination, payment, remedy, jurisdiction, and consent to service of process, and other terms and conditions as determined by the authority, after giving due consideration to the creditworthiness of the counterparty or other obligated party, including any rating by any nationally recognized rating agency, and any other criteria as may be appropriate.

(j) Bonds or any related bond facility may contain a recital that they are issued or executed, respectively, pursuant to this section, which recital shall be conclusive evidence of their validity, respectively, and the regularity of the proceedings relating thereto.

(k) No member or officer of the authority or any person executing the bonds is liable personally on the bonds or is subject to any personal liability or accountability by reason of their issuance, or is liable for any other debt or obligation of the authority.

(l) Information in any register of ownership of bonds or certificates is nonpublic data under section 13.02, subdivision 9, or private data on individuals under section 13.02, subdivision 12. The information is open only to the subject of it, except as disclosure:

(m) The bonds of the authority are not subject to chapter 16C.

(n) The commissioner and any other member of the authority charged with the responsibility of issuing bonds for or on behalf of the authority, may enter into written agreements or contracts relating to the continuing disclosure of information necessary to comply with, or facilitate the issuance of bonds in accordance with, federal securities laws, rules, and regulations, including Securities and Exchange Commission rules and regulations, in Code of Federal Regulations, title 17, section 240.15c 2-12. An agreement may be in the form of covenants with purchasers and holders of bonds set forth in the order or resolution authorizing the issuance of the bonds, or a separate document authorized by the order or resolution.

Subd. 6. State not liable on bonds or related bond facilities. The state is not liable on bonds of the authority, and no bond or related bond facility shall constitute an indebtedness or an obligation of the state or any subdivision thereof, within the meaning of any constitutional or statutory limitation or provision or a charge against the general credit or taxing powers, if any, of any of them but shall be payable solely from pledged tobacco revenues. No owner of any bond or provider of any related bond facility shall have the right to compel the exercise of the taxing power of the state to pay any principal installment of, redemption premium, if any, or interest on the bonds or to make any payment due under any related bond facility. The bonds must contain on their face a statement to the effect of this subdivision.

Subd. 7. Agreement with the state. (a) The state pledges and agrees with the authority, and the owners of the bonds of the authority in which the authority has included such pledge and agreement, that the state shall: (1) irrevocably direct the transfer of all pledged tobacco revenues received by the state under and in accordance with the settlement agreement directly to the authority or its assignee; (2) diligently enforce its right to collect all moneys due from the participating manufacturers under the settlement agreement, in each case in the manner and to the extent deemed necessary in the judgment of and consistent with the discretion of the attorney general of the state, provided, however, that the sale agreement shall provide (i) that the remedies available to the authority and the bondholders for any breach of the pledges and agreements of the state set forth in this clause shall be limited to injunctive relief, and (ii) that the state shall be deemed to have diligently enforced this subdivision so long as there has been no judicial determination by a court of competent jurisdiction in this state, in an action commenced by a participating tobacco manufacturer, that the state has failed to diligently enforce this subdivision;

(3) in any materially adverse way, neither amend the settlement agreement or take any other action that would (i) impair the authority's right to receive pledged tobacco revenues, or (ii) limit or alter the rights hereby vested in the authority to fulfill the terms of its agreements with the bondholders, or (iii) impair the rights and remedies of the bondholders or the security for such bonds until such bonds, together with the interest thereon and all costs and expenses in connection with any action or proceedings by or on behalf of the bondholders, are fully paid and discharged, provided, that nothing herein shall be construed to preclude the state's regulation of smoking, smoking cessation activities and laws, and taxation and regulation of the sale of cigarettes or the like or to restrict the right of the state to amend, modify, repeal, or otherwise alter statutes imposing or relating to the taxes; and (4) not amend, supersede, or repeal the settlement agreement or this section in any way that would materially adversely affect the amount of any payment to, or the rights to such payments of, the authority or the bondholders. This pledge and agreement may be included in the sale agreement and the authority may include this pledge and agreement in any contract with the bondholders of the authority.

(b) The provisions of this section, the bonds issued pursuant to this section, and the pledges and agreements by the state and the authority to the bondholders shall not be interpreted or construed to limit or impair the authority or discretion of the attorney general to administer and enforce provisions of the settlement agreement or to direct, control, and settle any litigation or arbitration proceeding arising from or relating to the settlement agreement.

