

16A.105 DEBT CAPACITY FORECAST.

In February and November of each year the commissioner shall prepare a debt capacity forecast to be delivered to the governor and legislature according to section 16A.103, subdivision 1. The debt capacity forecast must include statements of the indebtedness of the state for bonds, notes, and other forms of long-term general obligation indebtedness. The forecast must show the actual amount of the debt service for at least the past two completed fiscal years, and the estimated amount for the current fiscal year and the next six fiscal years, the debt authorized and unissued, and the borrowing capacity for the next six fiscal years.
