

222.25 CONNECTION WITH OTHER ROAD.

Any railroad company, in the location of its line of road, may cross, intersect, join, or unite its railroad with the constructed railroad of any other company at any point on its route. If the corporations cannot agree upon the amount of compensation to be paid therefor, the same shall be ascertained and determined by condemnation proceedings under the power of eminent domain, as in other cases; and, in case such companies shall disagree as to the place and manner of such crossing or connection, the district court, at the time of appointing commissioners in such condemnation proceedings, upon application of either party, shall prescribe the location and manner in which such crossing or connection shall be made, so as to effect the purpose of the petitioner and do the least injury to the owner. When such order is made, the petitioner, upon filing with the clerk a bond in such amount as shall be accepted by the owner, or as shall, upon reasonable notice, be approved by the judge of the court, conditioned to prosecute the petition with diligence and to pay the owner the amount adjudged by the court in such proceeding and to abide the order of such court in the matter, may immediately proceed to make and operate such crossing or connection.
