Any false statement willfully and knowingly made in regard thereto shall be deemed perjury and punished accordingly. The listing and application for registration by dealers or manufacturers' agents within the state, of motor vehicles received for sale or use within the state shall be accepted as compliance with the requirements of this chapter, imposed upon the manufacturer.

(b) Registration shall be refused a motor vehicle if the original identification or serial number has been destroyed, removed, altered, covered, or defaced. However, if the commissioner is satisfied on the sworn statements of the registered owner or registered owners or such other persons as the commissioner may deem advisable that the applicant is the legal owner, a special identification number in the form prescribed by the commissioner shall be assigned to the motor vehicle. When it has been determined that the number had been affixed to such vehicle in a manner prescribed by the commissioner, the vehicle may thereafter be registered in the same manner as other motor vehicles. In the case of a new or rebuilt motor vehicle manufactured or assembled without an identification or serial number, the commissioner may assign an identification number to the motor vehicle in the same manner as prescribed heretofore.

Subd. 1a. **Collector's vehicle, pioneer plate.** (a) Any motor vehicle that: (1) was manufactured prior to 1936 or is a restored pioneer vehicle, as defined in section 168A.01, subdivision 16a; and (2) is owned and operated solely as a collector's item, shall be listed for taxation and registration as provided by paragraph (b).

(b) An affidavit shall be executed stating the name and address of the owner, the name and address of the person from whom purchased, the make of the motor vehicle, year and number of the model, the manufacturer's identification number and that the vehicle is owned and operated solely as a collector's item and not for general transportation purposes. (c) The number plate so issued shall bear the inscription "Pioneer," "Minnesota" and the registration number or other combination of characters authorized under section 168.12, subdivision 2a, but no date. The number plate is valid without renewal as long as the vehicle is in existence in Minnesota. The commissioner has the power to revoke said plate for failure to comply with this subdivision.

Subd. 1b. **Collector's vehicle, classic car plate.** (a) Any motor vehicle manufactured between and including the years 1925 and 1948, and designated as a full classic car because of its fine design, high engineering standards, and superior workmanship, and owned and operated solely as a collector's item shall be listed for taxation and registration as follows: An affidavit shall be executed stating the name and address of the owner, the name and address of the person from whom purchased, the make of the motor vehicle,

If the commissioner is satisfied that the affidavit is true and correct and that the motor vehicle qualifies to be classified as a classic car, and the owner pays a \$25 tax and the plate fee authorized under section 168.12, the commissioner shall list such vehicle for taxation and registration and shall issue a single number plate.

(b) The number plate so issued shall bear the inscription "Classic Car," "Minnesota," and the registration number or other combination of characters authorized under section 168.12, subdivision 2a, but no date. The affidavit shall further state that the vehicle is owned and operated solely as a street rod and not for general transportation purposes. The owner must also prove that the owner has one or more vehicles with regular license plates. If the commissioner is satisfied that the affidavit is true and correct and the owner

pays a \$25 tax and the plate fee authorized under section 168.12, the commissioner shall list such vehicle for taxation and registration and shall issue a single number plate.

The number plate issued shall bear the inscription "Street Rod," "Minnesota," and the registration number or other combination of characters authorized under section 168.12, subdivision 2a, but no date. The number plate is valid without renewal as long as the vehicle is in existence in Minnesota. The commissioner has the power to revoke such plate for failure to comply with this subdivision.

Subd. 1e. **Outdoor storage.** Pioneer, classic, collector vehicles, collector military vehicles, or street rods, licensed or unlicensed, operable or inoperable, may be stored in compliance with local government zoning and ordinances on their owners' property, provided that the vehicles and any outdoor storage areas they may require are maintained in such a manner that they do not constitute a health or environmental hazard and are screened from ordinary public view by means of a fence, shrubbery, rapidly growing trees or other appropriate means. The number of the original plates must be provided to the commissioner. The original plates must be in good condition. Original Minnesota number plates shall not be used if the number on the original plate is identical to a number on any current plate or any other plate in a numbering system used by the commissioner without written authorization from the commissioner. Any person currently using plates issued pursuant to subdivision 1a, 1b, 1c or 1d shall return those plates to the commissioner before substituting original plates. The commissioner shall charge a fee of \$10 for registering the number on original plates.

The number plates shall bear the inscriptions "Collector" and "Minnesota" and the registration number, but no date. The number plates are valid without renewal as long as the vehicle is in existence in Minnesota. The commissioner may revoke the plates for failure to comply with this subdivision.

(c) Notwithstanding section 168.09, 168.12, or other law to the contrary, the owner of a registered collector military vehicle is not required to display registration plates on the exterior of the vehicle if the vehicle has an exterior number identification that conforms to the identifying system for military vehicles in effect when the vehicle was last owned by the branch of the armed forces of the United States or in effect in the year to which the collector military vehicle has been restored. However, the state registration plates must be carried in or on the collector military vehicle at all times.
