

**260C.203 ADMINISTRATIVE OR COURT REVIEW OF PLACEMENTS.**

(a) Unless the court is conducting the reviews required under section 260C.202, there shall be an administrative review of the out-of-home placement plan of each child placed in foster care no later than 180 days after the initial placement of the child in foster care and at least every six months thereafter if the child is not returned to the home of the parent or parents within that time. The out-of-home placement plan must be monitored and updated at each administrative review. The administrative review shall be conducted by the responsible social services agency using a panel of appropriate persons at least one of whom is not responsible for the case management of, or the delivery of services to, either the child or the parents who are the subject of the review. The administrative review shall be open to participation by the parent or guardian of the child and the child, as appropriate.

(b) As an alternative to the administrative review required in paragraph (a), the court may, as part of any hearing required under the Minnesota Rules of Juvenile Protection Procedure, conduct a hearing to monitor and update the out-of-home placement plan pursuant to the procedure and standard in section 260C.201, subdivision 6, paragraph (d). The party requesting review of the out-of-home placement plan shall give parties to the proceeding notice of the request to review and update the out-of-home placement plan. A court review conducted pursuant to section 260C.141, subdivision 2; 260C.193; 260C.201, subdivision 1; 260C.202; 260C.204; 260C.317; or 260D.06 shall satisfy the requirement for the review so long as the other requirements of this section are met.

(c) As appropriate to the stage of the proceedings and relevant court orders, the responsible social services agency or the court shall review:

- (1) the safety, permanency needs, and well-being of the child;
- (2) the continuing necessity for and appropriateness of the placement;
- (3) the extent of compliance with the out-of-home placement plan;
- (4) the extent of progress that has been made toward alleviating or mitigating the causes necessitating placement in foster care;
- (5) the projected date by which the child may be returned to and safely maintained in the home or placed permanently away from the care of the parent or parents or guardian; and
- (6) the appropriateness of the services provided to the child.

(d) When a child is age 16 or older, in addition to any administrative review conducted by the agency, at the in-court review required under section 260C.317, subdivision 3, clause (3), or 260C.515, subdivision 5 or 6, the court shall review the independent living plan required under section 260C.212, subdivision 1, paragraph (c), clause (11), and the provision of services to the child related to the well-being of the child as the child prepares to leave foster care. The review shall include the actual plans related to each item in the plan necessary to the child's future safety and well-being when the child is no longer in foster care.

(e) At the court review required under paragraph (d) for a child age 16 or older, the following procedures apply:

- (1) six months before the child is expected to be discharged from foster care, the responsible social services agency shall give the written notice required under section 260C.451, subdivision 1, regarding the

right to continued access to services for certain children in foster care past age 18 and of the right to appeal a denial of social services under section 256.045. The agency shall file a copy of the notice, including the right to appeal a denial of social services, with the court. If the agency does not file the notice by the time the child is age 17-1/2, the court shall require the agency to give it;

(2) consistent with the requirements of the independent living plan, the court shall review progress toward or accomplishment of the following goals:

(i) the child has obtained a high school diploma or its equivalent;

(ii) the child has completed a driver's education course or has demonstrated the ability to use public transportation in the child's community;

(iii) the child is employed or enrolled in postsecondary education;

(iv) the child has applied for and obtained postsecondary education financial aid for which the child is eligible;

(v) the child has health care coverage and health care providers to meet the child's physical and mental health needs;

(vi) the child has applied for and obtained disability income assistance for which the child is eligible;

(vii) the child has obtained affordable housing with necessary supports, which does not include a homeless shelter;

(viii) the child has saved sufficient funds to pay for the first month's rent and a damage deposit;

(ix) the child has an alternative affordable housing plan, which does not include a homeless shelter, if the original housing plan is unworkable;

(x) the child, if male, has registered for the Selective Service; and

(xi) the child has a permanent connection to a caring adult; and

(3) the court shall ensure that the responsible agency in conjunction with the placement provider assists the child in obtaining the following documents prior to the child's leaving foster care: a Social Security card; the child's birth certificate; a state identification card or driver's license, green card, or school visa; the child's school, medical, and dental records; a contact list of the child's medical, dental, and mental health providers; and contact information for the child's siblings, if the siblings are in foster care.

(f) For a child who will be discharged from foster care at age 18 or older, the responsible social services agency is required to develop a personalized transition plan as directed by the youth. The transition plan must be developed during the 90-day period immediately prior to the expected date of discharge. The transition plan must be as detailed as the child may elect and include specific options on housing, health insurance, education, local opportunities for mentors and continuing support services, and work force supports and employment services. The agency shall ensure that the youth receives, at no cost to the youth, a copy of the youth's consumer credit report as defined in section 13C.001 and assistance in interpreting and resolving any inaccuracies in the report. The plan must include information on the importance of designating another individual to make health care treatment decisions on behalf of the child if the child becomes unable to participate in these decisions and the child does not have, or does not want, a relative who would otherwise

be authorized to make these decisions. The plan must provide the child with the option to execute a health care directive as provided under chapter 145C. The agency shall also provide the youth with appropriate contact information if the youth needs more information or needs help dealing with a crisis situation through age 21.
