

62J.81 DISCLOSURE OF PAYMENTS FOR HEALTH CARE SERVICES.

Subdivision 1. **Required disclosure of estimated payment.** (a) A health care provider, as defined in section 62J.03, subdivision 8, or the provider's designee as agreed to by that designee, shall, at the request of a consumer, and at no cost to the consumer or the consumer's employer, provide that consumer with a good faith estimate of the allowable payment the provider has agreed to accept from the consumer's health plan company for the services specified by the consumer, specifying the amount of the allowable payment due from the health plan company. Health plan companies must allow contracted providers, or their designee, to release this information. If a consumer has no applicable public or private coverage, the health care provider must give the consumer, and at no cost to the consumer, a good faith estimate of the average allowable reimbursement the provider accepts as payment from private third-party payers for the services specified by the consumer and the estimated amount the noncovered consumer will be required to pay. Payment information provided by a provider, or by the provider's designee as agreed to by that designee, to a patient pursuant to this subdivision does not constitute a legally binding estimate of the allowable charge for or cost to the consumer of services.

(b) A health plan company, as defined in section 62J.03, subdivision 10, shall, at the request of an enrollee intending to receive specific health care services or the enrollee's designee, provide that enrollee with a good faith estimate of the allowable amount the health plan company has contracted for with a specified provider within the network as total payment for a health care service specified by the enrollee and the portion of the allowable amount due from the enrollee and the enrollee's out-of-pocket costs. An estimate provided to an enrollee under this paragraph is not a legally binding estimate of the allowable amount or enrollee's out-of-pocket cost.

Subd. 2. **Applicability.** For purposes of this section, "consumer" does not include a medical assistance, MinnesotaCare, or general assistance medical care enrollee, for services covered under those programs.
