Subd. 2. **Statewide testing.** Each school year, all school districts shall give a uniform statewide test to students at specified grades to provide information on the status, needs and performance of Minnesota students.

Subd. 3. [Repealed, 2012 c 239 art 2 s 21]

Subd. 4. **Student performance data.** In developing policies and assessment processes to hold schools and districts accountable for high levels of academic standards under section 120B.021, the commissioner shall aggregate student data over time to report student performance and growth levels measured at the school, school district, and statewide level. When collecting and reporting the performance data, the commissioner shall organize and report the data so that state and local policy makers can understand the educational implications of changes in districts' demographic profiles over time. Any report the commissioner disseminates containing summary data on student performance must integrate student performance and the demographic factors that strongly correlate with that performance.
