

524.3-1007 CERTIFICATE DISCHARGING LIENS SECURING FIDUCIARY PERFORMANCE.

After the appointment has terminated, the personal representative, the personal representative's sureties, or any successor of either, upon the filing of an application showing, so far as is known by the applicant, that no action concerning the estate is pending in any court, is entitled to receive a certificate from the registrar that the personal representative appears to have fully administered the estate in question. The certificate evidences discharge of any lien on any property given to secure the obligation of the personal representative in lieu of bond or any surety, but does not preclude action against the personal representative or the surety.
