

144A.351 BALANCING LONG-TERM CARE SERVICES AND SUPPORTS: REPORT REQUIRED.

The commissioners of health and human services, with the cooperation of counties and in consultation with stakeholders, including persons who need or are using long-term care services and supports, lead agencies, regional entities, senior, disability, and mental health organization representatives, service providers, and community members shall prepare a report to the legislature by August 15, 2013, and biennially thereafter, regarding the status of the full range of long-term care services and supports for the elderly and children and adults with disabilities and mental illnesses in Minnesota. The report shall address:

- (1) demographics and need for long-term care services and supports in Minnesota;
- (2) summary of county and regional reports on long-term care gaps, surpluses, imbalances, and corrective action plans;
- (3) status of long-term care services and related mental health services, housing options, and supports by county and region including:
 - (i) changes in availability of the range of long-term care services and housing options;
 - (ii) access problems, including access to the least restrictive and most integrated services and settings, regarding long-term care services; and
 - (iii) comparative measures of long-term care services availability, including serving people in their home areas near family, and changes over time; and
- (4) recommendations regarding goals for the future of long-term care services and supports, policy and fiscal changes, and resource development and transition needs.
