

290.06 RATES OF TAX; CREDITS.

Subdivision 1. **Computation, corporations.** The franchise tax imposed upon corporations shall be computed by applying to their taxable income the rate of 9.8 percent.

Subd. 1a. [Repealed, 1990 c 604 art 2 s 21]

Subd. 2. [Repealed, Ex1971 c 31 art 18 s 6]

Subd. 2a. [Repealed, Ex1967 c 32 art 14 s 12]

Subd. 2b. [Repealed, 1980 c 419 s 46]

Subd. 2c. **Schedules of rates for individuals, estates, and trusts.** (a) The income taxes imposed by this chapter upon married individuals filing joint returns and surviving spouses as defined in section 2(a) of the Internal Revenue Code must be computed by applying to their taxable net income the following schedule of rates:

- (1) On the first \$25,680, 5.35 percent;
- (2) On all over \$25,680, but not over \$102,030, 7.05 percent;
- (3) On all over \$102,030, 7.85 percent.

Married individuals filing separate returns, estates, and trusts must compute their income tax by applying the above rates to their taxable income, except that the income brackets will be one-half of the above amounts.

(b) The income taxes imposed by this chapter upon unmarried individuals must be computed by applying to taxable net income the following schedule of rates:

- (1) On the first \$17,570, 5.35 percent;
- (2) On all over \$17,570, but not over \$57,710, 7.05 percent;
- (3) On all over \$57,710, 7.85 percent.

(c) The income taxes imposed by this chapter upon unmarried individuals qualifying as a head of household as defined in section 2(b) of the Internal Revenue Code must be computed by applying to taxable net income the following schedule of rates:

- (1) On the first \$21,630, 5.35 percent;
- (2) On all over \$21,630, but not over \$86,910, 7.05 percent;
- (3) On all over \$86,910, 7.85 percent.

(d) In lieu of a tax computed according to the rates set forth in this subdivision, the tax of any individual taxpayer whose taxable net income for the taxable year is less than an amount determined by the commissioner must be computed in accordance with tables prepared and issued by the commissioner of revenue based on income brackets of not more than \$100. The amount of tax for each bracket shall be computed at the rates set forth in this subdivision, provided that the commissioner may disregard a fractional part of a dollar unless it amounts to 50 cents or more, in which case it may be increased to \$1.

(e) An individual who is not a Minnesota resident for the entire year must compute the individual's Minnesota income tax as provided in this subdivision. After the application of the nonrefundable credits provided in this chapter, the tax liability must then be multiplied by a fraction in which:

(1) the numerator is the individual's Minnesota source federal adjusted gross income as defined in section 62 of the Internal Revenue Code and increased by the additions required under section 290.01, subdivision 19a, clauses (1), (5), (6), (7), (8), (9), (12), (13), and (16) to (18), and reduced by the Minnesota assignable portion of the subtraction for United States government interest under section 290.01, subdivision 19b, clause (1), and the subtractions under section 290.01, subdivision 19b, clauses (8), (9), (13), (14), (16), and (17), after applying the allocation and assignability provisions of section 290.081, clause (a), or 290.17; and

(2) the denominator is the individual's federal adjusted gross income as defined in section 62 of the Internal Revenue Code of 1986, increased by the amounts specified in section 290.01, subdivision 19a, clauses (1), (5), (6), (7), (8), (9), (12), (13), and (16) to (18), and reduced by the amounts specified in section 290.01, subdivision 19b, clauses (1), (8), (9), (13), (14), (16), and (17).

Subd. 2d. Inflation adjustment of brackets. (a) For taxable years beginning after December 31, 2000, the minimum and maximum dollar amounts for each rate bracket for which a tax is imposed in subdivision 2c shall be adjusted for inflation by the percentage determined under paragraph (b). For the purpose of making the adjustment as provided in this subdivision all of the rate brackets provided in subdivision 2c shall be the rate brackets as they existed for taxable years beginning after December 31, 1999, and before January 1, 2001. The rate applicable to any rate bracket must not be changed. The dollar amounts setting forth the tax shall be adjusted to reflect the changes in the rate brackets. The rate brackets as adjusted must be rounded to the nearest \$10 amount. If the rate bracket ends in \$5, it must be rounded up to the nearest \$10 amount.

