

48.31 STATE BANKS ORGANIZED FROM NATIONAL BANKS.

When any national bank authorized to dissolve has taken the necessary steps for that purpose, a majority of its directors, upon authority, in writing, of the owners of two-thirds of the capital stock and the approval of the commissioner, may execute a certificate of incorporation under the provisions of this chapter, which, in addition to the other requirements of law, shall state the authority derived from the stockholders of the national bank; and, upon recording and publishing this certificate, as provided by law, it shall become a legal state bank. Thereupon the assets, real and personal, of the dissolved bank, subject to its liabilities not liquidated under the federal law before this incorporation, shall vest in and become the property of the state bank.
