If a bullion coin dealer was not required to be registered beginning on July 1, 2014, the bullion coin dealer must submit an application to register itself and each of its coin dealer representatives within 30 days of reaching \$5,000 in the aggregate of bullion coin transactions with consumers in any 12-month period prior to July 1 of any calendar year, as determined by the transactions' sale prices. Once a bullion coin dealer is required to register itself and its coin dealer representatives, the coin dealer must thereafter renew its registration and the registration of each of its coin dealer representatives in accordance with this chapter, regardless of the aggregate amount of transactions, unless the person ceases to be a bullion coin dealer. A coin dealer representative may not buy, sell, solicit, or market bullion coins or investments in bullion coins on behalf of a bullion coin dealer unless the dealer is properly registered with the commissioner under this section.

A bullion coin dealer who desires to carry on business in more than one location shall identify each address where business is conducted;

A bullion coin dealer may rely on the screening process provided for in section 80G.05 and the statements of its coin dealer representatives for the purposes of complying with the disclosure requirements of this clause relating to coin dealer representatives, provided that such reliance is reasonable, in good faith, and the bullion coin dealer has no knowledge of information suggesting that the screening results or statement are inaccurate.
