Subd. 3. **Foster care provider requirements.** A foster care provider shall not care for an individual who relies on medical equipment to sustain life or monitor a medical condition unless the provider has received the training to operate such equipment as observed and confirmed by a qualified source, and:

- (1) is currently caring for an individual who is using the same equipment in the foster home; or
- (2) has written documentation that the foster care provider has cared for an individual who relied on such equipment within the past six months; or

Subd. 4. **Qualified source definition.** For purposes of this section, a "qualified source" includes a health care professional or an individual who provides training on such equipment.

Subd. 5. **Foster care provider training and skills form.** The agency supervising the foster care provider shall keep a training and skills form on file for each foster care provider and update the form annually.
