

204B.17 CHANGE OF POLLING PLACE BY ELECTION JUDGES.

When a designated polling place does not comply with the requirements of this chapter the election judges of that precinct, on or before the opening of the polls on election day and upon approval by the municipal clerk in municipalities or school districts or the county auditor in unorganized territory, shall procure a polling place which is as near the designated polling place as possible and which does comply with those requirements.

When a new polling place is procured by the election judges, they shall meet on election day at the original polling place where they shall fill any vacancies in their number, publicly announce the change in polling place to the voters who are present and post a notice in large print of the change in a conspicuous place. They shall also post a notice in a location visible by voters who vote from their motor vehicles as provided in section 204C.15, subdivision 2. Upon completing these duties the election judges shall adjourn to the new polling place, where they shall post a similar notice of the change in polling place. The election judges shall certify to the appropriate governing body the expenses incurred because of the change. These expenses shall be paid as part of the expenses of the election.
