

5A.06 COMPLAINTS.

The secretary of state may, upon receipt of a complaint regarding an international student exchange organization, report the matter to the organization involved, the Office of Exchange Coordination and Designation, United States Department of State, or the Council on Standards for International Educational Travel, as the secretary of state considers appropriate. The secretary may also investigate complaints received under this section to determine if the complaint is limited to one high school or if there are systemic problems with placements made by a particular organization. The secretary of state may terminate an organization's registration if the secretary determines the organization has failed to remain in compliance with local, state, and federal statutes, rules, and regulations.
