

119B.07 USE OF MONEY.

(a) Money for persons listed in sections 119B.03, subdivision 3, and 119B.05, subdivision 1, shall be used to reduce the costs of child care for students, including the costs of child care for students while employed if enrolled in an eligible education program at the same time and making satisfactory progress towards completion of the program. Counties may not limit the duration of child care subsidies for a person in an employment or educational program, except when the person is found to be ineligible under the child care fund eligibility standards. Any limitation must be based on a person's employment plan in the case of an MFIP participant, and county policies included in the child care fund plan. The maximum length of time a student is eligible for child care assistance under the child care fund for education and training is no more than the time necessary to complete the credit requirements for an associate or baccalaureate degree as determined by the educational institution, excluding basic or remedial education programs needed to prepare for postsecondary education or employment.

(b) To be eligible, the student must be in good standing and be making satisfactory progress toward the degree. Time limitations for child care assistance do not apply to basic or remedial educational programs needed to prepare for postsecondary education or employment. These programs include: high school, general equivalency diploma, and English as a second language. Programs exempt from this time limit must not run concurrently with a postsecondary program. If an MFIP participant who is receiving MFIP child care assistance under this chapter moves to another county, continues to participate in educational or training programs authorized in their employment plans, and continues to be eligible for MFIP child care assistance under this chapter, the MFIP participant must receive continued child care assistance from the county responsible for their current employment plan, under section 256G.07.
