

3D.11 RECOMMENDATIONS.

(a) In its report on a state agency, the commission shall:

(1) make recommendations on the abolition, continuation, or reorganization of each affected state agency and its advisory committees and on the need for the performance of the functions of the agency and its advisory committees;

(2) make recommendations on the consolidation, transfer, or reorganization of programs within state agencies not under review when the programs duplicate functions performed in agencies under review; and

(3) make recommendations to improve the operations of the agency, its policy body, and its advisory committees, including management recommendations that do not require a change in the agency's enabling statute.

(b) The commission shall include the estimated fiscal impact of its recommendations and may recommend appropriation levels for certain programs to improve the operations of the state agency.

(c) The commission shall have drafts of legislation prepared to carry out the commission's recommendations under this section, including legislation necessary to continue the existence of agencies that would otherwise sunset if the commission recommends continuation of an agency.

(d) After the legislature acts on the report under section 3D.09, the commission shall present to the legislative auditor the commission's recommendations that do not require a statutory change to be put into effect. Subject to the legislative audit commission's approval, the legislative auditor may examine the recommendations and include as part of the next audit of the agency a report on whether the agency has implemented the recommendations and, if so, in what manner.
