

234.03 DUTIES OF DEPARTMENT.

The department shall carry out this chapter and may:

- (1) make rules that are necessary or desirable to carry out this chapter and consistent with it;
- (2) make reasonable and necessary rules about the construction and maintenance of granaries, cribs, bins, or other receptacles to protect the grain stored in them under this chapter; and
- (3) prepare and have printed under the same conditions as other state printing necessary blanks, forms, and other printed matter, charging a fee for the printed matter that will meet the cost of production.

History: (5077-17) 1935 c 65 s 3; 1971 c 25 s 67; 1985 c 248 s 70; 1989 c 197 art 4 s 1
