

148.624 LICENSURE; RENEWAL.

Subdivision 1. **Dietetics.** The board shall issue a license as a dietitian to a person who files a completed application, pays all required fees, and certifies and furnishes evidence satisfactory to the board that the applicant:

(1) meets the following qualifications:

(i) has received a baccalaureate or postgraduate degree from a United States regionally accredited college or university with a major in dietetics, human nutrition, nutrition education, food and nutrition, or food services management;

(ii) has completed a documented supervised preprofessional practice experience component in dietetic practice of not less than 900 hours under the supervision of a registered dietitian, a state licensed nutrition professional, or an individual with a doctoral degree conferred by a United States regionally accredited college or university with a major course of study in human nutrition, nutrition education, food and nutrition, dietetics, or food systems management. Supervised practice experience must be completed in the United States or its territories. Supervisors who obtain their doctoral degree outside the United States and its territories must have their degrees approved by the board as equivalent to the doctoral degree conferred by a United States regionally accredited college or university; and

(iii) has successfully completed the registration examination for dietitians administered by the commission; or

(2) has a valid current registration with the commission which gives the applicant the right to use the term "registered dietitian" or "RD."

Subd. 2. **Nutrition.** The board shall issue a license as a nutritionist to a person who files a completed application, pays all required fees, and certifies and furnishes evidence satisfactory to the board that the applicant:

(1) meets the following qualifications:

(i) has received a master's or doctoral degree from an accredited or approved college or university with a major in human nutrition, public health nutrition, clinical nutrition, nutrition education, community nutrition, or food and nutrition; and

(ii) has completed a documented supervised preprofessional practice experience component in dietetic practice of not less than 900 hours under the supervision of a registered dietitian, a state licensed nutrition professional, or an individual with a doctoral degree conferred by a United States regionally accredited college or university with a major course of study in human nutrition, nutrition education, food and nutrition, dietetics, or food systems management. Supervised practice experience must be completed in the United States or its territories. Supervisors who obtain their doctoral degree outside the United States and its territories must have their degrees validated as equivalent to the doctoral degree conferred by a United States regionally accredited college or university; or

(2) has received certification as a Certified Nutrition Specialist by the Certification Board for Nutrition Specialists.

Subd. 3. **Petition.** (a) The board may issue a license as a nutritionist to a person who submits to the board a petition for individual review, provided the person has received a master's or doctoral degree from an accredited college or university with a major course of study that

includes an emphasis in human nutrition and has completed a supervised preprofessional experience component in nutrition practice of not less than 900 hours under the supervision of a registered dietitian, a state licensed health care practitioner, or an individual with a doctoral degree conferred by a United States regionally accredited college or university with a major course of study in human nutrition, nutrition education, food and nutrition, dietetics, or food system management. Supervised practice experience must be completed in the United States or its territories. Supervisors who obtain their degree outside the United States and its territories must have their degrees approved by the board as equivalent to a comparable degree conferred by a United States regionally accredited college or university.

(b) The board may issue a license as a dietitian or nutritionist to an applicant who has completed a course of study at a foreign college or university, if the applicant:

(1) submits a petition for individual review;

(2) successfully completes a course of study approved by the board as equivalent to a baccalaureate or master's degree conferred by a United States regionally accredited college or university; and

(3) meets the applicable experiential requirements set by the board.

Subd. 4. **Renewal.** Licensees shall renew licenses at the time and in the manner established by the rules of the board.
