

27.11 SHIPMENTS ON CONSIGNMENT.

When any dealer at wholesale to whom produce has been shipped or consigned for sale on a commission basis or on consignment or under any circumstances wherein the title to the produce remains with the shipper, has received the same, the dealer shall, within a reasonable time thereafter, make a written report to the shipper, which report shall include the exact time of arrival, the quantity, quality, and price per unit of the produce and at the same time shall pay the shipper the net amount due.
