

94.3495 EXPEDITED EXCHANGES OF LAND INVOLVING THE STATE AND GOVERNMENTAL SUBDIVISIONS OF THE STATE.

Subdivision 1. **Purpose and scope.** (a) The purpose of this section is to expedite the exchange of public land ownership. Consolidation of public land reduces management costs and aids in the reduction of forest fragmentation.

(b) This section applies to exchanges of land between the state and a governmental subdivision of the state. For land exchanges under this section, sections 94.342 to 94.347 apply only to the extent specified in this section.

Subd. 2. **Classes of land; definitions.** The classes of public land that may be involved in an expedited exchange under this section are:

(1) Class 1 land, which for the purpose of this section is Class A land as defined in section 94.342, subdivision 1, except for:

- (i) school trust land as defined in section 92.025; and
- (ii) university land granted to the state by acts of Congress;

(2) Class 2 land, which for the purpose of this section is Class B land as defined in section 94.342, subdivision 2; and

(3) Class 3 land, which for the purpose of this section is all land owned in fee by a governmental subdivision of the state.

Subd. 3. **Valuation of land.** (a) In an exchange of Class 1 land for Class 2 or 3 land, the value of all the land shall be determined by the commissioner of natural resources. In an exchange of Class 2 land for Class 3 land, the value of all the land shall be determined by the county board of the county in which the land lies. To determine the value of the land, the parties to the exchange may cause the land to be appraised, utilize the valuation process provided under section 84.0272, subdivision 3, or obtain a market analysis from a qualified real estate broker. Merchantable timber value must be determined and considered in finalizing valuation of the lands.

(b) All lands exchanged under this section shall be exchanged only for lands of at least substantially equal value. For the purposes of this subdivision, "substantially equal value" has the meaning given under section 94.343, subdivision 3, paragraph (b). No payment is due either party if the lands are of substantially equal value but are not of the same value.

Subd. 4. **Title.** Title to the land must be examined to the extent necessary for the parties to determine that the title is good, with any encumbrances identified. The parties to the exchange may utilize title insurance to aid in the determination.

Subd. 5. **Approval by Land Exchange Board.** All expedited land exchanges under this section, and the terms and conditions of the exchanges, require the unanimous approval of the Land Exchange Board.

Subd. 6. **Conveyance.** (a) Conveyance of Class 1 land given in exchange shall be made by deed executed by the commissioner of natural resources in the name of the state. Conveyance of Class 2 land given in

exchange shall be by a deed executed by the commissioner of revenue in the name of the state. Conveyance of Class 3 land shall be by a deed executed by the governing body in the name of the governing authority.

(b) If Class 1 land is given in exchange for Class 2 or 3 land, the deed to the Class 2 or 3 land shall first be delivered to the commissioner of natural resources. Following the recording of the deed, the commissioner of natural resources shall deliver the deed conveying the Class 1 land.

(c) If Class 2 land is given in exchange for Class 3 land, the deed to the Class 3 land shall first be delivered to the county auditor. Following the recording of the deed, the commissioner of revenue shall deliver the deed conveying the Class 2 land.

(d) All deeds shall be recorded or registered in the county in which the lands lie.

Subd. 7. **Reversionary interest; mineral and water power rights and other reservations.** (a) All deeds conveying land given in an expedited land exchange under this section shall include a reverter that provides that title to the land automatically reverts to the conveying governmental unit if:

(1) the receiving governmental unit sells, exchanges, or otherwise transfers title of the land within 40 years of the date of the deed conveying ownership; and

(2) there is no prior written approval for the transfer from the conveying governmental unit. The authority for granting approval is the commissioner of natural resources for former Class 1 land, the county board for former Class 2 land, and the governing body for former Class 3 land.

(b) Class 1 land given in exchange is subject to the reservation provisions of section 94.343, subdivision 4. Class 2 land given in exchange is subject to the reservation provisions of section 94.344, subdivision 4. County fee land given in exchange is subject to the reservation provisions of section 373.01, subdivision 1, paragraph (g).

Subd. 8. **Land status.** Land received in exchange for Class 1 land is subject to the same trust, if any, and otherwise has the same status as the land given in exchange. Land received in exchange for Class 2 land is subject to a trust in favor of the governmental subdivision wherein it lies and all laws relating to tax-forfeited land. Land received in exchange for Class 3 land has the same status as the land given in exchange.
