

32.105 MILK PROCUREMENT FEE.

Each dairy plant operator within the state must pay to the commissioner on or before the 18th of each month a fee of .71 cents per hundredweight of milk purchased the previous month. If a milk producer within the state ships milk out of the state for sale, the producer must pay the fee to the commissioner unless the purchaser voluntarily pays the fee.

Producers who ship milk out of state or processors must submit monthly reports as to milk purchases along with the appropriate procurement fee to the commissioner. The commissioner may have access to all relevant purchase or sale records as necessary to verify compliance with this section and may require the producer or purchaser to produce records as necessary to determine compliance.

The fees collected under this section must be deposited in the dairy services account in the agricultural fund. Money in the account, including interest earned, is appropriated to the commissioner to administer this chapter.
