

**297A.815 MOTOR VEHICLE LEASES.**

Subdivision 1. **Motor vehicle lease price; payment.** (a) In the case of a lease of a motor vehicle as provided in section 297A.61, subdivision 4, paragraph (k), clause (2), the tax is imposed on the total amount to be paid by the lessee under the lease agreement. The lessor shall collect the tax in full at the time the lease is executed or, if the tax is included in the lease and the lease is assigned, the tax is due from the original lessor at the time the lease is assigned. The total amount to be paid by the lessee under the lease agreement equals the agreed-upon value of the vehicle less manufacturer's rebates, the stated residual value of the leased vehicle, and the total value allowed for a vehicle owned by the lessee taken in trade by the lessor, plus the price of any taxable goods and services included in the lease and the rent charge as provided by Code of Federal Regulations, title 12, section 213.4, excluding any rent charge related to the capitalization of the tax.

(b) If the total amount paid by the lessee for use of the leased vehicle includes amounts that are not calculated at the time the lease is executed, the tax is imposed and must be collected by the lessor at the time the amounts are paid by the lessee. In the case of a lease which by its terms may be renewed, the sales tax is due and payable on the total amount to be paid during the initial term of the lease, and then for each subsequent renewal period on the total amount to be paid during the renewal period.

(c) If a lease is canceled or rescinded on or before 90 days of its execution or if a vehicle is returned to the manufacturer under section 325F.665, the lessor may file a claim for a refund of the total tax paid minus the amount of tax due for the period the vehicle is used by the lessee.

(d) If a lessee's obligation to make payments on a lease is canceled more than 90 days after its execution, a credit is allowed against sales tax or motor vehicles sales tax due on a subsequent lease or purchase of a motor vehicle if that lease or purchase is consummated within 30 days of the date the prior lease was canceled. The amount of the credit is equal to (1) the sales tax paid at the inception of the lease, multiplied by (2) the ratio of the number of full months remaining in the lease at the time of termination compared to the term of the lease used in calculating sales tax paid at the inception of the lease. The credit or any part of it cannot be assigned or transferred to another person.

Subd. 2. **Lease originating in another state.** When the lease of a motor vehicle as defined in section 297A.61, subdivision 4, paragraph (k), clause (2), originates in another state, the sales tax under subdivision 1 shall be calculated by the lessor on the total amount that is due under the lease agreement after the vehicle is required to be registered in Minnesota. If the total amount to be paid by the lessee under the lease agreement has already been subjected to tax by another state, a credit for taxes paid in the other state is allowed as provided in section 297A.80.

Subd. 3. **Motor vehicle lease sales tax revenue.** (a) For purposes of this subdivision, "net revenue" means an amount equal to the revenues, including interest and penalties, collected under this section, during the fiscal year; less \$32,000,000 in each fiscal year.

(b) On or before June 30 of each fiscal year, the commissioner of revenue shall estimate the amount of the net revenue for the current fiscal year.

(c) On or after July 1 of the subsequent fiscal year, the commissioner of management and budget shall transfer the net revenue as estimated in paragraph (b) from the general fund, as follows:

(1) \$9,000,000 annually until January 1, 2015, and 50 percent annually thereafter to the county state-aid highway fund. Notwithstanding any other law to the contrary, the commissioner of transportation shall allocate the funds transferred under this clause to the counties in the metropolitan area, as defined in section

473.121, subdivision 4, excluding the counties of Hennepin and Ramsey, so that each county shall receive of such amount the percentage that its population, as defined in section 477A.011, subdivision 3, estimated or established by July 15 of the year prior to the current calendar year, bears to the total population of the counties receiving funds under this clause; and

(2) the remainder to the greater Minnesota transit account.