(b) The commissioner shall adjust the rate brackets and by the percentage determined pursuant to the provisions of section 1(f) of the Internal Revenue Code, except that in section 1(f)(3)(B) the word "1999" shall be substituted for the word "1992." For 2001, the commissioner shall then determine the percent change from the 12 months ending on August 31, 1999, to the 12 months ending on August 31, 2000, and in each subsequent year, from the 12 months ending on August 31, 1999, to the 12 months ending on August 31 of the year preceding the taxable year. The determination of the commissioner pursuant to this subdivision shall not be considered a "rule" and shall not be subject to the Administrative Procedure Act contained in chapter 14.

No later than December 15 of each year, the commissioner shall announce the specific percentage that will be used to adjust the tax rate brackets.

Subd. 22. **Credit for taxes paid to another state.** (a) A taxpayer who is liable for taxes based on net income to another state, as provided in paragraphs (b) through (f), upon income allocated or apportioned to Minnesota, is entitled to a credit for the tax paid to another state if the tax is actually paid in the taxable year or a subsequent taxable year. A taxpayer who is a resident of this state pursuant to section 290.01, subdivision 7, paragraph (b), and who is subject to income tax as a resident in the state of the individual's domicile is not allowed this credit unless the state of domicile does not allow a similar credit.

(b) For an individual, estate, or trust, the credit is determined by multiplying the tax payable under this chapter by the ratio derived by dividing the income subject to tax in the other state that is also subject to tax in Minnesota while a resident of Minnesota by the taxpayer's federal adjusted gross income, as defined in section 62 of the Internal Revenue Code, modified by the addition required by section 290.01, subdivision 19a, clause (1), and the subtraction allowed by section 290.01, subdivision 19b, clause (1), to the extent the income is allocated or assigned to Minnesota under sections 290.081 and 290.17.

(c) If the taxpayer is an athletic team that apportions all of its income under section 290.17, subdivision 5, the credit is determined by multiplying the tax payable under this chapter by the ratio derived from dividing the total net income subject to tax in the other state by the taxpayer's Minnesota taxable income.

(d) The credit determined under paragraph (b) or (c) shall not exceed the amount of tax so paid to the other state on the gross income earned within the other state subject to tax under this chapter, nor shall the allowance of the credit reduce the taxes paid under this chapter to an amount less than what would be assessed if such income amount was excluded from taxable net income.

(e) In the case of the tax assessed on a lump-sum distribution under section 290.032, the credit allowed under paragraph (a) is the tax assessed by the other state on the lump-sum distribution that is also subject to tax under section 290.032, and shall not exceed the tax assessed under section 290.032. To the extent the total lump-sum distribution defined in section 290.032, subdivision 1, includes lump-sum distributions received in prior years or is all or in part an annuity contract, the reduction to the tax on the lump-sum distribution allowed under section 290.032, subdivision 2, includes tax paid to another state that is properly apportioned to that distribution.

(f) If a Minnesota resident reported an item of income to Minnesota and is assessed tax in such other state on that same income after the Minnesota statute of limitations has expired, the taxpayer shall receive a credit for that year under paragraph (a), notwithstanding any statute of limitations to the contrary. The claim for the credit must be submitted within one year from the date the taxes were paid to the other state. The taxpayer must submit sufficient proof to show entitlement to a credit.

(g) For the purposes of this subdivision, a resident shareholder of a corporation treated as an "S" corporation under section 290.9725, must be considered to have paid a tax imposed on the shareholder in an amount equal to the shareholder's pro rata share of any net income tax paid by the S corporation to another state. For the purposes of the preceding sentence, the term "net income tax" means any tax imposed on or measured by a corporation's net income.

(h) For the purposes of this subdivision, a resident partner of an entity taxed as a partnership under the Internal Revenue Code must be considered to have paid a tax imposed on the partner in an amount equal to the partner's pro rata share of any net income tax paid by the partnership to another state. For purposes of the preceding sentence, the term "net income" tax means any tax imposed on or measured by a partnership's net income.

(i) For the purposes of this subdivision, "another state":

(1) includes:

(i) the District of Columbia; and

(ii) a province or territory of Canada; but

(2) excludes Puerto Rico and the several territories organized by Congress.

