A change in choice of investment option is effective at the end of the most recent United States investment market day.

Subd. 5. **Unclaimed benefits.** If the beneficiary, surviving spouse or estate has not made application for benefits within ten years after the date of the death of a participant, the value of the shares is appropriated to the general state employees retirement fund and the provisions of section 352.12, subdivision 12, govern. If a former participant fails to make a claim for benefits within five years after the termination of covered service or by age 70, whichever is later, the value of the shares is appropriated to the general state employees retirement fund and the provisions of section 352.22, subdivision 8, apply.

Subd. 5a. **Small balance accounts.** If a former participant who contributed less than \$500 in employee contributions cannot be contacted by the system for five or more years, the value of the shares shall be appropriated to the general employees retirement fund, but upon subsequent contact by the former employee the account shall be reinstated to the amount that would have been payable had the money been left in the unclassified plan.

Subd. 6. [Repealed, 1994 c 528 art 1 s 15]

Subd. 7. **Administrative fees.** The board of directors shall establish a budget and charge participants a reasonable fee to pay the administrative expenses of the unclassified program. 352D.11 PURCHASE OF PRIOR SERVICE CREDIT.

Subdivision 1. **Eligibility.** A qualified legislative employee may purchase prior service credit from the Minnesota State Retirement System for service for which the employee did not

receive service credit from the state retirement system. An employee is qualified to purchase prior service credit only if:

(1) the employee is a permanent employee of the senate, the house of representatives, or of a joint legislative agency or legislative commission, or a former permanent employee of the senate, the house of representatives, or of a joint legislative agency or legislative commission who has not withdrawn the value of shares in the unclassified program; and

(2) before permanent employment the employee served as a temporary, intermittent, or contract employee of the senate, the house of representatives, a joint legislative staff agency, or a legislative commission.

Subd. 2. Payments by employee. An employee entitled to purchase service credit may make the purchase by paying to the state retirement system an amount equal to the current employee contribution rate in effect for the state retirement system applied to the current or final salary rate multiplied by the months and days of prior temporary, intermittent, or contract legislative service. Payment shall be made in one lump sum unless the executive director of the state retirement system agrees to accept payment in installments over a period of not more than three years from the date of the agreement. Installment payments shall be charged interest at an annual rate of 8.5 percent compounded annually.

Subd. 3. Certification. Proof of all legislative employment and the duration of all legislative employment shall be established for current or former employees by certification of the appropriate employer:

(1) by the Committee on Rules and Administration of the senate;

(2) by the Committee on Rules and Legislative Administration of the house of representatives; or

(3) by the agency director or commission chair for service as an employee of a joint legislative staff agency or legislative commission.

Certification to the executive director of the state retirement system shall include the exact period or periods of employment for which the employee or qualified former employee is entitled to obtain service credit. Service credit shall be computed and granted upon receiving payment based on the relationship that the temporary, intermittent, or contract service bears to full-time employment.

Subd. 4. Employer contributions. Employee payments to the state retirement system authorized by this section shall be matched by the current employer of the qualified employee from the appropriation made to the respective legislative expense funds or the appropriation available to the agency or commission. If the qualified employee is a participant in the unclassified program at the time of payment, payments by the employee and employer shall be used to purchase shares in the Minnesota supplemental retirement fund.

352D.12 TRANSFER OF PRIOR SERVICE CONTRIBUTIONS.

(a) An employee who is a participant in the unclassified program and who has prior service credit in a covered plan under chapter 352, 353, 354, 354A, or 422A may, within the time limits specified in this section, elect to transfer to the unclassified program prior service contributions to one or more of those plans.

(b) For participants with prior service credit in a plan governed by chapter 352, 353, 354, 354A, or 422A, "prior service contributions" means the accumulated employee and equal employer contributions with interest at an annual rate of 8.5 percent compounded annually, based on fiscal year balances.

(c) If a participant has taken a refund from a retirement plan listed in this section, the participant may repay the refund to that plan, notwithstanding any restrictions on repayment to that plan, plus 8.5 percent interest compounded annually and have the accumulated employee and equal employer contributions transferred to the unclassified program with interest at an annual rate of 8.5 percent compounded annually based on fiscal year balances. If a person repays a refund and subsequently elects to have the money transferred to the unclassified program, the repayment amount, including interest, is added to the fiscal year balance in the year which the repayment was made.

(d) A participant electing to transfer prior service contributions credited to a retirement plan governed by chapter 352, 353, 354, 354A, or 422A as provided under this section must complete a written application for the transfer and repay any refund within one year of the commencement of the employee's participation in the unclassified program.
