

256L.05 APPLICATION PROCEDURES.

Subdivision 1. **Application assistance and information availability.** (a) Applicants may submit applications online, in person, by mail, or by phone in accordance with the Affordable Care Act, and by any other means by which medical assistance applications may be submitted. Applicants may submit applications through MNsure or through the MinnesotaCare program. Applications and application assistance must be made available at provider offices, local human services agencies, school districts, public and private elementary schools in which 25 percent or more of the students receive free or reduced price lunches, community health offices, Women, Infants and Children (WIC) program sites, Head Start program sites, public housing councils, crisis nurseries, child care centers, early childhood education and preschool program sites, legal aid offices, and libraries, and at any other locations at which medical assistance applications must be made available. These sites may accept applications and forward the forms to the commissioner or local county human services agencies that choose to participate as an enrollment site. Otherwise, applicants may apply directly to the commissioner or to participating local county human services agencies.

(b) Application assistance must be available for applicants choosing to file an online application through MNsure.

Subd. 1a. **Person authorized to apply on applicant's behalf.** Beginning January 1, 1999, a family member who is age 18 or over or who is an authorized representative, as defined in the medical assistance program, may apply on an applicant's behalf.

Subd. 1b. **MinnesotaCare enrollment by county agencies.** Beginning September 1, 2006, county agencies shall enroll single adults and households with no children formerly enrolled in general assistance medical care in MinnesotaCare according to Minnesota Statutes 2009 Supplement, section 256D.03, subdivision 3. County agencies shall perform all duties necessary to administer the MinnesotaCare program ongoing for these enrollees, including the redetermination of MinnesotaCare eligibility at renewal.

Subd. 1c. **Open enrollment and streamlined application and enrollment process.**

[See Note.]

Subd. 2. **Commissioner's duties.** The commissioner or county agency shall use electronic verification through MNsure as the primary method of income verification. If there is a discrepancy between reported income and electronically verified income, an individual may be required to submit additional verification to the extent permitted under the Affordable Care Act. In addition, the commissioner shall perform random audits to verify reported income and eligibility. The commissioner may execute data sharing arrangements with the Department of Revenue and any other governmental agency in order to perform income verification related to eligibility and premium payment under the MinnesotaCare program.

Subd. 3. **Effective date of coverage.** (a) The effective date of coverage is the first day of the month following the month in which eligibility is approved and the first premium payment has been received. As provided in section 256B.057, coverage for newborns is automatic from the date of birth and must be coordinated with other health coverage. The effective date of coverage for eligible newly adoptive children added to a family receiving covered health services is the month of placement. The effective date of coverage for other new members added to the family is the first day of the month following the month in which the change is reported. All eligibility criteria must be met by the family at the time the new family member is added. The income of the

new family member is included with the family's gross income and the adjusted premium begins in the month the new family member is added.

(b) The initial premium must be received by the last working day of the month for coverage to begin the first day of the following month.

(c) Benefits are not available until the day following discharge if an enrollee is hospitalized on the first day of coverage.

(d) Notwithstanding any other law to the contrary, benefits under sections 256L.01 to 256L.18 are secondary to a plan of insurance or benefit program under which an eligible person may have coverage and the commissioner shall use cost avoidance techniques to ensure coordination of any other health coverage for eligible persons. The commissioner shall identify eligible persons who may have coverage or benefits under other plans of insurance or who become eligible for medical assistance.

(e) The effective date of coverage for individuals or families who are exempt from paying premiums under section 256L.15, subdivision 1, paragraph (d), is the first day of the month following the month in which verification of American Indian status is received or eligibility is approved, whichever is later.

(f) The effective date of coverage for children eligible under section 256L.07, subdivision 8, is the first day of the month following the date of termination from foster care or release from a juvenile residential correctional facility.

[See Note.]

Subd. 3a. **Renewal of eligibility.** (a) Beginning July 1, 2007, an enrollee's eligibility must be renewed every 12 months. The 12-month period begins in the month after the month the application is approved.

(b) Each new period of eligibility must take into account any changes in circumstances that impact eligibility and premium amount. An enrollee must provide all the information needed to redetermine eligibility by the first day of the month that ends the eligibility period. The premium for the new period of eligibility must be received as provided in section 256L.06 in order for eligibility to continue.

(c) For children enrolled in MinnesotaCare, the first period of renewal begins the month the enrollee turns 21 years of age.

Subd. 3b. [Repealed, 2013 c 108 art 1 s 68]

Subd. 3c. **Retroactive coverage.** Notwithstanding subdivision 3, the effective date of coverage shall be the first day of the month following termination from medical assistance for families and individuals who are eligible for MinnesotaCare and who submitted a written request for retroactive MinnesotaCare coverage with a completed application within 30 days of the mailing of notification of termination from medical assistance. The applicant must provide all required verifications within 30 days of the written request for verification. For retroactive coverage, premiums must be paid in full for any retroactive month, current month, and next month within 30 days of the premium billing. This subdivision does not apply, and shall not be implemented by the commissioner, once eligibility determination for MinnesotaCare is conducted by the MNsure eligibility determination system.

Subd. 4. **Application processing.** The commissioner of human services shall determine an applicant's eligibility for MinnesotaCare no more than 30 days from the date that the application is received by the Department of Human Services. Beginning January 1, 2000, this requirement also applies to local county human services agencies that determine eligibility for MinnesotaCare.

Subd. 5. **Availability of private insurance.** The commissioner, in consultation with the commissioners of health and commerce, shall provide information regarding the availability of private health insurance coverage and the possibility of disenrollment under section 256L.07, subdivision 1, to all: (1) families enrolled in the MinnesotaCare program whose gross family income is equal to or more than 225 percent of the federal poverty guidelines; and (2) single adults and households without children enrolled in the MinnesotaCare program whose gross family income is equal to or more than 165 percent of the federal poverty guidelines. This information must be provided upon initial enrollment and annually thereafter. The commissioner shall also include information regarding the availability of private health insurance coverage in the notice of ineligibility provided to persons subject to disenrollment under section 256L.07, subdivision 1.