(j) The limitations on the credit in paragraphs (b), (c), and (d), are imposed on a state by state basis.

(k) For a tax imposed by a province or territory of Canada, the tax for purposes of this subdivision is the excess of the tax over the amount of the foreign tax credit allowed under section 27 of the Internal Revenue Code. In determining the amount of the foreign tax credit allowed, the net income taxes imposed by Canada on the income are deducted first. Any remaining amount of the allowable foreign tax credit reduces the provincial or territorial tax that qualifies for the credit under this subdivision.

Subd. 22a. **Nonresident's credit for taxes paid to state of domicile.** (a) Notwithstanding subdivision 22, a nonresident who is subject to tax in this state on the gain on the sale of a partnership interest, which is allocable to this state under section 290.17, subdivision 2, paragraph (c), is allowed a credit for the tax paid to the state of the individual's domicile upon the gain in the taxable year or a subsequent taxable year. This credit is only allowed if the state of domicile does not allow a credit for the tax paid to Minnesota on the gain.

(b) For purposes of this subdivision, the credit equals the tax paid to the state of domicile multiplied by the ratio derived by dividing the amount of gain on the sale of the partnership interest subject to tax in the other state that is also subject to tax in Minnesota by the taxpayer's federal adjusted gross income, as defined in section 62 of the Internal Revenue Code. The credit allowed may not reduce the taxes paid under this chapter to an amount less than the tax that would apply if the gain were excluded from taxable net income.

(c) If a nonresident taxpayer reported the gain to Minnesota and is assessed tax in the state of domicile on that same income after the Minnesota statute of limitations has expired, the taxpayer is allowed a credit for that year, notwithstanding any statute of limitations to the contrary. The claim for the credit must be submitted within one year from the date the taxes were paid to the state of domicile and the taxpayer must submit sufficient proof to show entitlement to a credit.

(d) For the purposes of this subdivision, "another state" includes the District of Columbia, but does not include Puerto Rico or the several territories organized by Congress.

Subd. 23. Refund of contributions to political parties and candidates. (a) A taxpayer may claim a refund equal to the amount of the taxpayer's contributions made in the calendar year to candidates and to a political party. The maximum refund for an individual must not exceed \$50 and for a married couple, filing jointly, must not exceed \$100. A refund of a contribution is allowed only if the taxpayer files a form required by the commissioner and attaches to the form a copy of an official refund receipt form issued by the candidate or party and signed by the candidate, the treasurer of the candidate's principal campaign committee, or the chair or treasurer of the party unit, after the contribution was received. The receipt forms must be numbered, and the data on the receipt that are not public must be made available to the campaign finance and public disclosure board upon its request. A claim must be filed with the commissioner no sooner than January 1 of the calendar year in which the contribution was made and no later than April 15 of the calendar year following the calendar year in which the contribution was made. A taxpayer may file only one claim per calendar year. Amounts paid by the commissioner after June 15 of the calendar year following the calendar year in which the contribution was made must include interest at the rate specified in section 270C.405.

(b) No refund is allowed under this subdivision for a contribution to a candidate unless the candidate:

- (1) has signed an agreement to limit campaign expenditures as provided in section 10A.322;
 - (2) is seeking an office for which voluntary spending limits are specified in section 10A.25;
- and
- (3) has designated a principal campaign committee.

This subdivision does not limit the campaign expenditures of a candidate who does not sign an agreement but accepts a contribution for which the contributor improperly claims a refund.

(c) For purposes of this subdivision, "political party" means a major political party as defined in section 200.02, subdivision 7, or a minor political party qualifying for inclusion on the income tax or property tax refund form under section 10A.31, subdivision 3a.

A "major party" or "minor party" includes the aggregate of that party's organization within each house of the legislature, the state party organization, and the party organization within congressional districts, counties, legislative districts, municipalities, and precincts.

"Candidate" means a candidate as defined in section 10A.01, subdivision 10, except a candidate for judicial office.

"Contribution" means a gift of money.

(d) The commissioner shall make copies of the form available to the public and candidates upon request.

(e) The following data collected or maintained by the commissioner under this subdivision are private: the identities of individuals claiming a refund, the identities of candidates to whom those individuals have made contributions, and the amount of each contribution.

