

576.43 UTILITY SERVICE.

A utility providing service to receivership property that has received written notice from the receiver of the appointment of the receiver may not alter, refuse, or discontinue service to the receivership property without first giving the receiver written notice of any receivership default in compliance with the utility's approved tariffs. After written notice to the utility and a hearing satisfactory to the court, the court may prohibit the alteration, refusal, or discontinuance of utility service if the receiver furnishes adequate assurance of payment for service to be provided after the time of appointment.
