473.1293 ENERGY FORWARD PRICING MECHANISMS.

Subdivision 1. **Definitions.** The following definitions apply in this section.

- (a) "Energy" means natural gas, heating oil, diesel fuel, or any other energy source, except electric, used in Metropolitan Council operations.
 - (b) "Forward pricing mechanism" means either:
- (1) a contract or financial instrument that obligates an entity to buy or sell a specified amount of an energy commodity at a future date and at a set price; or
 - (2) an option to buy or sell the contract or financial instrument.
- Subd. 2. **Authority provided.** Notwithstanding any other law to the contrary, the council may use forward pricing mechanisms for budget risk reduction.
- Subd. 3. **Conditions.** (a) Forward pricing transactions made under this section must be made only under the conditions in paragraphs (b), (c), and (d).
- (b) The amount of energy forward priced must not exceed the estimated energy usage for council operations for the period of time covered by the forward pricing mechanism.
- (c) The holding period and expiration date for any forward pricing mechanism must not exceed 24 months from the trade date of the transaction.
- (d) Separate accounts must be established for each operational energy for which forward pricing mechanisms are used under this section.
- Subd. 4. **Written policies and procedures.** Before exercising authority under subdivision 2, the council must have written policies and procedures governing the use of forward pricing mechanisms.
- Subd. 5. **Oversight process.** (a) Before exercising authority under subdivision 2, the governing body of the council must establish an oversight process that provides for review of the council's use of forward pricing mechanisms.
 - (b) The process must include:
 - (1) internal or external audit reviews;
 - (2) quarterly reports to, and review by, an internal investment committee; and
 - (3) internal management control.
