The chair of the P-16 education partnership must convene the first meeting of the P-20 partnership. The partnership will also seek input from nonmember organizations whose expertise can help inform the partnership's work.

Partnership members shall be represented by the chief executives, presidents, or other formally designated leaders of their respective organizations, or their designees. The partnership shall meet at least three times during each calendar year.

Subd. 2. **Powers and duties; report.** (a) The partnership shall develop recommendations to the governor and the legislature designed to maximize the achievement of all P-20 students while promoting the efficient use of state resources, thereby helping the state realize the maximum value for its investment. These recommendations may include, but are not limited to, strategies, policies, or other actions focused on:

(1) improving the quality of and access to education at all points from preschool through graduate education;

(2) improving preparation for, and transitions to, postsecondary education and work; and

(3) ensuring educator quality by creating rigorous standards for teacher recruitment, teacher preparation, induction and mentoring of beginning teachers, and continuous professional development for career teachers.

(b) Under the direction of the P-20 Education Partnership Statewide Longitudinal Education Data System Governance Committee, the Office of Higher Education and the Departments of Education and Employment and Economic Development shall improve and expand the Statewide Longitudinal Education Data System (SLEDS) to provide policymakers, education and workforce leaders, researchers, and members of the public with data, research, and reports to:

(1) expand reporting on students' educational outcomes;

(3) evaluate the relationship between education and workforce outcomes.

To the extent possible under federal and state law, research and reports should be accessible to the public on the Internet, and disaggregated by demographic characteristics, organization or organization characteristics, and geography.

It is the intent of the legislature that the Statewide Longitudinal Education Data System inform public policy and decision-making. The SLEDS governance committee, with assistance from staff of the Office of Higher Education, the Department of Education, and the Department of Employment and Economic Development, shall respond to legislative committee and agency requests on topics utilizing data made available through the Statewide Longitudinal Education Data System as resources permit. Any analysis of or report on the data must contain only summary data.

(c) By January 15 of each year, the partnership shall submit a report to the governor and to the chairs and ranking minority members of the legislative committees and divisions with jurisdiction over P-20 education policy and finance that summarizes the partnership's progress in meeting its goals and identifies the need for any draft legislation when necessary to further the goals of the partnership to maximize student achievement while promoting efficient use of resources.
