The applicant shall be examined in the subjects that the board then examines applicants under section 147.02 in which the applicant was not examined by the state Board of Osteopathy prior to the issuance of a license under Minnesota Statutes 1961, sections 148.11 to 148.16, prior to May 1, 1963. All applicants shall be known to the board members or examiners only by number, without names, or other methods of identification on examination papers by which board members or examiners may be able to identify such applicants, until the final grades of all the examination papers have been determined, and the licenses granted or refused. After such examination, the board, if eight members thereof consent, shall grant such doctor of osteopathy a license to practice medicine. The board may refuse to grant such a license to any person guilty of immoral, dishonorable, or unprofessional conduct, as defined in Minnesota Statutes 1961, chapter 147, but subject to the right of the applicant to appeal to the district court in the county in which the principal office of the board is located on the questions of law and fact.

The board shall by rule determine what constitutes minor surgery, anesthetics, narcotics, antidotes, and antiseptics.
