

290C.10 WITHDRAWAL PROCEDURES.

An approved claimant under the sustainable forest incentive program for a minimum of four years may notify the commissioner of the intent to terminate enrollment. Within 90 days of receipt of notice to terminate enrollment, the commissioner shall inform the claimant in writing, acknowledging receipt of this notice and indicating the effective date of termination from the sustainable forest incentive program. Termination of enrollment in the sustainable forest incentive program occurs on January 1 of the fifth calendar year that begins after receipt by the commissioner of the termination notice. After the commissioner issues an effective date of termination, a claimant wishing to continue the land's enrollment in the sustainable forest incentive program beyond the termination date must apply for enrollment as prescribed in section 290C.04. A claimant who withdraws a parcel of land from this program may not reenroll the parcel for a period of three years. Within 90 days after the termination date, the commissioner shall execute and acknowledge a document releasing the land from the covenant required under this chapter. The document must be mailed to the claimant and is entitled to be recorded. The commissioner may allow early withdrawal from the Sustainable Forest Incentive Act without penalty when the state of Minnesota, any local government unit, or any other entity which has the power of eminent domain acquires title or possession to the land for a public purpose notwithstanding the provisions of this section. In the case of such acquisition, the commissioner shall execute and acknowledge a document releasing the land acquired by the state, local government unit, or other entity from the covenant. All other enrolled land must remain in the program.