(f) The commissioner shall report to the campaign finance and public disclosure board by each August 1 a summary showing the total number and aggregate amount of political contribution refunds made on behalf of each candidate and each political party. These data are public.

(g) The amount necessary to pay claims for the refund provided in this section is appropriated from the general fund to the commissioner of revenue.

(h) For a taxpayer who files a claim for refund via the Internet or other electronic means, the commissioner may accept the number on the official receipt as documentation that a contribution was made rather than the actual receipt as required by paragraph (a).

Subd. 25. [Repealed, 1Sp2001 c 5 art 7 s 66]

Subd. 26. [Repealed, 1Sp2001 c 5 art 9 s 30]

Subd. 27. **Tax paid to another state; corporations.** (a) A credit is allowed against the tax imposed under subdivision 1 for tax paid to another state based on net income. The credit must be claimed in a manner prescribed by the commissioner.

(b) The amount of the credit equals the amount of qualifying tax paid to the other state for the taxable year, multiplied by the taxpayer's apportionment percentage under section 290.191. If the item of income or gain is assigned to Minnesota as nonbusiness income, the entire amount of the qualifying tax is allowed as a credit. The maximum amount of the credit is limited to the tax liability under subdivision 1 for the taxable year and, in no case, may the credit exceed the reduction in the amount of tax under subdivision 1 if the item of income or gain were excluded from net income.

(c) For purposes of this subdivision, "qualifying tax" means the amount of tax paid to another state on an item of income or gain for the taxable year, if:

(1) the law of another state requires and the taxpayer assigns the entire amount of the income or gain to one other state; and

(2) the income or gain is included in the measure of the exercise of the corporate franchise that is taxable under subdivision 1.

(d) The amount of tax paid to another state on an item of income or gain is the difference between the tax paid to the state and the amount of tax that would have been paid to the state if the item of income or gain had not been included in the net income of that state.

(e) The taxpayer must report to the commissioner of revenue any change in tax in the other state, the change in qualifying tax, and a copy of the final determination of the tax by the taxing authority of the other state. A taxpayer who claims the credit consents to extend the period of limitation for the commissioner to recompute the credit and reassess the tax due, including a refund, for a period of one year following a report by the taxpayer of a final determination of tax by the state in which the entire amount of income or gain is reported, notwithstanding any period of limitations to the contrary, or within any applicable period of limitations, whichever is longer. If a taxpayer fails to report as required by this paragraph, the commissioner may recompute the tax, including a refund, based on the information available to the commissioner. The tax may be recomputed within six years after the report should have been filed, notwithstanding any period of limitations to the contrary.

Subd. 28. **Credit for transit passes.** A taxpayer may take a credit against the tax due under this chapter equal to 30 percent of the expense incurred by the taxpayer to provide transit passes, for use in Minnesota, to employees of the taxpayer. As used in this subdivision, "transit pass" has the meaning given in section 132(f)(5)(A) of the Internal Revenue Code. If the taxpayer purchases the transit passes from the transit system operator, and resells them to the employees, the credit is based on the amount of the difference between the price paid for the passes by the employer and the amount charged to employees.

Subd. 29. **Job opportunity building zone job credit.** A taxpayer that is a qualified business, as defined in section 469.310, subdivision 11, is allowed a credit as determined under section 469.318 against the tax imposed by this chapter.

Subd. 30. **Biotechnology and health science industry zone job credit.** A taxpayer that is a qualified business, as defined in section 469.330, subdivision 11, is allowed a credit as determined under section 469.338 against the franchise tax imposed under section 290.06, subdivision 1, or the alternative minimum tax imposed under section 290.0921.

Subd. 31. **Biotechnology and health science industry zone research and development credit.** A taxpayer that is a qualified business, as defined in section 469.330, subdivision 11, is allowed a credit as determined under section 469.339 against the franchise tax imposed under section 290.06, subdivision 1, or the alternative minimum tax imposed under section 290.0921.