Subd. 8. **Enforcement of contract.** The provisions of this section and of any resolution or proceeding authorizing the issuance of bonds or a related bond facility shall constitute a contract with the holders of the bonds or the related bond facility, and the provisions thereof shall be enforceable either by mandamus or other proceeding in any Minnesota court of competent jurisdiction in Ramsey County to enforce and compel the performance of all duties required by this section and by any resolution authorizing the issuance of bonds a related bond facility adopted in response hereto.

Subd. 9. **Bonds as legal investments.** Any of the following entities may legally invest any sinking funds, money, or other funds belonging to them or under their control in any bonds issued under this section: (1) the state, the investment board, public officers, municipal corporations, political subdivisions, and public bodies; (2) banks and bankers, savings and loan associations, credit unions, trust companies, savings banks and institutions, investment companies, insurance companies, insurance associations, and other persons carrying on a banking or insurance business; and (3) personal representatives, guardians, trustees, and other fiduciaries.

Subd. 10. **Exemption from taxation.** It is hereby determined that the creation of the authority and the carrying out of its corporate purposes are in all respects for the benefit of the people of the state and are public purposes. Accordingly, the property of the authority, its income, and its operations shall be exempt from taxation. The authority shall not be required to pay any fees, taxes, or assessments of any kind, whether state or local, including, but not limited to, fees, taxes, ad valorem taxes on real property, sales taxes or other taxes, upon or with respect to any property owned by it or under its jurisdiction, control, or supervision, or upon the uses thereof, or upon or with respect to its activities or operations in furtherance of the powers conferred upon it by this section.

Subd. 11. **Report; audit.** The authority shall report to the legislature and the governor by the January 15 following the end of each fiscal year. The report must include a complete operating and financial statement covering the authority's operations during the fiscal year, including

amounts of income from all sources. Books and records of the authority are subject to audit by the legislative auditor in the manner prescribed for state agencies.

Subd. 12. Tobacco settlement recovery account. (a) The authority shall establish the tobacco settlement recovery account, which shall consist of three subaccounts: (1) the general tobacco subaccount, (2) the tobacco settlement revenues subaccount, and (3) the tobacco settlement residual subaccount. The authority shall deposit all moneys paid pursuant to the settlement agreement, and any other moneys as provided by law into the several subaccounts of the tobacco settlement recovery account. Money shall be deposited into the tobacco settlement revenues subaccount and the tobacco settlement residual subaccount as provided by the terms of this section, including any agreement between the state and the authority implementing the same. All other moneys available to be deposited into the tobacco settlement recovery account shall be deposited into the general tobacco subaccount. An investment made from moneys credited to a specific subaccount constitutes part of that subaccount and such subaccount shall be credited with all income from the investment of such moneys. The commissioner may invest the moneys in the several subaccounts of the tobacco settlement recovery account in the same manner, in the same types of investments, and subject to the same limitations provided in section 11A.24. Notwithstanding the foregoing, to the extent necessary to preserve the tax-exempt status of any bonds issued pursuant to this section, the interest on which is intended to be excludable from the gross income of the owners for federal income tax purposes, moneys on deposit in the tobacco settlement revenues subaccount and the tobacco settlement residual subaccount, may be invested in obligations the interest upon which is tax exempt under the provisions of Section 103 of the Internal Revenue Code of 1986, as now or hereafter amended, or any successor code or provision.

(b) Moneys on deposit in the tobacco settlement residual subaccount shall be transferred to the commissioner for deposit in the general fund.

(c) The amounts deposited into the tobacco settlement bond proceeds fund from the general tobacco subaccount and interest thereon are appropriated to the commissioner for payment of working capital, debt service on outstanding obligations of the general fund, the funding of debt service reserves for the bonds, each as permitted by state and federal law, nonsalary expenses incurred in conjunction with the sale of the bonds and to supplement the tobacco settlement residual subaccount to pay for appropriated obligations of the tobacco settlement recovery account for state fiscal years 2012 and 2013. The commissioner may transfer the amounts available to reduce debt service on outstanding obligations of the general fund to the state bond fund under section 16A.641.

Subd. 13. Supplemental nature of section; construction and purpose. The powers conferred by this section shall be in addition to and supplemental to the powers conferred by any other law, general or special, and may be exercised notwithstanding the provisions of any other such law. Insofar as the provisions of this section are inconsistent with the provisions of any other law, general or special, the provisions of this section shall be controlling.

Subd. 14. Severability. If any provision of this section is held invalid, such provision shall be deemed to be excised and the invalidity thereof shall not affect any of the other provisions of this section. If the application of any provision of this section to any person or circumstance is held invalid, it shall not affect the application of such provision to such persons or circumstances other than those as to which it is held invalid.
