

120B.11 SCHOOL DISTRICT PROCESS FOR REVIEWING CURRICULUM, INSTRUCTION, AND STUDENT ACHIEVEMENT; STRIVING FOR THE WORLD'S BEST WORKFORCE.

Subdivision 1. **Definitions.** For the purposes of this section and section 120B.10, the following terms have the meanings given them.

(a) "Instruction" means methods of providing learning experiences that enable a student to meet state and district academic standards and graduation requirements.

(b) "Curriculum" means district or school adopted programs and written plans for providing students with learning experiences that lead to expected knowledge and skills and career and college readiness.

(c) "World's best workforce" means striving to: meet school readiness goals; have all third grade students achieve grade-level literacy; close the academic achievement gap among all racial and ethnic groups of students and between students living in poverty and students not living in poverty; have all students attain career and college readiness before graduating from high school; and have all students graduate from high school.

Subd. 1a. **Performance measures.** Measures to determine school district and school site progress in striving to create the world's best workforce must include at least:

- (1) student performance on the National Association of Education Progress;
- (2) the size of the academic achievement gap by student subgroup;
- (3) student performance on the Minnesota Comprehensive Assessments;
- (4) high school graduation rates; and
- (5) career and college readiness under section 120B.30, subdivision 1.

Subd. 2. **Adopting plans and budgets.** A school board, at a public meeting, shall adopt a comprehensive, long-term strategic plan to support and improve teaching and learning that is aligned with creating the world's best workforce and includes:

(1) clearly defined district and school site goals and benchmarks for instruction and student achievement for all student subgroups identified in section 120B.35, subdivision 3, paragraph (b), clause (2);

(2) a process for assessing and evaluating each student's progress toward meeting state and local academic standards and identifying the strengths and weaknesses of instruction in pursuit of student and school success and curriculum affecting students' progress and growth toward career and college readiness and leading to the world's best workforce;

(3) a system to periodically review and evaluate the effectiveness of all instruction and curriculum, taking into account strategies and best practices, student outcomes, school principal evaluations under section 123B.147, subdivision 3, and teacher evaluations under section 122A.40, subdivision 8, or 122A.41, subdivision 5;

(4) strategies for improving instruction, curriculum, and student achievement;

(5) education effectiveness practices that integrate high-quality instruction, rigorous curriculum, technology, and a collaborative professional culture that develops and supports teacher quality, performance, and effectiveness; and

(6) an annual budget for continuing to implement the district plan.

Subd. 3. **District advisory committee.** Each school board shall establish an advisory committee to ensure active community participation in all phases of planning and improving the instruction and curriculum affecting state and district academic standards, consistent with subdivision 2. A district advisory committee, to the extent possible, shall reflect the diversity of the district and its school sites, and shall include teachers, parents, support staff, students, and other community residents. The district may establish site teams as subcommittees of the district advisory committee under subdivision 4. The district advisory committee shall recommend to the school board rigorous academic standards, student achievement goals and measures consistent with subdivision 1a and sections 120B.022, subdivision 1, paragraphs (b) and (c), and 120B.35, district assessments, and program evaluations. School sites may expand upon district evaluations of instruction, curriculum, assessments, or programs. Whenever possible, parents and other community residents shall comprise at least two-thirds of advisory committee members.

Subd. 4. **Site team.** A school may establish a site team to develop and implement strategies and education effectiveness practices to improve instruction, curriculum, and student achievement at the school site, consistent with subdivision 2. The team advises the board and the advisory committee about developing the annual budget and revising an instruction and curriculum improvement plan that aligns curriculum, assessment of student progress, and growth in meeting state and district academic standards and instruction.

Subd. 5. **Report.** Consistent with requirements for school performance reports under section 120B.36, subdivision 1, the school board shall publish a report in the local newspaper with the largest circulation in the district, by mail, or by electronic means on the district Web site. The school board shall hold an annual public meeting to review, and revise where appropriate, student achievement goals, local assessment outcomes, plans, strategies, and practices for improving curriculum and instruction, and to review district success in realizing the previously adopted student achievement goals and related benchmarks and the improvement plans leading to the world's best workforce. The school board must transmit an electronic summary of its report to the commissioner in the form and manner the commissioner determines.

Subd. 6. [Repealed by amendment, 2013 c 116 art 2 s 6]

Subd. 7. **Periodic report.** Each school district shall periodically survey affected constituencies about their connection to and level of satisfaction with school. The district shall include the results of this evaluation in the summary report required under subdivision 5.

Subd. 8. [Repealed by amendment, 2013 c 116 art 2 s 6]

Subd. 9. **Annual evaluation.** (a) The commissioner must identify effective strategies, practices, and use of resources by districts and school sites in striving for the world's best workforce. The commissioner must assist districts and sites throughout the state in implementing these effective strategies, practices, and use of resources.

(b) The commissioner must identify those districts in any consecutive three-year period not making sufficient progress toward improving teaching and learning and striving for the world's best workforce. The commissioner, in collaboration with the identified district, may require the district to use up to two percent of its basic general education revenue per fiscal year during the proximate three school years to implement commissioner-specified strategies and practices, consistent with paragraph (a), to improve and accelerate its progress in realizing its goals under

this section. In implementing this section, the commissioner must consider districts' budget constraints and legal obligations.