Subd. 32. [Repealed, 2012 c 294 art 2 s 43]

Subd. 33. **Bovine testing credit.** (a) An owner of cattle in Minnesota may take a credit against the tax due under this chapter for an amount equal to: (1) for corporate filers, including shareholders of an S corporation under section 290.9725, 25 percent of the expenses incurred during the taxable year to conduct tuberculosis testing on those cattle; and (2) for all other filers, one-half the expenses incurred during the taxable year to conduct tuberculosis testing on those cattle.

(b) If the amount of credit which the taxpayer is eligible to receive under this subdivision exceeds the taxpayer's tax liability under this chapter, the commissioner of revenue shall refund the excess to the taxpayer.

(c) The amount necessary to pay claims for the refund provided in this subdivision is appropriated from the general fund to the commissioner of revenue.

(d) Expenses incurred in a calendar year in which tuberculosis testing of cattle in Minnesota is not federally required are not allowed in claiming the credit under paragraph (a).

Subd. 34. [Repealed, 2010 c 216 s 62]

Subd. 35. **Seed capital investment credit.** (a) An individual, estate, or trust is allowed a credit against the tax imposed by this chapter for investments in a qualifying business certified under section 116J.8732, subdivision 3. The credit equals 45 percent of the amount invested by the taxpayer in qualified businesses during the taxable year. The credit must not exceed \$112,500 for each taxable year.

(b) A pass-through entity that invests in a qualified business must be considered to be the taxpayer for purposes of the investment limitations in this subdivision and the amount of the credit allowed with respect to a pass-through entity's investment in a qualified business must be determined at the pass-through entity level. The amount of the total credit determined at the pass-through entity level must be allowed to the members in proportion to their respective interests in the pass-through entity.

(c) An investment made in a qualified business from the assets of a retirement plan is deemed to be the retirement plan participant's investment for the purpose of this subdivision if a separate account is maintained for the plan participant and the participant directly controls where the account assets are invested.

(d) The investment must be made on or after the certification effective date and must be at risk in the business to be eligible for the tax credit under this subdivision. An investment for which a credit is received under this subdivision must remain in the qualified business for at least three years. Investments placed in escrow do not qualify for the credit.

(e) The entire amount of an investment for which a credit is claimed under this subdivision must be expended by the qualified business for plant, equipment, research and development, marketing and sales activity, or working capital for the qualified business.

(f) A taxpayer who owns a controlling interest in the qualified business or who receives more than 50 percent of the taxpayer's gross annual income from the qualified business is not entitled to a credit under this subdivision. A member of the immediate family of a taxpayer disqualified by this subdivision is not entitled to the credit under this subdivision. For purposes of this subdivision, "immediate family" means the taxpayer's spouse, parent, sibling, or child or the spouse of any such person.

(g) The commissioner may disallow any credit otherwise allowed under this subdivision if any representation by a business in the application for certification as a qualified business proves to be false or if the taxpayer or qualified business fails to satisfy any conditions under this subdivision or section 116J.8732 or any conditions consistent with those requirements otherwise determined by the commissioner. The commissioner has four years after the due date of the return or after the return was filed, whichever period expires later, to audit the credit and assess additional tax that may be found due to failure to comply with the provisions of this subdivision and section 116J.8732. The amount of any credit disallowed by the commissioner that reduced the taxpayer's income tax liability for any or all applicable tax years, plus penalty and interest as provided under chapter 289A, must be paid by the taxpayer.

(h) If the amount of the credit under this subdivision for any taxable year exceeds the limitations under paragraph (a), the excess is a credit carryover to each of the four succeeding taxable years. The entire amount of the excess unused credit for the taxable year must be carried first to the earliest of the taxable years to which the credit may be carried. The amount of the unused credit that may be added under this paragraph may not exceed the taxpayer's liability for tax, less the credit for the taxable year. Each year, the aggregate amount of seed capital investment

tax credit allowed for investments under this subdivision is limited to allocations that a border city has available for tax reductions in border city enterprise zones under section 469.169. The city must annually notify the commissioner of the amount of its section 469.169 allocations that it wishes to use to provide credits under this paragraph and the commissioner, after verifying the available allocation, shall implement the limit under this paragraph. If investments in qualified businesses reported to the commissioner exceed the limit on credits for investments imposed by this subdivision, the credit must be allowed to taxpayers in the chronological order of their investments in qualified businesses as determined from the forms filed under section 116J.8732.
