

184.36 PLACES OF BUSINESS.

Subdivision 1. **Location.** No employment agent shall open, conduct, or maintain an employment agency at any other place than that specified in the license without first obtaining the consent of the department. Such consent may be withheld for any reason for which an original application might have been rejected, if such place has been mentioned therein. If such consent is given, it shall be endorsed upon the license and, if such license is renewed, such other place shall be substituted for the place originally named in the license. So long as any employment agent shall continue to act as such under a license the agent shall maintain and keep open an office or place of business at the place specified in the license.

Subd. 2. **Notice of agency change.** No counselor shall be employed by any employment agency other than that specified in the license without first notifying the department. When such notification is given, it shall be endorsed upon the license and, if such license is renewed, the name of such other employment agency shall be substituted for the place originally named in the license.
