

**256I.05 MONTHLY RATES.**

Subdivision 1. **Maximum rates.** Monthly room and board rates negotiated by a county agency for a recipient living in group residential housing must not exceed the MSA equivalent rate specified under section 256I.03, subdivision 5.

Subd. 1a. **Supplementary service rates.** (a) Subject to the provisions of section 256I.04, subdivision 3, the county agency may negotiate a payment not to exceed \$426.37 for other services necessary to provide room and board provided by the group residence if the residence is licensed by or registered by the Department of Health, or licensed by the Department of Human Services to provide services in addition to room and board, and if the provider of services is not also concurrently receiving funding for services for a recipient under a home and community-based waiver under title XIX of the Social Security Act; or funding from the medical assistance program under section 256B.0659, for personal care services for residents in the setting; or residing in a setting which receives funding under Minnesota Rules, parts 9535.2000 to 9535.3000. If funding is available for other necessary services through a home and community-based waiver, or personal care services under section 256B.0659, then the GRH rate is limited to the rate set in subdivision 1. Unless otherwise provided in law, in no case may the supplementary service rate exceed \$426.37. The registration and licensure requirement does not apply to establishments which are exempt from state licensure because they are located on Indian reservations and for which the tribe has prescribed health and safety requirements. Service payments under this section may be prohibited under rules to prevent the supplanting of federal funds with state funds. The commissioner shall pursue the feasibility of obtaining the approval of the Secretary of Health and Human Services to provide home and community-based waiver services under title XIX of the Social Security Act for residents who are not eligible for an existing home and community-based waiver due to a primary diagnosis of mental illness or chemical dependency and shall apply for a waiver if it is determined to be cost-effective.

(b) The commissioner is authorized to make cost-neutral transfers from the GRH fund for beds under this section to other funding programs administered by the department after consultation with the county or counties in which the affected beds are located. The commissioner may also make cost-neutral transfers from the GRH fund to county human service agencies for beds permanently removed from the GRH census under a plan submitted by the county agency and approved by the commissioner. The commissioner shall report the amount of any transfers under this provision annually to the legislature.

(c) The provisions of paragraph (b) do not apply to a facility that has its reimbursement rate established under section 256B.431, subdivision 4, paragraph (c).

(d) Counties must not negotiate supplementary service rates with providers of group residential housing that are licensed as board and lodging with special services and that do not encourage a policy of sobriety on their premises and make referrals to available community services for volunteer and employment opportunities for residents.

Subd. 1b. [Repealed, 2014 c 262 art 1 s 12]

Subd. 1c. **Rate increases.** A county agency may not increase the rates negotiated for group residential housing above those in effect on June 30, 1993, except as provided in paragraphs (a) to (f).

(a) A county may increase the rates for group residential housing settings to the MSA equivalent rate for those settings whose current rate is below the MSA equivalent rate.

(b) A county agency may increase the rates for residents in adult foster care whose difficulty of care has increased. The total group residential housing rate for these residents must not exceed the maximum rate

specified in subdivisions 1 and 1a. County agencies must not include nor increase group residential housing difficulty of care rates for adults in foster care whose difficulty of care is eligible for funding by home and community-based waiver programs under title XIX of the Social Security Act.

(c) The room and board rates will be increased each year when the MSA equivalent rate is adjusted for SSI cost-of-living increases by the amount of the annual SSI increase, less the amount of the increase in the medical assistance personal needs allowance under section 256B.35.

(d) When a group residential housing rate is used to pay for an individual's room and board, or other costs necessary to provide room and board, the rate payable to the residence must continue for up to 18 calendar days per incident that the person is temporarily absent from the residence, not to exceed 60 days in a calendar year, if the absence or absences have received the prior approval of the county agency's social service staff. Prior approval is not required for emergency absences due to crisis, illness, or injury.

(e) For facilities meeting substantial change criteria within the prior year. Substantial change criteria exists if the group residential housing establishment experiences a 25 percent increase or decrease in the total number of its beds, if the net cost of capital additions or improvements is in excess of 15 percent of the current market value of the residence, or if the residence physically moves, or changes its licensure, and incurs a resulting increase in operation and property costs.

(f) Until June 30, 1994, a county agency may increase by up to five percent the total rate paid for recipients of assistance under sections 256D.01 to 256D.21 or 256D.33 to 256D.54 who reside in residences that are licensed by the commissioner of health as a boarding care home, but are not certified for the purposes of the medical assistance program. However, an increase under this clause must not exceed an amount equivalent to 65 percent of the 1991 medical assistance reimbursement rate for nursing home resident class A, in the geographic grouping in which the facility is located, as established under Minnesota Rules, parts 9549.0050 to 9549.0058.
