If a city adopts a ward redistricting plan less than 19 weeks before either the municipal primary in a year ending in one or before the state primary in a year ending in two, an application for revision of the plan that seeks to affect elections held in that year must be filed with the district court no later than one week after the plan has been adopted, notwithstanding any charter provision.

(c) If a plan for redistricting of a local government election district is adopted at least 15 weeks before the state primary election in a year ending in two, an application for revision of the plan that seeks to affect elections held in the year ending in two must be filed with the district court within three weeks but no later than 14 weeks before the state primary election in the year ending in two. If a plan for redistricting of a local government election district is adopted less than 15 weeks before the state primary election in a year ending in two, an application for revision of the plan that seeks to affect elections held in the year ending in two must be filed with the district court no later than one week after the plan has been adopted.

Subd. 4. **Special elections; limitations.** No municipality or school district may conduct a special election during the 19 weeks before the state primary election in the year ending in two. A school district special election required by any other law may be deferred until the date of the next school district general election, the state primary election, or the state general election.

Subd. 5. **Redistricting expenses.** The county board may levy a tax not to exceed $1 per capita in the year ending in "0" to pay costs incurred in the year ending in "1" or "2" that are

reasonably related to the redistricting of election districts, establishment of precinct boundaries, designation of polling places, and the updating of voter records in the statewide registration system. The county auditor shall distribute to each municipality in the county on a per capita basis 25 percent of the amount levied as provided in this subdivision, based on the population of the municipality in the most recent census. This levy is not subject to statutory levy limits.
